Dr. Chas. E. Maddry and Chas. Anderson were recognized and welcomed.

Report on Missions was read by R. R. Lanier as follows:

REPORT ON MISSIONS.

In The Acts of the Apostles, chapter one and verse eight, we have the complete Mission program—"And ye shall be witnesses unto me both in Jerusalem, and in all Judea, and in Samaria, and unto the uttermost part of the earth." Briefly stated then, our program is: "Go—Teach—and Baptize"—all the world. Beginning at Jerusalem, local church. then Judea, State; Samaria, Home, and uttermost part, Foreign Missions.

I. STATE MISSIONS

No department of our work has produced greater results than State Missions. The comprehensive view of our needs, the definite concrete action, the conservation of results and the bringing to bear the strength of the denomination upon the weak places, and the upbuilding of the work of the Master will ever keep State Missions close to the heart of our people; more than half of the Churches in the State have been organized by missionaries of the state board, and these churches are giving a large part of the amount contributed to carry on the work of the Lord.

We are spending for State Missions this year $126,000. One hundred and eighty missionary pastors in fifty-three Associations are receiving aid. These pastors are serving three hundred churches. We have, associated with our beloved and efficient Secretary Dr. Chas. E. Maddrey, three enlistment men. three evangelists; three Student Workers; four in the Sunday School department; three in W. M. U. department; three in B. Y P. U. work; Associat Secretary Hamby, and Stewardship Secretary Gilmore.

At the last session of the Baptist State Cinvention in Gastonia, we took as our objective for this year, $2,000,000. Will we, as Baptists of North Carolina fail to reach our aim, or can we afford to fail God in an hour like this? In the words of the faithful let us say: "We are able, let us go up and possess it." If our Baptist people were only as liberal as the ancient Jew and would give one-tenth of their income, that would put in the Lord's treasury this year $15,000,000. Let us say, "By the grace of God we will reach our objective."

II. HOME MISSIONS.

A study of the Board's annual reports for these five years of the 75-Million Campaign reveals a record of great achievements. Notwithstanding the embarrassment of a heavy debt that has rested on the Board for four years past, God has bestowed unwonted favor upon the labors of the Missionaries and Evangelists of the Board. Meetings of great power have been held in various fields and thousands have been brought to Christ Fields notably hard, are coming to self-support and in turn are having a part in our denominational work. Enlargement is called for from every direction. The calls are many and heart-searching from weak churches needing help and destitute fields needing missionaries in the country, our growing towns and cities.

The Home Mission Board, notwithstanding its burdensome debt and re-

trenchment in its forces, presents a wonderful outlook for the future. The South constitutes the nursery, the training ground, the source of supplies, indeed for our conquest in all lands. If we fail here we fail everywhere! If we succeed here we succeed everywhere! May God help our people in this great day of opportunity with high resolve to meet these issues worthily and hasten the coming of His Kingdom throughout the earth.

If we raise the full 75 Million dollars and Home Missions receives its due proportion we can pay off all the Board's debt and be ready for an aggressive work for the future.

III. FOREIGN MISSIONS.

Our Foreign Mission work now encircles the earth. The story of the work of the past year is one of lights and shadows.

I. SOME SHADOWS.

1 Our Foreign Mission Board has been burdened all through the year with a heavy indebtedness. At the end of the Convention year, April 30, the debt amounted to $711,611.95. This has cast a shadow over the work of the year.

2. In an effort to economize the Board has cut off all appropriations for new equipment on all fields, thus leaving many missionaries without homes, many churches without places of worship, many physicians without hospital facilities, and many schools without buildings.

3. At a meeting of the Board it was decided that not a single new missionary could be sent out during the year upon which we are entering. This means that many stations are left without reinforcement, and that no new stations can be opened.

II. SOME LIGHTS.

1. Through the generosity of individuals and churches money has been provided, over and above campaign pledges, to equip and send out 54 new missionaries. This brings the total of new missionaries sent out since the campaign started up to 216, or nearly twice as many as we had when the campaign started

2. A revival spirit has broken out in nearly all of our mission fields. The people are more ready to respond to the gospel appeal than ever before. Men and women are turning away from the false religions which have held them so long, and are reaching out after God. During the past year 12,856 converts have been baptized, making a total of 47,190 since the campaign started.

3. Growth in all departments of the work During the year 204 new churches have been organized, 121 new outstations have been opened, and 64 new Sunday Schools have been begun. God has blessed the work of our board in a remarkable way. Surely we will prove ourselves unworthy of his goodness unless we gird ourselves with the spirit of sacrifice and service and make it possible for the work of advance all along the line.

We commend to our Churches "Home and Foreign Fields."

IV. WOMEN'S WORK.

Organized missionary work among the women of the Southern Baptist Convention began in 1888, with the organization of the Woman's Missionary Union, auxiliary to the Southern Baptist Convention But even prior to that time the Baptist women of North Carolina were doing cooperative work through their central committee, and were reporting to the Baptist State Convention. Thirty-three years ago they had their first annual meeting and entered on a definite program of work. Their purpose has been to stimulate missionary interest among the Baptist women., girls and children, and to col-

lect funds for missionary purposes. How well they have succeeded is shown by their last annual report.

There are now 2,278 Societies in our churches, and last year these societies contributed $325,392.12, to the objects of the Convention. Perhaps the most far-reaching work of the societies is not revealed in financial statistics, but rather in the missionary spirit which they have kindled and fostered.

In our Association there are 144 Societies. Last year these Societies contributed $16,155.72 to our Convention objects.

Realizing the importance of their efforts, we most heartily commend the Woman's Work to all our Churches. Respectfully,

R. R. LANIER

Pending motion to adopt the report, Dr. Chas. E. Maddry, our State Mission Secretary, addressed the Association. J. L. Powers spoken on Foreign Missions and Mrs. E. A. Huggins read a paper prepared on Woman's Work which is as follows:

MISSION REPORT OF WOMAN'S WORK.

Missions is the keynote of all our work, regardless of the line of work undertaken by the churches. The whole effort is to win souls into His kingdom. The West Chowan Woman's Missionary Union during the past year, its 30th anniversary, used every known method to break the ground in order that the mission seed might have proper soil in which to germinate, develop and bring forth we pray, some thirty, some sixty and some a hundred fold.

Mission Study has steadily advanced. Again West Chowan leads the State in Mission Study Classes. The entire organization is aroused to the importance of the study of missions. One County Union has a circulating Mission Study Library.

Personal service work is being more stressed as a great part in preparing the soil for soul harvesting. Many Young Peoples' organizations have been organized and are doing standard work along with the old ones. Special seasons of prayer were observed in most churches.

The Associational W M. U. supports a Missionary in China and eight Bible women. Through the County Unions it gives three scholarships to the Louisville Training School.

The churches that have led in giving and reached the $75,000,000 campaign pledges nearest are the churches with the most W. M. U. members who have learned to give systematically. The greatest per cent of tithers in the churches are W. M. U. members. The offering, the past year have exceeded all previous years, the grand total being $17,667.35. Many phases of work have moved onward, yet our aim is not attained. Leaders for Young People's work being the cry near and far As Jesus entered into active service during His thirtieth year, may we launch out into greater soil preparation for soul winning.

In North Carolina during the past four years the Baptists at the last Convention reported given $4,086,395.93 and the women gave nearly one-third of it. For four years the W. M. U. of North Carolina have averaged $300,000 a year and stands fourth in the list of Southern States in $75,000,000 Campaign The apportionment has already been reached.

The women of the State and Southland are doing a mighty work through their respective organizations. Besides giving great sums of money through the churches, they are independently giving to both Home and Foreign Fields.

With a growing conviction as to the magnitude and meaning of the mission task; cheered by the victories already won: we turn our faces toward the future with prayerful hearts for greater conquest in His name.

Respectfully submitted,

MRS. E. A. HUGGINS.

Adjourned with prayer by T. E. Walters.

WEDNESDAY MORNING SESSION.

At 10 A. M. devotional service was conducted by L. E. Dailey. After prayer by E. N. Gardner, Association was called to order and M. A. Huggins, our new Educational Secretary for the State, was recognized and welcomed.

Pastor C. C. Smith was present and read the report on Education:

REPORT ON EDUCATION.

Education is thought of in three parts, Secular, Christian and Religious.

Secular Education is the teaching and study of the arts and sciences apart from any organic or institutional connection with religion.

Christian Education is the teaching and study of the arts and sciences with the Bible and religious subjects included in the curricula—in Institutions under direct denominational ownership and control, or under private ownership whose purpose is avowedly Christian.

Religious Education is the scientific study and teaching of religious truth with a view to Evangelism, development of Christian Character, and training for Christian service.

This report has to do with Christian and Religious Education. We take, first, Religious Education

SUNDAY SCHOOLS.

Our Sunday Schools constitute at once the pride and biggest problem of the West Chowan Association. Our pride, in the number of Standard Sunday Schools, seven, thus leading all the Associations in the State. The fol-

lowing are the West Chowan Standard Schools: Jackson, River Side, Meherrin, Windsor, Capehart's, Winton and Murfreesboro.

Our problem consists in enrollment and in training. In these two features we are very much behind the State average. As to enrollment the State average as compared with Church Membership is eighty-one per cent, while the average of our Association is only 62 1-2 per cent. The Gaston Association leads the State in comparative enrollment, their proportion being 130 per cent.

In training we have made splendid progress, but with only Seven Standard Schools out of a total of fifty-eight we have far to go in this line.

In view of the tremendous problem that our comparative small Sunday School enrollment and comparative meager amount of training thrust upon us, perhaps it is time that this Association seriously consider the employment of a full time worker for our Sunday School and B. Y. P. U. forces This report commends this to the serious consideration of the Association.

Two helpful features of our general Sunday School work are the Associational Sunday School Convention and the Associational organized Class Convention. These conventions met with Capehart's Church this past year, were well attended, fine interest was manifested and good progress shown.

BAPTIST YOUNG PEOPLE'S UNION.

This feature of Religious Education has made magnificent progress in our bounds, and the Associational Convention is one of the livest general organizations that we have. We have 52 Unions with 1355 members, 14 of our Unions being Standard. Three State banners were awarded Unions in this Association at the State B. Y. P. U. Convention in Wilmington the past June The Senior Banner going to Ashley's Grove, the Intermediate to Meherrin, and the Junior to Murfreesboro.

These achievements should inspire other Unions to more intense work.

CORRELATION OF EDUCATIONAL ACTIVITIES.

With the multiplication of Educational organizations in our churches, so many appealing to the same people, and the work to some extent over-lapping, this report suggests that thoughtful consideration on the part of our churches be given to the correlation of education activities in the local churches.

DAILY VACATION BIBLE SCHOOLS.

This name sets forth the character of one of the most helpful agencies for religious instruction of our youth known. It is a school, meeting daily, five days a week, for a period of about six weeks during public school vacation for instruction in the Bible and allied subjects. This report commends this to the careful thought of our pastors and leaders.

CHOWAN ASSEMBLY.

The first session of the Chowan Assembly was held at Chowan College July 15th to 24th last, and proved a surprising and gratifying success The second session is assured for us by our State Board of Missions, and it should be largely patronized by our people. The Assembly offers us the opportunity for instruction, inspiration, fellowship and recreation at very small cost. We are grateful to the State Board for this generous gesture of theirs.

We come now to the head of Christian Education considering first,

MINISTERIAL EDUCATION.

This is rather a combination of Christian Education and Religious Education, including in the latter, theological education. Denominationally Bap-

tists train their ministers in our High Schools, Colleges and Seminaries. North Carolina's Ministerial students are in school as follows:

Eigthy-one in Wake Forest College, 147 in our high schools and Junior Colleges,—46 in the Louisville Seminary,—seven in the Fort Worth Seminary, and eight in the New Orleans Bible Institute. Our young women are training for full time christian work—17 in the Training School at Louisville—five in Fort Worth,—one in the Bible Institute. These figures of course are those of last year, those of the present school year being unavailable.

SCHOOLS AND COLLEGES.

In North Carolina the Baptist State Convention fosters three colleges, five high schools and one junior college. The Home Mission Board has in North Carolina seven Mountain High Schools and one Junior College.

Wake Forest will ever be supreme among North Carolina Baptists as our college for boys. It is gratifying to note its large enrollment, and we all rejoice in its increase, in endowment, which amounts to $2,102,733 56.

Meredith College will ever stand as Queen among our schools for women, and West Chowan unhesitatingly joins with the rest of the North Carolina Baptist hosts in admiration of her pristine beauty, her high attainments, and her magnificent position among the colleges of our Southland. Our hearts go out to the New Meredith, with her new modern buildings on the magnificent new site, and with her radiant future. There are still unsold $300,000 of the $750,000 bond issue. We commend the purchase of these to our people as a good investment and we hope that others of the West Chowan will purchase them, thus helping Meredith to the achieving of her immediate objective.

CHOWAN COLLEGE.

While we gladly recognize the Queenship of Meredith, still we are glad to claim Chowan's rank with her as a Charming Young Princess looking forward with the new hope and great enthusiasm to a larger career of useful service to the Chowan section and the denomination as a whole. Under the wise leadership of the gifted and scholarly President, Dr. C. P. Weaver, the College is on a firmer foundation than at any time in her long and glorious career. We congratulate President Weaver on the splendid faculty that he has assembled, ranking in scholarship and ability, second to that of no institution in North Carolina.

Our hearts were made to rejoice a few weeks ago when it was announced that the Baptist State Board of Education had graded Chowan College as standard, and now it remains only for the North Carolina Board of Education to give Chowan this same grade, when it shall rank with the highest colleges in our State. The Library several months ago attained its standard, and recently the Alumnae Association decided to raise $15,000 as a Library endowment, and half of this amount has already been subscribed. The Science Department has also attained standard, has been newly equipped, and is doing fine work. The endowment is now $25,000 and the Trustees are now launching a campaign to raise this to at least $250,000 at once. The Association is urged to co-operate with the trustees in achieving this goal.

During the past year the Dormitory capacity was increased by the addition of eight rooms to the new building. The enrollment is now 118, all of whom are college students, the entire preparatory department having been abolished.

CHRISTIAN EDUCATION IN GENERAL.

Our desire to see our education under denominational control even more specifically, and more unquestionably, Christian. We want to know beyond

a peradventure, save as there may be an occasional individual lapse of faith, that the faith of our college students will be deepened, rather than weakened, by a four-year's college course.

We want the faith of our instructors so unquestionably sound, and known to be sound, their teaching so Christian, with Christ as the great unifying factor of all phases of truth; and their lives so spiritual and so devotional, that our boys and girls will return home to be great bulwarks of faith in their home churches.

Christianity unhesitatingly demands that scholarship in Christian colleges shall be thoroughly permeated with the religion of Jesus Christ, and that in all of its research and findings it shall see God, and Christ, and the Holy Spirit. We want our youth taught the sciences, and we also want their teachers to show them God's place in His universe.

We say, "Teach our youth that if Sidney Lanier could get the lesson out of the marsh hen building her nest on the watery sod, that he should heartily lay him ahold of the greatness of God, then how much more should the larger knowledge of the now known universe be the means of the student building his nest in that same greatness of God, the comparative immensity of which was not known to Sidney Lanier. Teach all you know and all you can about life, but teach that back of all known life is THAT LIFE, which is the great source of all life; that Life, which can never perhaps be known biologically, is revealed in the Scriptures as in all, above all, and through all"

Christian Education, being in name Christian, presupposes Christian instructors; men and women who believe and assert that the Bible is the Word of God, and who hold it as supreme over all books, whose personal lives square with its teachings; who are vitally interested in the personal salvation of their students; and who regard Christ as THE TRUTH, and hence the unifier of all truth.

Christian Education, having for its purpose, in large measure, the teaching of the arts and sciences, demands full and accurate scholarship on the part of those who comprise the faculties of our institutions of learning, and nothing short of the highest scholarship will meet the ideals of a Christianity whose greatest aim is to show forth the glories of Him in whom are hid all the treasures of wisdom and knowledge. Respectfully submitted,

CHAS. C. SMITH.

On motion to adopt remarks were made by Dr. C. P. Weaver, on Chowan College. Prof. E. D. Naff, of Chowan College, sang a solo. Gilbert T. REPORT ON CHRISTIAN SOCIAL SERVICE.

Service to our needy fellowmen is the practical expression of Christianity. In the matter of Christian social service, Jesus set the pace; the apostolic church carried the work forward, and we as a Christian body must follow in their train. The cry of suffering and need is heard from many quarters. Baptists are answering the cry only in a limited way. Their work in the field of social service is being conducted through three channels—the Orphanage, Hospitals and the Relief and Annuity Board.

The first item is our Orphanage. For nearly forty years our denomination has been giving a home to homeless and needy children. In the hearts of our people the Orphanage has always had a warm place The Orphanage is the pride of North Carolina Baptists, and they have given liberally to its

support. Every need of the child has been taken into consideration and provision has been made for him to be well cared for and well trained. The boy or girl trained at the Orphanage goes out to be a blessing to the world as a result of training received.

The Orphanage is operated in two divisions. The main division is located at Thomasville, and a smaller division known as the Kennedy Home is located in Lenoir County six miles from Kinston. Both divisions of the institution are under the same administration.

The Orphanage now cares for 550 children—at Thomasville 460; at the Kennedy Home 90. Up to the present 2236 have been helped through the the Orphanage. There are 78 officers and employees on the pay roll. The cost to maintain each child is $289.44 per year or $24.12 per month. The daily cost for the support of 550 children is $442.20. In addition to the work at the Orphanage the Mother's Aid Fund has been established whereby aid is given that the children may be kept with the mother in the home. In any case where money from the fund is sought, the local church appoints a committee to look after the matter; to receive the monthly check from the Orphanage treasurer; to see that the money is well spent; and to report monthly to the Church and Orphanage. The committee also aids in providing other ways of support for the mother and children. The local church in this way becomes the ally of the Orphanage in its work. Last year there were 68 mothers and 297 children who received aid in this way. The work in this department is very promising.

The Orphanage, in spite of its advancement, has many needs. Only half of the cottages have been put on the unit plan. The conversion of the rest of the homes should begin at once. The campus deserves more attention: a better sod is needed over the entire grounds, and the walks are far from satisfactory. In addition to those pressing needs is the fact that many children are being turned away from year to year because of the lack of adequate room Let us consider their needs and make our contributions large.

Inasmuch as the Orphanage has withdrawn itself from the general program outlined by the state and will raise its funds independent of other agencies, your committee would recommend:

1. That all of our churches set apart one Sunday in each month in Sunday School and make an offering to the Orphanage, and remember the Orphanage at Thanksgiving with an offering of one day's labor.

2. That we pray for those who have this great work in their hands to the end that God shall call from our Orphanage many useful men and women.

HOSPITALS.

Since the Convention in Washington four years ago more than 100 Protestant hospitals hove been established and of the total number of beds Southern Baptists have one-fourth. Thousands of sick would not be ministered to were it not for the work being done by these institutions.

Southern Baptists have 24 hospitals in 14 States having a capacity of 2756 beds that served 44,849 patients last year. The property of these is worth over eight millions of dollars.

Our hospital at Winston-Salem begins its second year under favorable conditions. The first year exceeded all expectations in every line of work. 1400 patients were treated, nearly 200 of them being charity patients who came from every part of the state. Not all who came were cured, but the record showed that those who came were wonderfully blessed. The percentage of cures, so unusual, is attributed largely to the power of prayer.

For the last two months the earnings equalled the expenditures—a remarkable fact. The second year begins with the hospital full of patients. There are 86 beds and the fifth floor has to be used for nurses. An increase of 50 per cent in number of patients is expected this year. The nurses are all Christians and are willing, courteous, pleasant and earnest. They are lovers of the cause. Service is their motto and they give to the patients

their best. The hospital has increased its field of endeavor and added to its efficiency until it has built up a constituency and made a reputation that will contribute to its growth.

WITH THE PROGRESS THERE COME MANY NEEDS.

1. The Mother's Day offerings last May failed to liquidate all indebtedness for supplies and opening expenses. This left a debt for all charity work done and compelled the hospital to borrow all funds with which to do charity work this year, which amounts to $750 monthly. The call comes for the churches to raise and send money from time to time to care for the large number of those who would otherwise be turned away.

2. A nurse's home is needed. 18 beds would be available if there were a home for the nurses.

3. Radium is needed. Many patients come with cancers and other diseases and the hospital has to call upon the city hospital radium to save our patients. It is hoped that some one will donate this necessary commodity.

Your Committee recommends:

1. That we as an Association follow the plan offered by our state convention and designate Mothers' Day as Hospital day,—and that on this day, both in Sunday School and church services we shall inform the people of the work of the hospitals and get a worthy offering for

MINISTERIAL RELIEF.

The Relief and Annuity Board has had a little more than five years of actual functioning. In the meantime it has paid to its old and retired preachers $538,944.96. The Board paid out during the past year to its relief beneficiaries the sum of $125,449.60 which is $12,000 in excess of what we paid last year. 105 of these beneficiaries or more than one-tenth of all those in the 14 states of the Southern Baptist Convention are from North Carolina. They consist mainly of old ministers and widows of old ministers; but occasionally the Board comes to the rescue of a young man who breaks down.

The first great need of the Board is an interest bearing fund that will yield on the relief side of the work alone $100,000 annually, independently of what the Board would receive from the annual budget. A fund of this sort would enable the Board so greatly to increase its benefits to the retired preachers until it could at least approximate something in the way of adequate aid. Southern Baptists need to deal most liberally with the Relief and Annuity Board and should see that there is a fund, bearing interst sufficient to care for the aged Soldiers of the Cross.

Let us not forget our Christmas gift to the old preachers. Let us adopt the new slogan: A pension for every Baptist minister and from every Baptist church a full share of the cost.

THE HISTORIAN'S REPORT.

Your historian, John F. Cale, early in the year moved from our Association to Eastern Shore of Virginia and by request of the executive committee the Clerk has picked up the following fragments of history.

Real effective work has been done in B. Y. P. U. circles. As showing part of results four of the State B. Y. P. U. banners came to this Association: Senior banner won by Ashley's Grove; Intermediate, went to Meherrin. the Junior to Murfreesboro and Associational banner to West Chowan. For the new Summer Assembly at Chowan College, the advances made at Chowan College and new interest in Sunday School work see report on Education. We call attention to report on Digest published on another page for other advances

THE BUILDING SPIRIT

grows apace. Severn has built a new house of worship costing $20,000, admirably equipped for Sunday School work.

Christian Harbor has remodeled her house of worship and added eight Sunday School rooms at a cost of $2500.00.

Harrellsville has enlarged and improved the quarters for Junior and Intermediate departments of Sunday School and painted the church house. Harrellsville and Christian Harbor churches have erected an up-to-date home for the pastor, having eight rooms and costing $4,800.00.

Powellsville has built a pastor's home costing $3,500.00 and located pastor Dailey and family there.

Aulander has built an excellent brick home for the pastor.

Seaboard has erected an elegant pastor's home, built of tapestry brick, having nine rooms, steam heat, lights and water and costing $15,000.00.

Winton church has added four Sunday school rooms at a cost of $1,000.00. This gives eight rooms besides auditorium, furnishing ample room for the Sunday School which is now standardized. They also bought a piano.

Robert's Chapel has purchased a lot contemplating building a house of worship.

Pleasant Grove has added two Sunday School rooms.

PASTORAL CHANGES.

Our Association lost an active pastor in John F. Cale who went to eastern shore of Virginia. We lost another enthusiastic pastor in J. H. Barnes who left to pursue his studies further. We felt keenly our loss in the death of S. F. Bristow, noticed more fully in this report. L. E. Dailey gave up Mars Hill and located at Powellsville. T. E. Walters resigned Colerain and located at Harrellsville. J. W. Downey has resigned his work in our Association. E. N. Gardner has resigned to leave at the end of the year for the Orphanage church at Thomasville. E. J. Isenhower has resigned at Ahoskie, effective January 1st. J. Fred Stimson gives up Union for full time at Au-

lander. G. D. Leggett has resigned at Bethany. T. S. Crutchfield has resigned Pine Forest. M. P. Davis has given up Horton's to devote full time to his other churches.

E. W. Mason has become pastor of Connaritsa, Menola and Pleasant Grove and lives in Aulander. A. Finch has Riverside, Capehart's, Greene's and Ross and supplied Askewville. P. A. Pridgen is pastor at Merry Hill in connection with school work there. R. S. Monds, of Hertford, is pastor at Colerain. A. O. Kiff is supplying Early's.

There were reported during the year one hundred and twenty-two

DEATHS

in our Association. The following have been called to the writer's attention: Elder S. F. Bristow died at his home in Colerain, July 4th, aged 72. He had been active in the ministry for over 40 years. He was a true Christian gentleman, a man of fine fellowship and deeply consecrated in the work of the ministry. He spent a greater part of his life in this Association, been pastor of a number of the churches, held many revivals and baptized scores of our members.

E. N. Gardner reports the death of two elect ladies of his field: Mrs. Margaret L. Howell, of Buckhorne, and Mrs. Caroline Horne, of Robert's Chapel. Both had been life-long Christians, nnd were devoted active members of the churches until the approach of death kept them from the services.

Cashie and Colerain churches lost two brothers, each a Deacon in his church—E. White, of Colerain, and J. H. White, of Cashie. Colerain also lost by death Mrs. Ann Perry aged 91 and Joseph Baker aged 29, a World War veteran.

Center Grove felt keenly the loss in the tragic death of young Henry Early. Harrellsville lost a substantial member in the death of J. O. Askew, Sr.

At Lewiston are reported the deaths of two good women, Mrs. Maggie Garris, who in her young life was a very active member. She was 80 at her death. Mrs. Irene Harrell, aged 75, at her death was practically the mother of Lewiston church, having organized and taught the children in Sunday School six years before the church was organized. She taught the beginners class till a few months before her death and had been president of Kelford W. M. S. for 17 years—from its beginning to her death.

Paul Brett, of Mount Tabor, who died in March, aged 73, had been confined to his bed on account of rheumatism for 33 years. Miss Edith Moore died in August, aged 88. Mount Tabor also lost another good member, John A. Parker, who died two days before our Association.

Rich Square lost by death Deacon Junius Baugham and some others.

CASHIE BAPTIST CHURCH.

Cashie Baptist Church was organized at Windsor, North Carolina, in 1770, by Jeremiah Dargan and his wife Anne Moore. "Elder Jeremiah Dargan was converted and baptized in South Carolina, but divine Providence so ordered that he should move in, and become a resident of Bertie County, North Carolina. The manner and means by which it was effected through the divine agency of Him, who worketh all things according to the counsel of His own will, was Sister Dargan, whose name before married was Anne Moore, who resided at Cashie, in Bertie County, got converted, and believed that immersion was the scriptural mode of baptism, and as there was no administrator near to administer it unto her, she traveled out into the State of South Carolina, under a sense of duty and a desire to comply with it. Here she met with Elder Dargan, whom she soon after married, and he moved with her into Bertie County."

"Before a meeting house was built,he usually preached at a Mr. Sowell's, and at other private houses in the settlement, and was greatly persecuted by a few, who used all their influence to prevent him from preaching, particu-

larly Captain John Campbell. But vain were his attempts, for the Baptists now, were in a measure like the Israelites in Egypt, the more they afflicted them the more they multiplied."

The Church when organized was named "Cashie" taken from the name of Cashie River not far away, where the baptismal services were conducted. In a few years Jeremiah Dargan purchased half an acre of land nearly a mile and a half east of Windsor, now known as Sandy Point, on which he erected a commodious house of worship, about forty-two feet square. This Church was first gathered and constituted on the Separate Order, but came into fellowship of the Regular Baptist Church after the revolution took place at the Falls of Tar River.

Elder Dargan continued pastor of the church until his death on December 25th, 1786. "He was a remarkable pious Christian, and a very zealous minister of the gospel." After his death the church was without a regular pastor until July 6th, 1794, when Brother Aaron Spivey was ordained to the ministry and was duly "on that day owned as our pastor." During the period between the death of Elder Dargan and the ordination of Elder Spivey, Martin Ross, James Ross, Lemuel Burkitt and other visiting ministers preached at this church and ministered unto the congregation. The names of those who officiated at the first location of the church are those of the great pioneer Baptist preachers of this north-eastern section of our State. The minutes of the conferences since April 2, 1791, have been diligently preserved. The strong and influential men of Bertie county were members of Cashie, and its roll of members contain every type of citizen and citizens of every business calling. Both master and slave here worshipped their God together.

For convenience the Church was moved to its present location in Windsor in 1853, though services were occasionally had out at Sandy Point, in the old meeting house for several years, in deference to the sentiments of the older members of the church. The house of worship in Windsor was not fully completed until 1854. The building then erected served the congregation until 1910, when it was removed and the present brick building was erected

Cashie Church has sent forth many strong and influential men to preach the Gospel of our Lord Jesus Christ. Among them Abram M. Poindexter and his half brother William Hill Jordan were both powerful preachers and most influential in establishing the North Carolina Baptist State Convention.

It would take up too much space to extend the historical narrative further. The congregation is united and the church is doing the best work in its history under the leadership of its pastor Charles C. Smith.

to report it. We hope that hereafter you will report each month to your Personal Service chairman.

Report of the Mission Study Superintendent, Miss Bessie Tayloe, of Ahoskie, shows that Mission study has steadily advanced during the past year. Again the West Chowan leads the State in mission study classes. May we this year, with renewed interest, endeavor to hold the place we have already won—the place of leadership in the W. M. U. of the State.

Dr. C. P. Weaver, president of Chowan College, addressed the Union on the needs of Chowan College. He asked that we first of all endow the college spiritually by praying daily for its success and have the children add to their prayers, "God bless Chowan College." When it is thus spiritually endowed its success will be assured.

The reports from the County Presidents were highly interesting, giving us some idea of the wonderful work being done by each County Union. Mrs. L. E. Dailey, of Coleraine, reported fine work done by Bertie County Union.

Mrs. R. B. Lineberry, of Winton, reported splendid work done by Hertford County Union.

For the special music so beautifully rendered by Misses Claude Stephenson, of Severn; Thelma and Elma Fleetwood, of Jackson, and Miss Evelyn White, of Severn.

Deserving special mention are the wonderful messages brought to us by Miss Dorothy Kellam, of Raleigh, State Young People's Leader, and Mrs. C. C. Hoggard, of Ahoskie, Vice-President of Elizabeth City Division.

Also to Dr. C. P. Weaver, President of Chowan College, for his stirring appeal for the spiritual endowment of Chowan College.

To Rev. E. N. Gardner for the great and instructive message he brought us at the evening session, inspiring us to take a stronger stand for Christ through sacrifice.

May these resolutions be the means of expressing our gratitude for kind Christian fellowship and entertainment we received by the pastor, Rev. M. P. Davis and members of Kelford Baptist Church.

Respectfully submitted,

MRS. W. C. ASKEW,

CONSTITUTION

NAME

Article 1. This body shall be known as the North Carolina West Chowan Baptist Association.

MEMBERSHIP

Art. 2. It shall be composed of messengers elected by the churches connected with this body, and all ordained ministers who are members or pastors of said churches, together with the officers of this Association, and chairmen of all standing committees. Each church of one hundred members and under shall be entitled to two messengers, and for each additional one hundred members, an additional messenger; provided, that no church shall have more than four messengers.

OBJECTS

Art. 3. The objects shall be to devise and recommend measures for increasing the harmony, the intelligence and the spiritual power of the churches, and for developing and directing their energies, their resources and their gifts, in advancing the Redeemer's Kingdom in the earth.

POWERS AND PREROGATIVES

Art. 4. The Association shall have no power to infringe upon the sovereignty or rights of the churches. It is neither an ecclesiastical nor legislative council, nor court of appeal. It may advise the churches and recommend measures of usefulness for their adoption, but can not bind them in any way. Yet, in view of the combined wisdom, piety and intelligence of the body, it may justly claim for itself, for its objects and for its recommendation the very highest consideration and regard.

Art. 5. The Association may dissolve connection with any church that becomes heterodox in doctrine, or disorderly in practice, or that fails to represent itself, either by messenger or letter, more than two successive sessions, without sufficient reasons, or that treats with contempt its objects and requirements, or upon application of a church for dismission.

RIGHTS OF CHURCHES

Art. 6. Each individual church shall hold and exercise all the functions of an independent church of Jesus Christ. As constituent members of this Association, the churches shall have right to advise, when desired, in case of difficulty, and suggest plans of usefulness to be adopted. It shall be the undisputed privilege of any church to withdraw its membership from this Association whenever it shall so elect.

DUTIES OF CHURCHES

Art. 7. It shall be the duty of the churches to appoint as messengers, as far as practicable, their most capable members, to require their attendance, and to send by them a contribution to the Association fund to pay for printing the minutes and other necessary expenses.

Art. 8. It shall be the duty of each church to send an annual letter to the Association, giving: (1) locality; (2) names of its pastor and clerk and their respective postoffices; (3) the Sabbaths of regular service; (4) the church statistics, including the number baptized, received by letter, restored, dis-

missed, deceased, expelled and aggregate membership, male and female; (5) Sabbath School statistics; (6) amount contributed to benevolent objects and the Association fund; (7) names of messengers and alternates; (8) any other information deemed of special importance.

ORGANIZATION

Art. 9. The officers of this Association shall be a Moderator, Vice-Moderator, Clerk, Treasurer, and Historian, who shall be elected at each annual session, from the members of the Association, and shall continue in office until the next annual election, which election shall be the next order of business after the enrollment of messengers. As soon as the new officers shall have taken their seats, the body shall be declared organized and prepared for business.

Art. 10. In order to conserve time and not interfere with the main work of the body, this Association will not consider any routine or miscellaneous business except at the close of the discussion of each general topic.

DUTIES OF OFFICERS

Art. 11. It shall be the duty of the Moderator to open the meetings punctually at time appointed; to enforce the rules; to enforce order, and to exercise all the prerogatives of a presiding officer, according to the principles of parliamentary usage.

Art. 12. It shall be the duty of the Vice-Moderator to discharge the duties of the Moderator in his absence.

Art. 13. It shall be the duty of the Clerk to keep a faithful record of the proceedings of the body, and superintend the printing and distribution of same, and to keep on file the printed Minutes and other important documents belonging to the body. He may appoint an assistant when necessary. The Clerk shall receive for his services fifty dollars out of the minute fund.

Art. 14. It shall be the duty of the Treasurer to receive and disburse the money contributed to the Minute fund, as directed by the body, and make an annual report of the same.

Art. 15. It shall be the duty of the Historian, who shall be elected at each annual meeting of the body, to prepare for publication in the Minutes an historical sketch of the church with which the Association meets, with obituaries, incidents, and other facts of the year that shall be preserved, and make report to the next Association.

Art. 16. On the first day of the session there shall be appointed a committee of finance, committee on time, place and preacher, and a committee of one from each county to nominate representatives of Boards and to nominate an Executive Committee of nine members composed of two men and one woman from each of the counties.

Art. 17. This Constitution may be altered at any annual session of the body by a vote of two-thirds of the members present.

RESOLUTIONS

Resolved (1) That no church shall be entitled to representation in this body unless in perfect accord with the Constitution thereof, that fact to be ascertained by a committee of five on credentials, appointed at each session of the body immediately after organization; (2) the report of this committee shall be the property of the Association just as any other report. (Adopted 1898.)

Resolved (3) That henceforth this Association withdraw fellowship from any church that allows its members to engage in the manufacture and sale of intoxicating liquors as a beverage. (1891).

Resolved (4) That it is the sense of this Association that selling intoxicating liquors through a dispensary is a violation of the spirit and letter of the resolution of our Constitution. (1905.)

RULES OF ORDER

1. The Association shall convene annually at the time and place of its own adjournment.

2. During each annual session it shall meet and adjourn from day to day at the hours fixed upon by the body.

3. All meetings of the Association shall be opened and closed with religious exercises.

4. A majority of the members present shall be a quorum for the transaction of business.

5. No member shall absent himself temporarily without leave of the Moderator, nor finally without leave of the body.

6. No member shall speak more than twice on the same subject without permission of the body.

7. No member shall be allowed to talk, stand up, read or move about the house during business, except to gain or impart information under consideration.

8. No committee shall be in session during the hour of business without permission from the body.

9. All questions of order not herein provided shall be decided by Mell's Parliamentary Practice.

The West Chowan Association met at 10:30 o'clock A. M. today in its forty-third annual session with the Woodland church, Woodland, Northampton County, North Carolina.

E. Y. Poole conducted devotional service, who, having called W. D. Barbee to lead the singing and R. B. Lineberry to lead the opening prayer, then read and commented on Philippians 2:1-11 and lead in prayer.

Moderator C. G. Powell called the Association to order and messengers from the churches were enrolled. Those marked with * were named in the letters but did not sign enrollment card.

REPORT ON MISSIONS

State Missions

The State Mission enterprise in North Carolina is 94 years strong. It has the enthusiasm of youth, the strength of manhood, the wisdom of age.

In this forward-looking, over-taxed age the exigencies of the religious life of our people are many and great. Religious destitution must be combatted; souls must be saved; Bible study must be encouraged; our young people must be trained for service; missionary intelligence must be enlarged; concern for the spiritual welfare of our sons and daughters in state schools must be shown; many other interests must be regarded.

To meet these needs our Board of Missions maintains 5 evangelists, 145 missionary pastors, 5 all-time Sunday School workers, 4 all-time B. Y. P. U. workers, 4 all-time W. M. U. workers, 3 enlistment men and 3 student secretaries in our three largest state colleges.

Dr. Charles E. Maddry, of course, is Corresponding Secretary of the Board of Missions; Bro. E. L. Middleton is Secretary of the Sunday School Department; Bro. Perry Morgan is Secretary of the B. Y. P. U. Department, and Miss Mary Warren is Corresponding Secretary of W. M. U.

These leaders, matchless though they be, must have our support in order to execute a forward-looking program in our State Mission work.

At present the Board is hampered by a heavy debt. This should not be. All departments of this Board have been wonderfully blessed of the Lord.

As workers together with Him we must continue to give our sacrificial support.

Foreign Missions

Our Foreign Mission Board, located at Richmond, and supported by the Baptist churches of the South, is doing for the salvation of souls and the up-building of the Master's Kingdom in foreign lands just what our Board of Missions is doing for North Carolina.

Last May the Board made its 80th annual report to the Southern Baptist Convention.

The Board is doing mission work in fourteen nations, as follows: Africa, Argentina, Brazil, Chile, China, Hungary Italy, Japan, Jugo-Slavia, Mexico, Palestine and Syria, Roumania, Russia and Spain. There are 1,101 churches, 291 of which are self-supporting. There are 2,899 out stations. There are 539 missionaries and 2,443 native helpers.

There were 12,134 baptisms last year, which is the largest number in any one year in the history of the Board. The total church membership reported last year was 117,923.

The Board received from all sources last year $1,405,265.88 and reported a debt of $1,250,792.45, which had been some years in accumulating.

Our missionaries are human, and report that they meet with many difficulties—sometimes having their own lives threatened. They are heroes and heroines, and God is honoring their loyalty even as He honored the Apostle to the Gentiles long ago.

While the successes of our missionaries have been most glorious, yet it is sad to report that because of debt and because of the lack of funds, more than 100 volunteers have, during the past year, been refused the privilege of carrying the gospel to a lost world. For two years workers on the Foreign Field have been denied needed equipment. No wonder some of our missionaries are breaking down in health and forced to resign—some are dying. Even though individuals are supporting 25 new missionaries, there are fewer missionaries on the foreign field today than a year ago. "Is there no balm in Gilead?" We answer **YES. Loyalty** to Christ and co-operation in supporting the program suggested by our leaders will solve this and all other demands on our denominational enterprises.

Respectfully submitted,

J. P. ESSEX,

For the Committee.

Home Missions

In studying the work of our Home Mission Board we view a faithful conquest of 17 States, the District of Columbia, Cuba and Panama. In this vast territory the Board has 1,250 workers employed. These workers seek to administer to 4,250,000 foreigners, 500,000 Jews, and 161,941 Indians. A part of the success of their last year's administrations is shown by 29,936 baptisms. The Board's future is unlimited in possibilities but crippled in resources. Instead of the necessary increase in its force of workers it has been compelled by financial want to decrease its number; instead of adding its wanted equipment it is forced to abandon sites of advantage for schools and missions. Its assets are shadowed by a debt exceeding $1,100,000. May God inspire us to the rescue of His faithful instrument, The Home Mission Board.

Report of Woman's Work

As we review the year's work of the Woman's Missionary Union of the West Chowan Association, we can but say in the words of the prophet, "The Lord hath done wondrously, whereof we are glad."

One of the strong points of this Association is Mission Study. This is very encouraging, for we realize that without information, there can be no inspiration, and as we study so will we pray and so will we give.

Our greater emphasis upon Mission Study in the past five years has wrought large returns. As our women have studied the thrilling and inspirational lives of our missionaries, and have learned the needs of their countries, their hearts have been filled with a burning desire to give of their best for the Master.

Under the capable leadership of Miss White, the women of West Chowan are supporting one missionary and two Bible women in China. They also have three scholarships in the training school. Several of the societies, this year, have sent boxes of supplies to some of our mission schools. Personal service is another strong point in this Association.

Many of our societies who do not report their activities are participating in this delightful Christian service.

Now, as we have seen through the year's accomplishments God's smiling favor upon our labor, let us more deeply, more earnestly than ever before, reconsecrate ourselves, our gifts, and all that we have for His service, and determine that in the coming year we will be in a truer sense "Laborers together with God," and know that God is able to bless us more abundantly.

Respectfully submitted,

MRS. C. C. HOGGARD.

H. G. Bryant, in charge of a discussion of Sunday School and B. Y. P. U. work, called out the three B. Y. P. U. Vice-Presidents, Miss Audrey Hoggard, Miss Alta Chitty and Miss Selma Bradley, each of whom spoke on their work and plans. Further remarks on these subjects were made by H. G. Bryant.

The Moderator announced the following committees:

On motion of M. P. Davis this association voted to take for its aim for 1926 $50,000.00, and J. H. Matthews, J. P. Essex and R. B. Lineberry were appointed to apportion the same among the churches.

A. V. Cobb asked the association to advise what should be done with members who are able but do not pay their pledges to the 75-Million campaign. Moderator appointed C. C. Smith, M. P. Davis and A. Finch to suggest an answer.

Adjourned with prayer.

EVENING SESSION

After inspiring special music and congregational singing, Dr. L. E. Barton of Norfolk, Va., made an address on foreign missions, its obligations and blessings.

WEDNESDAY MORNING SESSION

At 10 o'clock A. M. devotional service was conducted by C. C. Smith, who asked several present to quote a passage of Scripture.

Report on Education was presented by C. M. Billings and received and ordered to be printed without reading. This report follows:

REPORT ON EDUCATION

1925

The life of a nation depends upon its schools. The value of a school depends upon its ideals. The ideals of a school have their highest worth only as they are Christian. It is the duty of the churches to make these ideals dominant in education.

To this end, North Carolina Baptists have inaugurated a broad and systematic educational program. They are undertaking to maintain in this state Wake Forest, Meredith and Chowan. From last reports, Wake Forest enrolled 1,171, 701 of these in the regular session, including 93 ministerial students and 4 volunteers for the foreign field; the two women colleges enrolled together 584, including 20 student volunteers. The combined property value of the three, including plants, equipment and endowments, is $3,545,071.

Our two junior colleges, Mars Hill and Wingate, enrolled 782, including 68 ministerial students and 50 student volunteers. Their property value was $433,940.

Our two high schools, Buie's Creek and Boiling Springs enrolled 1,018, including 65 ministerial students and 23 student volunteers. Their property value is $361,340. We also have 149 high school students in the Thomasville Orphanage.

Our Home Mission Board maintains six high schools which enrolled 972 students, including 43 ministerial students and eight volunteers. Their property value was $431,118.

South-wide institutions enrolled 1,186 students. Their property is valued at $4,249,881. It is for the maintenance of these institutions, State and South-wide, that our Education Board is laboring. Since 1900, Baptist schools in the South have increased from 65 to 118, students from 11,130 to 38,000, property and endowment from 7½ to 40 millions.

While the $5,000,000.00, in round numbers, which we have invested in school property in this state seems a large sum, it is small in comparison with the many millions invested in state schools, and the few thousands which we raise annually for our schools is a trifling sum when compared with the state's annual appropriations to her high schools, colleges and university. In addition to maintaining these institutions themselves, we are helping to support about 200 of our 374 young ministerial students, who are being trained in them; on these we expend about $15,000 a year.

The necessity for maintaining our schools, great as it has been in the past, must increase rather than diminish for the future for the following reasons:

1st. Because our institutions must be kept in the front rank along with those of the State in the cultural training that they give, or we cannot hope to keep our Baptist boys and girls in our schools.

2nd. Heretofore, practically nine-tenths of our educated ministers and missionaries have come out of our Baptist institutions; and in the nature of the case. these still must be trained in our schools or nowhere. Moreover, the State is rapidly enlarging and strengthening her educational program, and compelling all her children to be educated. This, of course, means a much more intelligent membership in our churches, and that we must educate a still larger proportion of our ministers and leaders; for an educated membership will demand an educated leadership.

3rd. Because of the tendency of some students of science to attack the Bible from the standpoint of science. we must train our God-fearing men and women to meet these scientists on their own ground, and while pursuing all knowledge in all realms, to relate all knowledge and all science to God Almighty.

4th. The denominational schools emphasize not only the religious spirit but the denominational principles as well, and thus they help to enlighten and strengthen their students in respect to our distinctive doctrines, and also to enlist them loyally in our Baptist enterprises. Baptist schools are making more effort today than ever before to so train the young people who come to them that when they go back to their home churches they may prove useful and efficient members. The study of the Bible is required. provision is made for training in B. Y. P. U., and Sunday School work, and the Kingdom of God and His Righteousness is exalted in campus and in class rooms. In short, an atmosphere and an environment is created in which the Spirit of Christ is dominant. It is only in such an atmosphere that the growing life may develop into a well rounded personality.

Sunday Schools

The Sunday School Board's report to the last session of the Southern Baptist Convention gives our State 2,181 Sunday Schools with a member-

ship of 287,466. Texas leads in schools and membership. Georgia reports eleven more schools but 30,839 less in membership than North Carolina. She has 300 more churches than we have. In churches and Sunday School membership we are ahead of all the other States.

It is distressing that American Sunday Schools had a loss in 1924, but Southern Baptists had one of their best gains by adding 155,000 to their former membership. Our North Carolina gain for 1924 was 12,269. In five years we have gained 73,048.

The work is going well along all lines. Besides membership gains there were marked improvements in organization, buildings and equipment, teacher training, and working for the Standard of Excellence. This standard is being recognized as a program of work and not something technical.

The following facts regarding our own association need our consideration:

In spite of all hopeful signs we need to keep before us big things to do. For our great State we want to join the other sixty-three associations in doing the following things:

1. Put a Sunday School in every church and run it twelve months in the year.

2. Add 25,000 people to our Sunday School rolls in 1926 and press on until there are as many in our Sunday Schools as in our churches.

3. Earn 3,000 Normal Diplomas and 7,000 Seals for other books studied in our Normal Course.

4. Reach 100 Standard Schools, thus having a well balanced program of work in these schools.

5. Start the work of the Daily Vacation Bible School in our midst. This new movement is worthy of our best efforts.

6. Never forget our greatest and holiest task of trying to win the lost to Christ. Thousands of unsaved are in our midst.

We urge all pastors, superintendents, teachers and other workers to secure full and free information from our State Sunday School Secretary, E. L. Middleton, Raleigh, North Carolina.

B. Y. P. U.

In the training of our young people lies the hope of the future of our churches. No department of our church work has a greater appeal for the young people than has the B. Y. P. U., when properly conducted.

Our Sunday School Board has recognized the value of this work and is giving it equal advantages and encouragement both in literature and working force as is given the Sunday Schools.

In our State and in this Association great things are being accomplished. Our Association leads the State in this work.

We shall hail the day when we shall have a man who shall give his entire time to this Association in developing our Sunday School and B. Y. P. U. work. This is an imperative need.

Dr. W. R. Cullom addressed the association on Education, and Dr. W. R. Burrell spoke in the interest of Chowan College. J. H. Matthews presented the following report from the Board of Trustees of Chowan College:

The Board of Trustees of Chowan College, in regular semi-annual meeting held at the College on Tuesday, October 13, 1925, makes the following report to the West Chowan Association:

To the Moderator and Brethren of the West Chowan Association:

The trustees of Chowan College beg leave to submit this special report on the financial condition of the College:

For years it has been the hope and purpose of this Board and of this Association that the College should be properly equipped and endowed, and that it should be given its proper rating as one of the denominational standard senior colleges. The Seventy-five Million Campaign enabled us somewhat to realize those hopes and purposes so far as physical equipment is concerned.

The amount set apart out of that fund for permanent and other improvement was partially adequate for the purpose of those improvements, and from time to time your Board of Trustees confidently expect to make such additions as the total funds appropriated to the College will justify. Having in part made such improvements and necessary provisions for teachers and student body, the next step of your Board was to raise the standard and grade of the College to a Standard Senior College as authorized by this Association at its meeting held at Kelford in 1921.

In the efforts to raise the grade of the College to a Standard Senior College, and to receive official recognition of the State Board of Education, so that our graduates would rank in educational and other work with the graduates from similar colleges in the State, and in order to meet the requirements of the State Board of Education, it became necessary that Chowan College should have an income of a permanent character from a stable source outside of the current receipts of the institution, in an amount not less than fifteen thousand dollars, annually. Our income from endowment and invested funds of a permanent character belonging to the College, is around fifteen hundred dollars annually.

After conference between your Board of Trustees and the Baptist Board of Education, that Board, recognizing the justice of the claims of Chowan College, approved the raising of the standard of the College to a Standard Senior College, and set apart the sum of $13,750.00 annually to be paid to Chowan College as permanent income for the purpose of attaining the rating as a Standard Senior College, in order to meet the requirements of the State Department of Education. This having been done, the State Board of Education and the State Superintendent of that Board, accepted the same in good faith and based upon it, raised the rating of Chowan College to a Standard Senior College, and it is now maintaining that standard. We do not need to call attention to the impetus given the College in every way by such rating, nor to the splendid work it is doing resulting therefrom.

The amount appropriated by the Baptist Board of Education from the funds going into its hands for our educational institutions in the State, was $13,750.00 for the calendar year of 1925. There has been paid up to date on this first year's income so fixed, the sum of $2,500.00. Your trustees find themselves embarrassed by such shortage. The work of the College has been projected on the expectation that the full amount so appropriated by the Baptist Board of Education would be paid, and based upon such expectation an able faculty was secured. Unless the deficiency in income is met, then the work of the College must be limited and the grade must be reduced. We are sure that the Baptists in North Carolina and especially those in the West Chowan Association strongly protest against either course. The State Board of Education will not continue the present rating of the College as a Standard Senior College unless that income is met. To

maintain the grade and work of the College at its present high standard, your trustees must have assurance of permanent annual receipt from our Baptist Board of Education, or some other stable source, of the promised sum of $13,750.00.

Your Board of Trustees heartily concurred placing Chowan College, with other denominational institutions, under the control of the Baptist State Convention and of the Baptist Board of Education. We are sure it is better for the College to remain under such control and general direction and the Board of Trustees earnestly desire that this be done. To do so, we respectfully and fraternally urge that those funds should be made available in order to meet the necessary expenses of the College.

We respectfully submit, however, that if the Baptist Board of Education finds it impossible to pay to the College the annual amount so apportioned, in order to meet the requirements of the State Board of Education and to maintain the present standard, it will be necessary to have such income guaranteed and paid from some other available source. Not to do so means that the work of the College must be limited and its grade must be reduced.

We fraternally submit this statement to the West Chowan Association and ask your directions. We feel sure that the approaching State Convention will meet our reasonable expectations based upon the facts set out herein.

Fraternally yours,
J. H. MATTHEWS,
Chairman Board of Trustees.

A resolution for carrying this into effect was offered and after some discussion was postponed till after dinner for further discussion.

Dr. J. F. Love was recognized and at this hour addressed the association on Foreign Missions.

The report on Social Service, prepared by J. L. Powers, was presented, received, adopted and ordered printed without reading. The report is as follows:

REPORT ON CHRISTIAN SOCIAL SERVICE

Social service is a fruit of Christianity. The Orphanage, Hospitals and Ministers' Relief are phases of social service work. The cry of suffering and need is heard from many quarters. Baptists are answering the cry only in a limited way.

The first item is our Orphanage. "Pure religion and undefiled before God and the Father is this: To visit the fatherless and widows in their affliction and to keep himself unspotted from the world."—James 1:27. In this passage James not only makes the orphanage work fundamental in our Christian activities, but that in itself it is the purest expression of practical religion. The Scripture therefore places the orphanage work as first, and as fundamental in our church and religious life. We cannot, therefore, place too great emphasis upon this most worthy object.

We are gratified in noting the warm place the Orphanage holds in the hearts of our people. We have always contributed to its support. We have

observed from the Treasurer's report that there is a falling off of contributions since our Thanksgiving offering last fall. The number of children at the Orphanage is 602; Thomasville, 492; Kennedy Home, 110. The number of children aided in their homes with their mothers is 343. The annual cost per child is $284.40. Every need of the child has been taken into consideration and provision has been made for him to be cared for and well trained. Owing to the great need we, your committee, would recommend:

First: That each Sunday School devote one Sunday in each month to the work of the Orphanage. Organize for giving by classes. Let each class decide on how much it will give once a month by getting a personal subscription from each member of the class.

Second: Once a year at the Thanksgiving time, let all the forces work for a thank offering from every man, woman and child amounting to at least "One Day's Work" for the Orphanage.

Hospitals

More than 100 Protestant hospitals have been established since the convention in Washington five years ago. Thousands of sick would not be ministered to were it not for the work done by these institutions.

Our hospital at Winston-Salem is the child of the Baptist State Convention, built, owned and maintained by the Baptist people of North Carolina. There were 1,600 patients from June 30, 1924, to June 30, 1925. They came from every quarter of the State, as far east as Elizabeth City, and as far west as Murphy. These were for the most part parents with several children. An estimate was made showing that at least one-half could not have gotten well without the hospital. They had about 250 children at home depending on them. Had we not cared for them these 250 children would now have been orphans to have been cared for at a great cost. This shows how the hospital saves the homes, and saves the Orphanage several thousands of dollars.

The hospital has been compelled to ask churches sending patients to pay a part of the bill for charity patients, one-half if possible. The Mother's Day offering lacked $3,000.00 of taking care of the work already done. The hospital does not seek to make money but to make a great home of healing for our sick, where love, sympathy and Christian gentleness will be the crowning virtues. The nurses are taught that all must be done for Christ's sake and the sick must be the center of their thoughts and prayers.

We urge our people who are able to pay their bills to go to their own hospital, because they can give you the best, and because the larger number of pay patients they have, the greater amount of charity work they can do. Twenty thousand dollars is necessary to continue the work of healing for the suffering poor. Mother's Day offerings will be their only hope to provide the benefits. Shall we give that they may live?

Ministerial Relief

We are glad to report that many of our ministers are receiving help from the Relief Board. We urge that our people as a whole take more interest in this worthy cause. We should feel grateful that there is a way provided by which these worthy servants of God, who have made so many sacrifices, can receive help at a time when it is so much needed.

There are hundreds of our old ministers who are very poor, who never knew anything of the luxuries of life. To these dear old soldiers of the cross our denomination owes a debt it can never pay in full, but we have

an opportunity through our Aged Ministers' Relief Board to make a partial payment thereon, and the call comes to us. What shall our answer be?

Respectfully submitted,
J. L. POWERS,
G. D. LEGGETT,
W. R. BURRELL, Committee.

E. N. Gardner of Thomasville was recognized and spoke on the Thomasville Orphanage as an enterprise in Kingdom building. Adjourned for dinner.

AFTERNOON SESSION

A. W. H. Jones conducted a short devotional service and discussion of the Chowan resolution was resumed. M. P. Davis, L. E. Dailey, C. M. Billings, E. Y. Poole, D. P. Harris, O. Creech, J. H. Matthews and others spoke. The time for discussion was extended, some amendments offered and finally the resolution was withdrawn and a committee composed of J. H. Matthews, R. B. Lineberry and Dr. W. R. Burrell was appointed to bring this matter before the Baptist State Convention and the Baptist State Board of Education, this association to be called in later session if necessary to provide for carrying into effect the purpose of the resolution. The report on Education was adopted.

Dr. W. R. Burrell read the following on Hospitals, which was adopted:

FACTS ABOUT THE HOSPITAL
For the Fiscal Year Closing June 1st

There were 1,600 patients admitted to the hospital, 225 of these were charity, or part-pay, and the cost of caring for these averaged $40.00 each. That is the amount the denomination was required to spend for their care and healing in addition to the small payments made by a part of these or their friends. To save human lives and prevent the tragedy of broken homes at the rate of $40.00 each is the most economical benevolence open to our Baptist people.

There were 24 deaths, or a death rate of 1½ per cent. This is the lowest on record in the United States. Since our opening our death record has been the lowest in the state. Surely the Great Physician is caring for those who come to His own hospital, and it will always be so because the atmosphere is Christlike.

Here we invite the Great Phyisician; here we pray for Divine guidance. Here we minister in love, and all this has a wonderful effect on the patient.

The patronage outside of Winston-Salem is growing, but not as rapidly as we had hoped. We need to impress the Baptist people that our hospital

is one of the greatest in the country and is unsurpassed in efficiency in the South. We have the equipment and the skillful physicians to make the hospital the very Mecca of our sick. We need to have more of the pay patients to come to our hospital, because they will help to finance the institution in its infancy and in the days of its crises.

It requires about $6,250.00 per month to meet the expenses of this great plant. We must have this much money or go in debt. You can readily see that we must have many pay patients, as we are borrowing all of our charity and will have to do that until next Mothers' Day in May.

Were it not for the pay patients from Winston-Salem and surrounding country we would go out of business in a few months. We plead for greater patronage.

We need a nurses' home. This is imperative. We are using one-third of our private rooms for nurses' quarters, thus robbing us of a great source of income. We are also renting a building. The cost of rent and upkeep is $2,500 per year. The girls have crowded quarters and we must relieve this situation at an early date.

We offer great Christian service and ministry. We have one of the best equipped and most commodious, attractive hospitals in the land. We have a location unsurpassed in beauty and healthfulness. We have as fine a staff of physicians as can be found. We are prepared to give you service. We, therefore, urge you to come.

We want to care for all the charity that apply to us and we are doing this. At present we are asking the churches sending patients to assume a part of the cost of the patient sent. This enables us to care for a far greater number, for if the church will care for an amount equal to $25.00 per patient, it would enable us to increase the number of charity patients about 200 each year.

We crave your sympathy, your prayers, your enthusiastic advertisement at all times. Help us put this great institution on the hearts of our people and thus co-operate in saving hundreds of lives and relieving much suffering.

Respectfully submitted,

W. R. BURRELL.

Owing to the lateness of the hour, the subject of Ministerial Relief was not discussed.

C. C. Smith read a report on the Digest of Letters, which was received as information.

Historian offered the following report, which was adopted:

THE HISTORIAN'S REPORT

As your Historian came to this Association twenty years ago, he wishes to make a comparison between then and now that we may know the growth and development in our Association during the past one-fifth of a century.

Twenty years ago there were in our Association 49 churches; now we have 58. Then there were 10,696 members; now we have 14,438.

In the year 1905 671 were baptized. This year the church letters show 549 baptized. Then there were in our Sunday Schools 4,595; now we have 9,774.

All of our churches had Sunday Schools then as now, but there were only four churches with classrooms, and so far as I remember no church

had more than two classrooms. Now 42 of our churches have classrooms, though a few still have only one or two.

Twenty years ago there were no B. Y. P. U's. in our Association. Now we have sixty-two in forty-four churches out of the fifty-eight. The year now ending has been a year of great expansion in the B. Y. P. U. work under the direction of H. G. Bryant, who has given much time and thought to the work without financial remuneration.

Meherrin Church has had two standard unions, without a break, for four years. For three years this church has held one of the state banners. Hebron Church now holds the state intermediate banner and Ashley's Grove held the senior one year.

Our Association has held the state banner for the past two years.

Twenty years ago there were but few societies of the W. M. U., though 37 churches had missionary societies composed of men and women, but they had no program or study courses, only paid dues. Now there are 146 societies giving a program each month and many study one or more books on missions each year.

Twenty years ago there were only four pastors' homes in our Association. Now we have 17, Republican Church having built a $4,000.00 home this year and Pastor and Mrs. J. L. Powers are now enjoying its comforts.

Twenty years ago we had no church with preaching every Sunday. Now we have six. Then there were only 11 churches with preaching two Sundays a month. Now we have 38. Then all our church buildings were of wood. Now we have six brick buildings, and Brantly's Grove has let the contract for a brick veneer building with six classrooms. Robert's Chapel, whose building was burned last December, has adopted plans for a $15,000.00 brick building with 14 classrooms. Colerain Church is erecting a $10,000.00 Sunday School addition to her fine auditorium. Though this is of wood, when completed no church in our Association will have a better plant to do the work of God than this church.

Twenty years ago the highest salary paid by any church was $400.00. Now the highest is $2,750.00. Then the total amount paid by all the churches for pastor's salary and all other home expenses was $14,289.98. Now our churches pay for home work $69,052.08. Then the total gifts for all missions and benevolence were $5,068.64. This year our churches report giving for missions and benevolence the sum of $57,855.49.

Pastoral Changes

We grieve over the removal from our midst to other fields of the following pastors: E. N. Gardner to the Orphanage Church; J. W. Whitley to Loray Church, Gastonia; R. R. Lanier to a church on the Eastern Shore of Virginia; E. J. Isenhower to Jonesboro, and J. W. Downey to Sawyer's Creek Church, Camden. But to take their places we welcome: Oscar Creech to Ahoskie, W. R. Burrell to Murfreesboro, D. P. Harris to Seaboard, E. Y. Poole to Colerain, J. L. Price to Pendleton, D. D. Lewis to Mars Hill Church, Colerain and A. W. H. Jones to Severn.

Deaths

There were reported during the year 138 deaths from the churches of our Association.

C. M. Billings reports the death of Deacon J. W. Futrell, who passed away October 4, 1925, in his 91st year. He says: "He was one of the saintliest men he ever knew and was beloved by all who knew him."

R. B. Lineberry reports the death of four from Mt. Tabor Church—two brothers, A. P. and G. Q. Parker, ages 81 and 72 respectively, also Mrs. G. M. Blowe and J. V. Copeland. Miss Dora Liverman, one of Winton's most faithful members was called home.

Woodland Baptist Church

Pastor C. M. Billings gives the following history of Woodland Baptist Church:

Woodland Baptist Church was organized June 22, 1902, with thirty-nine male members and twenty-six female members.

Rev. E. J. Harrell was the first pastor and it was under his ministry that the present meeting house was built at a cost of $1,600.00. The building was completed in June, 1904, and was dedicated the first Sunday in October of the same year, Rev. C. W. Scarborough preaching the sermon and Rev. E. J. Harrell leading the dedication prayer. The growth of the church has been along sane and permanent lines, until very few remain in the community unidentified with some church.

The church has always been loyal to every denominational interest and has come to be one of our best village churches. The membership is made up of as fine people as are to be found in the Association.

The following have served the church as pastors: E. J. Harrell, E. W. Waltz, C. W. Scarborough (two terms), J. W. Downey, J. F. Cale, V. E. Duncan, and the present pastor, C. M. Billings.

The church met its 75 Million Campaign in full.

M. P. DAVIS.

E. J. Harrell of the Roanoke association, who organized the Woodland church, was recognized and made some remarks.

The Nominating Committee made the following report and it was adopted:

E. L. GATLING,
W. D. BARBEE,
J. K. PARKER, Committee.

J. H. Matthews read the following resolution, which was adopted:

Whereas, our Association, as such, does almost no functioning between its annual sessions; and,

Whereas, frequently there arises the opportunity for the Executive Committee to do some special work among our churches in ways that would be beneficial to a large part of the Association, but the opportunity has to be "passed up" because of the lack of available funds; and,

Whereas, the Association, at its 1924 session, expressed itself as favorable to the employment of a full-time field worker for B. Y. P. U. and Sunday School work within the Association's territory; and that the need of at least one such worker is generally recognized among our people, yet, because no funds have been provided for this purpose, it has not been feasible for a worker to be procured; therefore, be it resolved,

First, that the Association does hereby create a department of its work to be called "Associational Missions"; and that churches and individuals be invited to contribute regularly to the support of this department.

Second, that the object of the department of Associational Missions is to foster and have such work done within the bounds of the territory of the Association as may be calculated to increase the efficiency of the churches, to deepen the spiritual lives of individuals, and to lead the lost to Christ.

Third, that the department of Associational Missions be under the charge, direction and management of the Executive Committee of the Association. This committee shall have authority to employ such person or persons to prosecute its work as may seem wise to the committee.

Fourth, the Executive Committee, in carrying on the work of Associational Missions, shall not incur expenses beyond moneys in its treasury, or that have been guaranteed by reliable persons or agencies; and the committee shall not go in debt, or borrow money, on account of the work of Associational Missions.

Fifth, that all funds contributed to said Associational Missions shall be paid to the Treasurer of this Association and disbursed by him on order of the chairman of the Executive Committee.

C. C. Smith, for committee to answer A. V. Cobb's question, submitted the following, which was adopted:

Your committee appointed to formulate a reply to a question asked of the Association yesterday in which the advice of this body was asked as to how churches should deal with a member who made a subscription to the 75 Million Campaign, who is able to pay his pledge, and yet refuses to do so, submits the following report:

Inasmuch as during the years of the campaign, when this member was not paying regularly, neither in weekly, monthly or annual instalments, anything on his pledge, and the church did not then discipline him; and now practically a year after the period of the campaign has ended, he still has not been disciplined, it is the opinion of the members of this committee that discipline to the extent of withdrawing church fellowship from him should not be enforced.

However, in view of the fact that such conduct is both a direct violation of covenant of the church and an inexcusable repudiation of a personal obligation voluntarily made, we recommend that, inasmuch as many churches have some members of this kind in their field, when a church sees fit, and deems wise, it will be perfectly proper to pass a general resolution deploring and condemning such an attitude as is indicated by the question.

The committee furthermore suggests that churches deal individually with such people in a very loving manner, endeavoring to enlist them all in hearty and active co-operation in the full program of our denomination.

CHAS. C. SMITH,
M. P. DAVIS,
A. FINCH.

J. P. Essex offered the following resolution as to Foreign Missions, and it was adopted:

Resolved: That the West Chowan Association, in annual session, assure the Foreign Mission Board of our sympathy and of our unwillingness that the Board withdraw from any mission field and that we assure the State Convention that if it approves the recent action of the Foreign Board and make a special effort to relieve the Board, this Association will co-operate heartily.

J. P. Essex announced that Seaboard had invited the Union Meeting for Friday and Saturday before the fifth Sunday in November, and the association voted its approval.

C. H. Jenkins, for Committee on Place and Preacher, reported as follows:

TIME—Tuesday after fourth Sunday in October, 1926.
PLACE—Christian Harbor.
TO PREACH INTRODUCTORY SERMON—C. M. Billings or A. W. H. Jones.

M. R. HERRING,
P. M. FLEETWOOD.
CHAS. H. JENKINS.

Adopted.

A. Finch, for Committee on Order of Business, offered a report, which was received but ordered not to be published till later.

On motion of J. H. Evans the association extended a rising vote of thanks to Woodland church and community for their generous hospitality and many courtesies.

H. G. Bryant, for the committee, awarded the Sunday School Banner to Sunday School of Bethany church.

W. A. Thomas read the Treasurer's report, which was adopted as follows:

OUR ORGANIZED CLASS WORK

On the 31st of May, 1925, the Organized Classes of the West Chowan Association met with the Ahoskie church. With Brother M. P. Davis as President the convention listened to a most inspiring program which was given by the representatives of the various classes.

The convention took definite steps toward stabilizing the work of the organized classes within the association. Note some of the steps which were taken:

A resolution was presented by Brother Lineberry and was carried "That it is our desire that our Executive Committee organize the classes and arrange for awards and all that is necessary to the end according to the constitution."

The organization was as follows:

PRESIDENT—Jennings White, Conway.

VICE-PRESIDENTS—

Bertie: Royal White, Aulander.
Hertford: Oscar Creech, Ahoskie.
Northampton: H. P. Stephenson, Severn.

SECRETARY—Tom E. Walters, Harrellsville.

CHORISTER—L. J. Godwin, Ahoskie.

PROGRAM COMMITTEE—Heber Vann, Dr. C. G. Powell, Miss Mina Holloman.

The next meeting of the convention will be held at Ashley's Grove on May 29, 1926.

The Executive Committee met at Conway on June 30, 1925, and arranged for promoting the welfare of the organized class work.

A standard was decided upon. It was based on the Standard of Excellence of Organized Classes of the Sunday School Board. The following points are taken into consideration.

1. Organization (eight officers).
2. Attendance.
3. Use of Bibles on Class.
4. Control of offerings by main school.
5. Baptist literature.
6. Study Courses taken by individual members.
7. Enrollment with Sunday School Board.
8. Meeting with the main school.
9. Attendance at preaching.
10. Normal course books taken by teacher.
11. Representation at convention.

In the above, except 10 and 11, the percentages obtained under each head count as points toward winning the banner. In 10, each book taken; and in 11, each representative counts one point.

The Executive Committee arranged to have enough of the standards printed to furnish all the classes. Along with this, enrollment cards were to be printed. These are used to gather the needed information from the several classes composing the convention. These cards and standards may be had by writing the Secretary.

The following classes have enrolled:

B. Y. P. U. CONVENTION
of the
WEST CHOWAN ASSOCIATION

The fifth annual B. Y. P. U. Convention held its regular session at Chowan College, Murfreesboro, on July 14, 15, 1925. Mr. Chas. Jollay of Winston-Salem led the singing throughout the convention, Rev. H. G. Bryant, President, presiding. After the opening hymn, "How Firm a Foundation," Miss Fae Holloman, of Woodland, conducted the devotional exercise, reading as her Scripture lesson the first Psalm.

Words of welcome were spoken by Miss Antonette White of Murfreesboro Union. Response was given by Miss Foy Peele of Sandy Run.

The annual report and address of the President showed that we now have 60 Unions in 41 churches against 49 Unions in 32 churches a year ago. In study course last year were 23 Unions, this year 40; last year 341 took study course and this year 700, and if we count those taking two or three courses this would run up to 1,000. Last year we had 1,256 members, this year 1,519; last year there were 15 standard Unions and this year 33 that have been standard one or more quarters—nine that have been standard every quarter. We now hold the Intermediate, Senior and Associational State Banners.

After announcements and appointment of committees, the President introduced Mr. Preston, Western North Carolina Feld Worker, who brought an inspiring message on "The B. Y. P. U. Group Leader."

WOMAN'S MISSIONARY UNION

WEST CHOWAN ASSOCIATION

Christian Harbor Church—July 29th, 1925

The thirty-first annual meeting of the West Chowan Missionary Union was held at Christian Harbor Church July 29th, 1925, Miss Una White, Superintendent, presiding. After the opening hymn, "Come, Thou Almighty King," Mrs. J. L. Blythe of Christian Harbor conducted the devotional exercise, reading Scripture lesson John 17, using as her subject "Prayer." The Union was led in prayer by Mrs. R. B. Lineberry. Mrs. Alma Baker gave a most cordial welcome to the Union.

The chair then recognized the following visitors: Mrs. W. N. Jones, Raleigh, president of North Carolina W. M. U.; Mrs. J. T. Ingram, missionary from India; Mrs. H. M. Finch, Rocky Mount; Miss Pearl Harris, Weldon; Miss Ella Pearce, Ahoskie; Miss Leona Harris, Ervin, Tenn. The new pastors and their wives were also recognized.

The roll call was omitted to save time, as the registration was made at the door as follows:

No. Missionary Societies represented	33
No. Y. W. A. Societies represented	7
No. G. A. Bands represented	5
No. R. A. Bands represented	7
No. Sunbeam officers represented	24

Under head of old business came the report of the Superintendent, Miss Una White. Under her safe leadership her report shows the Union has gone forward numerically and spiritually. The membership grew from 1,669 members to 1,792. Several of the societies were outstanding in accomplishments—

Ahoskie and Colerain each gave over $1,000. Colerain gave more per capita, Ahoskie had the largest membership and conducted greatest number of Mission Study classes; also led in subscriptions to Home and Foreign Fields; Aulander led in subscriptions to Royal Service; Murfreesboro has the Recorder in the home of each W. M. U. member; Bethel reported each W. M. U. member a tither. In the Superintendent's report she urged that the report for each quarter, and only for each quarter, be sent promptly, and urged that the societies pay their allotment to the Heck Memorial Fund, West Chowan's being $700.

The report next stated that the next divisional meeting would meet in Windsor and was grateful for it to meet in the West Chowan.

Report was adopted.

The Secretary read a letter from Miss Pearl Johnson, pleading for donations from the Young People's organizations of used books or money to be used in the school which she teaches in China.

Mrs. C. C. Hoggard being detained on account of illness, a discussion on "Needs of Our Association" was omitted. Miss Pearce led in prayer for Mrs. Hoggard.

Mrs. C. W. Parker of Menola brought a real message of missions with a solo.

Mrs. W. N. Jones of Raleigh, President of the State W. M. U., sounded the keynote of the Union through her great address on "Prayer." She first explained the change in our calendar year ending on December 31st, and urged all reports be sent in by that time. Her great message started with "The harvest truly is plenteous but laborers few; therefore pray." She showed our Master's great source of power was through prayer; thereby showing our dependence in prayer, our great privilege to pray; our great need for prayer, especially since the task is so great to live up to our last five years' vision. She gave a picture of what lack of prayer had brought on us. The climax of the address was an appeal for greater service through prayer.

Miss Leona Harris, field worker for two months in Northampton County, gave a report on her work.

The appointment of committees was read.

Rev. T. E. Walters gave a most cordial invitation to every one to lunch served on the church grounds and then pronounced the benediction.

AFTERNOON SESSION

Mrs. C. C. Smith, Junior Superintendent, presiding. The afternoon session opened with song, "Hallelulah! Thine To Glory." Miss Beatrice Burrell of Murfreesboro conducted the devotional exercises, reading the 46th Psalm. Her appeal and explanation for more consecrated leaders was interspersed with appropriate hymns, sung by Miss Nancy Parker. Roll call of Junior Societies was omitted as registration was made at morning service.

Minutes of morning session were read and adopted.

Dr. W. R. Burrell of Murfreesboro was presented and made a forciful appeal for Chowan College, telling of its growth and advantage. He made the Union realize the importance of Christian Education for the continual growth and development of the denomination.

Mrs. H. M. Finch of Rocky Mount was next presented. Her great message was built around the Scripture verse, "Come and let us reason together." She urged that we reason about our Board's condition. She begged for consecration and surrender to do Home Missions by enlisting ourselves and then enlisting the one next to us. She gave encouragement by her optimistic, consecrated plea for giving more of our lives and tithes to the Master's storehouse.

Mrs. C. W. Parker followed the message with a solo, "Oh! Merciful Father."

Miss Pearl Harris of Weldon brought a message of truths in a "Four Fold Call to Young People." She said God does not draft people but accomplishes His work only through love. His first call is "Love," and His next call is "Loyalty," even though it brings criticism and sacrifice. The third call is "Service," and the fourth call is "Consecration." She plead for each, especially the young people, to start right and give their all and all to God.

Mrs. J. T. Ingram, a missionary from India, in native costume, gave a message on customs, dress, superstitions, manners, education and religions of India.

Mrs. C. C. Smith brought up the question of the advisability of continuing the Chowan Assembly. A motion was made and carried that a petition be sent to the State Convention that the assembly be continued at a suitable time.

Whereas, God in His infinite wisdom and goodness has seen fit to remove from our ranks a number of our co-laborers, we bow in submission to His will and praise Him for these consecrated women and trust that their lives be an inspiration to us, as we press forward in the great work of our Lord's Kingdom. To those who suffer most because of the homegoing of these loved ones we point them to Rev. 14-13, where it says, "Blessed are the dead which die in the Lord from henceforth, yea, sayeth the spirit, that they may rest from their labors and their works do follow them."

REPORT ON CHRISTIAN SOCIAL SERVICE

Orphanage Report

Our Baptist People of North Carolina have always manifested the deepest interest in the welfare of helpless and dependent children. The Orphanage occupies a high and honorable place in their associational and convention programs. It is never sidetracked or ignored in our general meetings.

From the beginning of its history more than forty years ago, it has been a cherished object in our church life, and its grip on the hearts of our people grows with the passing years. From a trickling stream it has become a broad, deep river requiring a vast outlay to meet the necessities of its ever widening work.

Five hundred and eighty-seven children, including those at the Kennedy Home, were enrolled in the Orphanage in the last report. Besides directly under the care of the institution there are 373 being assisted under the "Mother's Aid" plan. The first families aided under this plan was in the year 1920; since then help has been given to 550 children. The per capita cost of aiding these children is $5.22 per month, while the cost of maintaining those at the Orphanage, including everything, is $24.92 per capita per month.

The Orphanage school has eleven grades running from the kindergarten up. Above the nursery age all the boys and girls have duties—one half the day being devoted to school and the other half to domestic, field and mechanical work. A well organized church, with an active and consecrated young pastor, furnishes a fine opportunity for the development of the moral and religious life of the community. Cultivation of the missionary spirit in Sunday School, B. Y. P. U., Missionary Society, Sunbeam Bands and other agencies is especially emphasized.

Since the fervor of the 75 million campaign has passed contributions to the current fund have fallen off, last year's receipts being $30,000 less than the year before. The Treasurer has been compelled to pay interest on borrowed money for the past two years.

We urge our Sunday Schools to increase their monthly collections, and our churches to enlarge the Thanksgiving offerings; that every Sunday School take Charity and Children on the club plan, and that all our people give one day's income to the institution or a special thank offering.

Report on Hospital

Only time and space limit the wonderful story of healing and mercy the Baptist Hospital has to tell.

Five thousand patients, nearly one thousand of these either charity or part pay. Fathers, mothers and children from the country and town have come and we have received them all. Their plea was heart breaking. We tried to help and for the most part sent them back well and happy. Verily in these months the blind see, the lame walk, the deaf hear and the poor have the Gospel preached to them.

During the last year there were about 1,800 patients, over 400 of these were charity. These came from every part of the State. While this report is before me there are patients from Sylva, Mount Airy, Furches, Weldon, Norwood, Durham, Henderson, Sanford, Macon, Granite Falls, Marshall, Burlington and other points closer to our city. These cases cost the Hospital around $20,000 00. The number of charity grows every year. It looks as if we will have to care for 500 this year, or turn many worthy ones away to die. The question is, which one must we send back.

To pay for this $20,000.00 of charity we have received up to July 1st about $12,000.00 from all Mother's Day offerings. We start this year with no funds for the needs of charity and a debt on hand for what we have been doing. It is a pity to turn these good Baptist people away just because they are poor and our Baptist churches will not hear their cry.

We have wonderful accommodations and facilities for helping the sick. We have a death record that demonstrates the power of prayer in healing the sick and yet our people cannot come because our churches have not observed Mother's Day and offered to help care for them.

We shall be compelled to turn down numbers of these worthy ones unless something is done or somebody rises up and supplies the needed funds. It is impossible to do this work without funds. We must pay our nurses, we must provide food, proper comforts, all the necessities of running a great institution. We must have the support of our people, or the Hospital cannot exist. What shall we do with these numbers who call from all over the State? Your contributions will be the answer.

The budget funds are far too small to meet the debts on the building which come due this year. No hope can we have from that source. It is Mother's Day offering, or some other day's offering in the Sunday School or they die.

We plead for your prayers, your support and your offerings, both in sending pay patients and in giving us contributions to help the poor.

Our women are trying to build a Nurses' Home. We need this greatly. It would increase our revenue and much enlarge the opportunities for caring for charity cases. You men help the women and let's give our girls a place to stay. You will open to the public 21 extra beds and no one can tell the far reaching good this may be to the suffering Baptists of the State who long to come.

Come to our rescue, save us from starving in our infancy and we will bless you in the years to come with a glorious service.

Report on Ministerial Relief and Annuities

The Relief and Annuity Board of the Southern Baptist Convention, through its relief fund and its annuity fund, is grappling with a great and growing prablem of providing for ministers, their widows and dependent orphans in the best possible way. This Board is located in Dallas, Texas, and has made rapid progress in the work committed to it and there is a growing appreciation of its work on the part of the brotherhood throughout the South.

The Relief Fund

The permanent relief fund is still under $600,000.00 and the relief beneficiaries are receiving on an average less than $150.00 per year. To provide properly for nearly 1,200 beneficiaries of this fund, the Board must have a very much larger income. Still the amount that we now distribute to aged and infirm ministers and to widows and dependent orphans of ministers is bringing peace of mind and a degree of comfort to these denominational wards that is justifiably gratifying.

The Annuity Fund

Members of the annuity fund who have reached their sixty-eighth birthday or who have become permanently disabled, are receiving the maximum amount promised in the membership certificate, namely $500.00 per year.

Increased Provision Planned

The action of the Southern Baptist Convention, which met in Houston, Texas, in May last, in adopting the New Service Annuity Plan, as recommended by the special Laymen's Committee and by the Relief and Annuity Board itself, has been hailed with great satisfaction by thousands of our ministers and by the brotherhood generally. The provisions of this plan mark a distinct advance in the work of Ministerial Relief and the carrying out of these provisions will give to every participating minister, the widows and dependent orphans of participating ministers, within the bounds of the Southern Baptist Convention, a support worthy of our great denomination, when they shall come to require it by reason of age, physical disability or dependency.

Some of the Provisions of the New Service Plan

Some of the outstanding features of the New Service Plan are as follows:

1. An age annuity available at sixty-five for every active minister. This plan builds to a retirement annuity of approximately 50% of the average salary on a basis of thirty-five years of service, i. e., on a basis of an average salary of $2,400.00 there will be eventually given an annuity of $1,200.00 and so on. There will be guaranteed to every active minister participating in this plan, a minimum of 50% of his average salary up to $600.00. Three-fifths of the retirement annuity will be continued to the widow.

2. Total and permanent disability prior to the age of sixty-five will entitle the participant to an annuity amounting to 40% of his average annual salary, during the five years preceding disability.

3. There will be a death benefit to the widow, after the first year of membership, amounting to 75% of the current year's salary of the minister, but not to exceed $1,000.00.

4. Minor children of disabled ministers will participate in this plan to receive $100.00 a year each, up to age of eighteen with certain educational allowances up to age of twenty-one.

For details concerning the New Service Annuity Plan, ministers or others interested should write the Relief and Annuity Board of the Southern Baptist Convention, 1226 Athletic Club Building, Dallas, Texas, and illuminating literature will be sent promptly.

REPORT ON MISSIONS

State Missions

The main part of this report is copied from a tract, entitled "Three State Mission Problems," by Secretary Charles E. Maddry. As we come toward the centennial of our Convention we realize that there are still many State Mission problems still unsolved. Just at the present there are three acute problems pressing upon us for solution.

"1. **Enlistment.** There are 2,300 white Baptist churches in the Convention, and according to our records over 600 gave nothing to the Co-operative Program last year. There is no justification for the existence of a Baptist church that does nothing for the spread of the gospel beyond its own borders. These 600 churches must somehow justify their existence and their right to live. We believe they can do this by having a worthy part in the spread of the gospel at home and abroad. Somehow the Convention must find a way to enlist these non-co-operating churches. We will never solve our financial difficulties until we have enlisted every Baptist church in the Convention in the support of the Co-operative Program budget. We must begin in earnest from this day forward to preach stewardship and the tithe as a minimum for every Baptist in the Convention. * * * We must all stick together and perfect the budget and begin with earnestness to preach and teach and practice tithing in all our churches.

"2. **Our Fast Growing Industrial Centers.** Piedmont and Western North Carolina are rapidly being transformed into great manufacturing centers. The cotton mill industry of America is rapidly being transferred to a dozen counties with Charlotte as a center. There are many new mill villages where a million dollars is invested and 100 families have moved in, without Baptist work of any kind. The State Mission Board must go into these places with aggressive missionary pastors and community workers, and somehow secure adequate church buildings and Sunday School equipment.

The State Mission Board needs to spend a hundred thousand dollars next year in rapidly growing industrial centers of North Carolina. These rapidly growing centers present to the Baptists of North Carolina the most compelling challenge that has come to us in 96 years.

"3. **Our Rural Church Problem.** According to the account of the Sunday School Board, Nashville, there are more than 2,000 Baptist churches in North Carolina in the country. Of course this includes villages and small towns of less than 1,000 population. In many sections of the State, especially in the mountains, you will find a Baptist church every three miles. Many of these churches are small, poorly equipped as to Sunday School arrangements, and are led by pastors who receive a salary hardly worth the name. These pastors are doing the best they can under the difficult and hard circumstances under which they have to labor. Many of them have to farm or work at something else for a living, and the sad part of it is, many of the churches are able to pay them an adequate and worthy salary if only they could be induced to do so. With the rapid growth and development of our public school system, and the building of good roads many of these churches actually face extinction. If we save the Baptist cause in many of these country districts there must be consolidation of many of these small congregations into strong, aggressive and progressive churches."

In our own Association it will be well if some of our churches will study the question of consolidation as outlined by Dr. Maddry, for your committee is persuaded that our cause would be greatly strengthened if some of our churches in near proximity to each other could find some satisfactory basis of uniting.

In some ways it is to be deeply deplored that our State Mission Board has found it necessary to discontinue its department of enlistment, which goes into effect with the close of the present calendar year. Yet we feel that with the aggressive and effective work now being done by the Sunday School and B. Y. P. U. Departments the work of enlistment in principle and in reality will be carried on in a great and effective manner.

We endorse the Board's plan of reducing its indebtedness by one-third in each of three years, thus retiring the debt in three years provided the Board's receipts are not curtailed during this period.

This Association urges upon the State Board of Missions the necessity of adopting, at no distant date, a definite, wise and aggressive country church policy. We feel that there is no religious problem that is so needful of wise statesmanship at this time.

In view of the goodly number of churches that have been beneficiaries of the Mission Board for so many years, and yet which seemingly make no advance in the work of the kingdom or in community helpfulness, this Association urges the Board of Missions to withdraw its aid from these churches as rapidly as may be wise without hurting the work, and without doing injustice to the noble pastors who are serving these churches. We make this suggestion in view of the urgent needs and great opportunities presented by our expanding industrial centers, in order that the Board may have more money to measure up to the privileges of our denomination in these places.

Your committee suggests that larger use of the Baptist Book Shop be made by our people. Any religious book will be procured if an order is sent there for it, and Miss Madge Alderman, the manager, will give efficient service and courteous treatment.

Respectfully submitted,

CHAS. C. SMITH.

Home Missions

No more glorious page in all the annals of domestic missions has ever been written than the marvelous achievements of the Home Mission Board of the Southern Baptist Convention. The Empire of Texas is a gift of the Home Board to Southern Baptists. Some of the strong churches in North Carolina and in other States were established, rescued or nourished by the Home Board; Baptist men and women, now blessing the world as business or professional people, as ministers of the gospel, or as missionaries of the Cross, received their preliminary education and their first inspiration to consecrated service in the mountain schools of the Home Board. Lonely immigrants landing on our shores received their first greeting to their new home from representatives of the Home Board. Some of these, led to Christ by missionaries of this Board, have returned to their native lands as flaming evangelists of the great Evangel. The Home Board evangelists have reaped golden harvests of souls for the Master's garner; its workers have enlisted thousands in the activities of our denomination and the Kingdom; and it has lent its hand of aid to Boards of the various states in co-operation with them in the work within these commonwealths.

The opportunities of the Home Board are boundless. Many of the world's wisest missionary statesmen regard America as the greatest mission field on earth. Certainly it is the most strategic. The needs were perhaps never so large and pressing as they are at this time. The marvelous achievements and the golden opportunities cause great rejoicing among informed Baptists. But that joy is greatly clouded by the diminishing receipts and the heavy indebtedness of this Board. The debt on April 30, 1926, was $1,343,-275.04. Retrenchments have been made each year for the past four; appropriations have been painfully cut; yet the debt increases each year because the receipts decrease by a percentage that grows larger with the passing seasons.

And now, when contributions were at last on the up-grade again, and workers all along the line were enheartened at the brighter outlook, the South has been dealt a staggering blow by the disastrous decline in the price of cotton, and again every department of our Southern Baptist work is made to face a new crisis.

In view of the present situation, relief from which does not appear, your committee would venture to suggest to the Home Board yet further retrenchment. There is not one phase of its work that is not seemingly vital at some point, and all of it is work greatly in need of the help of the Board. Yet it is evident that it is suicidal to continue much longer as we have for the past four years. Without knowing at first hand much of the work of the Board we respectfully suggest to the Board some possible retrenchments as follows:

In the Department of Co-operative Missions the sum of $121,000 plus was expended. Of this amount $1,200 was spent in the District of Columbia; $10,000 in Kentucky; $4,500 in Mississippi, and $10,000 in Texas. We are wondering if the State Boards in those States cannot be induced to take over these relatively small amounts without at he same time decreasing their contributions to Home Missions.

We wonder, too, if, in view of the relatively small number of patients being cared for in the Southern Baptist Sanatorium in El Paso, of the drain on the Board's treasury of nearly $30,000 a year to meet the operating deficit, of the bonded indebtedness of $280,000 on that institution with the annual interest on these bonds, and of the great distance of the Sanatorium from the greater part of the Convention's territory, the Board would not find it expedient to find a purchaser for this property, and then obtain the consent of the Convention for its sale.

Further, there was an expenditure by the Board during the year 1925-26 of $33,234.62 in the department of enlistment. This department has done great and invaluable work during the years of its existence, but we commend to the Board its consideration of our suggestion that the work of this department be turned over to the various States.

Again, as to Mountain Schools. During the last Convention year the Yancey Collegiate Institute was discontinued, the property having been sold to the Board of Education of Yancey County. This step was taken because of the growth of State high schools and decreased attendance on this institution. Similar conditions now obtained in large measure over the entire South, and it is likely that others of the Mountain School system of the Board are in very much the same position that Yancey Collegiate Institute found itself. Some of its schools have very small student bodies, and some of them are provided with very meager and insufficient equipment. We commend to the Board its serious consideration of the discontinuance of these small and poorly equipped schools that are located in sections provided with good State high schools.

In making these suggestions this committee is not offering any criticism of any nature on the Board or any of these departments. We regard drastic retrenchment on the part of the Board as vital to its future, and make these suggestions in the very best of spirit, disclaiming the possession of expert knowledge as to how the Board's affairs should be managed, and we do not know that the places of retrenchment suggested are the proper places for the work of curtailment. We offer the suggestions out of a deep and abiding love for the Board and in great confidence in Secretary B. D. Gray.

To our churches the committee urges the serious and unstinted support of the Co-operative Program of the Southern and North Carolina State Conventions. Some special campaigns must of necessity be admitted into our churches, but gifts made in these campaigns should be beyond the regular denominational budget of each church.

The Lord has blessed a number of our people with rather large means, and to those we respectfully suggest the prayerful consideration of making large special contributions to the Home Board, and of remembering in their wills this Board and its magnificent work.

Respectfully submitted,

CHAS. C. SMITH.

Foreign Missions

This report is taken from a report on Foreign Missions sent out recently by Dr. J. F. Love.

The Foreign Mission Board of the Southern Baptist Convention has closed the eighty-first year of its great service as a clearing house of Southern Baptists for the dissemination of the Gospel in the most destitute parts of the earth. These eighty-one years have been filled with perplexing problems, hard work, and often with discouragments. But there has been an almost unbroken progress in evangelistic achievements and expansion of the kingdom of Christ. THE LAST YEAR WAS THE BEST IN ALL THE YEARS OF THE BOARD'S HISTORY AND WORK.

1. Things Accomplished Last Year.

Almost as many persons were baptized on our mission fields last year as we have members in this association—13,269 were baptized, a gain of 1,135, or a gain of about 10%. The total membership is now 140,488. This membership is organized into 1,215 churches, 557 of which are self-supporting. These churches last year contributed $444,258, or nearly $4.00 per member.

We have on these fields 1,818 Sunday Schools and 568 women's societies. There are also 574 young people's societies. Of schools of all grades we had 920 with a total student body of 36,893 before the Board's finances made it necessary to discontinue many of these schools. It is found that more than 50% of the baptisms reported for the year was among these students in our Christian schools on the foreign fields.

2. A Second Fact to Be Remembered Is the Financial Condition of the Board.

The Board started the year 1925-26 with a heavy debt and loud calls from its missionaries for re-enforcement and relief. During the year the Board received from the Co-operative Program $1,071,834.16; in designated gifts $240,613.05; and in total gifts to the Christmas Love offering $811,344.11. The debt was substantially reduced, but there was left an indebtedness of $727,000.

The Board has for more than three years denied the missionaries all equipment, such as residences, church buildings, school and hospital buildings, etc., and has now for some time discontinued the appointment of missionaries, although there has been sad depletion of the missionary staff by death and resignations. The distress and disaster of these denials of missionary needs may, to some degree, be estimated by the following extracts from missionary letters:

"The hearts of the missionaries have been torn and worn these past months, for the news of discouragement that has been coming from the Board has been so hard to stand. In fact the Board is going to lose many men and women because we cannot stand the strain forever and it seems that Southern Baptists have given us the whole thing to bear. We have been forced to break contracts and let preachers go who were employed in good faith, but we personally could not stand the strain. Still it is ours, as the workers blame us. Some are going to be forced to leave their fields because of it. The Board truly did not know what they were forcing us to do."

"We are at present spending our whole time in Canton. The reduced appropriation for our traveling expenses, this year, making this necessary. We have already used more for traveling expenses—far more—than the Board grants us to date. For the same reason, we have had to call off our Preachers' Conference and our Bible Women's Conference, and must depend, from now on, on haphazard meetings with our workers who live out of town.

"We know perfectly well that when the Board cut out the appropriations for every one of the 80 preachers, teachers, Bible women and colporters on the payroll of us two, you did not realize that 'Evangelistic Work in the Canton Field' and 'Day Schools in the Canton Field' meant not only Canton city, where we two have four chapels and schools, but it meant that vast territory assigned to us two—so vast that we formerly did well when we made the rounds once a year, holding meetings of a few days in each place."

"It was in our absence, on one of our missionary journeys, that the news came of this complete cutting of the ground from under us two.

"We are not complaining. You know better than we what the resources of the Board are; and all we do is to state the case; and we feel sure that you will do the best you can for the work we love better than we love our lives."

A small volume of extracts similar to the above could be made from missionary letters to the Board, but the above are sufficient for any who will have their hearts touched.

The world which the Foreign Mission Board is facing is a world in desperate need, but a world ready for Christ, its only hope. Will the Baptists of this Association suffer their beloved missionaries and their Foreign Mission Board to appeal in vain to them? Will they ignore the cries of a lost and ruined world for which Christ died and for which we have a sure and only remedy? The world needs the Gospel, hundreds of young people are ready to carry it, and our people have the money to send them, if they will only give it.

Respectfully submitted,

OSCAR CREECH.

Report of Woman's Work

Among many things to encourage and cheer the women of the West Chowan Association in their missionary work throughout the year have been the following:

When the Elizabeth City Division met in Windsor on June 16, our Union was very glad to have present Rev. J. R. Saunders from Canton, China, one of our own missionaries, who brought to the women a soul-thrilling message concerning the needs of China. Mrs. Edna Harriss, of Raleigh, the Mission Study Leader of North Carolina was present also and her address on Mission Study revealed that Mission Study is more than a requirement of the Standard of Excellence and therefore some schools of missions have been conducted for the entire membership of the churches.

The students of Chowan College were fortunate in having Miss Dorothy Kellam, of Raleigh (Miss Kellam is the State Young People's Leader), Miss Bessie Tayloe, of Ahoskie, and Mrs. W. R. Burrell, Murfreesboro, the Y. W. A. Leader of the West Chowan Association, to conduct Mission Study Classes for them the last of September.

Mr. Gordon Poteat, from Kaifung, China, a teacher in one of our schools there, addressed the women in their annual meeting, which was held July 28, in Rich Square. His message presented the needs of developing the social and school life in China.

A happy development in the personal service has been accomplished as the women are giving scholarships to three deserving girls who are now students of Chowan College.

One of the delightful features of the W. M. U. work is the fund which is for the support of a missionary.

During the summer special prayer bands and study classes were organized to help in "Soul-Winning" during the revival meetings in the Association.

Our gifts have not been so large as we wish so tithing is being stressed now in the hope that more will decide to render unto Him His tenth besides making large gifts.

Altho the work in our Association has not gone forward by leaps and bounds, we thank God for his many blessings and rejoice that we have had a part in His work.

Respectfully submitted,

UNA WHITE.

REPORT ON EDUCATION

1926

Long ago Paul, writing to Timothy, set the ideal for Christian Education in these words, "For God has not given us the spirit of fear, but of power, and of love and of a sound mind." As pointed out by Dean Brown, of Yale, Paul's ideal means that the young Christian needs that equipment which may be called "Stamina, Sympathy and Scholarship." For well rounded personality, these factors must be developed. Furthermore, they can and ought to be developed; and any system of education which does not develop these is defective. For Stamina, that ability which enables one to "stand-up-to," whether physical, intellectual or spiritual, can and ought to be developed; likewise, Sympathy, which means love for God and one's fellows, and likewise, a sound mind, which the great Apostle regarded as one of the gifts of the good God, can and ought to be developed.

North Carolina Baptists believe that Christian Education can and does develop these factors and to this end are pursuing a broad and systematic education program. The ideals are the same as in other years, but methods and appeal change for the reason that our problems change. At one time Baptists owned some fourteen high schools in North Carolina. Now, however, the Convention has only one, viz, Boiling Springs High School, while the Home Board has only four, viz, Sylvia, Haywood, Fruitland and Mountain View. At one time there were some three or four times as many students in our High Schools as there were in college. For the school year 1925-1926, however, there were nearly twice as many in our colleges as in our high schools. The ideal and need for Christian Education has not changed but the type or grade of student to whom we must appeal has changed and now Baptists are concentrating on junior college and college seeking, if possible, to train future leaders and through them reach as many poeple as possible.

The following facts for the session of 1925-1926 indicate a steady growth There were enrolled 1,081 high school students in Mars Hill, Wingate, Boiling Springs and Buie's Creek, while 1,787 students were enrolled in college, distributed as follows: Wake Forest, 731; Meredith, 467; Chowan, 149; Mars Hill, 271; Wingate, 169. In addition Wake Forest enrolled 790 in summer school, reaching in this way some 400 teachers in our public schools, 240 of whom were registered for Bible. In May and June, 1926, our high schools graduated 174, our colleges graduated 196, while 96 finished the two-year

junior college course. In our high schools and colleges we had 238 preparing for the ministry and 32 for Foreign Mission service. During the year buildings and equipment were added and completed valued at $1,150,-155.00, thus bringing the value of all schools under the control of the Convention to $3,151,518.00. Their endowment is valued at $3,237,052.00. From this figure, in order to get the net worth, should be substracted a total indebtedness of 1,165,000.00.

These facts are encouraging and yet we must not forget that "To them that hath shall be given." God has wonderfully prospered North Carolina Baptists and has given larger responsibilities and opportunities. Educationally, the task ahead of us is to see to it that our institutions provide the best to the end that leaders shall be equipped with "Stamina, Sympathy and Scholarship." To accomplish this end, money in greater abundance must be given by our people, for our institutions must have buildings, annual support and endowment. At present 1,047 of those enrolled in our institutions do not live in buildings owned by the institutions and in the matter of annual income the State is providing by taxation for the University alone about six times as much as all our intsitutions receive from endowment. We have lost nine high schools within the past few years because the State's rapidly expanding high school program and for the reason that no institution, unless it caters to the wealthy, can survive without funds over and beyond what the students pay. It is quite clear that others of our schools will go the way of our high schools, unless more funds can be secured through the Co-operative Program or by special campaigns outside of it. A full support of the Co-operative Program would insure a steady income for our schools such as the State has from taxation. It is no longer a question of students, for the best who graduate from our high schools are seeking to enter our Baptist schools. It is solely a question of proper financial support from those already in or seeking to enter, so that they may develop that power and love and a sound mind of which Paul speaks.

It should be understood that the entire incomes of the State Education Board has hitherto been insufficient to meet the demands of our institution, namely, Meredith College. This obligation was placed upon the resources of the Board by action of the Convention meeting at Gastonia. The Board has no recourse in the matter, therefore it is imperative that the resources of the Board be enlarged at once if the Board is to function in the support of other schools.

Sunday Schools

Mr. E. L. Middleton, our General Sunday School Secretary for North Carolina, reports that there are really over 2,250 Sunday Schools in the State, including Mission schools, and a membership of 312,840, which is a gain of 26,047 during the year. For every 100 church members we have 86.1 people in Sunday School. This is the best average in the South unless some State has made phenominal gains this year. Last year we gained 26,047 pupils. This gain was nearly three times the pre-war period and over twice the preceding three years. This growth is very encouraging and the outlook for future growth is perhaps brighter.

While the above figures are encouraging, there are some facts which reveal great problems. Out of 2,300 Baptist churches there are 1,400 one room church buildings. This makes it practically impossible to have an efficient Sunday School. These churches must provide better buildings and equipment or lose their opportunity. We cannot expect our boys and girls who attend public school for five days in a week in a modern building, well equipped and taught by thoroughly trained teachers, to appreciate nor to interest themselves in such Sunday Schools as are usually held in one room buildings with poor equipment and poor teaching. There are 125 churches with no Sunday Schools and over 300 that close a part of the year.

Our Sunday Schools have a constituency of 500,000 people which at present belong to no Sunday School. We have 200,000 Baptist in the State unenlisted, untrained, who have not given a cent to any denominational cause in five years. These problems present a tremendous task for North Carolina Baptists. Secretary Middleton and his associates are working at these problems by helping plan better buildings and equipment, by aiding in enlistment, proper organization and training teachers and officers.

The West Chowan Association has a splendid record as to church membership, contributions and churches, but in Sunday School enrollment we hang our heads in shame. Out of 64 Associations the West Chowan ranks fifty-first in Sunday School attendance in proportion to church membership. For every 100 church members we have only 70 in the Sunday School and of course that includes many children who are not church members. Judging by these figures we may safely say that one half of the 15,000 Baptists in this Association do not attend Sunday School. May we arouse our churches, enlist our people and erase this blot from our Associational record.

The following objectives for North Carolina the coming year:

1. **Enlargement**—Gain 25,000 new members from a constituency of 500,000 now in no Sunday School.

2. **Organize**—Grade and departmentize every Sunday School.

3. **Build** and equip new houses, remodel old ones and make them attractive.

4. **Earn** 10,000 Sunday School Normal awards for the year.

5. **Enlist and Utilize** the 200,000 church members who are unenlisted and untrained.

6. **Evangelism**—Our supreme task is soul winning. With 650,000 lost men and women and 900,000 children in North Carolina, the call to evangelism is our greatest challenge. May we have at least 23,000 baptisms this year.

B. Y. P. U.

The growth of the B. Y. P. U. work in North Carolina has been wonderful. The present organization was formed in 1909 and the first convention was held at Durham in 1910 and 10 Unions were represented. At the last convention held at Meredith College in June, 1926, more than 1,600 representatives were present. There are 1,800 Unions in 1,150 churches and in all our schools and colleges. At least 1,000 of our churches have no B. Y. P. U. and are without the valuable training services furnished by them.

In the training of our young people lies the hope of the future of our churches. What West Point is for the training of our soldiers the B. Y. P. U. it for the training of our young people in our churches. The B. Y. P. U. constitution declares its object to be "The increased spirituality of young Christians, their training in essential church activities, their edification in Scriptural knowledge, their instruction in Baptist dostrine and history and their enlistment in all forms of missionary endeavor through existing denominaitonal organizations."

Our Sunday School Board at Nashville recognizes the value of this work and is giving it equal advantages and encouragement both in literature and working force as is given the Sunday School. In North Carolina the Baptist State Convention fosters the work. We have two full time workers for the State—Mr. Perry Morgan and Miss Winnie Rickett. Much of our recent progress has been due to their untiring efforts.

In the West Chowan Association we have 65 Unions which according to the minutes of the last Association shows a gain of ten Unions. These Unions, according to the same minutes are in 40 churches leaving 18 with no Unions. Our Association is making a splendid record and we hope not only to maintain it but to improve it. We heartily recommend that every Church where at all possible undertake the maintenance of at least one Union. We also urge that the parents co-operate with the pastor and church in their efforts to train and enlist the young people.

Respectfully submitted,

W. R. BURRELL,
J. LOUIS PRICE,
M. P. DAVIS, Committee.

Southern Baptist Institutions

The Seventh Annual report of the Educational Board of the Southern Baptist Convention calls attention to the following special items:

1. Southern Baptists are this year rounding out one hundred years of activity in organized work for Christian Education. Furman University of South Carolina and Mississippi College are celebrating their Centennial year. Two new junior colleges are being built this year, one in Louisiana and the other in Florida.

2. After one hundred years of building on this foundation, laid through the faith and labors of our Baptist fathers, we have 117 schools that are training 40,000 students. In addition to these there are about 50,000 of our young men and women in State colleges and universities.

3. Southern Baptists have three theological seminaries. The Southern Baptist Theological Seminary, the largest school for preachers in the world has moved to its new home on a 30-acre tract of land near the city of Louisville, Ky. When completed will cost about $2,000,000.

The Southwestern Theological Seminary is located at Fort Worth, Texas, and is said to be the second largest theological seminary in the world.

The Baptist Bible Institute is located at New Orleans, La. This institution is doing, through her students, an amazing amount of evangelism in that large wicked Roman Catholic city.

4. During the past seven years, the number of standard Baptist Colleges in the South has increased from four to sixteen.

5. Our Southern Educational Board fosters an Indian school and orphanage at Okmulgee, Okla., where 75 boys and girls are studying. All who are of proper age professed faith in Christ during the last session.

6. In addition to those institutions named above our Southern Educational Board fosters the following institutions and bureaus:

The Southern Baptist Assembly at Ridgecrest, N. C., with property valued at more than $500,000. Here from June to September Southern Baptists gather to study missions, evangelism and all kinds of training and kingdom work as well as for wholesome recreation.

Friends of Lake County, Fla., have given to our Educational Board 190 acres of land and enough money to erect the necessary buildings for a winter resort to correspond with Ridgecrest, N. C., summer resort.

The Board conducts what they call the "Life Calling Conference," in all our Baptist schools and among Baptists in State schools.

Our Educational Board has a "Teacher Bureau Department," that puts Baptist teachers in touch with positions in Baptist schools.

On motion to adopt, W. B. Edwards, President of Chowan College spoke on the work of this institution. He was followed by J. H. Matthews, President of the Board of Trustees. The time was extended for him to discuss this subject and O. Creech and D. P. Harris also spoke. Report adopted.

The following resolution presented by J. H. Matthews was, on motion, adopted by a rising vote.

WHEREAS, Mr. B. N. Duke has made the generous offer to donate twenty-five thousand dollars to the Permanent Endowment Fund of Chowan College, on condition that the trustees and friends of the college, shall, by May first, 1927, raise the further sum of fifty thousand dollars for said endowment; and,

WHEREAS, In its great work of Christian education and training, Chowan College has reached the place in its development and equipment when an adequate permanent endowment is necessary to continue and enlarge its usefulness, and without which the work of the college will be crippled and retarded; and,

WHEREAS, The Board of Trustees of Chowan College have wisely accepted the donation of Mr. Duke upon the imposed condition: Be it therefore

RESOLVED: That the West Chowan Association approves the acceptance of the donation on the condition imposed, and heartily endorses the purpose and plans of the trustees to raise the additional endowment of fifty thousand dollars to meet said condition; and that our people within the bounds of this Association, and the friends of the college throughout the State, are urged to make generous contributions to this fund.

RESOLVED FURTHER: That the West Chowan Association extend its sincere thanks and appreciation to Mr. B. N. Duke for his generous offer to donate twenty-five thousand dollars to the Permanent Endowment Fund of Chowan College, on condition that the friends of the college shall raise the further sum of fifty thousand dollars for said endowment by May first, 1927.

After remarks by J. A. Campbell, adjourned for dinner, benediction by D. P. Harris.

AFTERNOON SESSION

Devotional conducted by A. Finch, prayer by J. F. Stimson.

Vice-Moderator Burrell called the Association to order and J. A. McMillan was recognized, who spoke briefly of Wake Forest College. He was followed by J. A. Campbell, who told briefly the history and work of Buies Creek Junior College.

Time was extended to hear O. Creech in further discussion of education.

J. L. Price conducted a discussion on B. Y. P. U. and Sunday School work.

The Historian's report was read and accepted:

THE HISTORIAN'S REPORT

Our territory is strictly rural. Not a town in our Association would be classed by the Feneral Government as a city. We have no manufacturing except small lumber plants, a few peanut cleaners and one cottonseed mill. Hence our people are almost entirely dependent upon our farming industry for sustenance. Therefore when prices are low all our people feel the effect, many to the point of severe economy.

The year 1926 has been an unusual year. The winter of 1925-1926 was unusually cold and the summer has been unusually hot and dry. Yet, the Lord, in his goodness, has given us a fair crop. But the price of cotton is far below the cost of production. We are hoping that the price of peanuts will be good, tho the prediction is otherwise. Our people are largely dependent upon these two crops for support. Tobacco is selling well, but it is raised only in spots and our people as a whole are not financially benefitted as a consequence. The future looks dark to many of our people. When will our farmers learn the wisdom of making their home supplies, as far as possible?

From what we can learn our churches have fallen behind on benevolence for the year 1926. Yet, our people find money for automobiles and gasoline to use for pleasure as much as usual. Fairs, circuses and other places of amusements such as movies and water resorts are largely patronized. Cutting down our offerings, for the Kingdom of God and keeping our pleasure expenses at high water mark speaks of the low spiritual condition of our churches. Has not the time come for us to cry aloud unto God for a great spiritual awakening?

Our pastors and churches seem to be restless and discontented. Pastorates are short. In our Association there is only one pastor who has been on his present field as long as four years. There seems to be a craze for something new. Our whole system, body, mind and soul, are longing for something other than what they have.

Yet, we have some things that should buoy us up. Our churches have had good revivals and a few have had large additions. Some of our churches have launched building projects to supply the needs of their Bible Schools.

Colerain has completed her eduactional plant which she began more than a year ago. The same is true of Christian Harbor Church—said church, we are now enjoying her wholehearted hospitality. Roberts Chapel hopes to enter her new brick building by Christmas. Brantley's Grove is now occupying her new brick building. Aulander, which has been in need of a suitable building for many years, is erecting a forty or fifty thousand dollar building, which they hope to enter by the early spring. Chowan College has opened with the largest enrollment in her history.

During the past year we have lost from our Association by removal the following pastors, who did a noble work in our Association: H. G. Bryant to Kannapolis; T. E. Walters, to Rocky Mount, and E. W. Mason to Robersonville.

The hand of death has removed from our midst a large number of our older members. Among the number was Brother Thomas Gillam, of Windsor, who for many years was a deacon and leading member of Cashie Church. He was Moderator of our Association for six years.

HISTORY OF CHRISTIAN HARBOR CHURCH

The following facts were furnished your historian by J. H. Evans, a member of Christian Harbor Church.

Christian Harbor Church was organized in 1881. The following ministers aided in her organization: B. F. Barber, W. C. Overton and T. G. Wood. Twenty members went into the organization. These members came from Colerain, Harrellsville and Bethlehem Churches. She has had thirteen pastors as follows: T. G. Wood, W. C. Overton, Drew Parish, J. R. Mathews, S. F. Bristoe, E. S. Pierce, M. L. Greene, M. P. Davis, Dr. J. A. Speight, Frank Clark, R. B. Lineberry, T. E. Walters and the present pastor, R. B. Lineberry, who is serving his second pastorate.

The first building was burned in 1902. The second was erected the same year. Both of them were one-room buildings. For many years the church felt the need of class rooms for their Bible School, but not until 1924 did she feel equal to the task of erecting them. The building is well suited to the work of the school as we see with our own eyes.

This church was located in a community known in 1881 as an ignorant and backward community, with a few noble exceptions, who saw the need of a church. Comparatively few were professed Christians and a large number were known as drinkers if not drunkards. Brother Evans says, "This church has never had a deacon, Sunday School Superintendent or teacher who had as much as a high school education." Yet, this church has transformed the entire community. Her people are as law-abiding as can be found anywhere. She gives as much or more in accordance to her numbers and wealth as any church in our Association.

Some seventeen or eighteen years ago she voted a tax and largely by volunteer contributions erected a two-teacher school building to educate her children. A few years ago she aided in voting a tax sufficient to establish a township high school, located in Harrellsville, where her children could secure a high school education. Christian Harbor church is the only white religious institution in this entire section, hence deserves the credit of the wonderful transformation of this section.

Nineteen years ago Christian Harbor Church entertained this Association and entertained it well, though she divided on the method of entertainment. Some wanted to dispence with the elaborate method of using on the table all things that are used in the dining room in the same. Others wanted to follow the prevailing custom. As a consequence there were two tables, one serving the old elaborate way and the other picnic style. I believe this was the wedge that started the move that will eventually do away with the elaborate way of serving.

Executive Committee report that they have failed to secure funds to employ a Field Worker for Sunday School and B. Y. P. U.

On motion J. C. Mizelle was allowed to read a report on Temperance and Law Enforcement which was adopted as follows:

REPORT ON TEMPERANCE AND LAW ENFORCEMENT

Prohibition is not a political issue; it is absolutely a moral issue and a church fight for the right. And its worst enemies are bound to admit that it has made progress, but its present situation challenges the friends of this righteous cause. The mass attack of the wets favoring modification during the long-drawn-out hearings on the wet bills furnished the wet press with an abundance of propaganda to their liking. But the drys answered every wet argument with the result that the sub-committee of the

Judiciary Committee hearing the evidence, reported against all the wet bills and urged the adoption of a bill to strengthen the prohibition law. Several of the dry measures have been combined in one bill which is now at the head of the legislative calendar waiting for action when the Senate convenes in December, 1926.

In view of the fact that our law abiding citizens here in North Carolina want bettetr law enforcement and the West Chowan Baptist Association, representing 58 churches and nearly fifteen thousand members want law enforcement; Therefore, Be It

RESOLVED: That the authentic delegation of this Association are heartily in favor of the retention of the eighteenth amendment and the Volstead Act, with pending legislation in Congress as machinery to make the prohibition law more effective in all the States of the Union.

Respectfully submitted,

J. C. MIZELLE.

Upon motion by D. P. Harris a rising vote of thanks was extended to Christian Harbor Church and community for their generous entertainment of the Association.

Adjourned with prayer by Dr. W. R. Burrell.

C. G. POWELL, Moderator,
R. B. LINEBERRY, Clerk.

of the

B. Y. P. U. CONVENTION

The sixth annual B. Y. P. U. Convention of the West Chowan Association met at Rich Square Baptist Church July 6-7, 1926. This was one of the outstanding meetings held in our organized plan of B. Y. P. U. work. Three State workers present: E. N. Gardner, State President; Perry Morgan, State Secretary, and Miss Winnie Rickett, Junior and Intermediate Leader. Each of these leaders gave inspiring messages during the two days the Convention was in session; many local young people and pastors making the program complete.

Among important business transacted, was a change in the plan for our annual Convention. Next year it will be held in combination with an Institute, giving opportunity for study courses and addresses by State workers as well as local members. Details will be worked out by a committee. Aulander will entertain this meeting.

Because of a deficit in the Treasury, each Union was assessed a certain amount to make up the deficiency: $1.00 for each Senior Union, $.50 for each Intermediate and $.25 for each Junior Union. After the bill of $4.50 was paid the other was to go on current expenses. A total of 60 Unions was reported (some have been organized since). During one quarter of last year more Unions were standard than at any other one quarter since we have done organized work.

Thirty-six per cent of the Unions took a study course last year.

The following officers were elected:

PRESIDENT—D. D. Lewis.

VICE-PRESIDENTS—

Miss Foy Peele, Bertie County.
Miss Alta Chitty, Hertford County.
Mrs. W. A. Lambertson, Northampton County.

SECRETARY—Miss Helen Winborne.

WOMAN'S ASSOCIATIONAL MEETING

The Thirty-Second Annual Session of the Woman's Missionary Union of West Chowan Association was held at Rich Square, N. C., on Wednesday, July 28, 1926. This organization is held at a different time and place from the regular Association and as they print their minutes separately, this is just to make mention of it. They raised nearly $15,000 for church work the past Associational year. They pay the salary of Miss Pearl Johnson, a Missionary in China, and give three scholarships to young ladies at Chowan College. Their next session will be held at Colerain on Wednesday after the fourth Sunday in July, 1927.

ORGANIZED CLASS CONVENTION

An organized class convention was held at Ashley's Grove Church on the fifth Sunday in May, 1926. This Convention is to foster and encourage organized classes in Sunday Schools. Their meetings are held at separate time and place from the regular Association. Their next meeting will be at Bethany Church the fifth Sunday in May, 1927.

This Association has no organization of Laymen and so no Convention of this kind was held.

CONSTITUTION

NAME.

Article 1. This body shall be known as the North Carolina West Chowan Baptist Association.

MEMBERSHIP.

Article 2. It shall be composed of messengers elected by the churches connected with this body, and all ordained ministers who are members or pastors of said churches, together with the officers of this Association, and chairmen of all standing committees. Each church of one hundred members and under shall be entitled to two messengers, and for each additional one hundred members, an additional messenger, provided, that no church shall have more than four messengers.

OBJECTS.

Art. 3. The objects shall be to devise and recommend measures for increasing the harmony, the intelligence and the spiritual power of the churches, and for developing and directing their energies, their resources and their gifts, in advancing the Redeemer's Kingdom in the earth.

POWERS AND PREROGATIVES.

Article 4. The Association shall have no power to infringe upon the sovereignty or rights of the churches. It is neither an ecclesiastical nor legislative council, nor court of appeal. It may advise the churches and recommend measures of usefulness for their adoption, but can not bind them in any way. Yet, in view of the combined wisdom, piety and intelligence of the body, it may justly claim for itself, for its objects and for its recommendation the very highest consideration and regard.

Art. 5. The Association may dissolve connection with any church that becomes heterodox in doctrine, or disorderly in practice, or that fails to represent itself, either by messenger or letter, more than two successive sessions, without sufficient reasons, or that treats with contempt its objects and requirements, or upon application of a church for dismission.

RIGHTS OF CHURCHES.

Article 6. Each individual church shall hold and exercise all the functions of an independent church of Jesus Christ. As constituent members of this Association, the churches shall have right to advise, when desired, in case of difficulty, and suggest plans of usefulness to be adopted. It shall be the undisputed privilege of any church to withdraw its membership from this Association whenever it shall so elect.

DUTIES OF CHURCHES.

Articlie 7. It shall be the duty of the churches to appoint as messengers, as far as practicable, their most capable members, to require their attendance, and to send by them a contribution to the Association fund to pay for printing the minutes and other necessary expenses.

Art. 8. It shall be the duty of each church to send an annual letter to the Association, giving: (1) locality; (2) names of its pastor and clerk and their respective postoffices; (3) the Sabbaths of regular service; (4) the church

statistics, including the number baptized, received by letter, restored, dismissed, deceased, expelled and aggregate membership, male and female; (5) Sabbath School statistics; (6) amount contributed to benevolent objects and the Association fund; (7) names of messengers and alternates; (8) any other information deemed of special importance.

ORGANIZATION.

Article 9. The officers of this Association shall be a Moderator, Vice-Moderator, Clerk, Treasurer, and Historian, who shall be elected at each annual session, from the members of the Association, and shall continue in office until the next annual election, which election shall be the next order of business after the enrollment of messengers. As soon as the new officers shall have taken their seats, the body shall be declared organized and prepared for business.

Art. 10. In order to conserve time and not interfere with the main work of the body, this Association will not consider any routine or miscellaneous business except at the close of the discussion of each general topic.

DUTIES OF OFFICERS.

Article 11. It shall be the duty of the Moderator to open the meetings punctually at time appointed; to enforce the rules; to enforce order, and to exercise all the prerogatives of a presiding officer, according to the principles of parliamentary usage.

Art. 12. It shall be the duty of the Vice-Moderator to discharge the duties of the Moderator in his absence.

Art. 13. It shall be the duty of the Clerk to keep a faithful record of the proceedings of the body, and superintend the printing and distribution of same, and to keep on file the printed Minutes and other important documents belonging to the body. He may appoint an assistant when necessary. The Clerk shall receive for his services fifty dollars out of the minute fund.

Art. 14. It shall be the duty of the Treasurer to receive and disburse the money contributed to the Minute fund, as directed by the body, and make an annual report of the same.

Art. 15. It shall be the duty of the Historian, who shall be elected at each annual meeting of the body, to prepare for publication in the Minutes an historical sketch of the church with which the Association meets, with obituaries, incidents, and other facts of the year that shall be preserved, and make report to the next Association.

Art. 16. On the first day of the session there shall be appointed a committee of finance, committee on time, place and preacher, and a committee of one from each county to nominate representatives of Boards and to nominate an Executive Committee of nine members composed of two men and one woman from each of the counties.

Art. 17. This Constitution may be altered at any annual session of the body by a vote of two-thirds of the members present.

RESOLUTIONS.

Resolved (1) That no church shall be entitled to representation in this body unless in perfect accord with the Constitution thereof, that fact to be ascertained by a committee of five on credentials, appointed at each session of the body immediately after organization; (2) the report of this committee shall be the property of the Association just as any other report. (Adopted 1898.)

Resolved (3). That henceforth this Association withdraw fellowship from any church that allows its members to engage in the manufacture and sale of intoxicating liquors as a beverage. (1891).

Resolved (4). That it is the sense of this Association that selling intoxicating liquors through a dispensary is a violation of the spirit and letter of the resolution of our Constitution. (1905).

RULES OF ORDER.

1. The Association shall convene annually at the time and place of its own adjournment.

2. During each annual session it shall meet and adjourn from day to day at the hours fixed upon by the body.

3. All meetings of the Association shall be opened and closed with religious exercises.

4. A majority of the members present shall be a quorum for the transaction of business.

5. No member shall absent himself temporarily without leave of the Moderator, nor finally without leave of the body.

6. No member shall speak more than twice on the same subject without permission of the body.

7. No member shall be allowed to talk, stand up, read or move about the house during business, except to gain or impart information under consideration.

8. No committee shall be in session during the hour of business without permission from the body.

9. All questions of order not herein provided shall be decided by Mell's Parliamentary Practice.

REPORT ON CHRISTIAN SOCIAL SERVICE.

ORPHANAGE.

The cry of the orphan has not gone unheeded. The Thomasville Orphanage is the response of North Carolina Baptists to the cry. It is such a response as is a joy and gratulation to every loyal hearted Baptist. Such an institution has not sprung Minerva-like, full panoplied, into existence, but is a growth of years. It was forty-two years ago (in 1885) that the first child was admitted to the Orphanage. And today the number at Thomasville is 596. In 1914 Kennedy Home, the eastern branch of the Orphanage was opened, near Kinston. 118 are being cared for in this home. For six years Mothers Aid work has been in operation. There are 27 mothers aided and 392 children cared for in this way. This makes a grand total of 988 children under the care of the Baptists of this State. The sad part is that from 50 to 100 applicants have to be denied admission each month of the year.

These children have not been gathered together to be neglected. Good wholesome food is provided, and their intellectual and spiritual needs are provided for. The children attend school 48 weeks in the year and Rev. E. N. Gardner is located there as pastor and he also teaches Bible in the school.

There is need for the once a month collections in the Sunday-schools to be pressed and the Thanksgiving offering to be made an unusually good one otherwise embarrassing indebtedness will be upon the institution.

We urge that a club of Charity and Children be formed in every school. It can be had at 60 cents per copy in clubs of ten or more and sent fo one address.

We also recommend the appointment of an Orphanage representative by the Association. This may be either a man or woman and the duty will be to keep the management at Thomasville in touch with the Sunday-schools in the Association.

SABBATH OBSERVANCE.

No nation may long preserve its integrity, that permits the desecration of the Sabbath day. And in view of the widespread tendency to neglect the day we call upon our people to remember the Sabbath day to keep it holy. It is set apart for rest and service of God, and not joy riding, nor pleasure seeking. It is a holy day, not a holiday. It is high time that Christians should protest against the wide spread and growing tendency to defame and profane our Christian Sabbath.

LAW OBSERVANCE AND THE 18TH AMENDMENT.

Outlaws are lightly disregarded. Few seem to take them seriously. A new law enacted is too frequently just another to be disregarded. Too frequently those charged with the duty of enforcing law join hands with the violators.

Particularly do we have in mind the enforcement of our National Prohibition law. We desire to go on record as believing in prohibition, and the Volstead Act. We believe that our National Government should administer this law with a strong hand, and should make provisions therefor. We believe in the strict enforcement of the prohibition law.

AGED MINISTERS' AND ANNUITY BOARD.

It has come to pass in our modern civilization that all corporations of any note set aside a fund to take care of their employees who have given their strength and life in faithful service, that they may not come to want in their declining years.

We are one of the greatest bodies in the world, then why should not Southern Baptists set aside a fund to take care of our aged ministers and their wives, who have given their strength and their lives to the greatest cause on earth today?

We are in full sympathy with the Relief and Annuity Board. Let's continue to support the Board with our prayers and co-operation. In our unified program the Board is supported by a small per cent of our offerings. If we increase our offerings, then we increase this object of our Convention.

In conclusion we wish to express our sorrow and loss in the death of the faithful and greatly beloved secretary, Dr. William Lunsford, and endorse the movement that is now on foot to raise a million dollars endowment fund as a memorial to Dr. Lunsford.

ON HOSPITAL.

Only time and space limit the wonderful story of healing and mercy the Baptist Hospital has to tell.

The hospital this year has cared for about 2000 patients, around 600 of these have been charity patients. These come from all over the State. Many of them are fathers and mothers, in fact the larger part are. They have families depending upon them, and were it not that the Hospital opens its doors to them and lets them in, hundreds of them would die leaving their children and families to the Orphanage and to the world.

We spend about $30,000.00 per year to care for them. This year the denomination gave us $15,000.00 on Mother's day to pay the charity bill of $30,000.00. That is all the money we get from the denomination to do charity with. The Duke Memorial Fund will give us about $7,500.00. Then the other $7,500.00 will have to come out of the cash receipts from pay-patients that we ought to have to pay bills with. In order to do this we have to practice the most rigid economy and go without things we need so much. From this can be seen that the Hospital is not asking for any money for its maintenance. It pays its own running expenses and contributes around $7,000.00 to help on charity work. So the money we give on Mother's day is all for charity. It is the measure of Baptist People's love and care for their sick brothers and sisters, who are not able to take care of themselves. The larger the amount we raise on Mother's Day the more charity the Hospital can do, and the smaller the amount the fewer people can be helped.

We do not think any Baptist anywhere who will stop to think about it, will refuse to give a small amount, just once a year, to save life, restore health, and keep children from becoming orphans.

The amount the hospital gets from the Budget amounts to around $14,000.00. This pays the interest on the bonded indebtedness and retires the bonds which come due each year.

If our people will just remember the Hospital on Mother's Day and take that one offering, the Hospital can continue to do a wonderful work for the poor suffering Baptists and nobody will ever feel the effects of the appeal.

Of course the Hospital can go on doing business if they do not take an

offering, but the charity work would stop, because the Duke Endowment Fund would stop its contributions, they give in proportion as the denomination gives.

We are building a nurses home. A three story brick and cement building which will care for 45 girls and provide the school facilities for the training department of our Hospital.

It will be a great blessing to our girls and a real contribution to the assets of our denomination. The ladies gave us $20,000.00. We have a sinking fund of about $7,000.00. We will owe around $15,000.00 when this building is finished, but we will have a sinking fund to take care of this debt so that the denomination will not be called upon to give a cent on this edifice. We will hand it over to the Baptists, that is if the churches continue to send us the Mother's Day offering for charity, so that we can keep our institution full.

The Hospital has a Medical and surgical staff of 25 doctors, and they are as fine as the country can produce. Last year the death rate at the Hospital was 15 to the thousand, this average is lower than that of our cities in the state for well people.

We your committee presenting this report recommend that our churches within the bounds of our Association be asked to continue in taking an offering on Mother's Day and designate same to the charity work in our Baptist Hospital in Winston-Salem, N. C.

Respectfully submitted,
A. FINCH,
B. TOWNSEND,
R. M. VON MILLER, Committee.

On motion to adopt, E. N. Gardner was recognized and spoke of the Orphanage work at Thomasville. Report adopted.

Maddry called a meeting of Pastors and Executive Committee to organize for the Centennial Campaign. Adjourned for dinner. Benediction by Dr. W. R. Burrell.

AFTERNOON SESSION.

12. The devotional service was conducted by C. M. Billings.

13. Report on Missions was presented, A. W. H. Jones reading sections on Foreign and Home Missions, L. E. Dailey State Missions and Mrs. A. W. Greene Woman's Work.

REPORT ON MISSIONS.

FOREIGN MISSIONS.

When a retrospective view of our Foreign Mission work is taken, we praise God for what has been accomplished. The great advance along all lines of Missionary endeavor in recent years fills us with joy and gratitude, especially are all Christians filled and thrilled with delight because so many are heeding Him, who upon the authority of Heaven, commanded his followers to proclaim the glad tidings of salvation to a world lost in sin.

However we hang our heads with sorrow and shame that so many of those

consecrated men and women go not to the foreign fields because Christians here in the homeland make their offering to the foreign work so small.

During the last Convention year the Foreign Mission Board received from the co-operative program $980,214 which was less than the previous year by more than $91,000. The debt has been reduced to $748,000, but this reduction has been made at the expense of the work and by declining for two years to appoint men and women who have been called of God to the foreign field.

The Board is in great need at this time. Besides being pressed by debt, after the most rigid economy and retrenchment, there are workers who need rest and many more who need better equipment. There is also a great need for re-enforcements and the Board has no money with which to send the consecrated men and women who are anxious to go.

We would recommend, that the pastors call the people to the most earnest prayer on behalf of the work. They use every proper means to inform the people by sermons, addresses and the distribution of literature bearing on this great subject.

The remainder of the year lies before us with opportunities and privileges. These opportunities to bring with them corresponding responsibility. We need workers, more workers. We need money, more money. Then let each of us make some real personal sacrifice in order that these great needs may be met.

HOME MISSIONS.

Among the Missionary interests of the Southern Baptist Convention none has a more glorious history than Home Missions.

Many of the States have been secured for the Baptist largely through the efforts of the Home Board. It is also true that a multitude of our large and influential churches through the southland owe their origin to this Board.

We glean from the 82nd annual report of the Home Board the following facts: The workers of the Board during the year delivered 109,419 sermons and addresses; conducted 19,966 prayer meetings; made 171,239 religious visits; added to the churches by baptism 20,686 members; total addition 36,233; won 840 volunteers for Christian service; constituted 168 churches; built or improved 278 church houses; organized 406 Sunday-schools; distributed 11,847 Bibles and Testaments, and circulated more than a million of religious tracts.

This splendid record should encourage all lovers of Kingdom work and move every Christian to say with the Divine writer: "Bless the Lord oh my soul and forget not all His benefits." However there is also a feeling of sadness not to say shame when we think of fields all ready ripe for the harvest sadly neglected or not entered at all.

According to the instruction of the Convention there has been drastic retrenchment. In the one department of independent and direct Missions twenty-five missionaries were dropped and similar cuts have been made in all other departments.

The Board has a large supply of tracts and leaflets on all phases of the Home Board work which can be secured without cost.

We would earnestly urge that our people will in a larger way support this part of our work. To this end inform ourselves, pray for the work and place larger offerings upon God's altar.

STATE MISSIONS.

97 years ago this past March our State Convention was born at Greenville with 14 members. These wise founders realized the importance of carrying

out the command of the Master to begin at home. So out of this humble origin $700.00 was appropriated for missions and education.

Our Past.

As we look back over these 97 years of Baptist organization in North Carolina we can truly say our Lord has multiplied our labors into an abundant harvest. In 1836 there were only 15,000 Baptist in North Carolina, white and colored. Now there are over 600,000. Out of this vast host 375,767 are white. At present we have 2,325 white Baptist churches. Last year our contributions to all benevolent objects amounted to $737,317.32.

State Missions is due a large share of the credit to our marvelous growth and prosperity as a denomination. The great majority of our largest and most liberal churches at some time in our history received aid from our State Mission Board, numbered among them were the first Baptist churches of Rocky Mount, Greensboro and Charlotte and others in like power and prestige for service.

The Present Field of State Mission Operations.

This year we have 87 State Mission pastors who are serving 147 churches.

The Department of W. M. U. has 2,443 societies with a membership of 40,326. These good women contributed last year over $265,000 to denominational objects. They have five general workers two in the office and three in the field.

Under the efficient leadership of Bro. E. L. Middleton our Sunday-school work has made rapid strides. We now have 2,243 Sunday-schools with a membership of 323,777, we have two field workers with eleven other Associational Sunday-school and B. Y. P. U. workers.

Our B. Y. P. U. under the leadership of Brother Perry Morgan has made a splendid progress. There are now 2,066 B. Y. P. U. organizations with a membership of 60,000.

Our State Evangelists have been reduced to only two in number—J. C. Canipe, of Roxboro, and I. H. Moore of Durham, who is working with the colored people.

Volunteer pastors aided about 75 churches this year.

We have Student workers at the following Colleges: Wake Forest, Chapel Hill, North Carolina State College at Raleigh and N. C. C. W. at Greensboro.

For the last several years our State Board has fostered a preacher school at Meredith College in June. More than 250 preachers attended the past session.

Our Challenging Task.

There are 600,000 people in North Carolina without the saving Grace of Jesus Christ. Over 250,000 of our church members are doing nothing to extend the Kingdom of God on earth. These must be enlisted. The vast army of our young people must be trained for future leadership.

We must bring about a great revival of Christian Stewardship.

There is a challenging call now for us to arise and liberate our denominational schools from a burdening debt of over $1 000,000.

We cannot afford to come with the plea of poverty for our financial condition will not justify such a claim.

We have a net work of highways that has attracted the attention of the round world. Many of our sister states are watching with the purpose of imitating our famous school system.

We have within our borders over one-half million automobiles that could not cost less than $500.000,000. We paid a federal income tax last year of more than all New England combined.

Many of our people are indulging themselves to the extent of extravagant

waste attending movies, soft drinks and pleasure resorts. Some people spend over $100.00 a year for Coca-Cola alone. Can a people with such indulgence and wilful waste summon enough brass to say we are not able? Nay verily!

Surely as we face these facts it is with deepest humiliation and shame that within the past four years we have to admit that our State Mission budget has been reduced from $146,000 to $77,000.

Christian Comrades, let us rally to our colors and carry out the command of Him who stood upon the Mountain and saw all the kingdoms of the world stretched before Him and turned away from them to the agony and bloody sweat of Gethsemane and the Cross of Calvary beyond.

Yes, let us march forward in the name of Him who walked through the valley and shadow of death alone crying out in the midst of its darkness, "My God, my God! Why hast Thou forsaken me?" All this He endured that we may be able to say as we start the journey through this dark valley there is no fear of evil for His rod and staff will be there to comfort us.

WOMAN'S MISSIONARY UNION.

Looking back at the year's work of the Woman's Missionary Union of the West Chowan Association, our hearts are filled with gratitude for the opportunities for service given us, for the work of our predecessors who laid the foundations so strong and true, for the vision of our leaders, for the faith and devotion of many of our membership, and most of all for the goodness of God, who has so manifestly guided us.

A substantial increase has been made in number of mission study classes reported, and an encouraging feature is the increasing number of young people taking mission study courses. One county has a circulating mission library.

The women of West Chowan are supporting one missionary, Miss Pearle Johnson, and giving three scholarships to Chowan College.

Organized Personal Service is a joy to many societies, work at the County Home and the Prison Farm in Halifax county being among their activities.

We regret to say that we did not reach our financial aim for the year. While business conditions may have had something to do with this, we feel that the greater cause was not using the money that we had wisely. The temptations to spend money for "that which is not bread" were never so great; many organizations are bidding for popularity, pleasure is calling with siren voice on every side, the lure of luxurious living is at its height.

We call upon our women to search their hearts, reconsecrate their lives and simplify their living, and make their gifts for the coming year worthy of children of the King who are conscious of their mission on earth and its supreme importance. We call upon the leaders of the women's societies to work in their various vineyards with renewed diligence. We call upon those who are endeavoring to lead our young people into places of "joyous responsibility" to do it whole heartedly, as with the young, example speaks louder than precept.

There must be no lagging in our program. The hour of destiny is upon us, a great history behind us, Jesus, our Captain, is leading us, and, if we are valiant and true, a glorious achievement is ahead of us.

God grant that in the coming year our women may, with chastened spirits and enlarged vision, work faithfully and with singleness of purpose, toward their goal.

Respectfully submitted,

A. W. H. JONES,
L. E. DAILEY,
MRS. A. W. GREENE,
Committee.

REPORT ON EDUCATION.

North Carolina is enjoying an unparalleled era in the matter of Education, not only in its state schools but in its denominational schools, as well. Never before has there been such vital interest manifested in the matter of both high school and collegiate education in North Carolina. Whether that inner urge comes either from social pressure or the felt need, we must be prepared and equipped to meet the situation. As our pupils and students turn their feet towards these institutions of learning, we are constrained to answer this question: What kind of school shall we patronize? The one that trains the intellect and moral side or the one that goes one-step farther, and looks after and develops the Christian side. The community and the patron pay for either kind. Which shall it be?

The State system must insist on high moral standards; but let us remember that the vanguard of moral standards of today may be the rear-guard of tomorrow, and that today's moral standards may degenerate tomorrow and doubtless would but for the Christian code of ethics which is and ever should be lifting the existing moral standards to a higher level. To my mind this is the real foundation stone of Christian Education—also its ever-increasing task. Shall our State in its various activities be dominated by Christian standards of conduct? The answer lies with our churches and Christian schools.

The value of Education depends on the attitude of heart and which is developed simultaneously with the acquisition of useful knowledge. Again, the value of any education is not measured by what effect it may have on us, but rather what effect we may have on others.

What will education do for me is of secondary or minor importance, but what will a trained mind and heart assist me in doing for others is of Supreme importance. This is the crux and emphasis of Christian Education; and, to be sure, there is a tremendous need for such emphasis at this time of confusion and change.

We Christians and especially Baptists have a challenging opportunity. What is the opportunity? And, what steps are we taking to meet the challenge? Men and women of thought and action are asking everywhere "To whom shall we go?" Cultured and consecrated leadership is the need of the hour. Our State has not allowed the Bible to be taught in our public schools.

It, too, has taken charge of all the elementary schools and practically all the high schools, we having but one left—Boiling Springs. On the other hand we have six institutions of collegiate grade as follows: Wake Forest, Meredith and Chowan, standard A-grade institutions and Mars Hill, Wingate, and Campbell, standard junior colleges—these institutions have enrollments as follows:

Wake Forest	699	
Meredith	533	(508 Classmen—25 Specials)
Chowan	151	
Mars Hill.....H. S. 108, Jr. C.	384	
Wingate .....H. S. 25, Jr., Col.	200	
Campbell .....H. S. 257, Jr. Col.	123	
Boiling Springs.....H. S.	120	

Total College students 2090—H. S. 510—grand total 2600.

We thus have a large number of students in our Christian colleges; but even so there are more Baptist students in our State schools than in all our Baptist schools combined. Here again is a challenge, as well as an opportunity. Our students must be trained for Christian leadership. The comparatively few which we train must be given the very best.

Given the proper Christian training and attitude, think well what these college students now in our schools will render in the future. The cost of training in our schools is slightly more than that of the State institutions; but this is a mere nothing when we compare it with the probable service these students may and will render to the Kingdom of God.

Again, some of our institutions—Wake Forest, Mars Hill, Wingate, and Campbell—operate summer schools, where hordes of public school teachers have the opportunity of studying the Bible under thoroughly competent and Christian instructors. These teachers should, therefore, maintain an attiture that is not merely moral; but positively Christian. This is a service that our summer schools are rendering as well.

Just this final word. Our schools must continue to grow or they will continue to go for they have already started.

Things that are worthwhile cost money. We must put our sons and substance in our male schools and our daughters and dollars in our girls' schools. The State is doing this. We, therefore, must do this if we attempt to cope with the state schools. We must provide, through our co-operative program the necessary financial sustenance for these, our institutions, until we can increase their respective endowments. Not only this, but we are already in the beginning of a centennial campaign to free our institutions from the staggering burden of debt, that they may be free to deal with the quality as well as the quantity of work, and grow into their right and useful places.

If we are to be worthy heirs to the God-directed pioneers, who started these enterprises, we must not, we cannot, having set our minds and hearts to the task, look back. We have the ideals, we have eager minds, hungering for truth and hearts aglow for service. We have the money. What we need is a new consecrated vision and the sacrifices will be made.

Let us give our ideals an opportunity to direct our money so that these eager minds and glowing hearts may be prepared for Christian service—and His Kingdom will surely come—thereby doing, we can help in answering our own prayers. You may ask how can we support our schools? Your committee asks: Can we afford not to support our schools?

On motion to adopt Dr. W. B. Edwards spoke on Chowan College and G. P. Harrell of South Mills, added some words of commendation. Dr. A. C. Reed spoke on the requisites needed in our education today. Report was adopted.

23. On motion of Dr. W. R. Burrell the Association took up the

matter of the Centennial Campaign and voted by rising vote of all present to enter the campaign inaugurated by the General Board of Missions, to take as our objective $50,000, the amount suggested by Pastors and Executive Committee with Dr. Maddry and approve of the appointment of O. Creech as Director.

24. Under miscellaneous, O. Creech explained the need of the campaign. D. P. Harris was present and expressed appreciation of telegram of sympathy to him and his wife. J. Fred Stimson made announcement as to dinner. Adjourned with benediction by Dr. W. R. Burrell.

28. Historian's report was read and adopted as follows:

REPORT OF HISTORIAN.

In the light of the digest of church letters, and the page dedicated to our dead there is not left much to report. However we might mention some building programs which have been completed, and some in prospect.

Roberts Chapel church entered their new brick building the fifth Sunday in May and the cost of the building and the furnishings is about $19,000.00. The new building has given new encouragement and inspiration to all the work of the church.

Askewville is enjoying the benefits of her new Sunday School plant and also the electric lights recently installed.

Capeharts has built commodious Sunday School rooms and the new equipment is quickening greater interest in the teaching of the Bible.

Potecasi is building a commodious house of worship with modern equipment.

Ahoskie has purchased a new site north of the railroad and expects to begin work on their new house soon.

The resignation of Rev. Chas. C. Smith at Cashie church took effect the first of January, 1927, and Dr. C. C. Cox began his work as pastor of the same church the first of March, 1927.

Christian Harbor church has a new piano the gift of the Christian Harbor Betterment Association.

Harrellsville also has a piano the gift of Mrs. A. C. Williams, who is one of their members.

Meherrin lost one of her deacons by death, C. C. Parker.

Rev. C. M. Billings lost his wife by death, who had been sick for some years, but through all her years of invalidism she showed a beautiful and brave Christian spirit.

Aulander was organized in 1886. The early founders were A. W. Early, C. W. Mitchell, J. H. Powell, J. E. Lang and others. The following men have served as pastors: C. W. Scarborough, L. M. Curtis, Walter Britt, R. L. Gay, M. P. Davis, James Long, and the present pastor, J. Fred Stimson.

Since the last Association Aulander has built a new church as we all observe at a cost of over $40,000.00. The house and furnishings with the pipe organ cost about $50,000.00. The gift of the organ was by one of its members.

Jackson has spent between four and five thousand dollars on Sunday School rooms and equipment.

Rich Square has spent about eight hundred dollars on improvements.

ELBERT Y. POOLE, Historian.

Between the two class sessions held in the morning, Rev. E. N. Gardner of Thomasville, state B. Y. P. U. President, gave a most inspiring Missionary lecture. He followed the same plan during the afternoon. The devotional for the third session was led by J. J. Parker, of Murfreesboro.

WOMAN'S MISSIONARY UNION

Colerain Church, July 27th, 1927.

On July 27th, 1927, the 33rd Annual Missionary Union of the West Chowan met at Colerain; Miss Una White, Associational Superintendent, presiding.

Following the opening hymn, "Jesus Calls Us," Mrs. J. L. Blythe, of Harrellsville, conducted the devotional exercises using as scripture lesson 1st Corinthians 13th chapter.

Mrs. W. E. White, of Colerain, gave a real Christian welcome that made each one happy to be there at the beginning. Mrs. E. C. Boone, of Rich Square, responded in behalf of the Union and expressed joy for the opportunity of having the Union to convene at Colerain.

The chair then recognized the following visitors: Mrs. W. N. Jones, State W. M. U. President; Mrs. H. M. Finch, Elizabeth City Division Superintendent; Mrs. S. E. Ayers, of China; Miss Madge Conwell, of South Carolina; also the new pastors in the Association, Mr. Kendrick, Dr. Cox and Mr. Andrews.

Following this Mrs. W. R. Burrell offered a prayer for the protection and safe keeping of one beloved missionary in China, Miss Pearle Johnson.

Business was then taken up. Roll was called and recorded.

Number of Missionary Societies represented	39
Number of Y. W. A.'s represented	8
Number of G. A.'s represented	10
Number of R. A.'s represented	6
Number of Sunbeams represented	16

Under the head of old business came the report of the Superintendent, Miss Una White. Her report showed that the Union had made progress in many ways. One of the outstanding things was increase in Mission Study Classes. She reported the total gifts of all organizations, were $13,515.77, falling short the aim a little over $2,000 though nineteen churches reached their apportionment.

The Societies giving over $1,000 were Ahoskie giving $1,153.39, Aulander $1,063.43. Ahoskie leads in membership of 110, also in greatest number of Biblical Recorder subscribers having 50. Republican leads in Home and Foreign Field subscribers, having 31, while Powellsville and Meherrin led in Royal Service subscriptions both having 15 subscribers. From a church membership of 7,000 women in the Association only 1,757 are enlisted in W. M. U. All can see readily the cry of the hour is "Enlistment." Miss White's report shows the workers are realizing more fully the strength of prayer and as a result 40 Societies have observed State Mission Week of Prayer, 38 Home Mission Week of Prayer, and 40 Foreign Mission Week of Prayer.

STATISTICAL REPORT.

Letters written	300
Postals written	115
Meetings attended	9
Miles traveled	600

The aim of the Superintendent for the Union for the following year: More Mission Study classes. A continual campaign for Enlistment. Increase of tithers from 184 to 500 and each society striving to reach Standard of Excellence.

The report was adopted.

The report of Secretary and Treasurer was postponed until afternoon.

The Personal Service Superintendent Mrs. G. T. Underwood, gave a report that showed through the organized activity the program did not name so many items as when individual was given but greater activities had been accomplished. The Juniors reported better this year. Some churches sent reports from each organization.

Some of the outstanding services were: Religious services conducted in County Homes and at State Farm, clothing and food for unfortunates, Cottage prayer meetings, one good will Center, Mission Sunday-school. Taking invalids to church and societies, feeding undernourished babies milk.

This report was adopted.

Though great the task of interesting the Societies in Mission Study, the Superintendent, Mrs. Mary Green, has wrought great things throughout the Association, more Mission Study Classes in the W. M. U., and even the Junior organizations have conducted many. A total of 63 classes were conducted with 492 women and Juniors studying and 217 received seals.

Report was adopted.

Mrs. W. R. Burrell, the Y. W. A. and G. A. Superintendent, showed she had done much work and by much persuasion had kept a better check on the Junior organization than ever before. She urged more consecration and consideration on the part of Junior leaders to report the work and push forward to enlist others.

Report was adopted.

The report of the Superintendent of R. A.'s and Sunbeams, Mrs. Martha Askew, was as follows: A plea for leaders to report, enlist, and that more women be willing to take hold and work with R. A. particularly.

Number of Sunbeam Bands reporting, 38.

Number of R. A. Bands reporting, 10.

15 Sunbeam Bands reported each quarter and only 4 R. A.'s reported quarterly. Three Sunbeam Bands reached Standard of Excellence, Ahoskie, Colerain and Hebron.

Report was adopted.

REPORT OF COUNTY PRESIDENTS.

Mrs. L. E. Daily, Bertie County President, reported advancement in amount of organized Personal Service, in Mission Study, even many secured Seals. The County Union supported two Bible women, gave two scholarships to girls at Chowan College. They have a Woman's Missionary Society in each church.

Mrs. R. B. Lineberry reported for Hertford county four meetings with good speakers and programs rendered; with an average attendance of 2-3 of membership present at each meeting. Three churches have all five organizations. A Chowan scholarship, a plea for more Junior organizations.

Miss Mazie Calvert, of Northampton county, reported special emphasis had been laid on Standard of Excellence. One Chowan Scholarship given one Training School scholarship, a Mission Study Library for the county.

Each County President reported work being done on Pearle Johnson fund.

Each of these reports adopted.,

The Nominating Committee was elected as follows: Mrs. W. S. Cowan, of Bertie County; Mrs. P. D. Sewell, Hertford county; Miss Mazie Calvert, Northampton county.

The committees on Time and Place, Obituary, Literature, and Resolutions were appointed.

Miss Judith Calvert of Jackson, brought a message in a lovely solo.

Our hearts were then made glad by our beloved State President, Mrs. W. N. Jones, of Raleigh, bringing to the Union a soul-stirring message on "Enlistment." Her introduction was a theme of gratification at West Chowan's progress and of North Carolina's progress. Only Texas and Virginia stand ahead of North Carolina in Southern Baptist Convention. Then she showed the need even yet of the whiten Harvest and few laborers. The Southern Baptist Convention have given 27 million in the past 40 years, North Carolina giving $3,000,000 of that largely through women sacrificing, yet enlistment of other women has not gripped the heart of W. M. U. workers like giving of dollars. She insisted that each Society must increase 10 per cent and bring in more Juniors. Ideals, she said must be above attainments and remember the W. M. U. workers are not dependent on self but always power of prayer. "Pray ye," she urged. If only we could realize that not Japan, Africa and China alone needed Christ but here among us is the need, we would work and pray more. She pleaded that each W. M. U. would take the year's motto more serious, "The Master has come and calleth for thee". Jesus called Mary because she needed the call and likewise He calls women today. It is a call of Love, of hands, heart, time, lips and self. Material progress is everywhere evident. Does the spiritual world equal it? "He

looked unto them and they were radiant." He calls each of you to a radiant life. for "The Master has come and calls for Thee."

Mr. R. B. Lineberry made an announcement inviting every one to dinner on ground and then dismissed the audience with prayer.

AFTERNOON SESSION.

The afternoon session was opened by singing, "Must Jesus Bear the Cross Alone?" Miss Una White presiding.

Miss Dorothy Long, of Severn, conducted the devotional exercises, using as a scripture, the 9th chapter of Matthew.

The minutes of the morning session were read and adopted.

Following this three 10-minute talks were given.

First, "Personal Service" by Mrs. W. J. Griffin. Personal work and its work in rural churches, proves there is a place in rural churches for it. She inspired and informed even those who live in the most remote rural section that though no jail or factories exist that there is Personal Service for wherever there are people, there are sick souls and bodies and aged that need ministering unto. Her motto was "Personal Service" means Presenting our Saviour.

Second, Mrs. N. H. Shepherd treated "Mission Study, How to organize and Conduct a Mission Study in Rural Church." No one was fitted better than she for the subject as she has successfully done this work. She gave ideas that fitted rural churches. She especially stressed Patience, Prayer, Determination and Enthusiasm. She said to make folks want to study missions the leader must really want to, and stressed the need of loyal support of this work from pastors.

Third, Baptist Periodicals and How to Use Them in Our Programs, was handled by one of our former Training School girls, Miss Foy Peele. She said as Baptists we should strictly line up with material that informs of Baptist work. Our work would be better organized by using systematic graded program given in our magazine. Our talks should be based on the magazines' articles—the suggested poster advertising would increase attendance. The daily Bible readings and Quiz would aid our knowledge of the Bible. Poems would add to program if memorized. Location and name of missionaries would familiarize us with our workers and work as would current events. Playlettes for the young folks would enliven their interest. And no training is as good for the children as the material in the Junior magazines.

A duet, "I Waited for the Lord," was beautifully given by Mrs. E. L. Gatling and Miss Pritchard, of Windsor.

Mrs. S. E. Ayers who has been in China for many years, inspired and thrilled the audience with her enthusiastic and spiritual address on China giving many stirring experiences of our missionares. She followed with impressive pictures of the people, land, customs, superstitions and religions. She said they are not the treacherous people we believe them but are kind. industrious and grateful though superstittious. Her plea was for missions

for them as they are a people that Christ died for and loved them as He loved us. Her closing message "What is your part in giving Christ to China." She urged clean lives on our part, for God does not ask for beautiful vessels but He does demand clean vessels, prayerful life and a whole surrender of the life.

Committee on Time and Place submitted the following:

CONSTITUTION

NAME

Article 1. This body shall be known as the North Carolina West Chowan Baptist Association.

MEMBERSHIP

Article 2. It shall be composed of messengers elected by the churches connected with this body, and all ordained ministers who are members or pastors of said churches, together with the officers of this Association, and chairmen of all standing committees. Each church of one hundred members and under shall be entitled to two messengers, and for each additional one hundred members, an additional messenger; provided, that no church shall have more than four messengers.

OBJECTS

Article 3. The objects shall be to devise and recommend measures for increasing the harmony, the intelligence and the spiritual power of the churches, and for developing and directing their energies, their resources and their gifts, in advancing the Redeemer's Kingdom in the earth.

POWERS AND PREROGATIVES

Article 4. The Association shall have no power to infringe upon the sovereignty or rights of the churches. It is neither an ecclesiastical nor legislative council, nor court of appeal. It may advise the churches and recommend measures of usefulness for their adoption, but can not bind them in any way. Yet, in view of the combined wisdom, piety and intelligence of the body, it may justly claim for itself, for its objects and for its recommendation the very highest consideration and regard.

Artcile 5. The Association may dissolve connection with any church that becomes heterodox in doctrine, or disorderly in practice, or that fails to represent itself, either by messenger or letter, more than two successive sessions, without sufficient reasons, or that treats with contempt its objects and requirements, or upon application of a church for dismission.

RIGHTS OF CHURCHES

Article 6. Each individual church shall hold and exercise all the functions of an independent church of Jesus Christ. As constituent members of this Association, the churches shall have right to advise, when desired, in case of difficulty, and suggest plans of usefulness to be adopted. It shall be the undisputed privilege of any church to withdraw its membership from this Association whenever it shall so elect.

DUTIES OF CHURCHES

Article 7. It shall be the duty of the churches to appoint as messengers, as far as practicable, their most capable members, to require their attendance, and to send by them a contribution to the Association fund to pay for printing the minutes and other necessary expenses.

Article 8. It shall be the duty of each church to send an annual letter to the Association, giving: (1) locality; (2) names of its pastor and clerk and their respective post offices; (3) the Sabbaths of regular service; (4) the church statistics, including the number baptized, received by letter, restored, dismissed, deceased, expelled and aggregate membership, male and female; (5) Sabbath School statistics; (6) amount contributed to benevolent objects and the Association fund; (7) names of messengers and alternates; (8) any other information deemed of special importance.

ORGANIZATION

Article 9. The officers of this Association shall be a Moderator, Vice-Moderator, Clerk, Treasurer, and Historian, who shall be elected at each annual session, from the members of the Association, and shall continue in

office until the next annual election, which election shall be the next order of business after the enrollment of messengers. As soon as the new officers shall have taken their seats, the body shall be declared organized and prepared for business.

Article 10. In order to conserve time and not interfere with the main work of the body, this Association will not consider any routine or miscellaneous business except at the close of the discussion of each general topic.

DUTIES OF OFFICERS

Article 11. It shall be the duty of the Moderator to open the meetings punctually at time appointed; to enforce the rules; to enforce order, and to exercise all the prerogatives of a presiding officer, according to the principles of parliamentary usage.

Article 12. It shall be the duty of the Vice-Moderator to discharge the duties of the Moderator in his absence.

Article 13. It shall be the duty of the Clerk to keep a faithful record of the proceedings of the body, and superintend the printing and distribution of same, and to keep on file the printed Minutes and other important documents belonging to the body. He may appoint an assistant when necessary. The Clerk shall receive for his services fifty dollars out of the Minute Fund.

Article 14. It shall be the duty of the Treasurer to receive and disburse the money contributed to the Minute Fund, as directed by the body, and make an annual report of the same.

Article 15. It shall be the duty of the Historian, who shall be elected at each annual meeting of the body, to prepare for publication in the Minutes an historical sketch of the church with which the Association meets, with obituaries, incidents, and other facts of the year that shall be preserved, and make report to the next Association.

Article 16. On the first day of the session there shall be appointed a committee of finance, committee on time, place and preacher, and a committee of one from each county to nominate representatives of Boards and to nominate an Executive Committee of nine members composed of two men and one woman from each of the counties.

Article 17. This Constitution may be altered at any annual session of the body by a vote of two-thirds of the members present.

RESOLUTIONS

Resolved (1) That no church shall be entitled to representation in this body unless in perfect accord with the Constitution thereof, that fact to be ascertained by a committee of five on credentials, appointed at each session of the body immediately after organization; (2) the report of this committee shall be the property of the Association just as any other report. (Adopted 1898).

Resolved (3) That henceforth this Association withdraw fellowship from any church that allows its members to engage in the manufacture and sale of intoxicating liquors as a beverage. (1891).

Resolved (4) That it is the sense of this Association that selling intoxicating liquors through a dispensary is a violation of the spirit and letter of the resolution of our Constitution. (1905).

RULES OF ORDER

1. The Association shall convene annually at the time and place of its own adjournment.
2. During each annual session it shall meet and adjourn from day to day at the hours fixed upon by the body.
3. All meetings of the Association shall be opened and closed with religious exercises.
4. A majority of the members present shall be a quorum for the transaction of business.

5. No member shall absent himself temporarily without leave of the Moderator, nor finally without leave of the body.

6. No member shall speak more than twice on the same subject without permission of the body.

7. No member shall be allowed to talk, stand up, read or move about the house during business, except to gain or impart information under consideration.

8. No committee shall be in session during the hour of business without permission from the body.

9. All questions of order not herein provided shall be decided by Mell's Parliamentary Practice.

REPORT ON FOREIGN MISSIONS

In obedience to the last great commission of our Master it is our one great desire to make disciples of all the nations. We may not be held chargeable if we fail in bringing the world to Christ, but surely the responsibility is upon us to take Christ to all the world. We joyfully anticipate the day, when the Gospel having been preached to all the nation, there shall be ushered in the fulfillment of that blessed hope, the second appearing of our Divine Lord.

The substance of this report is taken from an admirable summarization of the work of the Foreign Mission Board during the past year by Dr. T. B. Ray.

Perhaps the outstanding event in connection with the work of our Board during this period was the death of our Corresponding Secretary, Dr. James Franklin Love. He served in this capacity for 14 years, and passed to his reward on May 3, 1928. Invaluable service was rendered by him with his pen; by his conference with our missionaries on their respective fields and the encouragement given them; by his unswerving loyalty to that body of doctrine held by all Regular Baptist Churches, and by his indefatigable self-denying labors for the Kingdom in all its ramifications. Truly a great and a good man has fallen in Israel.

ENCOURAGING FEATURES

I can refer to the encouraging phases of our work abroad only in a fragmentary way:

The chaotic and ominous situation which prevailed in China a year ago has altered for the better; although not cleared altogether, the anti-foreign and anti-Christian sentiments have abated in no small degree. The Board has twenty-eight main stations where missionaries reside. Missionaries have returned and are living in twenty-four of these stations; occasional visits are made by missionaries to the remaining four. None of these stations are fully manned but that so many have returned is quite encouraging.

Our mission in Africa has increased greatly in the last few years. It now ranks third in the number of members of our churches. Last year it stood third in the number of baptisms. There is a great trend toward

the Gospel, which assumes the proportions of a mass movement, and our churches are alive with evangelical zeal.

The Latin American lands to the south of us are responding to the preaching of the Gospel in a splendid way. Brazil had 2,925 baptisms last year. The preaching of Dr. John R. Sampey in his two Brazilian tours won many to Christ even though compelled to give the message through an interpreter.

I think the following fact should be chronicled though we have not time for elaboration: On February 1, 1928, the Roumanian Government granted Baptists full liberty of teaching, and treatment on equal footing with all Roumanian citizens.

There are connected with our work abroad 1,275 churches, more than half are self-supporting and 959 own their own houses of worship. There were 12,542 baptisms last year; 457 more than the number reported the previous year.

THE DEBT

The debt on January 1, 1928, was $1,145,729. By May 1st it was reduced to $1,065,791.18. This shows a reduction during the period mentioned of $79,938.56.

The definite plan for the reduction of the debt is as follows:

1. Ten per cent will be taken monthly from the receipts of the Co-operative Program and applied to the debt.
2. Certain properties in the home and in the foerign lands, belonging to the board, which cannot be developed for the work of the board, will be sold.
3. Special gifts by friends for the reduction of the debt. Substantial sums have been received for this purpose. The appropriations for the present year have been made at such a low figure that the debt will not be further increased.

Brethren, character is revealed in the time of crises. At this crucial period in the work of all our denomination enterprises may God grant us the courage to quit ourselves like men.

Respectfully submitted,
C. C. COX, Chairman on Missions.

SUGGESTED ASSOCIATIONAL REPORT ON HOME MISSIONS

The Home Mission Board of the Southern Baptist Convention made its eighty-third annual report to the convention in Chattanooga last May. Notwithstanding serious falling off in receipts for several years past and necessary retrenchment in the work of the board, the year's work was most encouraging. The faithful sowing of former years brought a glorious harvest of souls won to Christ. The field of the Home Mission Board includes all the territory in the bounds of the Southern Baptist Convention with Western Cuba and the Canal Zone.

The board's work is done through the Departments of Co-operative Missions, Independent and Direct Missions, Evangelist, Mountain Mission Schools, Cuba and Panama, Church Extension and the Tuberculosis Sanatorium, El Paso, Texas. The executive secretary has general supervision of all the work and specially in charge of Co-operative Missions.

Co-operative Missions is that work done jointly by the Home Mission Board and various State Mission Boards. It has been the one great, unifying feature of our mission work and has meant much to the unity of Southern Baptists.

In the Department of Independent and Direct Missions, which is under the sole direction and support of the Home Mission Board, work is done among the Foreigners, Indians, Negroes, Deaf-Mutes, Soldiers and Seamen, with Rev. J. W. Beale, superintendent. The work has been wonderfully blessed during the past year. The same can be said of our Mountain Mission Schools under the direction of Rev. J. W. O'Hara, superintendent, and of the work in Cuba with Rev. M. N. McCall, superintendent, which

has been greatly blessed and is growing steadily stronger. The Department of Evangelism as a soul-winning agency has a record unsurpassed. Through the Church Extension Department, Rev. A. J. Barton, superintendent, the Home Mission Board makes loans to churches towards the erection of houses of worship at reasonable rate of interest and time. On request, the board will send free literature, such as tracts and leaflets, on different phases of the work.

Record of Ten Years: From the annual reports of the board it is learned that in the last ten years 89,300 converts were baptized and 111,015 added to the churches through the labors of our evangelists. We have had during that time 4,165 converts in our mountain schools, 4,146 graduates, and influences have been set in motion which will not cease until our Lord comes.

Ten years ago our Cuban Convention had 57 delegates and their total offerings were $4,065.21, with membership 1,919; in 1927 there were 108 delegates at the convention and their offerings for the year were $21,223.00, and the membership increased to 2,737. The native churches in Cuba during the ten years contributed something over $125,000. The spirit of Evangelism is reported strong.

A summary of the board's work for ten years shows the following results: Baptisms, 344,966; additions to the churches, 556,957; prayer meetings conducted, 175,088; churches constituted, 1,905; Sunday schools organized, 6,128; houses built, 4,184.

The Home Mission task was never greater and our opportunities never so inviting. The calls are many, and the future, if we are loyal to the Master, has great things in store for Southern Baptists through our great Home Mission agency. The challenge is tremendous but our forces and resources are well-nigh immeasurable and under the blessing of God must be brought under contribution to the salvation of the lost and the enlistment and development of the saved. May God lead us in this great task of making America Christian and through America saving the world for Christ!

STATE MISSIONS

Ninety-eight years have passed since the organization of the North Carolina Baptist State Convention. We have achieved great success in our effort to implant the principles of Jesus Christ upon the life of our State; but we have much territory yet to conquer.

We have at this good hour more than a half-million unsaved souls, above the years of accountability; surely we cannot be content so long as this state of affairs exist. We have 2,368 Baptist Churches in North Carolina, 634 of which did not report a single baptism last year. Surely there is an urgent need for a revival of religion in our churches.

The crying need as we see it, is that of enlistment. Hundreds of our churches throughout the State, and multiplied thousands of our members are not contributing one penny of that which the Lord has intrusted to them to the ongoing of His Kingdom. This condition is prevalent from the seashore to the mountain top, and wherever there is a lack of information concerning the will of the Master, and the needs of a sin-cursed world.

The industrial situation throughout Piedmont North Carolina is appalling. Into this section New England mills are moving bodily, and with their coming will also come the problems and perils that have blighted the religious life of the North and the East. Our State Mission Board must meet this situation at once or suffer irreparable loss. A number of towns in this section are already appealing to our board for help, but our hands are tied for the lack of funds.

Having taken a glimpse of our State Mission Task, now let us view in the next place our machinery and organization.

The General Board of Missions, of which Dr. Charles E. Maddry is

secretary, is the organized machinery or agency through which North Carolina Baptists are tackling their problems.

This General Board is divided into four department, viz: Missions, Education, Training Activities and Benevolence.

Notice first the Department of Mission. Walter M. Gilmore is secretary of this department. Through this department 134 churches are being aided this year in the paying of the salaries of 87 pastors. These men baptised into the fellowship of their churches last year 1,453, and received 1,266 by letter or otherwise.

Note again the W. M. U. Department. Mrs. W. N. Jones, president, while Mrs. Edna R. Harris is corresponding secretary. Their last report shows 4,947 active Missionary Societies of which 708 were organized during the past year. Their contributions for the past year for benevolence totalled $278,083, which was several thousand dollars more than the goal set. In addition to the office force there are four special field workers for the summer. Dorothy Kellum is the Young People's leader.

Let us notice again. The Sunday School Department. Perry Morgan is secretary; Gladys Beck, elementary secretary, and E. L. Morgan, field worker.

In addition to these there are four Associational and Sectorial Sunday School and B. Y. P. U. workers. The last report from this department shows 2,258 Baptist Sunday Schools in the State with a membership of 334,233, an increase of over 10,000 over the previous year.

Now let us take a look at our B. Y. P. U. Department. James A. Ivey, secretary; Winnie Rickett, Junior Intermediate secretary; Marguriet Harrison and Mary Francis Biggers are field workers. The last report gives 1928 B. Y. P. U. organizations with a membership of 44,344.

We want to call your attention in the next place to our Evangelistic Department. We now have three white evangelists, viz: J. M. Page, J. R. Cantrell and S. T. Hensley. These men have only been in the employment of the board for a comparatively short time and your committee does not have a report of their work. Our board also pays one-half of the salary of J. H. Moore, colored evangelist, who does work among the Negro Baptists of the State.

We also are doing a splendid work through our Student Activities. The board is co-operating in maintaining the following student workers, L. H. Tanscott, at Carolina; Yancey C. Elliott, North Carolina State; Cleo Mitchell, N. C. C. W., and Joyce Beamon, at Boone. The work of these student workers at these educational centers is to look after the religious interests of the well-nigh 2,000 or more young men and women who have gathered there from Baptists home.

Note again the Pastors' School. This school is conducted for ten days in June at Meredith College. Three hundred and twenty-five pastors with their wives were enrolled there last June.

The last agency is the Baptist Book Shop. Madge Alderman is manager. This department is doing a great work in distributing religious books and periodicals.

To carry on the work of State Missions, the board only asks for 23 per cent out of all undesignated funds.

E. C. ANDREWS.

REPORT ON WOMAN'S WORK

As we review the year's work of the Woman's Missionary Union of the West Chowan Association, we are not satisfied with our achievements, but grateful to God that through us He has allowed His work to prosper.

Throughout the Association each Missionary organization has grown in membership as well as financially. Twenty-five new societies have been organized and we trust that by the close of the year our goal for this Ruby

Anniversary year of thirty-four new organizations may be realized.

There has been an increase in the number of subscriptions to all our religious periodicals. A greater number of societies observed the weeks of prayer; reported more regularly to State officers and did more organized personal service.

The Missionary Societies of the Association are supporting Miss Pearle Johnson, a missionary in China, and are giving four scholarships to worthy girls at Chowan College. One county is giving a scholarship to the Louisville Training School and has a circulating mission library.

Each county has held their regular quarterly all-day meetings and in this way has kept the work constantly before the societies.

Our financial aim for the year was not reached and we feel that this was not because of a lack of funds so much as it is a need of renewed consecration of all that we possess—our time, our lives and our means.

Let us resolve that we will put first things first in our lives and conduct and God grant that we may put our watchword for the year into real, active service—"Enlarge—Spare Not—Lengthen—Strengthen." Isaiah 54.2.

Respectfully submitted,
MRS. E. C. BOONE.

On motion to adopt, Dr. Maddry was recognized and addressed the Association.

9. The hour having arrived for the annual sermon, R. M. Von Miller read the Scripture; D. P. Harris offered prayer, and Oscar Creech preached the sermon, using John 14:6, "I am the Way, the Truth and the Life," as a text.

10. Announcements by the Clerk as to posters and by the pastors as to dinner. Adjourned, benediction by D. Cale.

Afternoon Session

11. Song service directed by L. Sasser, prayer by A. Finch.

12. Program was changed to allow reading of report on education and address by Dr. F. P. Gaines, displacing apportionment committee and reports from convention.

13. Report on Education was read by J. I. Kendrick. Dr. Gaines was recognized, and addressed the Association on "Christian Education." Dr. Maddry made some timely remarks about the pressing need for funds for general work and for Centennial Fund.

CHRISTIAN EDUCATION

Education means development. This, to be complete, must be a development of the complete personality, the physical, mental and spiritual. Any education that neglects either of these is to that extent defective.

The education of the Hebrews was of this kind and their educational history began when all the people under Nehemiah and Ezra, accepted with solemn oaths the Law of Moses as the rule in their life.

To observe the written law, and not simply the verbal instruction of the priests, they must know it. This called for education, and in Christ's time the Hebrews were the best educated people in the world. Because of their knowledge of God's word they came to be known as "the people of the Book."

This was not a mere happen so, for the religion of Jesus presupposes education and His program demands it.

The New Testament came into being as the completion of God's revealed will. It is and will ever remain "the Christian's source book, his law of faith and practice."

Baptists, too, are a people of the Book, and because of our doctrine of individual competency and responsibility, as taught in the Book, we are under solemn obligation to read and interpret for ourselves.

The fathers of our Baptist State Convention were quick to see this and that to do so, in the most effective way, called for education.

It is distinctly to their credit that they set the meeting of this need of education, in the very forefront of their aims in the organization of the convention. Accordingly, in a short time Wake Forest College came into being.

It was then and there also that the purpose was formed for establishing in Raleigh a college for women. For some reason this purpose was delayed in being carried out until 1899, when Meredith College was born.

The other colleges in our educational program are the following with the date of the founding of each: Chowan College, in 1848; Mars Hill College, in 1859; Campbell College, in 1887; Wingate College, in 1895, and Boiling Springs, in 1905.

All seven of these have wrought well and deserve the liberal patronage of our people, both with their sons and daughters, and with their means.

The churches of this Association have just reason for having special interest in Chowan College because of its splendid contribution, by virtue of its location, toward the making of the citizenship of this section of the country, as also for the pleasing prospect that this good work will increase as time goes on.

The wisdom of the educational policy projected by our Baptist fathers at the organization of the Convention in 1830, is amply justified in the continued increase of our Baptist Churches in number and also in influence and efficiency.

We give renewed and hearty approval to the proposition to crown the first century of our denominational history by having already in the Lord's treasury, at its close, all of the proposed million and a half dollars for Christian Education.

With gratitude to God for the success thus far achieved in this holy enterprise, let us of this West Chowan Association, join hands afresh with every other association in the State, with the solemn determination to bring it to a glorious finish.

Thus shall we not only befittingly celebrate the centennial birthday of our Convention, but also give worthy expression of our gratitude to God for the sacrificial labors of our noble sires, and highest of all glorify our Saviour and Lord.

Respectfully submitted,
JAS. I. KENDRICK, N. W. BRITTON, Committee.

14. L. E. Dailey addressed the Association on "Foreign Missions." Report on Missions was adopted.

15. A. W. H. Jones conducted a devotional period, reading Sixteenth Psalm. Prayer by R. B. Lineberry.

16. D. P. Harris read the report on Social Service.

REPORT ON SOCIAL SERVICE

November 11, 1928, will mark the date when 43 years ago (1885) the first child was received at our Baptist Orphanage at Thomasville, N. C. From the very beginning this institution has had first and paramount place in the hearts and minds of North Carolina Baptists. It has always been measurably easy to raise funds for its support. The cry of parentless, homeless, and helpless children has been the one appeal to our sympathies and our prayers, as well as to our generosity. One of our regrets now is, that there is not sufficient room to care for hundreds of others who make application for admission to the Orphanage. We do, however, feel very grateful to our Heavenly Father that we have such an institution, and that we have been permitted to do even what has been done for unfortunate children within our State. And furthermore, we cannot think of a day that will ever come when our people will close their ears, and hearts, and hands to the needs of all such.

I am attaching hereto the Orphanage report as of April of this year. The report reads as follows, viz:

ORPHANAGE REPORT

This resembles a report on a home, only it is many times multiplied.

The last annual report gave 618 children present; of these 117 were at the Kennedy Home. With 68 mothers there were aided 282 children, making in all 900 children cared for.

On account of shortage of funds fewer were cared for by mother's aid than a year ago.

Some six or eight hundred were turned away for lack of room, and no more could be helped by mother's aid for lack of funds.

For 43 years this stream of children has been coming in and passing on out into life with added preparation for the struggle there. That they be fitted and fortified for real living is the matter of chief concern. Our infirmary with a trained nurse, and skilled physicians, who come at a moment's call, look after the health; our housekeeping, farm, dairy, printing office and other forms of industry, give skill to their hands; a standard school looks after their minds; and the religious life led by Pastor E. N. Gardner, also a teacher of the Bible, is not neglected.

There is a painful discrepancy between the number of pressing applications for help and the contributions coming in. So far we are not as badly in debt as we were a year ago at this time, but contributions are far below our expenditures.

Again every Baptist Sunday School is asked to make a contribution once a month. In some schools single classes support a child. Remember the Thanksgiving offering measured by one's day's work or income as an expression of gratitude and thus enable the Orphanage to do its work. We would encourage a club of Charity and Children in every school, 60 cents a copy in clubs of ten or more to one address. It is one dollar to a single subscriber. We ask that a special Orphanage representative be appointed to aid the institution in keeping in touch with the Sunday School.

OUR BAPTIST HOSPITAL

In the few brief years of its history our Baptist Hospital at Winston-Salem has grown from small beginnings to be one of the leading Baptist hospitals in the South. Almost 10,000 patients have received treatment since it opened its doors. This institution was established primarily to care for those who could not care for themselves. Its management, its nurses, its doctors, are of the very highest type of cultured, refined, Christian men and women, who are untiring in their efforts to serve both the

individual and the hospital to the best of their ability. Its location for health and ease of accessibility could hardly be improved upon. Last year the death rate was only 14½ per thousand. This is lower than any other hospital reporting to the Duke Endowment.

Some may argue that it is too far for those of us in this Association to patronize. And we must admit that there is something in the argument, but we must remember that we cannot be selfish in this matter, must not look upon our own things, but upon those of another, and do what we can to maintain the hospital for the sake of many who have to go there because unable to pay their own bills at home or abroad.

The demands for charity this year have been much larger than before. Yet the hospital has received about $4,000.00 less for charity work than it did last year. There is the prospect of 600 charity patients this year, and this will mean an expenditure of about $35,000.00. You can plainly see that the Mothers' Day contribution, which is around $12,000.00, is not enough to meet this, and that the deficit must be made up out of other funds which may come to the hospital, and which are needed to pay off its obligations in other directions.

The nurses home has been built, and at the beginning of the year was carrying a debt of $14,000.00. The Duke Endowment agreed to pay $5,000.00 of this amount, provided the hospital would pay off the entire debt this year. Last year the hospital had to pay out of its funds the sum of $7,000.00 to complete the charity funds from the churches. This amount should have been applied to its debt.

The management suggests the following which we recommend:

1. That we urge all our people to carry their pay patients there when possible and give the hospital the advantage of this increased revenue.

2. That churches sending charity patients will either themselves pay the sum of $1.50 a day, or get the family and community to join them in raising this much that the hospital may be helped to tide over this emergency. This will mean a very little for the church or community but when 500 churches do this, it means a great deal for the hospital. The hospital must take those who need to come and by dividing the burden with the churches, it can do so. If the churches fail to do this, then the hospital will be compelled to turn all charity down after the money appropriated has been all spent.

3. Pray for the hospital, talk about it in your church and Sunday school and in every way encourage our people to support the great institution dedicated to the business of relieving suffering and saving life.

4. Remember to put on the program and take an offering for this great work on Mothers' Day, or some other day, in the Sunday school for the care of those who are suffering and have no money.

Do all this for Jesus' sake and for the sake of our brother for whom our Master died.

MINISTERS RELIEF AND ANNUITY

The work of ministerial relief is carried on through the Relief and Annuity Board, located in Dallas, Texas. During the 10 years of its existence it distributed $1,136,476.48 to its beneficiaries. At this time there are 1,053 ministers and widows on the roll, besides 150 orphan children who are being cared for. The total sum paid to its beneficiaries last year was $118,520.47. In addition to the regular receipts through the co-operative program, the board receives as interest from its endowment and reserve funds the sum of $543,000.00. Southern Baptists are now seeking to increase the relief fund to $1,000,000.00.

The Annuity Department is sustained in three ways.

1. By the regular payment of ministers and missionaries who hold certificates of membership.

2. By the interest earnings on the endowment and reserve.

3. By a portion of the funds contributed through the co-operative program.

Southern Baptists are looking forward to the day when they can provide for their ministers and for the widows and orphans of ministers in a worthy way. A greater Annuity plan has been worked out, and it is hoped to have this in operation by 1930 or 1931. This plan has been approved by the S. B. C.

The ministers are asked to pay 2½% of their salaries, and the churches are asked to pay 8%. Thus every Southern Baptist minister can face the future and old age, or previous incapacity, without undue anxiety.

There has for many years been in our churches a growing feeling that some such provision should be made for the ministers who have spent their time and strength, and their all in faithful services to the churches which they have served. These men have lived on salaries all too small. They have been shut out of all opportunities for making and saving money. Their sacrificial spirit is unsurpassed; and the best thinking people of our denomination have come to the point where they are unwilling that such faithful men of God, who have ministered to them at all times and under all circumstances, should at last be neglected in any way. They have therefore put their heads and hearts together to make provision for their needs in old age or earlier inability.

LAW OBSERVANCE AND THE EIGHTEENTH AMENDMENT

For eight years now we have had national prohibition. On the one side we have observed the benefits of prohibition as they gradually piled up. It is not within the limits of this report to undertake to name them. But on the other hand we find the liquor forces and opponents of this law making every effort to discredit it, and even to undo it, and if possible to have it either removed from the Constitution of the United States or so modified and changed as to make it ineffective and useless. We know that enforcement has been far from perfect. We had not expected it would be perfect. No law has ever been perfectly enforced. If laws could be perfectly enforced, we would not need them. But the friends of humanity and of righteousness must never slacken their efforts until unfaithful office holders who have proven recreant to their tasks shall have been put down and out. Many changes are already taking place that furnish us ground for hoping for better enforcement of the prohibition laws. A reorganization bill has been passed by Congress which puts prohibition agents under civil service as one of its important provisions. The purpose of this law is to take the selection of prohibition agents out of the reach of scheming and trading politicians. We are now passing through a condition of serious concern, requiring sober judgment, and great wisdom and courageous action. To find and pursue the wise course is difficult, but we are not foolish, nor are we fanatical, but a sober minded people, determining to do the right thing as God shall give us wisdom. As an Association, and as Southern Baptists, we will stand for truth and morality, for sobriety and for righteousness.

Your committee would most heartily recommend that our people stand loyally by the work of the Anti-Saloon League and by the W. C. T. U.

SABBATH OBSERVANCE

What are we doing with our Sabbath days? It is a source of great grief and anxiety when we observe what many of even our church members are doing with their Sabbath days. So many are spending this day of worship out on the highways, with apparently no thought or concern as to the proper use of the day and its privileges. To them it has become a day for mere pleasure seeking for pleasure's sake. The Sabbath was made for man, but not for his abuse. God on his Sabbath gave himself exclusively to Sabbath work—salvation. There are no rules in the New Testament governing the observance of the Sabbath. It had its origin in the instinctive yearning to commemorate the new creation instead of the old;

the beginning of the spiritual life instead of the natural; the birth of the new man instead of the old; of the eternal instead of the mortal. The redeemed of God will observe this day with special delight, for it is the commemoration of the resurrection, and the resurrection is to the ransomed man his present happiness and his eternal hope. We would insist that this day be used not so much as a day of rest, but of delightful work—rest from toil, but freedom to work. Let us rejoice in the scripture declaration that the Sabbath is an anticipation of Heaven, whose inhabitants rest from their labors, but their works follow with them. All labor comes from sin; work is divine. God works, but never labors. Let us observe the day as God has intended. Then at last we shall stand with grateful and glad hearts overflowing, and shall say, "Here am I and the children Thou hast given me."

Very respectfully submitted,
D. P. HARRIS.

On motion to adopt, E. N. Gardner was recognized, who spoke on the work of the Orphanage at Thomasville.

17. After announcements and assignments of homes the association adjourned till tomorrow morning at 10 o'clock.

SECOND DAY
Wednesday, October 31st

18. Song service conducted by A. Finch, prayer by C. M. Billings.

19. In absence of the Moderator, C. M. Billings was called to the chair. R. B. Lineberry, associational delegate to last State Convention, gave report of that meeting. Dr. Burrell, by request, gave report of Baptist World Alliance.

20. There being no further discussion of Social Service the report was adopted.

21. On motion of C. M. Billings a committee was appointed to draft resolutions in reference to attitude to the Home Board situation. Moderator appointed C. M. Billings, W. R. Burrell and J. I. Kendrick.

22. On motion to adopt the report on Education, read yesterday by J. I. Kendrick, there was further discussion by Dr. W. B. Edwards on the work of Chowan College. Report was adopted.

23. Oscar Creech, director of the Centennial Campaign, read the following report:

REPORT ON THE CENTENNIAL CAMPAIGN IN THE WEST CHOWAN ASSOCIATION

Last October at the annual meeting in Aulnader, Dr. Chas. E. Maddry presented the Centennial Campaign. It was a great appeal for our Baptist schools. It was then voted to put on the campaign in this Association. A director was appointed and the goal of $50,000.00 set to be raised.

Work was begun immediately. The general plan of organization for

the State was followed in this Association. It was expected that the campaign would close in two months, but because of unfavorable weather in December it was neecssary to continue the work until the middle of February.

To begin with there were many difficulties to be met, but with the splendid co-operation of the pastors the cause steadily grew in favor as the campaign advanced. It could hardly be expected that the full quota would be reached in view of the Chowan Crusade which closed just six months before with this Association pledging $39,425.

The following facts concerning the campaign in this Association:

Amounts raised in cash and pledges ---------- $25,163.12
Number churches contributing, 52 out of 58.
Number subscribing ---------- 1,294
Total subscribed to the Chowan Crusade and the Centennial Campaign ---------- $64,581.12

The memorial gifts are as follows:

31. Historian read his report, which was adopted as follows:

HISTORICAL REPORT

We wish to record, in the beginning of this report, our profound gratitude to our Heavenly Father for the blessings vouchsafed to us in this good year, 1928.

While storms and floods have swept over vast areas of our country, resulting in the loss of multiplied millions of dollars in property and thousands of lives; leaving homeless tens of thousands of families; we have escaped any and all such distresses and our people are coming to the close of the year in about as good shape as usual. There is not a full crop of cotton, but prices are more encouraging than last year; tobacco is bringing satisfactory prices and there is a splendid crop of peanuts. Considering everything, our people have much for which to be profoundly thankful, and which should impell us to render unto God the portion of goods which rightly belong to Him.

As compared with last year we note a falling off in Sunday School enrollment and also in B. Y. P. U. enrollment. We have in round numbers 5,000 fewer enrolled in our Sunday Schools than we have members of the churches. This fact, no doubt, accounts for the small number of standard Sunday Schools within our bounds—only eight in number.

We have enrolled in our B. Y. P. U.s 2,000 fewer members than we had last year. This falling off is due to a waning interest on the part of the Intermediate and Senior Departments. The Juniors are holding their own and most of the Standard Unions are of the Junior age. Our contributions for the year show a small increase over last year.

We rejoice to note the improvement of home equipment. Rich Square has put a new roof on their house of worship and painted it outside and inside at a cost of $850.00. Menola has repainted their building at a cost of $400.00. Buckhorne has painted their building on the outside at a cost of $150.00. The new building at Galatia, where Bro. D. Cale has been pastor for 36 years, was recently built at a cost of $8,000.00, all of which has been paid, except $2,000.00 which amount is to be paid off at an early date.

Since last Association, Severn has reduced their debt $3,000.00, leaving only $3,000.00 balance. Capehart has perhaps the best wood building in the Association. They will remove the last of their debt and dedicate their splendid Sunday School plant on the second Sunday in November. Oak Grove is getting ready for an early start on remodeling their building at a cost of approximately $3,500.00 Winton has re-covered their building at a cost of $500.00. Potecasi has their new brick veneer building enclosed. They have already spent about $9,000.00 on it and it will take as much more to complete it. It will be a beautiful and convenient building when finished.

Ahoskie is building the most commodious and expensive house of worship ever undertaken within the bounds of this Association. The building

is already enclosed at an outlay so far of $34,000.00. It is the purpose of Pastor Creech and his plucky people to finish the Sunday school building and basement as early as possible, move in, and complete the great auditorium at some later time.

Since our last meeting several pastoral changes have taken place. Bro. J. P. Essex, after a faithful ministry of seven years, resigned the Jackson field and moved to Parksley, Va. Bro. N. H. Shepherd resigned Ashley's Grove, St. John's and Sandy Run and moved to Keller, Va. Ashley's Grove has called Bro. L. E. Dailey; St. John's has called Bro. J. L. Powers, and Sandy Run has called Bro. Carl E. Gaddy. Jackson, Mt. Carmel and Roanoke have no pastor as yet.

C. M. Billings resigned at Potecasi and Bro. Von Miller was called. Bro. Poole resigned at Askewville, and Dr. C. C. Cox was called to that church.

At this point we record with keen regret, kin to a sorrow, that, after five years of faithful and fruitful service, Bro. Alonzo Finch has felt impelled to resign the field composed of Ross, Capehart, Green's Cross Roads and River Side. Bro Finch is one of the Lord's anointed, and all pray God's blessings upon him and his noble family. Bro. Bryant, so well known and loved in this Association, has accepted that field and will enter upon his duties January 1, 1929.

After doing a monumental work at Aulander, extending over a period of five years, during which time their present magnificent house of worship was built at a cost of more than $50,000.00, Bro. J. Fred Stimson relinquished the work and Bro. Lonnie Sasser was called and has taken charge with a strong hand, and the work has started off under his guidance with great satisfaction to both pastor and church.

Gracious meetings have been conducted in practically all the churches and many have been received both by way of restoration and baptism.

The death list this year is large, but since their names will appear elsewhere in the minutes, I need not record them here, except to note that among the many who have past from us we find the names of several faithful deacons: Deacon J. H. S. Britt, of Roberts Chapel, much beloved by his pastor and church; Deacon J. L. Story, Mount Tabor; Deacon R. T. Barnes, of Buckhorn, a fine Christian gentleman; Deacon W. A. Perry, of Bethlehem, a faithful servant of God, and probably others whose names we failed to get. This whole section was shocked on account of the sudden and untimely death of young Dr. Edward Boone, member of Rich Square Church. He was one of the very finest Christian characters produced in Northampton County and was greatly loved by all who knew him.

On December 19, 1927, after long and patient suffering, Sister D. P. Harris went to her reward, leaving behind a good report of a life spent in fruitful and faithful service.

C. M. BILLINGS.

HISTORY OF ASHLEY'S GROVE CHURCH

Ashley's Grove Church was founded in 1909, with a membership of about 70 in numerical strength. During these 19 years the church has made rapid gains, numbering now 268 members.

The church has had five pastors in all. Rev. D. Cale was the first, who has been followed by Rev. J. P. Bennett, Rev. H. G. Bryant, Rev. N. H. Shepherd and Rev. L. E. Dailey. The last named is the present pastor.

The church today is in a very prosperous condition and bids fair to have a great future. For some time they have been maintaining a Senior, Intermediate and Junior B. Y. P. U. on a standard basis.

The Sunday School has recently returned to the standard list. The Sunday School has an enrollment of 208 with an average attendance of around 180. We wish this church to continue its upward climb.

MINUTES OF THE WOMAN'S MISSIONARY UNION
WEST CHOWAN ASSOCIATION

Meherrin Church, Murfreesboro, July 25, 1923

On July 25th the thirty-fourth annual Missionary Union of the West Chowan Association met at Meherrin Church. Miss Una White, associational superintendent, presiding.

Following the opening hymn, "Publish Glad Tidings," Mrs. E. B. Vaughan led the devotional, using Den. 6-6:9, Den. 11-18:21 as a scripture lesson. Her lesson showed the need of more religious training in the home. Mrs. R. B. Lineberry led in prayer. Miss Nancy Parker pled for old-fashioned home training through a most impressive song.

Mrs. R. H. Underwood most hospitably welcomed the Union, and Mrs. L. A. Perry, of Colerain, responded in behalf of the Union.

A most earnest prayer was offered by Mrs. R. L. Bolton for the protection and care of our beloved missionary, Miss Pearl Johnson.

The chair then recognized the following visitors: Mrs. W. N. Jones, Raleigh, State W. M. U. president; Miss Ida Patterson, Shanghai, China, missionary; the new pastors of the Association, and their wives.

The report of officers followed. Miss Una White, superintendent, gave a report of outstanding items. An increase in subscriptions to all church literature; a total of 1,018 subscriptions.

Republican leading in Home and Foreign Field----------43
Meherrin and Seaboard leading in Royal Service----------18
Ahoskie and Conway leading in Biblical Recorder-------50

The enlistment showed a great increase. The report plead for Tithers, which could be brought about only by prayerful study of stewardship and sacrificial love gifts. The aim for the year is 500 Tithers.

The past year's financial aim was $16,000, while the total paid in was $13,462.18.

STATISTICAL REPORT

Letters written, 311; postals, 85; miles traveled, 698; meetings conducted, 2; societies visited, 2. Attended 1 State meeting, 1 associational meeting other than West Chowan, 3 county meetings, 1 divisional meeting.

The report closed with a plea to go forward with the watchword of the year: Enlarge—Spare Not—Lengthen—Strenghten—and pray that this may help to meet the Ruby Anniversary Aim in the name of the Master. Report adopted.

Due to the absence of Mrs. W. R. Burrell, Young People's leader, her report of splendid work was given by Miss White. Report adopted.

Mrs. W. D. Boone, Junior superintendent, gave an unusually good report. Her work showed an increase in number of organizations and in the standard of work, having Jackson, Seaboard and Colerain Sunbeams on the A-1 Standard, and Aulander and Severn R. A. Bands on A-1 Standard. She begged for more live consecrated leaders and that reports be sent at proper time. Report adopted.

The report of Secretary and Treasurer was postponed until afternoon.

The Mission Study Superintendent being unable to attend, had her report read. She suggested as part of each society's program to study a Foreign Mission Book in January and a Home Mission book in March. She urged a more consecrated fostering of Junior Mission study, and suggested Mission study for men. By the great emphasis she has placed on Mission study, the Union has gone forward in this important phase of the work, for as her report states, Mission zeal can only be changed by continuous prayerful Mission study. Report adopted.

Personal Service report by Mrs. G. T. Underwood, superintendent, brought us nearer to a realization of this great organized activity: The W. M. S. and even the Junior organizations carrying out a program which was committed to all Christians at all times. She reported that many were engaging in this Christian service who did not report. Report adopted.

REPORT OF COUNTY PRESIDENTS

Mrs. J. I. Kendrick, of Bertie, gave a report showing that Bertie was actively in each activity of the Mission work. Reported $200 given for two

Chowan scholarships, $60 given for Bible woman. Four county meetings were conducted and largely attended.

Mrs. E. C. Boone, of Northampton reported the fostering of a circulating library, one Chowan scholarship, one training school scholarship, five W. M. S. on Standard of Excellence, four meetings conducted for the year.

Mrs. R. B. Lineberry's report for Hertford County showed four inspirational meetings held, using uniform programs planned by the three county presidents. Each meeting was an inspiration to the group attending.

The congregation sang, "Must Jesus Bear the Cross Alone?" Miss Ida Patterson, of Shanghai, China, then delighted and informed the congregation with a soul stirring address on "Importance of Christian Education in China." She stated if one could only realize the difficulty in securing the Chinese's interest, one could realize that Personal Service was with faith and prayer, the essentials of even slow success. She told of many of her methods of conducting the school and trying to convert Chinese students by personal contact, through daily touch in athletic activities. She used the Bible as a text book, proving that each subject necessary for them could be taught in the Bible, except Math. She gave many striking instances of personal contact and inspired the congregation with earnestness and happiness over her work.

Roll was called and recorded as follows:

Number of Missionary Societies represented, 41; number Y. W. A. Auxiliaries represented, 7; number G. A. Bands represented, 4; number of R. A. Bands represented, 6; number of Sunbeam Bands represented, 14.

Appointment of committees followed:

Obituaries: Mrs. Clarence Askew, Lewiston; Mrs. G. T. Underwood, Murfreesboro.

Nominating: Bertie, Mrs. Herbert Jenkins, Aulander; Northampton, Mrs. Mary Lassiter, Rich Square; Hertford, Mrs. Oscar Creech, Ahoskie.

Mr. Townsend cordially invited the congregation to remain seated in the church due to rain, and said dinner would be served to each one. The congregation was dismissed by Mr. Price.

AFTERNOON SESSION

The afternoon session opened by singing "Come Thou Almighty King." Miss Margaret Lassiter, of Rich Square, conducted the devotional, basing her talk on Romans 6:12, showing the necessity and opportunity for each of us to be more Missionary each day. A most interesting and instructive Young People's conference was then conducted by Miss Leona Harris. She used the method of asking and answering questions. She informed many societies on questions that had not been clear. Mrs. J. T. Rhodes, of Winton, delighted all with a vocal solo.

Mrs. W. N. Jones, of Raleigh, our beloved State president, brought a message and greetings from the World Alliance, of Toronto, she having just returned from there. She said she was benefited and impressed not only by the great program, but first by the law enforcement of the city and the strict Sabbath observance, second class distinction and third the bigness of the great mass of people from all the world there with one purpose of heart. She then delivered a message on the "Ruby Anniversary." She said the Ruby Anniversary is one of the ways to hasten the winning of souls. She explained the three fold aim of the anniversary: Forty per cent increase in finances, 40,000 new members and the carrying out of the year's motto, "Enlarge, Spare Not, Lenghten, and Strenghten."

The following report was made by the Obituary Committee:

"Blessed are the dead which die in the Lord from henceforth, saith the Spirit, that they may rest from their labors; and their works do follow them." Whereas, we bow with submission to the will of our Master in the death of the following sisters:

The West Chowan Associational B. Y. P. U. met with Conway Baptist Church, at Conway, August 22 and 23, 1928. On Wednesday evening, August 22, the meeting opened with a song service, after which Miss Audrey Hoggard, of Lewiston, led the devotional. Announcements were made concerning the homes for the delegates and various committees were appointed. The sermon of the evening was delivered by Rev. R. D. Stephenson, of Franklin, Va.

Thursday morning the president called the house to order at 10 o'clock and the song service was held. Mr. Owen White,

of Powellsville, led the devotional, and was followed by an especially good talk on "The B. Y. P. U.'s Place in My Life and Your Life," by Miss Marguerite Harrison, our State worker. At 11 o'clock the Instruction, Missionary, Program and Membership Committees met and were led by Misses Leona Harris, of Seaboard; Mabel Claire Hoggard, of Ahoskie, and Marguerite Harrison. At 11:30 o'clock we reassembled in the auditorium and Yancey C. Elliott, of Raleigh, delivered the address. Adjournment was at 12:15 o'clock.

Again, at 2 o'clock, a song service was held and devotional led by Miss Bettie Walter Jenkins, of Murfreesboro. Mr. C. F. Gore, who is president of the Eastern North Carolina B. Y. P. U.'s, made a talk and then President C. G. Maddrey gave his report.

As the secretary, Mrs. Bill Holland, of Franklin, was absent, Miss Janie Vick, of Conway, took her place. The roll was called and it was found that 65 B. Y. P. U. members were present; 61 church members not in the B. Y. P. U., and 20 visitors, making a total of 146 present. New officers were elected for the next yar.

Name

Article 1. This body shall be known as the North Carolina West Chowan Baptist Association.

Membership

Article 2. It shall be composed of messengers elected by the churches connected with this body, and all ordained ministers who are members or pastors of said churches, together with the officers of this Association, and chairmen of all standing committees. Each church of one hundred members and under shall be entitled to two messengers, and for each additional one hundred members, an additional messenger; provided, that no church shall have more than four messengers.

Objects

Article 3. The objects shall be to devise and recommend measures for increasing the harmony, the intelligence and the spiritual power of the churches, and for developing and directing their energies, their resources and their gifts, in advancing the Redeemer's Kingdom on the earth.

Powers and Prerogatives

Article 4. The Association shall have no power to infringe upon the sovereignty or rights of the churches. It is neither an ecclesiastical nor legislative council, nor court of appeal. It may advise the churches and recommend measures of usefulness for their adoption, but can not bind them in any way. Yet, in view of the combined wisdom, piety and intelligence of the body, it may justly claim for itself, for its objects and for its recommendation the very highest consideration and regard.

Article 5. The Association may dissolve connection with any church that becomes heterodox in doctrine, or disorderly in practice, or that fails to represent itself, either by messenger or letter, more than two successive sessions, without sufficient reasons, or that treats with contempt its objects and requirements, or upon application of a church for dismission.

Rights of Churches

Article 6. Each individual church shall hold and exercise all the functions of an independent church of Jesus Christ. As constituent members of this Association, the churches shall have right to advise, when desired, in case of difficulty, and suggest plans of usefulness to be adopted. It shall be the undisputed privilege of any church to withdraw its membership from this Association whenever it shall so elect.

Duties of Churches

Article 7. It shall be the duty of the churches to appoint as messengers, as far as practicable, their most capable members, to require their attendance, and to send by them a contribution to the Association fund to pay for printing the Minutes and other necessary expenses.

Article 8. It shall be the duty of each church to send an annual letter to the Association, giving: (1) locality; (2) names of its pastor and clerk and their respective post offices; (3) the Sabbaths of regular service; (4) the church statistics, including the number baptized, received by letter, restored, dismissed, deceased, expelled and aggregate membership, male and female; (5) Sabbath School statistics; (6) amount contributed to benevolent objects and the Association fund; (7) names of messengers and alternates; (8) any other information deemed of special importance.

Organization

Article 9. The officers of this Association shall be a Moderator, Vice-Moderator, Clerk, Treasurer and Historian, who shall be elected at each annual session, from the members of the Association, and shall continue in office until the next annual election, which election shall be the next order of business after the enrollment of messengers. As soon as the new officers shall have taken their seats, the body shall be declared organized and prepared for business.

Article 10. In order to conserve time and not interfere with the main work of the body, this Association will not consider any routine or miscellaneous business except at the close of the discussion of each general topic.

Duties of Officers

Article 11. It shall be the duty of the Moderator to open the meetings punctually at time appointed; to enforce the rules; to enforce order, and to exercise all the prerogatives of a presiding officer, according to the principles of parliamentary usage.

Article 12. It shall be the duty of the Vice-Moderator to discharge the duties of the Moderator in his absence.

Article 13. It shall be the duty of the Clerk to keep a faithful record of the proceedings of the body, and superintend the printing and distribution of same, and to keep on file the printed Minutes and other important documents belonging to the body. He may appoint an assistant when necessary. The Clerk shall receive for his services fifty dollars out of the Minute Fund.

Article 14. It shall be the duty of the Treasurer to receive and disburse the money contributed to the Minute Fund, as directed by the body, and make an annual report of the same.

Article 15. It shall be the duty of the Historian, who shall be elected at each annual meeting of the body, to prepare for publication in the Minutes an historical sketch of the church with which the Association meets, with obituaries, incidents, and other facts of the year that shall be preserved, and make report to the next Association.

Article 16. Article 17. This Constitution may be altered at any annual session of the body by a vote of two-thirds of the members present.

Resolutions

Resolved (1) That no church shall be entitled to representation in this body unless in perfect accord with the Constitution thereof, that fact to be ascertained by a committee of five on credentials, appointed at each session of the body immediately after organization; (2) the report of this committee shall be the property of the Association just as any other report. (Adopted 1898).

Resolved (3) That henceforth this Association withdraw fellowship from any church that allows its members to engage in the manufacturer and sale of intoxicating liquors as a beverage. (1891).

Resolved (4) That it is the sense of this Association that selling intoxicating liquors through a dispensary is a violation of the spirit and letter of the resolution of our Constitution. (1905).

2. During each annual session it shall meet and adjourn from day to day at the hours fixed upon by the body.

REPORT ON FOREIGN MISSIONS

Some Baptists of Boston and other sections of the North from the beginning of the 19th century took a deep interest in the missionary work of William Gary, the English missionary, and contributed liberally to its support. The conversion to Baptist views of Adoniram Judson and Luther Rice in 1812 marks an epoch in American Baptist history. Judson appeal-

ed to his American brethren to support him in his missionary work among the heathen. So in January, 1813, there was formed in Boston "The Baptist Society for the Propagation of the Gospel in India and Other Foreign Parts." Other societies in the Eastern, Middle and Southern States speedily followed. (The North Carolina Convention was organized in 1830).

The desirability of a national organization soon became manifest and in May, 1814, thirty-three delegates representing eleven States met in Philadelphia and organized the "General Missionary Convention of the Baptist Denomination in the U. S. of America for Foreign Missions."

This brief history shows that Baptists of America have been doing Foreign Mission work a little more than a century. Largely these have been years of planting. Churches, Christian schools, and hospitals have been planted here and there throughout our mission fields. The natives are rallying in a worthy way to the support of all these. Under the providence of the Lord it looks as if Southern Baptists in their Foreign Mission work stand in the beginning of a great harvest.

In all quarters of the earth there are arising most challenging situations. Of all our mission fields it can be said that the harvest is ripe but the laborers are few. Never in all history have such hosts of men been so susceptible to new impressions.

Surely the harvest is as important as the planting. It is not time for interest to wane and contributions to fall off. The greatest discouragement in our Foreign work today is the lack of support here in the homeland. In this Association last year the average amount per member to all missions, benevolences and education was only $3.45 and of this amount 47 cents went to Foreign Missions. (We spent $7.72 per member for home purposes). Southern Baptists have every encouragement necessary for doing Foreign Mission work. Therefore, let us lay aside every weight that doth beset us and run with patience the race of taking the good news and glad tidings of Jesus and His love to all the peoples of the earth.

Respectfully submitted,

OSCAR CREECH, Chairman Mission Committee.

Oct. 29, 1929.

REPORT ON HOME MISSIONS

The great and deplorable misfortune which befell the Home Board and its work about one year ago is too well known among our people to need discussion in this report. It is sufficient to say that Southern Baptists will not allow the treachery of one man to cause them to default in their stewartship or to lessen their interest in the Kingdom of Christ, either in their own homeland or the regions beyond.

While the year just passed has recorded the greatest calamity that ever befell the Home Mission Board or any other of our Baptist agencies, it has also recorded the greatest and most generous gift ever made to the Home Mission Board or to any other Southern Baptist Mission enterprise.

Mrs. George W. Bottoms, of Texarkana, Ark., adding to a gift of $100,000 made by her and Mr. Bottoms in his lifetime, has just rounded out a gift which at the lowest estimate will amount to one-half million dollars for the erection and maintenance of our school in Havana, Cuba. More and more, Havana will be both a great commercial, intellectual and religious capital of Latin America, and this school will stand as a great and shining light whose rays will reach everyone of the Latin American people and will be the means of winning multiplied thousands to the saving knowledge of the grace of God.

The response of our people made on Baptist Honor Day on which was contributed about $450,000 for the relief of the Board enabled the Board to close a remarkable good and successful year and to face the future with enlarging prospects and hopes.

At the session of the Southern Baptist Convention, at Memphis, Tenn., the Board was constituted of an almost entirely new personnel. This was not done through a lack of confidence in the brethren who have served on

the Board for many years, but at their request. The new Board recently elected as Executive Secretary-Treasurer, Rev. J. B. Lawrence, D. D., of Kansas City, Missouri. Dr. Lawrence has accepted and entered upon the duties of his office. The several departments of the work are under the supervision of the following superintendents: Department of Church Extension, Dr. A. J. Barton; Department of Direct and Independent Missions, Dr. J. W. Beagle; Department of Mountain Schools and Missions, Dr. J. W. O'Hara; Cuban Work, Dr. M. N. McCall.

We do not burden this report with figures or statistics. As just said, the past convention year, in spite of all difficulties, has been a good year, with large achievements and with brightening outlook for the work of the Lord. We therefore as your committee recommend that as an Association we pledge to the Home Mission Board and its several great enterprises our continued united and hearty united and hearty support.

Respectfully submitted,

R. M. VON MILLER, for the Committee.

REPORT ON STATE MISSIONS

During the past century of their organized life North Carolina Baptists have wrought well and the smile of God's approval has been upon them. They have grown from a weak struggling band of a few thousand to nearly 400,000; they have gone from extreme poverty to comparative riches; and from almost no facilities for training their leadership to seven colleges in this State and through Southwide institutions.

And yet our task of making North Carolina great Baptist Commonwealth is far from being complete. Reliable statistics reveal the fact that more than one-half of all the people in North Carolina are not yet even nominal Christians. In other words, there are considerable more than a million people in this good State who do not claim Jesus Christ as Saviour and Lord and King.

Since about 48 members out of every 100 in this State are Baptists, that fact places a tremendous responsibility on us to be faithful and diligent in evangelizing this great multitude that is looking to us for religious influence and guidance.

Our General Board is seeking to solve the mission problem in North Carolina through its 83 missionary pastors that are serving 165 churches, many of which could not have adequate pastoral service but for the timely aid of our board. Approximately $32,000 of the $89,000 budget for State Mission was appropriated to this phase of the work this year.

The board is still further attacking its mission problem in this State through its evangelistic staff of three men; through its Sunday School Department with three regular field workers, three associated workers and numerous volunteer workers in Associational Enlargement Campaigns; though its B. Y. P. U. Department with four regular field workers, three associational workers and volunteer workers in Associational Campaigns; through the Woman's Missionary Union Department with ten regular workers in the field and other volunteer helpers; and through the Preachers' School, work among students in our collegese, etc.

Recommendations

1. That each church in this Association put forth its best effort to win to Christ all the possibilities within its reach, and train its membership for the most effective service possible, utilizing such agencies of our General Board as may be necessary and available.

2. That the stronger churches in the Association helps the weaker ones to get on their feet, acting as a kind of big brother, giving counsel and leadership, and if necessary, more substantial help. We recommend that our Executive Committee deal with this matter in an organized way.

3. That in the selection of the Executive Committee of this Association the different groups of our organizations, such as the Sunday School, W. M.

U. and B. Y. P. U. be represented, and that the various sections of the Association be represented.

4. That our churches co-operate with our General Board, in solving our great mission problem at home and abroad, that they put on a thorough every-member canvass in November or December, that all our members be asked to contribute regularly, according to the Bible plan, to the co-operative program, and that our church treasurers be urged to forward promptly, at least one a month, such funds to Walters Durham, treasurer, Raleigh, North Carolina.

5. That we endorse the effort of the General Board in putting on to raise $25,000 in October through our Sunday Schools with which to wipe out the debt of State Missions.

Respectfully submitted,

R. M. VON MILLER, Committee.

WOMAN'S WORK

Woman's Missionary Union has its work so organized that it embraces all the women and children of our churches. The object of each organization is to develop its members along four lines. Through the regular programs and mission study classes we "Look out on the fields." Seeing these fields "white unto harvest" inspires us to follow our Lord's injunction, "Pray ye the Lord of the harvest that He thrust out laborers." As we pray, we strive to show our faith by our works and, through personal service and our gifts, to "Go and make disciples of all nations,, remembering "Freely ye have received, freely give."

The W. M. U. of West Chowan Association consists of three divisions—according to county lines—each of which has held its quarterly meetings during the year. These meetings were well attended and proved a great inspiration. The midsummer meeting in each division was a Young Peoples' Rally. In addition to this a Young Peoples' Camp was held at Chowan College in July. This was our first Association camp and proved most successful. We have reporting this year W. M. S., 56; Y. W. A. and G. A., 43; R. A., 22; Sunbeam Bands, 39. Total gifts from all organizations, $15,-628.51. Mission Study Classes, 80, with awards as follows: Seals, 314; Record Cards, 123; Certificates, 113; Official Seals, 3.

In addition to these regular lines of work the county divisions of the W. M. U. are supporting Miss Pearle Johnson, a missionary in China, and give four scholarships in Chowan College to four worthy girls. One county gives one scholarship in the W. M. U. Training School and has a circulating mission library, while another pays the salary of a Bible Woman in China, and the other holds regular program meetings each month at the County Home.

The one object of all these activities is that we may increase in efficiency in "Holding forth the Word of Life" as we are "Laborers together with God."

Respectfully submitted,

MRS. J. I. KENDRICK.

REPORT ON EDUCATION

There are seven schools and colleges owned and controlled by the Baptist State Convention of North Carolina. We are assisting each of these schools as far as possible with the funds available in the payment of their running expenses and teachers' salaries. Some of these schools could not exist even for a limited time without the aid from the State Convention in supplementing the salaries of their teachers. Under this department we are assisting 126 young men and young women who are going to be preachers and missionaries, in securing their education.

We make grateful asknowledgement to God for his blessings on our seven

schools in the past. We look forward hopefully to a continuation of His blessings on our denominational schools. They have been and are of inestimable value to the life and growth of our churches. Our finest recruits in all lines of Christian activities come to us from these schools. Our schools are composed of three senior colleges, Wake Forest, Meredith, Chowan; three junior colleges, Mars Hill, Campbell, Wingate and Boiling Springs High School. In the senior colleges there were in attendance last school year 1,447. In the junior colleges there were in attendance 1,252. In high schools 824. We think our churches will look to these schools for leadership in all departments of activity in the future as they have in the past. If we fail to maintain our schools the churches will eventually die for the lack of trained, consecrated leadership.

We simply mention our Southwide institutions: Southern Baptist Theological Seminary, Louisville, Ky.; Woman's Missionary Union Training School, at Louisbille, Ky.; Southwestern Theological Seminary, Seminary Hill, Texas; Baptist Bible Institute, New Orleans, La.

We sincerely recommend that our people rally to the support of our schools as faithfully as our Fathers did in establishing them. They have meant so much to us, and now to let them fail means that the churches will fail for the lack of competent leadership.

E. Y. POOLE.

MINISTERIAL RELIEF AND ANNUITIES

The cause of Ministerial Relief is being promoted by the Relief and Annuity Board of the Southern Baptist Convention, Dallas, Texas. Dr. Thomas J. Watts is the Executive Secretary.

The Relief and Annuity Board is the agency of the Convention through which the contributions of the churches are distributed to approximately 1,450 ministers, and widows and orphans of ministers.

During the past year relief benefits were paid to 1,333 persons, including 150 orphan children who were indirectly aided, and Annuity benefits were paid to 110 ministers, widows and orphans. The current contributions of the churches were supplemented from the interest earnings on the Board's invested funds, and the total amount paid to beneficiaries was $162,705.06. This was the largest sum ever paid in any year by several thousands of dollars.

We rejoice in the great success that has already come to the Relief and Annuity Board, yet the payment of one million, three hundred thousand dollars in benefits and the growth in its resources from one hundred and six thousand dollars and sixty cents in 1919, to three million and twenty-eight thousand dollars in 1929, is only illustrative of what is possible for it to achieve, if only the Reserve Annuity Plan is pressed to its logical conclusion. Let it be remembered that the accumulations of the Board are in the nature of the case to be found on the Annuity side of its work, since the earnings of the Relief Fund have to be used month by month in paying the beneficiaries. Increased endowment is being diligently sought for both the Relief and the Annuity Funds, and that with some measure of success. The resources of the Board must be much larger if our ministers and their families are to be more adequately cared for.

God says, "The laborer is worthy of his hire." So considerate was He in planning that even the beasts of burden should have a square deal in the world that in establishing the economic order for the children of Israel in the long ago He ordered that the humble ox should not be muzzled as he treaded out the corn, deeming that the ox also was worthy of his hire. Combining this attitude of God the Father with the statements of Jesus Christ to the effect that man is of far more value than animals, birds and flowers in which the Father is so vitally interested, can we not safely conclude that if God should speak directly to Southern Baptists today He would tell them to make far more adequate provision for the care of their worn-out

and disabled ministers and missionaries, with their widows and dependent children?

Respectfully submitted,

L. SASSER.

REPORT OF THE ORPHANAGE

In memory of its founder, Bro. J. H. Mills, the name of the institution has been changed to the Mills Home.

The most recent statement in our possession gave the number of children in the home at Thomasville as 497 and in the Kennedy Home 135. In addition to these 273 are being cared for through the Mother's Aid plan making a total of 905 children cared for by the Home.

In the forty-four years of the existence of our Orphanage, around 2,700 have been enrolled there with probably as many more turned away for lack of room and money.

The current receipts for last year, from the Sunday Schools and other organizations, amounted to $169,457. The total income was $212,787.

The total value of the plant, including grounds, buildings and equipment amounts to the sum of $1,024,478.78.

The invested endowment is $295,108.32.

The cost of maintaining 632 children at Thomasville and Kennedy Home is $25.12 per month for each child. This includes all expenses of maintenance—administrative, food, clothing, laundry and shoes, household expenses, health, education, repairs, etc.

There was recently completed a beautiful and substantial new residence for the general manager. This is the gift of Mrs. H. S. Stokes, of Winston-Salem, in memory of her distinguished and greatly beloved father, Dr. Henry A. Brown, who was pastor of the First Baptist Church of that city for more than forty years.

As it is well known, the Orphanage is maintained, for the most part by once a month offerings from the Sunday Schools and the annual Thanksgiving offering. Let us do our best to grow a little in the grace of giving on these occasions when our offerings are made.

Let every Sunday School have a goodly number of Charity and Children for free distribution. Eternity alone can reveal the blessings the paper has been in keeping the hearts of our people warm for the Orphanage. Besides it turned into the treasury last year the sum of $9,261.84. 1930 will be a great year for North Carolina Baptists. We expect to celebrate the 100th anniversary of our Convention's history. Would it not be well for us to remember, also, that Bro. Kesler will have been at the Orphanage one-fourth of that time. Would it not be fitting to start something that would fix in the minds of our people the blessings of God on our great Orphanage during the quarter of a century Bro. Kesler has so faithfully and successfully met the responsibilities of the trust committed to him.

REPORT FOR HOSPITAL

The growing demands and the enlarged service rendered by our Hospital in Winston-Salem have demonstrated the need of healing in the Christian program. Literally thousands have gone from every part of the State seeking deliverance from the bondage of deformity and disease and they have been received into the open hearts of our home for the sick. Hundreds of these could never have had proper hospital care had they not gone to our hospital, because they had no money to pay for this service. But the hospital took them in, and scores of our boys and girls who were deformed and destined to be invalids for life were made well and strong. Many fathers and mothers now happily care for the family around the fireside who would have been in their graves had the hospital not heard their cry and took them in. Only eternity will reveal the blessed results. Suffice it to say that in the six years of Christian ministry there have been

12,000 patients admitted to our institution. At least five thousand of these have been charity or part pay patients.

The number of charity patients increases each year. Last year we cared for 345 free and 1,053 part pay patients, making a grand total of 1,380 who received help from our institution. Of this number 16 died and 1,364 returned home cured or improved. Could there be a more wonderful proof of the approval of the great Physician than this record. If human suffering constitutes a call for Christian service; if a sick moneyless brother needs our sympathy and help; if human life is worth saving at all; then our Hospital which saves thousands is a part of the program of our Lord and is worthy of our prayers and support.

This year has brought an even greater demand than ever before for free service. Not less than 1,500 will call on us during the year. If we help all of these poor suffering Baptists, we will have to spend at least $50,000. Indications now are that we will not have more than $15,000 from Mother's Day offering and we will get about $10,000 from the Duke Fund. The problem is how shall we raise the other $25,000 necessary to care for these whom the churches send? The hospital cannot turn them away to die. Our churches would never stand for this. The institution would be untrue to its mission and the great Physician if it did. But how can we take them if the churches fail to furnish the funds? Our churches are sending more patients and giving less money each year. Surely you must see that this course will soon wreck the purpose of the hospital and destroy all possibilities of helping any of the needy.

Many of the churches in this association never give a cent on Mother's Day to help in this work, and yet that is the only money the denomination gives to help care for the sick. The four per cent from the Cooperative program goes to pay the bonds issued to pay the debt incurred in the building of the plants.

The Nurses Home has been built and paid for. The cost of this fine building and equipment was $47,500. The good women of the state paid one half of this and the hospital took care of the rest by means of personal gifts solicited from friends, $5,000 donated by the Duke Foundation, and loans from the operating account. No church was asked to give a cent to this splendid addition to our equipment.

In conclusion your Committee would urge that we use every possible means to lay the Hospital on the hearts of our people. Plead with them to pray for its success, to contrubute to its charity work by a Mother's Day offering, and as far as possible influence those who are able to pay for their care to go to our own hospital that the funds they pay may help to care for the hospital and enlarge its opportunity for serving the hundreds who go without money or price.

We would further recommend that this association appoint a representative to promote the interest of our hospital among the churches and that the clerk be instructed to forward his name and address to Rev. G. T. Lumpkin, Winston-Salem, N. C.

SOCIAL SERVICE

I. Sabbath Observance II. Law Enforcement.

Permit me to say that there seems to be a growing tendency toward laxity on the part of our people, both old and young, regarding "Sabbath Observance." Two things possibly contribute towards this growing evil, zi.: Good roads, and the easy made of transportation. The rural population migrate to the towns, cities and watering places; while the more densely populated places flock to the country and the open fields, maring the beauty of the highways by their destruction of the scenery.

I. It is very easy to point out the evil tendencies of our age, but quite difficult to offer a remedy that will cure these ills. But I am goin gto ven-

ture to offer some suggestion that if followed willpossibly help to check this growing evil.

1. Sabbath observance must be taught and practiced in the home.

The old-time reverence for the Lord's Day is almost a thing of the past. It has departed in some sections, and is rapidly disappearing in this South Land of ours.

2. It must be preached from the pulpit. The pastor can, if he will, impart to his people a conscience on "Sabbath Observance." We have been busy about many things, and have neglected to indoctrinate our people on this great principle.

If "Sabbath Observance" was taught in the home, preached from the pulpit and practiced by those who call themselves Christians, it would not take long to teach our children to have more reverence for the Lord's day. "Remember the Sabbath day and keep it holy."

The second part of our subject deals with "Law Enforcement."

I am a firm believer in law enforcement, but experience and observation has taught us that it is quite difficult to enforce a law when there is a lack of moral sentiment behind it. Therefore we need:

1. A campaign of education.

Like Sabbath observance, this training must begin in the home and reach out to the Sunday school, the public school and the pulpit.

2. We need legislation.

Since North Carolina seems to have no way to check Red Russia, it seems to me that we need some legislation along this line. The things that have happened in the Piedmont section this year seems to be proof sufficient on this point.

3. A political reformation.

No Christian citizen ought to cast his vote for any candidate whose record is unclean along the line of liquor and law enforcement.

People are openly saying that the officers are not trying to enforce the whiskey law, and yet many of them continue to vote for the same old gang.

People also say that most of the service stations sell liquor. I want to say that the closing of these stations on Sunday is in the hands of the county commissioners, but this law has not been enforced, certainly not in the bounds of the West Chowan Association. The closing of these stations on Sunday would be one step toward law enforcement, and Sabbath Observance."

Your committee wishes to make the following reccommendations:

1. That greater stress be placed on Sabbath observance and law enforcement by pastors and Sunday school teachers.

2. That we urge the voter that his duty is to vote only for such men as whose record is clean.

3. That we observe, and teach others to respect the laws of our commonwealth.

E. C. ANDREWS,
For the Committee.

34. The Historian read his report which was adopted as follows:

HISTORICAL REPORT.

Many incidents and occurences of the year 1929 are similar to those of 1928. In some sections of our country there have again occurred several storms, floods and other disasters on land and sea and in the air. Our people of the West Chowan Association have again escaped the wrath and sorrow of such occurrences as have fallen on some other sections and we record our grateful thanksgiving and praise to our gracious God for His protection and preservation.

The heavy rains have greatly impaired some of the crops, and the boll weevil has destroyed 50 per cent of the cotton crop, according to the estimate of those who are in a position to know. It is the unanimous opinion of business men with whom your historian has talked, that the farmer cannotpossibly meet expenses for the year out of the present crop.

Money has not been so scarce in this territory in seven years and the prediction is freely made that next year will be decidedly worse than this. But the work in our church has gone on about as usual, with a cheering ray of light beaming out here and there. The pastors report blessed revivals on their fields of labor. Unusually large attendance upon the protracted meeting services are reported, and churches, where there were evangelistic opportunities have had gratifying results in the way of additions.

Last April there was put on in this Association Sunday School Enlargement campaign. Bro. Perry Morgan, our Sunday School secretary, came with a fine corps of experts who greatly stimulated and aroused some thirty-five or six of our churches in organizing, grading and building up the Sunday schools in members, efficiency and permantnt results. Great and we trust lasting good was done.

We note that in the matter of material improvement, Ahoskie is still at work on their great building and hope to enter at least, the Sunday school section in the near future.

Potecasi will soon be at work again on their building, plastering, putting up the overhead steel ceiling and otherwise equipping for early use. Potecasi has no great amount of wealth, but has a plucky band of workers, who will be a happy people indeed when they get into their new church building.

The Sunday school campaign stirred up the brethren at Conway to such a pitch that they commenced a building campaign immediately, and have already completed one of eleven rooms to their church building.

Oak Grove after much consideration decided to remodel their old building instead of building a new one. At an outlay of between $600

and $700 the work has been completed and a better spirit prevails in the church than for some time.

Since our last report Dr. C. C. Cox has resigned at Cashie (Windsor). Bro. Carl Grady has resigned Sandy Run (Roxobel), and Bro. Dailey at Powellsville, Bethlehem and Center Grove. All three of these brethren are located in Virginia.

Bro. W. R. Stevens has taken up the pastorate at Mars Hill, and Bro. K. E. Bryant that of the Powellsville field.These brethren have taken hold of their work with great enthusiasm and gratifying results are already in evidence.

We notice with sorrow that our Aulander church has been bereft by the loss of ten members by death during the year, among them being Brother A. F. Rice, treasurer of the church and Deacon E. L. Rice, a good and faithful servant of the Lord.

In the homegoing of sister W. C. Askew not only has Lewiston lost a good woman, but the whole Association loses a sympathetic and useful member. In her will she bequeathed $5,000 to Chowan College.

Republican sustained a great loss in the death of Deacon J. P. Bazemore.

In the passing of Rev. R. T. White, member of Conway, the Association loses a loyal member. Brother White loved his church and the brethren.

C. M. BILLINGS,
Historian.

35. The Clerk read a digest of letters which was adopted but the Association voted that hereafter per capita contributions and rank of churches be left out.

WOMAN'S MISSIONARY UNION, WEST CHOWAN

HISTORY OF W. M. U.

On this occasion, the 200th anniversary of this church, which was the beginning of organized Baptist work in this section, known later as the Chowan Association and still later as West Chowan, it is fitting that we should take a backward look and reveal the experiences and blessings that have been ours in helping to advance the Kingdom of God through our W. M. U. work. The story of our growth and work is not only interesting in missionary endeavor but it will bring encouragement to all to see our growth, the evidence of His guidance from the beginning.

In North Carolina missionary societies existed in the early part of the 19th century; Edenton, Spring Hill, Fayetteville and Raleigh churches had societies in 1818 but there was no organized work until 1877 when Mrs. J. M. Heck, of Raleigh, was made President of a Woman's Ceneral Committee. That fall a resolution was offered commending the work and asking the report to be made to the State Convention. This brought forth a heated discussion among the preachers. Decided opposition was manifested to woman's work. Lack of sympathy and support caused the committee to disband. In 1886 Dr. Whitefield, of New Bern, went to Raleigh to discuss organizing mission work for women. A few weeks later in the Biblical Recorder office a Womans Central Committee was formed, composed of 15 ladies, electing Miss Fannie E. S. Heck President, which place she held with great efficiency and grace until ill health forced her to resign in 1909. Miss Sallie Bailey, later Mrs. W. N. Jones, was made Secretary which place she held until she took up Miss Heck's work as State President. She continues until present to bless the Union with her leadership.

These meetings were held in the Recorder's office and the State Mission Board paid for printing and postage. On investigation 10 Societies were found active, giving $500 the previous year. Seventy-five Societies were organized the first year of the functioning of the central committee, giving $1000. There was practically no information for the Societies, so Miss Heck published "The Missionary Talk", mailing this and quarterly reports from her home. In 1888 Miss Heck attended the Southern Baptist Convention at Richmond, and wanted the Societies of North Carolina to join the Woman's Auxiliary of the Southern Baptist Convention, but the men leaders were opposed and they joined in 1891. The first W. M. U. State Convention of North Carolina, met in Goldsboro in 1891.

In 1894 Associational Vice Presidents were appointed throughout North Carolina to organize and foster Societies in their respective Associations. Here our organized work began. Miss Grace R. Brown was appointed Vice President of West Chowan W. M. U. and a meeting was called against the wishes of the men at Ahoskie with 4 W. M. S. and 2 Sunbeam Bands attending. Mrs. Addie Williams had previously called a meeting of the Societies but no organization was founded. Miss Brown served 3 years, married and left the Association. Miss Anna Erkerson, was elected, serving until her death 3 years later. Minutes cannot be traced for a period of years causing disconnected history. Miss Blanche Vann (deceased) was next Vice President and no records can be traced of actual work during her Presidency. Mrs. J. P. Holloman (nee Grace R. Brown) returned to North Carolina and was again made Vice President for 3 years. The work now really began to grow, for in 1899 we find 20 W. M. S organized and 9 Sunbeam Bands. The W. M. U. had previously met one afternoon in seperate session during the Association. Now the work had grown so that a special day was set aside for the W. M. U. meeting, but again with opposition from the men. They declared that the women could not carry on a worth while program for an entire day. For many years the preachers insisted a man lead the devotional at all W. M. U. meetings.

The next year the W. M. U. West Chowan reported 29 W. M. S. and 11 Sunbeam Bands. Programs te the Associational meetings were made up of inspirational and informing addresses by Associational leaders, State officers, returned missionaries, reports made from societies business and at night a sermon was preached by some minister.

No record is found again until 1910 when Mrs. Elizabeth Parker (Mrs. G. C. Parker) became Vice President and presided at the 16th meeting. She continued for three years leading the work to grow from every standpoint with Mrs. John Freeman and Miss Willie Lambertson helping as Secretaries. In 1913, Y. W. A's, G. A's, and R. A's were being organized throughout North Carolina and Miss Blanche Barrus presented the need of a young peoples leader to West Chowan and Miss Willie Lambertson was elected to this place. Mrs. John Freeman leading as Vice President for one year and Mrs. Herbert Jenkins young People's leader organized 3 G. A's, 11 Y. W. A's, and 3 R. A's.

In 1915 Miss Willie Lambertson was made Vice President and with the aid of Mrs. Herbert Jenkins as Secretary and other workers, 14 new Societies were organized also mission funds grew.

At Cashie church in 1915, the Union decided to undertake some special work and they decided to support a missionary. Miss Pearl Johnson was chosen and until present is supported by the Union.

Mrs. Herbert Jenkins Associational Superintendent (name of office changed), Mrs. John Vann, Secretary, and Miss Mary Winborn as Junior Superintendent, did outstanding work in organizing and funds in 1916.

In 1914 the work had grown until the Union decided to organize a County Union in each of the 3 counties of the Association, to meet each 5th Sunday afternoon. These meetings grew so rapidly that the meetings were changed to an all day meeting, once each quarter. The County Unions have given Chowan College scholarships, training school scholarships, supported Bible women, supported mission study and county libraries.

In 1917 Miss Una White was elected Superintendent, continuing as efficient leader and organizer until present, with Mrs. E. B. Lassiter as Secretary and Treasurer for 3 years, Miss Mary Pritchard for 5 years, Mrs. E. A. Huggins until present.

The need of a Mission Study leader was presented in 1921, and Miss Bessie Taylor was elected to this place.

In 1922, Personal Service Superintendent was added to the force of workers, with Mrs. E. B. Vaughan as the first Superintendent.

In 1924 transportation made the meeting so accessible, delegates only spent the day. Night services was dispensed with.

In 1929 The Young People's Superintendent, Miss Leona Harris with a competent corps of helpers conducted the first Young People's Encampment for W. M. U. Auxiliaries at Chowan College.

There is now a W. M. S. in each church in the Association, 26 Y. W. A., 28 G. A's 23 R. A's and 43 Sunbeam Bands. Total members enrolled in organized Mission work, 3,745. Total amount given by W. M. S. and their auxiliaries past year in West Chowan $21,855.54.

For lack of space and direct information, this is only an outline of our achievements, but to those of our workers, to our State leaders who have brought us stimulus and information, to our returned missionaries who have brought to us spiritual blessings and encouragement I woul say—

"The Lord bless thee and keep thee,
The Lord make His face shine upon thee, and
be gracious unto thee,
The Lord lift up His countenance on thee and
give thee peace."

The 35th Annual session of the Woman's Missionary Union of the West Chowan Association met with Seaboard church,

March 27th, 1929, Miss Una White presiding. After a hymn, "I'm Thine O! Lord," Mrs Eunice Stephenson conducted the devotional. Scripture lesson used, Roman 10:18-16, drawing from this lesson "Go Forward."

One often hears of the key note of a meeting, but the key note of this meeting was sounded forth in chords of love and service which blended to make a complete harmony.

The first great chord was hospitality sounded forth by Mrs. R. M. Maddrey in her welcome to the Union and visitors. Many notes formed this chord and each one touched a responsive note in the Union's appreciation sounded by Mrs. R. H. Underwood, of Meherrin.

Miss Una White, superintendent, gave her report showing a gain in Standard of Excellence, increase in Mission Study, and an increase in Literature subscriptions. As a whole, the Union did not meet the financial aim, but the Ruby Anniversary strengthened the cause and Christian Harbor, and Meherrin were enrolled in the Book of Remembrance, while Ahoskie and Aulander surpassed these, each giving a perfect Ruby. Four others, Cashie, Colerain, Roberts Chapel and Seaboard gave over a half perfect Ruby. The Union's aim for the year was $19,000 and total paid was $15,628.91.

Statistical report was given in full. Financial report was given in full. Standard of Excellency was;

A-1. Christian Harbor, Lewiston, Menola, Roberts Chapel, Seaboard.

B. Aulander, Bethel, Conway, Creeksville, Murfreesboro, Powellsville, Republican, Ahoskie.

C. Ashley Grove, Colerain, Elam, Hebron, Meherrin, Rich Square, Union, Winton.

D. Horton's, Roanoke, Ross'.

Notwithstanding the testing times the spirit of loyalty was showed and work continues upward trend. Report adopted.

Treasurer report given later in day.

Mrs. C. C. Harrell, Young People's Superintendent's report given by Mrs. Herbert Jenkins showing small increase or rather poor reporting. Jr. organizations urged to report. Report adopted.

Mrs. W. D. Boone, Jr. Superintendent, showed why Jr. organization failed in standard was due to failure to report, but

gave the following: 39 churches have no R. A's and 18 no Sunbeeams, according to their lack of report. She begs mothers just for 1 year to help, for if only 1 year they help the work will go forward. Report adopted.

Mrs. G. T. Underwood, Personal Service Superintendent, had her report given by Mrs. Babb and it showed a wealth of Christ like ministries the societies are rendering every day in His name and shows the Union is doing organized work. Report adopted.

Roll was called and recorded as follows as to attendance of organizations: 48 W. M. S., 17 Y. W. A's, 5 R. A's, 5 G. A's, 20 Sunbeams.

Following Committees were appointed:

Nominating—Mrs. R. L. Bolton, Northampton, Mrs. Oscar Creech, Hertford; Mrs. W. E. White, Bertie.

Time and Place—Mrs. Marsh, Aulander; Mrs. R. W. Outland, Rich Square; Mrs. I. F. Snipes, Menola.

Resolution—Mrs. Herbert Jenkins, Aulander; Miss Bessie Taylor, Ahoskie; Mrs. Lloyd Lassiter, Potecasi.

The chair then recognized the following visitors, and welcomed them: Mrs. W. D. Bostick, China; Mrs. Edna Harris, Raleigh; Mrs. Raleigh Daniels, Mrs. J. P. Holloman, Mr. and Mrs. Fountain, Weldon; Training School Girls, County Presidents Mrs. Boone, Lineberry and Kendrick.

Mrs. Harris then explained awarding State Banner.

Rev. Oscar Creech addressed the Union, using Phil. 1-9 as a subject. His message was of love and knowledge. "One who loves most, lives most," stating knowledge was the out reach of love. He plead for better fostering of our church schools through our love as they were the seed beds. The secret of the great growth of the denomination is due to faith in the New Testament and belief in knowledge, begging us to love the Master and fellowman more, as it would help our faith to enlarge and our sacrifice to bring joy. He closed with a striking illustration from the life of a western North Carolina woman.

Mrs. W.. D. Bostick, of Pochow, China, harmonized the chord with sweet notes of personal service in her missionary work in interior China. She told of her early work, stating that in all interior China mission 25 years ago, only one woman had ever heard of Jesus. Showed how her conversion

was a day of beginning. Later they could call into service Christian converts and thereby with aid of Tabernacle Baptist church, Raleigh, build a church. She gave her methods of teaching and conducting service. She held the audience with spiritual illustrations and experiences.

Rev. D. P. Harris cordially invited every one to dinner and then pronounced the benediction.

Afternoon Session

Service opened with hymn "Higher Ground" and Miss Ann Downey, of Chowan College, conducted the devotional, using 2 Cor. 3-2, pleading for dedication of lives.

Miss Frances Flythe, of Chowan College, followed with a solo, "Lord, Here Am I."

Mrs. W. E. White, of Colerain, presented a most important phase of young peoples work in her talk on "Winning North Carolina Through Our Young People." If this keynote of love and knowledge of the youth could be really practiced, a real melody could be sounded throughout North Carolina.

Mrs. Edna Harris, North Carolina efficient State Secretary, sounded the chord around the quotation, "There is nothing little, if Christ is in it."

Mrs. Raleigh Daniels, of Weldon, gave a message in a solo.

Stating that the West Chowan Specials having been misunderstood, Mrs. H. J. Holloman, of Harrellsville, gave a most explicit and interesting explanation and directions in a talk on "West Chowan Specials."

A unique memorial service was given in memory of our deceased sisters. A memorial duet by two Y. W. A's was sung, followed by a "In Memorium" by Mrs. E. A. Huggins, after which she called the roll. As each name was called a Sunbeam carrried a white carnation and placed it on a big galax leaf wreath hung on the pulpit. A prayer was then softly sung by the W. M. U.

We call upon Sunday School teachers to give Bible instruction to warn the youth against these dangerous and immoral practices.

Constitution

Name

Article 1. This body shall be known as the North Carolina West Chowan Baptist Association.

Membership

Article 2. It shall be composed of messengers elected by the churches connected with this body and all ordained ministers who are members or pastors of said churches, together with the officers of this Association, and chairmen of all standing committees. Each church of one hundred members and under shall be entitled to two messengers, and for each additional one hundred members, an additional messenger; provided, that no church shall have more than four messengers.

Objects

Article 3. The objects shall be to devise and recommend measures for increasing the harmony, the intelligence and spiritual power of the churches, and for developing and directing their energies, their resources and their gifts, in advancing the Redeemer's Kingdom on the earth.

Powers and Prerogatives

Article 4. The Association shall have no power to infringe upon the sovereignty or rights of the churches. It is neither an ecclesiastical nor legislative council, nor court of appeal. It may advise the churches and recommend measures of usefulness for their adoption, but cannot bind them in any way. Yet, in view of the combined wisdom, piety and intelligence of the body, it may justly claim for itself, for its objects, and for its recommendations the very highest consideration and regard.

Article 5. The Association may dissolve connection with any church that becomes heterodox in doctrine, or disorderly in practice, or that fails to represent itself, either by messenger or letter, more than two successive sessions, without sufficient reasons, or that treats with contempt its objects and requirements, or upon application of a church for dismission.

Rights of Churches

Article 6. Each individual church shall hold and exercise all the functions of an independent church of Jesus Christ. As constituent members of this Association, the churches shall have the right to advise, when desired, in case of difficulty, and suggest plans of usefulness to be adopted. It shall be the undisputed privilege of any church to withdraw its membership from this Association whenever it shall so elect.

Duties of Churches

Article 7. It shall be the duty of the churches to appoint as messengers as far as practicable, their most capable members, to require their attendance, and to send by them a contribution to the Association fund to pay for printing the Minutes and other necessary expenses.

Article 8. It shall be the duty of each church to send an annual letter to the Association, giving: (1) locality; (2) names of its pastor and clerk and their respective postoffices; (3) the Sabbaths of regular service; (4) church statistics, including the number baptized, received by letter, restored, dismissed, deceased, expelled and aggregate membership, male and female; (5) Sabbath school statistics; (6) amount contributed to benevolent objects and the Association fund; (7) names of messengers and alternates; (8) any other information ofspecial importance.

Organization

Article 9. The officers of this Association shall be a Moderator, Vice-Moderator, Clerk, Treasurer and Historian, who shall be elected at each annual session, from the members of the Association, and shall continue in office until the next annual election, which election shall be the next order of business after enrollment of messengers. As soon as the new officers shall have taken their seats, the body shall be declared organized and prepared for business.

Article 10. In order to conserve time and not interfere with the main work of the body, this Association will not consider any routine or miscellaneous business except at the close of the discussion of each general topic.

Duties of Officers

Article 11. It shall be the duty of the Moderator to open the meetings punctually at time appointed; to enforce the rules; to enforce order, and to exercise all the prerogatives of a presiding officer, according to the principles of parliamentary usage.

Article 12. It shall be the duty of the Vice-Moderator to discharge the duties of the Moderator in his absence.

Article 13. It shall be the duty of the Clerk to keep a faithful record of the proceedings of the body, and superintend the printing and distribution of same, and to keep on file the printed Minutes and other important documents belonging to the body. He may appoint an assistant when necessary. The Clerk shall receive for his services fifty dollars out of the Minute Fund.

Article 14. It shall be the duty of the Treasurer to receive and disburse the money contributed to the Minute Fund, as directed by the body, and make an annual report of the same.

Article 15. It shall be the duty of the Historian, who shall be elected at each annual meeting of the body, to prepare for publication in the Minutes an historical sketch of the church with which the Association meets, with obituaries, incidents, and other facts of the year that shall be preserved, and make report to the next Association.

Article 16. On the first day of the session there shall be appointed a committee of finance, committee on time, place and preacher, and a committee of one from each county to nominate representatives of boards and to nominate an Executive Committee of nine members composed of two men and one woman from each of the counties.

Article 17. This Constitution may be altered at any annual session of the body by a two-thirds vote of the members present.

Resolutions

Resolved (1) That no church shall be entitled to representation in this body unless in perfect accord with the Constitution thereof, that fact to be ascertained by a committee of five on credentials, appointed at each session of the body immediately after organization; (2) the report of this committee shall be the property of the Association just as any other report. (Adopted 1898).

Resolved (3) That henceforth this Association withdraw fellowship from any church that allows its members to engage in the manufacture and sale of intoxicating liquors as a beverage. (1891).

Resolved (4) That it is the sense of this Association that selling intoxicating liquors through a dispensary is a violation of the spirit and letter of the resolution of our Constitution. (1905).

8. No committee shall be in session during the hour of business without permission from the body.

9. All questions of order not herein provided shall be decided by Mell's Parliamentary Practice.

REPORT ON FOREIGN MISSIONS

The blessing of God has been upon our work in foreign land. While there have been many difficulties, yet through the help of the Lord there have been many encouragements.

Good progress has been made towards the further reduction of the debt which has burdened the Board. The debt was reduced $187,423.56 during the

year closing May 1, 1930.

The plan for reducing the debt is to apply 10 per cent of all receipts from the Cooperative Program, all special gifts made for this specific purpose, and all moneys received from the sale of properties owned by the Board which are not now being used for mission purposes.

I am sure every Southern Baptist is profoundly grateful that the Foreign Mission Board at its annual meeting on October 8th. did not decide to withdraw its assistance from any field in which we are preaching the gospel.

The Board adopted a budget for the year 1931 of $1,111,000.00, which is $280,000.00 below the budget for the present year. It is imperative that we realize fully, that this amount must be paid in order that the progress of the Kingdom enterprise shall not be retarded.

On the foreign field there are 1407 churches with a membership of 161. 059. The native contributions amounted to $472,820.12.

Southern Baptists should catch the inspiration of the throbbing life of the work in foreign lands. The past year has been marked by great revivals in many fields. Thirteen thousand, two hundred and fifty baptisms were reported, a thousand more than have ever been reported in a single year. Progress along all lines has been made in all missions. The power of the gospel has been demonstrated everywhere.

In Africa there were thirty requests for the eight graduates from the Theological Training School last June. There was a great revival in the Lagos School which resulted in the conversion of over one hundred students in the upper grades. The hospital and college at Ogbomoso had the greatest year in their history. The Nigerian Baptist Conventions made fine progress. It has now 200 churches in its membership practically all of which are self-supporting.

In Latin America our work is making splendid progress. In Argentina and North Brazil, we have 208 churches, with a membership of 12,403.

Chile is the newest field the Foreign Board has entered. There were special evangelistic metings held in every church in the country with fine results.

In China our work is going forward in a gratifying way. War has retarded the progress of our work to a certain degree, but the outlook is very promising. In spite of the fact that war has been in progress, our work has moved on very nicely.

In Hungary, Italy, Japan, Jugo Slavia, Mexico, Roumania, and Spain there has been a substantial gain in membership.

Thus reads, like added pages of the Acts of the Apostles, the story of our work in foreign lands.. Out among the countless hosts of lost men our Father has set his seal of approval and blessing upon the labors of our missionary messengers. He has kept his promise to be with those who GO. The needs of the unredeemed world, the command of our divine Saviour, the favor of our Heavenly Father marvelously manifested upon our labors in all fields, should speak with irresistible force to Southern Baptists "that they go forward."

REPORT ON STATE MISSIONS

North Carolina Baptists are this year completing one hundred years or organized effort. At the very beginning our fathers made plans for evangelizing North Carolina. If the record of these one hundred years were examined, it would be found that many of our strong and generous churches in the leading towns and centers of the state, were organized and planted through the sacrificial labors of faithful state missionaries.

Sometimes we hear the idea advanced that soon we will have finished the job of State Missions and that all the needy and promising fields will be occupied. But with the ever changing conditions and the rapid growth of the

state is industrialism, in good roads, in public education, in the rapid shift of the population from the country to the town and city, there comes with every new generation new opportunities and new responsibilities for evangelizing and saving our own people.

In the percentage division of our Co-operative funds, State Missions received twenty cents out of the dollar. In addition to this, all funds given through the Sunday Schools on State Mission Day, the last Sunday in October, goes to State Missions as an extra amount.

This year there are eighty-four missionaries in the employ of the Board, serving about one hundred and fifty churches. The Board is caring for the Sunday School, W. M. U., B. Y. P. U., and Student Work. This year we took the Indian work among the Indians in Robeson County and the Cherokee work in Swain County.

The task is greater and the need is more imperative today than when our fathers began the work one hundred years ago. Our Board is heavily handicapped with a debt, and every church and Sunday school is urged to have a worthy part in this great statewide effort to lift the burden from our State Mission work.

E. C. ANDREWS.

REPORT ON HOME MISSIONS

Home Missions might be defined as that group of missionary and evangelistic tasks which, either because of their nature or their size and difficulty, can best be done by a Southwide agency.

The Home Mission Board is the Southwide agency through which Southern Baptists are doing their Home Mission work. The field of operation for this Board is the territory of the Southern Baptist Convention, the four Western Provinces of Cuba and the Canal Zone.

The work is divided into the following departments: Direct and Independent Missions, including work among the Foreigners, Indians, Negroes, and City Mission work, with Dr. J. W. Beagle as Superintendent; Mountain Missions and Schools including evangelism, industrial centers and mountain schools, with Dr. J. W. O'Hara as Superintendent; Mission work in Cuba with Dr. M. N. McCall as Superintendent; Mission work in Panama, Canal Zone, with Stephen Witt as Superintendent; Missions to the Jews, with Rev. Jacob Gartenhaus as Missionary; Mission Study with Mrs. Una Roberts Lawrence as Director; W. M. U. Field work with Miss Emma Leachman as Field Worker; Church Building Loan Department with the Executive Secretary as Superintendent, and Rev. Geo. F. Austin as Field Representative.

The work for the ensuing year was laid out as instructed by the Convention on the basis of the cash receipts of the previous year. These receipts were $407,357.58 on the Cooperative Program and $32,397.18 supplemental receipts, making a total of $439,754.76.

The Board set aside $250,000 to be paid on interest and principal of the debt. This necessitated some reduction in Mission work, but by combining forces and consolidating mission stations, the Board is able to hold all of its fields intact, though with reduced personnel.

The Board has set itself definitely to the task of paying its debts, with the determination that when once out of debt, it will absolutely stay out of debt. Since September, 1928, it has paid in interest and principal on its indebtedness $713,987.57. The reduction of the debt, however, is being made with the least possible inroads upon the Mission work. The minimum amount that can be paid on interest and principal of the debt has been set aside as a fixed item in the budget of appropriations. Therefore, any increase in contributions will mean an increase in Mission work.

Last year we had 168 workers and they baptized 2,219 people. This was

15 baptisms per worker. When we remember that a great deal of this work is with very difficult groups like Foreigners here in our midst, in Cuba and Panama, who have a background of Catholic teaching, this compares favorably with any Mission work that our Baptist people are doing.

Our people need to recognize the tremendous importance just now of our Home Mission work. This new day of industrialism is giving to us a new set of Mission problems. Cities are growing very rapidly. Industrial communities are springing up almost overnight. The tide of emigration is turning toward the South. All of these things create a real need for Home Missions. Our task is to mobilize our home forces for world-conquest for Christ, and our Home Mission work has a big place in this mobilization process.

REPORT OF WEST CHOWAN M. M. U.

The Woman's Missionary Union of the West Chowan is wonderfully organized from the small child in the Sunbeam to the W. M. U. Each church with one exception has a W. M. U., and there are more Y. W. A's. recorded than any previous year. The other junior organizations have grown some.

The three county unions continue to support Miss Pearl Johnson, missionary to China. Hertford gives a Chowan College scholarship; Bertie gives 2 Chowan College scholarships, and pays salary of a Bible woman in China; Northampton gives a Chowan scholarship; a Training School scholarship, and supports a circulating Mission Study Library.

Each county has held its regular quarterly all-day meeting with such messengers on programs as Mrs. L. V. Coggins, former young Peoples' Leaded of Missouri; Miss Emma Leachman and our own Miss Pearl Johnson. The midsummer meeting in each county was a Young Peoples' Rally, and well attended by the young people.

Personal Service has been stressed, one phase of which means much to the socicties and more to those whom they served. A visit and religious service was conducted once a month by a society at the County Homes. Thirty-five dollars was sent to Miss Johnson previous to her sailing home, and a "Love Gift" of $75.00 presented to her on her return home. Ahoskie Society on September 1st, in their new church building, entertained all past and present Associational W. M. U. officers, county presidents and officers of each society at a lovely tea at which time the "Love Offering" was presented to Miss Johnson. Our financial aim has not been reached and we fear it is not entirely due to financial depression, but rather that we have failed to "Be Ye Steafast" at all times. There has been an increase inmembership number of periodicals subscriptions, and a greater number of societies observed the Week of Prayer.

We are grateful for the past in the Kingdom work and pray that we may put first things first and strive together to put our watchword for this year into real activity, by being, "Laborers together with God."

REPORT ON SOCIAL SERVICE

The Orphanage

The Orphanage manifests the response of the best impulse of the human heart to God's high call for service. And the support in sympathy, prayers and money furnishes a splendid agency for the enlistment and development of one of the purest traits of Christian character. Every child of the Orphanage is one of God's appeals to the sympathy, prayers and Christian charity of every Baptist in North Carolina.

The Orphanage, therefore, apart from the inestimable benefit to the child, is one of the richest assets of the Baptists in our State. The strongest arguments for the Orphanage is the orphan, and the strongest appeal is the need of the helpless child.

The Old Testament law abounds in provisions for the care of the fatherless and the widows, and James summarizes the content of the undefiled religion in the pregnant passage, "Pure religion, and undefiled before God and the Father is this, to visit the fatherless and the widows in their affliction and to keep himself unspotted from the world."

On the other hand, the blessings received by the orphans and imparted by them to others can be computed only in eternity. Of the thousands received at our Orphanage since 1885,, many have filled with usefulness their places in the various walks of life, some have risen to places of prominence and some have gone to their reward.

The Orphanage is better equipped for service now than ever before. But still its needs are far greater than its capacity.

Since a representative is in our midst to speak first hand of the needs of the Orphanage, we, your committee, will not burden this report with statistics, but earnestly recommend to the churches of our Association to make Thanksgiving Day a special effort for a generous offering to the Orphanage,

and that each Sunday School set aside one Sunday every month and designate the offering to the Orphanage.

With thanksgiving for and pride in this splendid institution it should be our earnest prayer and constant effort that its source of power be greatly increased and its capacity greatly enlarged as the Orphanage so rightly deserves and the cause it represents so deeply needs.

Report for Hospital

The North Carolina Baptist Hospital reached its 7th birthday on May 29th, of this year. From small beginnings it has grown to be one of the leading hospitals. It has successfully battled with the discouragements of the untried and now offers its helping hand to thousands of unfortnnate sick of our State. It constantly seeks the presence of the great Physician and the results of its ministry are significant.

Thousands of patients have received treatment since it began its work and a large portion of these have been charity or part pay patients. For all of these the hospital has done its best and only eternity can reveal the blessings it has provided in the relief of suffering and the saving of human life. Truly we are in a great and worthy ministry and are following in the Saviour's steps when we engage in "healing humanity's hurt."

The number of charity patients increases each year. It is over 15,000 who have applied for help this year and to care for these a sum of $50,000 would be needed. Unfortunately,many of the churches of our Association never give a cent on Mother's Day to help in this work, and this is the only money the denomination gives to help care for the sick. The four per cent from the cooperative program goes to pay the bonds issued to pay the debt incurred in the building of the plants.

The amount of the contribution made annually by the Duke Fund is determined by the amount our churches contributed for the care of charity patients taken care of in the hospital.

The Nurses Home has been built and paid for. The cost of the building and equipment was $47,500. The good women of our state paid one half of this, the Duke Foundation paid $5,000 and the rest was given by other friends, and came as a loan from the operating account. No church was asked to give one cent to this splendid addition to our Hospital equipment.

As your committee we recommend that we lay with renewed emphasis public charity work on the hearts of our people and to urge upon every one of the churches to make Mother's Day the special effort for a very liberal offering for the charity work of our North Carolina Hospital.

REPORT ON MINISTERIAL RELIEF AND ANNUITIES

The care of our aged and disabled preachers and the widows and orphans of deceased preachers deserves the most earnest and prayerful attention at the hands of all our people. The Relief and Annuity Board of the Southern Baptist Convention with headquarters in Dallas, Texas, with Dr. Thomas J. Watts as Executive Secretary, is faithfully and sympathetically administering and distributing funds placed in its hands by the churches. That far too little money has been contributed by our people for this nobly beneficent work all must freely confess. That more money should be given for the support of our veterans, widows and orphans will not be questioned. Surely our old ministers are deserving of better treatment in their declining years. What Southern Baptists are doing through their Board for these faihtful servants of the Cross is helpful, but it is painfully insufficient. Surely, every church should strive to see to it that the old preacher is better provided for. Let some good man or woman in each church write to the Board for literature and inform the people concerning this great need. Do not wait. DO IT NOW.

Important Changes in The Methods of The Relief and Annuity Board

The Southern Baptitst Convention at New Orleans provided for the placing of all gifts through the Co-operative Program into the Relief Fund. After the 31st of December, 1930, the Board's Annuity Department will receive no more money from the benevolent contributions of the churches. The relief beneficiaries will get the full benefit of these gifts. They will, of course, continue to receive also benefits of earnings on the Board's Relief Endowment and all contributions designated for relief. Not only so, the Board will strive to secure special gifts looking to the enlargement of the Relief Fund. If our churches will give the money that they should through the regular Co-operative Program the relief beneficiaries of the Board will receive very much larger benefits and a greater number of beneficiaries will be added to the roll. It should be clear to our people that the Relief Board cannot pay out money any faster than it comes in, but if the money is given the donors may know that the relief beneficiaries will get every dollar of it.

The Service Annuity Plan

Provision is now offered through the Service Annuity Department whereby churches can individually assist their preachers in building up for themselves and their dependents an age or disability monthly income and do this building while they are in active service. Thus our ministers will be provided for against the time of need and in the most economical way. Interest earnings will produce the greater part of the benefits. This is a method of prevention rather than cure. Churches are urged to get directly from Relief and Annuity Board or from an authorized representative the facts about this plan. This is a matter that cannot be acted upon intelligently without full information. Many of our preachers and churches are ready to go into the plan and ere long their number will be legion. The more our churches do to prevent dependence in old age or disability on the part of their ministers the better. The Relief Board will not do less for preachers who come to old age unprovided for. In fact it will do far more than it has ever done for them. At the time it will, by the operation of the Service Annuity, bring about a condition in which fewer preachers will come to old age without a support and this support will be more adequate. All serious minded Baptists will, upon taking due thought, approve the plan. The Southern Baptist Convention, after careful consideration, adopted the recommendations of the Committee of thirty-eight, consisting of two messengers from each state, approved the Service Annuity and did this by a great majority. Therefore, the Convention has commended the plan for the use of churches and preachers.

I. Sabbath Observance

It is a source of great grief and anxiety when we observe what many of even of our church members are doing with their Sabbath days. So many are spending this day of worship on the highways, with apparently no thought or concern as to the proper use of the day and its privileges. To many it has become a day for mere pleasure seeking for pleasure's sake. Desecration of the Sabbath Day is one of the outstanding sins of the day and contributes to a large extent to the breaking down of the home life, the falling off in the attendance of divine worship, and teaching service of the church. It has well nigh paralyzed the evening worship in our churches. The failure of properly observing the Sabbath day has contributed more than any other factor in the ever increasing violation of human and divine laws, and lies at the root of our sad state of public morals.

We must begin in our Christian homes to return to the strict observance of the Lord's day, and it must be faithfully practiced by those who follow Christ as their Lord—who is also Lord of the Sabbath Day.

A return to proper Sabbath observance will be the salvation of many of our ills in the home and in the church life.

II. Law Observance

We are grateful to Almighty God for the Constitution of the United States, designed to protect civil and religious liberty—that dedicates Government to the promotion of the general welfare and guarantees to the people the right to determine the character of their laws through the election of representatives. We are grateful for the moral and social progress made under our institutions, especially do we give thanks for the success which has attended the Educational Campaign of the Churches for temperance and national sobriety which culminated in the Eighteenth Amendment, prohibiting the beverage liquor traffic. The task of the churches in this respect is not completed. The traffic which has been placed under the ban now seeks to continue its existence as an outlaw. The foes of the Eighteenth Amendment who would pander to the appetite and avarice of mankind, recognizing their inability to secure repeal of the Eighteenth Amendment, are seeking to nullify it in the following ways: by the repeal of Federal, State and local laws enacted for its enforcement; by defeating legislative appropriations necessary to enforce it; by enacting laws to permit the sale of beer and wine; by seeking the election of officials, from Constable to President, who are not in sympathy with this provision of the Constitution and who would be indifferent to its enforcement; by encouraging violation of the law and shielding criminals; by misrepresenting the results of Prohibition; last but by no means least, forming numerous well financed orgaganizations to conduct propaganda for nullification and to defeat officials who have been faithful to their oaths to support the Constitution of the United States.

In view of these conditions, we, your committee, would recommend the following: 1. That great stress should be placed upon temperance, education, and law observance in our churches and Sunday schools; 2. That in the exercise of the right of suffrage it is our conviction that our people should support only those candidates for public office whose record shows them to be favorable to our Prohibition policy; 3. That we pledge ourselves to observe the law, to teach our children to abstain from the use of intoxicants, and we will support officials who honestly try to enforce the laws and in every honorable way exert our influence to inculcate respect for authority and for the Constitution; 4. We affirm our faith in the Anti-Saloon League, the W. C. T. U., and pledge them our continued support.

Respectfully submitted,

G. D. LEGGETT,
R. M. Von MILLER,

REPORT ON EDUCATION

During the World War we heard much about keeping the home fires burning. We understand, of course, the significance of the expression. The citizens at home were to do their whole duty so as to recruit the armies and furnish them all needed supplies.

Similarly our forefathers realized if God's Kingdom was to be extended in the earth that the home base was to pulsate with life. They understood that if we would do greater things for our God, our people would have to be enlightened. By sacrificial working and giving several Baptist schools were established in this State in those early days. We now have seven schools and colleges owned and controlled by the Baptist State Convention of North Carolina. As far as possible, the denomination is assisting these institutions.

Some of them could not exist without this aid. Under this department, we are assisting young men and women to secure an education who are preparing themselves for Missionary and Ministerial work. This year there are about 160 young men in these institutions preparing to preach the Gospel.

Our schools are composed of three Senior Colleges, Wake Forest, Meredith and Chowan; three Junior Colleges, Mars Hill, Campbell, Wingate, and Boiling Springs Junior College.. There is a combined enrollment of nearly 4,000 students at these institutions. Wake Forest this session has the largest enrollment in its history.

In passing, we can but mention our Southwide institutions: Southern Baptist Theological Seminary, at Louisville, Ky.; Woman's Missionary Training School, at Louisville, Ky.; Southwestern Theological Seminary, Seminary Hill, Texas; Baptist Bible Institute, New Orleans, La.

The Seminary at Louisville, Ky., now confers the Ph. D. degree. The requirements for this and other degrees are given in the Seminary catalogue.

We thank God for every mention of the work that has been done by our schools and we look and pray for greater achievement in the future. However, we cannot help but be alarmed when we realize there is a tremendous debt on some of our schools, and that others have inadequate endowment. We, therefore, urge the people of our Asscoiation to give larger support to our schools by real scriptual giving.

A. W. H. JONES,
J. L. POWERS,
MRS. T. B. WYNNS,
Committee.

25. We were favored by a solo by Miss Delano, of Chowan College, and a Reading by Miss Mary Stanly.

26. On motion to adopt the report on Education, Dr. W. B. Edwards spoke on the work and worth of Chowan College. He was followed by J. H. Matthews on the present situation and needs of the College. Oscar Creech, as President of Pastors' Conference, offered the following resolution as practically agreed upon by the pastors of the Association:

Whereas, the General Board of the North Carolina Baptist Convention has been making annual contributions to Chowan College for running expenses to enable it to meet the requirements of the State Department of Education in maintaining its standard as an accredited senior college, and is now unable to continue such contributions for the present session;

And whereas, Chowan College cannot continue its operation and maintain its standard as an accredited senior college without the financial support necessary to meet the requirements of the State Board of Education.

Now, therefore, be it resolved: That the West Chowan Baptist Association join with the Chowan Baptist Association in adopting Chowan College as the institution of these two associations to be maintained as a standard senior college, and hereby pledges such financial support as may be necessary to meet the requirements of the State Department of Education in maintaining its standard as an accredited senior college.

Be it further resolved: That the West Chowan Association hereby appropriates the sum of $7,500.00, to be raised by the churches of this Association, for the annual operating expenses of Chowan College, and requests all churches of this Association to place Chowan College in their annual budgets as the institution for Christian education to be supported and maintained by the churches of the Chowan and West Chowan associations, and that each church is requested to contribute and forward direct to Chowan College not less than one-third as much as it contributes to the objects of the Baptist State Convention to provide the necessary funds to meet the appropriation herein made.

27. On motion to adopt, remarks were made by O. Creech, D. P. Harris, and C. M. Billings. The report was adopted by a rising vote.

28. Dr. Thurman D. Kitchin, President of Wake Forest College, was recognized, and addressed the Association on Christian Education. The report on Education was adopted.

29. Announcements. R. B. Lineberry read a letter from Mrs. T. C. Britton in China, and was asked by motion of E. C. Andrews to make suitable response.

30. Adjourned for dinner with prayer by L. E. Dailey.

Wednesday Afternoon Session

31. Song service directed by Capehart's choir. Scripture reading and prayer by J. E. Copeland; also prayer by S. A. Adams.

32. Historian's report read and adopted as follows:

HISTORICAL REPORT

First of all we wish to receognize and give thanks for the mercies and the blessings of God throughout another Associational year. It has been a year of anxiety to all denominational interests from the headquarters of the Southern Convention down through the conventions, Associations and with the churches. The year has been an unprecedented period of anxiety and stress and uncertainties. The almost Nation-wide drought has been the most severe in the memory of any of us; crops in this immediate territory, as well as stretches of territory throughout the country, have been less than normal, both in production and in prices; cotton, peanuts and tobacco, the three money crops of this territory, have not reached higher than fifty per cent of normal crop and prices are decidedly less than the cost of production; there is unusual depression on part of our people in every community of this Association. There has never been a year in the past two decades when money was so scarce,when it was so exceedingly difficult to raise money in the churches.

Notwithstanding the financial depression that covers the country, there are many things for which we should be profoundly grateful. We have had no destructive storms, no epidemic of diseases among our people and we should thank God for these blessings in the way of health and for the preservation of our lives.

Most of the churches have had remarkably fine revivals and the attendance at these revivals was unusually good. The ingathering of members has been decidedly satisfactory.

There have been several changes in our ministry since the meeting of our Association. Brother H. G. Bryant has moved from the field composed of Capehart, Ross and Green Cross, to Charlotte; Brother G. W. Burch succeeded Bro. Bryant and has taken hold of the work with a strong hand; Brother E. C. Kolb has taken charge of the pastorate of Windsor, succeeding Dr. C. C. Cox who has moved to Norfolk, Va. Brother Kolb is a fine addition to the West Chowan ministry. We welcome him and Bro. Burch to our fellowship. All of us are grieved in the departure of J. L. Price who goes from Roberts Chapel and Buckhorn churches as pastor of Bethel at Bloxom, Va. No man has gone from us who leaves more genuine regret behind him. The people loved him because he deserved it in every respect. We welcome Brother H. F. Brinson, who succeeded Brother J. I. Kendrick at Lewiston and Kelford. Brother Brinson is a fine addition to our forces.

Sandy Run has suffered an irreparable loss in the sudden and tragic death of Brother L. C. Hedspeth, who was a faithful deacon and loyal supporter and level headed leader in the church. No man could be taken from us who could possibly be more greatly missed from the church than Brother Hedspeth. The Oak Grove church has sustained a heavy loss in the passing to his Heavenly Reward of that saintly and beloved deacon A. E. Saunders who recently slipped from us. Brother Saunders was a deeply consecrated man. He loved his church, loved the brotherhood, was a faithful supporter of the Kingdom interests. We grieve at his going.

Murfreesboro has been sorely bereft in the death of two of her substantial deacons, Brothers W. E. Jenkins and J. D. Babb. They were loyal and genuinely consecrated to every interest of their church and denomination.

In the death of Brother Lawrence Baker, Capeharts has lost one of their most useful and trusted leaders. The sympathy of all who knew him goes out to his bereaved church.

Respectfully submitted.
C. M. BULLINGS.

Yet, in view of the combined wisdom, piety and intelligence of the body, it may justly claim for itself, for its objects, and for its recommendations the very highest consideration and regard.

Article 5. The Association may dissolve connection with any church that becomes heterodox in doctrine, or disorderly in practice, or that fails to represent itself, either by messenger or letter, more than two successive sessions, without sufficient reasons, or that treats with contempt its objects and requirements, or upon application of a church for dismission.

REPORT OF WEST CHOWAN W. M. U.

The West Chowan Woman's Missionary Union has 53 Woman's Missionary Societies and 105 Junior Bands. Of this number 17 were A-1 or made all points on the Standard of Excellence last year and 69 made as many as four points on the Standard.

During the past year, our Union followed practically the same plan of work used in previous years. Bertie, Hertford and Northampton counties had its own Woman's Missionary Union. Each Union held quarterly meetings with a large attendance and programs full of inspiration as well as infomation—thus greatly increasing interest and activity in mission work.

Our watchword for the year has been "That the world may know." We have had as our chief aims individual and united prayers; the study of the missionary message of the Bible and world missions; directed and individual personal service which includes soul-winning, enlistment and other community activities; stewardship of possessions, including tithes and offering and the missionary education of our young people. These aims have been partially reached but not as fully as we had hoped.

As a Union, we have continued the support of our missionary in China, Miss Pearl Johnson, who gave us a heart-thrilling message at our annual meeting at Mt. Tabor in March. In addition to the regular contributions to different objects of mission work, we have given four Chowan scholarships, one Louisville Training School scholarship and have supported a Bible woman in China.

Through the efforts of one of our county Unions, regular monthly services have been held at the County Home and a circulating mission library has been secured.

Our financial aim for the year was $14,800.00 and we gave $9,-809.10. Perhaps this deficit was due partly to the economic depession but doubtless the gifts were very small and important work was left undone because many of our capable women have devoted to selfish, worldly pleasures much time and money that should have been given to Kingdom interests.

As a token of our love and appreciation for his earnest efforts in behalf of our Sunday School, B. Y. P. U. and other Associational work on Christmas eve our Union presented a radio to Brother R. B. Lineberry.

Surely the greatest need today in our W. M. U. work is a deeper spirituality in its membership and a more willing, consecrated leadership. If every woman in the churches of our Association were enrolled in our missionary societies and not only enrolled but fully enlisted in

the mission work what great and glorious things would be accomplished for the advancement of Christ's Kingdom.

Relying upon our Heavenly Father for guidance and strength, may the record of the new year be the very best in the history of our Union.

Respectfully submitted,
MRS HERBERT JENKINS.

REPORT ON STATE MISSIONS

From the very beginning of the organized life of North Carolina Baptists, State Missions have held a large place in the thinking and planning of our people. One of the primary objects in the minds of our fathers in the organization of the Convention as stated in the first article of the Constitution, adopted at Greenville in 1830 was "the employment of missionaries within the limits of this State." This has been the consistent and aggressive policy of thte Baptist State Convention for more than a hundred years. The truth is, the wise and aggressive policy of State Missions, humanly speaking, has made the denomination what it is in members and power in North Carolina today. Napoleon said: "Conquest has made me what I am, and conquest will sustain me." That is certainly true of State Missions, and the growth and enlargement of the Baptist churches in North Carolina demonstate the truth of it. Literally hundreds of our strong churches are trophies of State Missions.

Great and far-reaching changes have taken place in North Carolina within recent years. Three recent developments especially have thrust upon our country and village churches acute and citical problems—the coming of good roads, the automobile, and the consolidation and growth of the rural grammar and high schools. We beleive these three developments are going to be the very acid test in the life or death struggle of many of our smaller rural churches. In the days of bad roads and lack of communication, there was some necessity for a Baptist church every three miles. But that necessity no longer exists. Many of these weak, stuggling churches are doomed to die. Many more of them are going to be compelled to consolidate with others in the same territory. There must be better equipment and better support for the ministry.

The great agency in this new and untried situation, for a sane and progressive program of work and development, ought to be our General Board of the Baptist State Convention.

Let's strengthen the hands of this Board and begin with patience and zeal the effort to solve these great State Mission problems.

REPORT ON HOME MISSIONS

The Home Mission Board, through which the Southern Baptist Convention is doing its Home Mission work, has worked itself out of a very precarious financial condition and now stands on solid ground. Some workers have been dropped but the real mission work of the Board has been continued. This has been done in the face of decreasing receipts, in two ways: (1) by giving to the missionaries more territory, and (2) by reducing the appropriations to institutions. The Board is interpreting "Missions" to mean primarily the "making and baptizing of disciples," and is, therefore, majoring on preaching the Gospel to Foreigners, the Indians, the negroes in the congested districts of our Homeland and in Cuba and Panama.

The Home Mission Board's record of work from its organization in 1845 to 1931, a period of eighty-six years, is unsurpassed by any missionary organization in the world.

When the Home Board was organized in 1845, there were 7,325,000 people in the South of whom 4,525,000 were white and 2,800,000 were negro slaves. There were also 350,000 Baptists, of whom 225,000 were white and 125,000 were negro slaves. We now have 45,000,000 people—35,000,000 white and 10,000,000 negroes, we have 3,850,000 white Baptists.

During this period from 1845 to 1931 the Board employed 40,862 missionaries.

These missionaries reported as a result of their work 785,135 baptisms.

They organized 8,570 churches.

The Board received and expended in this work $20,027,700.00.

The 785,135 baptisms represent one-fifth of the total present membership of the Southern Baptists.

The 8,570 churches organized is one out of every three of the 25,000 churches Southern Baptists now have.

The 40,862 workers represent the amount of service that one hundred men could render if they had begun their work on the day that the Ark landed on Mt. Ararat, and had continued until the 1st of May, 1931.

The $20,127,700.00 spent by the Board includes all of its work—millions of dollars have been given to church building and other enterprises, and yet based on this total, the 785,135 baptisms reported by the missionaries of the Home Mission Board cost on an average of a fraction over $25.00 a piece.

We do not believe that there is a missionary agency in the world that can duplicate this record.

What of the Future

The Home Mission Board provides an agency through which Southern Baptists can bring the impact of the whole denomination to bear upon any mission problem anywhere in Southern Baptist territory.

territory. With the co-operation of the State Boards, Southern Baptists through the Home Mission Board will be able to evangelize the Southland, spread the Gospel to the foreigners who are in our midst, help the negroes to come into their own as a Baptist people, build denominational morale and revitalize our spiritual interest throughout the whole Southern Baptist territory. The prospects for the future for Home Missions are as bright as the promises of God and the faith of His people.

REPORT ON FOREIGN MISSIONS

The Foreign Mission Board reports the largest number of baptisms it has ever been able to report in any one year—14,415. Roumania again leads in the number of baptisms—5,500. Italy reports a larger number of baptisms than in any previous year—396. Gracious revivals were reported in the Shantung Province in North China, in Canton, Shanghai, Soochow, Lagos and in West Africa, and numerous other places.

The mission schools have been crowded with students and large numbers were turned away. In spite of the closing of two hospitals, the others had a record year in treating the ill and stricken people. The nine hospitals treated 73,784 patients compared with 85,431 patients treated in our 24 hospitals here in the Southland, most of the treatments being on the charity basis. The five publishing houses on foreign fields could not meet the demands for literature.

The present personnel of our mission workers consists of 425 foreign missionaries, of which 79 are at home on furlough, and 2,052 native missionaries who are operating in fourteen different countries. Fifty-eight missionaries have returned to the field during the year, sixteen have retired and six died.

The debt of the Foreign Mission Board January 1st, 1928, was $1,145,000.00, on January 1st, 1931, it was $945,366.00, a net redfuction of $200,000.00. The reduction would have been far greater but for the slump in receipts of $265,000.00 in 1929. When it became apparent that there would be a serious loss in the receipts for 1930, the Board curtailed its expenditures $51,000.00 from the amount appropriated for the year. In making the appropriation for 1931, the Board reduced the appropriation $280,000.00 below the amount appropriated in

1930, a reduction of twenty per cent. The Board suspended temporarily the payment of ten per cent of program receipts upon the debt.

We feel constrained to call attention to another debt. We spend so much time worrying over the bank indebtedness of the Board that we overlook this other debt which presses persistently for payment every day. This is the debt to be paid before all others. Perhaps the reason why we are having so much trouble paying the debt in the banks is because we have defaulted so sadly in paying this preferred debt. The surest guarantee of payment of our bank indebtedness would be the payment of this primary debt.

This is the debt to the nations which Paul confesses in the First Chapter of Romans when he says:

"I am debtor both to Greek and to Barbarians, both to the wise and to the foolish. So, as much as is in me, so I am ready to preach the Gospel to you also that are in Rome. For I am not ashamed of the Gospel; for it is the promise of God unto salvation to every one that believeth; to the Jew first and also to the Greek."

If Southern Baptists will pay fully this debt to the nations, the cause of Christ in the world will be set forward without delay.

Respectfully submitted,

J. M. DUNCAN.

REPORT ON SOCIAL SERVICE

Orphanage

Jesus, our Lord and Savious, said: "Except a grain of wheat fall into the earth and die it abideth alone, but if it die it beareth much fruit."

We interpret this as meaning that the richest and fullest Christian life is conditioned upon service.

Man best serves God in serving humanity and we rejoice that there are Christian men and institutions that, like the Master, are among us as those that serve.

We praise God for the Baptist Orphanage that was established in 1885. Since that time hundreds of children have entered that home and their every interest of body, mind and soul has been cared for.

Eternity alone can tell the good that has been done through the Christian service rendered by this institution.

We pray God that our people of the West Chowan Association in particular and of the State in general may be impressed with the importance of this work as never before and give to our Orphanage a more whole hearted support.

We sincerely trust that the Thanksgiving offering this year may exceed all previous years and that every Sunday School will set apart a Sunday to make an offering for our children at the Mills Home.

May our people remember that one phase of pure religion is to administer to the needs of orphans.

Report on Hospital

The North Carolina Baptist Hospital has been established a little over eight years.

Many have been the struggles and difficulties that those in charge of the institution have overcome and it is now one of our leading hospitals.

Thousands of afflicted and suffering people have received free treatment during these years.

Doubtless many of these people would have died but for the free service given. This institution needs thousands of dollars to carry on the work.

Sad it is, nevertheless it is true, that many of our churches contribute little or nothing to this cause.

We, your Committee, most earnestly urge that our Mother's Day special offering be greatly increased.

Report on Ministerial Relief

The care of aged ministers and their dependents has all too long been neglected by many of our people.

The Bible teaches that the man who does not care for his own household has denied the faith and is worse than an infidel.

How much greater sin to make such inadequate provision for our aged saints who are of the household of faith?

What our people are doing and what they have been doing for this worthy cause is altogether insufficient.

Therefore, we request that the churches by sacrificial giving increase their gifts to Co-operative Program in order that all the interests of the Kingdom in general and Ministers Relief in particular may receive better support.

Sabbath and Law Observance

It is with grief and painful concern that we observe that there are multitudes, many of them church members, who look upon God's holy day as a picnic holiday rather than a day of rest and worship.

If under the Law, "Remember the Sabbath day and keep it holy,, was binding upon the Jews, how much more under Grace is it binding unop Christians to honor and reverence Sunday.

This unchristian attitude towards God's holy day often expresses itself in many forms of lawlessness.

We deplore this increasing disregard for many of our laws in general and the Prohibition Law in particular.

Therefore, we would earnestly urge that "Every one who has named the name of Christ depart from sin."

To this end may we all pray and work.

Respectfully submitted,

A. W. H. JONES,
E. Y. POOLE,
E. C. KOLB,
J. H. EVANS,
G. W. BURCH.

Second Day—Morning Session

17. At 9:30 A. M., H. F. Brinson led song service. O. Creech led in prayer and G. W. Burch read some Scripture.

18. J. H. Evans discussed Aged Ministers Relief and E. C. Kolb discussed Law Enforcement. R. L. Bolton offered the following resolution which was adopted:

RESOLUTIONS

In this day of moral chaos and confusion the world over, The West Chowan Association in its 49th annual session, representing 57 churches with a total membership of 15,000, affirms its positive belief in Jesus Christ and His teachings as the only way out of chaos into order and out of darkness into light.

Prohibition continues to be agitated. We re-affiirm our long standing belief that the liquor traffic is one of our greatest social evils and has always had other social evils as its allies. For the sake of our children and for the sake of the children of others, we take our stand squarely behind all of our prohibition laws and we believe that no person is worthy of our vote who does not believe in the support of our present prohibition laws and who does not believe in the enforcement and observance of all laws which promote the welfare of the people.

As to war, the modern world with its scientific devices for death and destruction has made war unthinkable. War must go or civilization must go. We are for universal peace. We shall educate for peace, think peace, talk peace, and preach peace.

As to marriage, when there is so much loose teachings in our current books, magazines, and periodicals, we affirm our old belief in the beauty of love and the sanctity of marriage.

As to our present economic disturbance when millions of our countrymen are without employment, although we propose no positive program for economic readjustment, we firmly believe that much of the present suffering in our country is the result of an economic order which fails to recognize the Divine truth that we are our brother's keeper and that human rights precede property rights. An economic order which has placed multiplied millions into the hands

of a few, leaving millions of others without ways and means of providing food and raiment for their families is not keyed to the teachings of the New Testament and the Christian Religion. Such an economic order must be redeemed spiritually or it will utterly collapse.

Resolved, that a copy of these resolutions be sent by our Clerk to the Baptist press of the State, the local secular press and to the News and Observer.

19. G. T. Lumpkin spoke in the interest of the Baptist Hospital at Winston-Salem.

20. After special music by Chowan College talent, R. L. Bolton conducted the morning devotional.

21. Report on Education was read by Dr. W. R. Burrell as follows:

REPORT ON EDUCATION

The condition of our educational enterprises is substantially the same as last year. The reasons for the establishment and support of these institutions are well known to our people and need no elaboration. We report the same number of institutions as last year and sorrowfully admit that they face the same tragic problems. By a superhuman effort the State and Southern Boards have been able to retain all our properties, and to carry on up to the present.

One bright spot in our educational outlook is the increasing number of students who are seeking admission to our various schools. It is evident that the whole question of denominational schools is still in a state of flux, and no man may safely predict what the outcome may be.

Nevertheless, we hold steadfast to the faith, that dear as are these institutions to the hearts of our people they are still dearer to the heart of the Master, and we believe they have yet a large part to play in the ongoing of His Kingdom. The necessary facilities for education on the part of the State and commanding demands for larger equipment and higher standing in private schools constitute a challenge to large liberality and deeper loyalty on the part of God's people.

The most noteworthy event in respect to our local institution, Chowan College, has been the admission of male students to all classes. This now appears to have met with widespread approval

and gives promise of hastening to solution some of our most insistent problems.

Meantime the ever pressing necessity of keeping pace with the demands of the State and answering the appeals of the growing numbers of young people who are knocking at our doors, pleading for the opportunity of a Christian education, present to our churches and individual members a surpassing opportunity for the highest kind of Kingdom service.

A closing observation: While we continue a generous support of our educational program, both State and Southwide, let us not forget that our first duty is to our own local college. Let us rally to its support that it may become all that its most ardent friends could desire. This we do by

1. Seeking to deepen the spirit of loyalty to it.
2. By increasing the number of scholarships available.
3. By more generous contributions from the churches in accordance with the resolutions of last year's session.
4. By remembering her in the making of our wills.

The more general work of Christian education is embraced Sunday Schools, B. Y. P. U. training service, W. M. U. training schools, Daily Vacation Bible Schools, etc., which are treated in separate reports.

In conclusion, we humbly commit this great cause to the care of God and His people, thanking Him and them for the blessing of Divine guidance and generous support through these difficult and trying years and again pledge our undivided loyalty to this phase of our common task.

W. R. BURRELL.
L. SASSER,

REPORT ON SUNDAY SCHOOLS

The call for a more systematic and careful study of the Bible looms large on our Christian horizon. The Sunday School next to the home furnishes a sublime opportunity and place for enlarging our vision, feeding our souls on spiritual food and studying together and meditating on God's Word.

In our Association, the Bible School is finding a deeper and more abiding place for searching out the unsaved and leading them to Christ. It also affords a life saving as well as soul saving station for the individual.

The West Chowan Association has at present an enrollment of 9,834, which sad to say is less than reported a year ago. In 1927,

there were 9 Standard Schools. Today we have 13. In 1927, there were 235 officers and teachers holding Normal diplomas. At present, there are 359, a gain of 124.

May God hasten the day when every church member shall be enrolled in the Bible School, learning more each day of the great purpose for which our Saviour died.

Fraternally,
W. R. STEPHENS,
W. R. BURRELL,
L. SASSAR.

Second Day—Afternoon Session

24. Song service led by H. F. Brinson. Scripture read and prayer offered by E. P. West.

25. J. H. Matthews presided at the afternoon session. Historian's report was read by C. M. Billings and adopted as follows:

HISTORICAL REPORT

In the beginning of our report, we wish to record our gratitude to God for every blessing vouchsafed to His people through another Associational year. The blessings of health, of food and raiment, of the seasons and the abundant crops, of peace and fellowship, are the best of His blessings and their value should not be forgotten for a moment.

Prices of farm products are lower than they have been in more than thirty years; money is, therefore, harder to get and there has not been a period of such widespread depression within the memory of our oldest citizens. But God is our refuge and strength, a very present help in trouble.

The gloom of the present depression has caused a falling off in contributions from the churches to an alarming degree. An amazing indifference has seized upon our churches and as a result every cause represented in our great program is suffering. Debts are increasing on all mission boards and institutions of learning. Yet we must not forget that our people have not been able to adjust themselves to

these stringent times in a way that will maintain our denominational work, and at the same time meet their own pressing business obligations.

During the year, many of our churches have held revivals with very fine results. Reports of unusually large ingatherings have come. Several pastoral changes have occurred since our last meeting. Brother Von Miller resigned at Rich Square, Menola and Potecasi. Brother Talton has recently accepted Rich Square, while Brother Sasser has accepted Potecasi. Brother D. P. Harris resigned Seaboard to accept Louisburg. Brother Andrews resigned the Winton field to go to Maryland. Brother Pool resigned Colerain and moved to Richmond, Virginia.

The Oak Grove Church has sustained an irreparable loss in the homegoing of Deacon S. E. Marsh. He was a good man, honest to a fault, the largest contributor in the church and kind to the poor and needy, a man loved and respected by all who knew him.

Deacon T. J. Stephenson, of Mount Carmel, has laid down his useful life and gone to his reward. He was a trusted and greatly loved deacon for a period of forty years.

In the death of Rev. Dancy Cale there passed from earthly scenes and labors a princely soul, one who was loved as few men are loved and one who loved everybody as sincerely as he was loved. His pastorate of nearly forty years at Galatia was his joy and pride. He organized Ashley's Grove, where he was pastor for a number of years, and was pastor of several other of our churches for long periods of time.

26. The Clerk was asked to write Rev. E. Y. Poole, expressing sympathy and expressions of love from the Association.

CONSTITUTION

NAME

Article 1. This body shall be known as the North Carolina West Chowan Baptist Association.

MEMBERSHIP

Article 2. It shall be composed of messengers elected by the churches connected with this body and all ordained ministers who are members or pastors of said churches, together with the officers of this Association, and chairmen of all standing committees. Each church of one hundred members and under shall be entitled to two messengers, and for each additional one hundred members, an additional messenger; provided, that no church shall have more than four messengers.

OBJECTS

Article 3. The objects shall be to devise and recommend measures for increasing the harmony, the intelligence and spiritual power of the churches, and for developing and directing their energies, their resources and their gifts, in advancing the Redeemer's Kingdom on the earth.

POWERS AND PREROGATIVES

Article 4. The Association shall have no power to infringe upon the sovereignty or rights of the churches. It is neither an ecclesiastical nor legislative council, nor court of appeal. It may advise the churches and recommend measures of usefulness for their adoption, but cannot bind them in any way. Yet, in view of the combined wisdom, piety and intelligence of the body, it may justly claim for itself, for its objects, and for its recommendations the very highest consideration and regard.

Article 5. The Association may dissolve connection with any church that becomes heterodox in doctrine, or disorderly in practice, or that fails to represent itself, either by messenger or letter, more than two successive sessions, without sufficient reasons, or that treats with contempt its objects and requirements, or upon application of a church for dismission.

Rights of Churches

Article 6. Each individual church shall hold and exercise all the functions of an independent church of Jesus Christ. As constituent members of this Association, the churches shall have the right to advise, when desired, in case of difficulty, and suggest plans of usefulness to be adopted. It shall be the undisputed privilege of any church to withdraw its membership from this Association whenever it shall so elect.

Duties of Churches

Article 7. It shall be the duty of the churches to appoint as messengers as far as practicable, their most capable members, to require their attendance, and to send by them a contribution to the Association fund to pay for printing the Minutes and other necessary expenses.

Article 8. It shall be the duty of each church to send an annual letter to the Association, giving: (1) locality; (2) names of its pastor and clerk and their respective postoffices; (3) the Sabbaths of regular service; (4) church statistics, including the number baptized, received by letter, restored, dismissed, deceased, expelled and aggregate membership, male and female; (5) Sabbath school statistics; (6) amount contributed to benevolent objects and the Association fund; (7) names of messengers and alternates; (8) any other information of special importance.

Organization

Article 9. The officers of this Association shall be a Moderator, Vice-Moderator, Clerk, Treasurer and Historian, who shall be elected at each annual session, from the members of the Association, and shall continue in office until the next annual election, which election shall be the next order of business after enrollment of messengers. As soon as the new officers shall have taken their seats, the body shall be declared organized and prepared for business.

Article 10. In order to conserve time and not to interfere with the main work of the body, this Association will not consider any routine or miscellaneous business except at the close of the discussion of each general topic.

Duties of Officers

Article 11. It shall be the duty of the Moderator to open the meetings punctually at time appointed; to enforce the rules; to enforce order, and to exercise all the prerogatives of a presiding officer, according to the principles of parliamentary usage.

Article 12. It shall be the duty of the Vice-Moderator to discharge the duties of the Moderator in his absence.

Article 13. It shall be the duty of the Clerk to keep a faithful record of the proceedings of the body, and superintend the printing and distribution of same, and to keep on file the printed Minutes and other important documents belonging to the body. He may appoint an assistant when necessary. The Clerk shall receive for his services fifty dollars out of the Minute Fund.

Article 14. It shall be the duty of the Treasurer to receive and disburse the money contributed to the Minute Fund, as directed by the body, and make an annual report of the same.

Article 15. It shall be the duty of the Historian, who shall be elected at each annual meeting of the body, to prepare for publication in the Minutes an historical sketch of the church with which the Association meets, with obituaries, incidents, and other facts of the year that shall be preserved, and make report to the next Association.

Article 16. On the first day of the session there shall be appointed a committee of finance, committee on time, place and preacher, and a committee of one from each county to nominate representatives of boards and to nominate an Executive Committee of nine members composed of two men and one woman from each of the counties.

Article 17. This Constitution may be altered at any annual session of the body by a two-thirds vote of the members present.

RESOLUTIONS

Resolved (1) That no church shall be entitled to representation in this body unless in perfect accord with the Constitution thereof, that fact to be ascertained by a committee of five on credentials, appointed at each session of the body immediately after organization; (2) the report of this committee shall be the property of the Association just as any other report. (Adopted 1898.)

Resolved (3) That henceforth this Association withdraw fellowship from any church that allows its members to engage in the manufacture and sale of intoxicating liquors as a beverage. (1891.)

Resolved (4) That it is the sense of this Association that selling intoxicating liquors through a dispensary is a violation of the spirit and letter of the resolution of our Constitution. (1905.)

8. No committee shall be in session during the hour of business without permission from the body.

9. All questions of order not herein provided shall be decided by Mell's Parliamentary Practice.

PROCEEDINGS

OF THE

FIFTIETH ANNUAL SESSION

OF THE

WEST CHOWAN BAPTIST ASSOCIATION

AHOSKIE BAPTIST CHURCH

October 25-26, 1932

First Day—Morning Session

1. The Fiftieth Annual Session of the West Chowan Baptist Association of North Carolina convened with the Ahoskie Baptist Church, Ahoskie, North Carolina, on Tuesday, October 25, 1932, at 9:30 A.M.

2. Oscar Creech, pastor, conducted a song service using "Come we that love the Lord" and "I need Thee every hour"; he made a statement about the early history of the church and asked G. W. Burch to lead in prayer. "Faith of our Fathers" was sung also.

3. Dr. W. Mitchell, Moderator, called the Association to order. The printed program as prepared by the committee and distributed was adopted. The Clerk called the roll of churches with the list of messengers as named in the letters sent to him—only one church was not represented. On another page is printed a list of the names of the churches and their representatives at this session, those absent marked by the asterisk (*).

4. Dr. Mitchell declined to be Moderator longer and on motion of C. M. Billings, J. H. Matthews was elected Moderator. On motion of H. F. Brinson, Herbert Jenkins was elected Vice-Moderator; R. B. Lineberry was elected Clerk, on motion of O. Creech; on motion of K. E. Bryant, W. A. Thomas was elected Treasurer; and C. M. Billings was elected Historian, on motion of R. Lloyd.

5. G. W. Burch applied for membership in the Association of a new church at Elm Grove. The Moderator appointed C. M. Billings and Oscar Creech a committee to investigate and make recommendation as to whether they shall be received.

6. The following visitors were recognized during the sessions of the Association: J. C. Hough of Kennedy Home, G. G. Page and wife of Campbell College, R. T. Daniel and T. M. Allsbrook of Weldon, E. D. Wilson of Roanoke Rapids, C. L.

Dowell, Dr. W. R. Cullom and J. A. Easley of Wake Forest, W. R. Beach of Raleigh, Tom E. Walters of Rocky Mount, W. L. Britt and wife of Richmond, M. A. Huggins of Raleigh, G. J. Burnett and C. S. Cashwell of Anti-Saloon League.

7. W. R. Beach presented the claims of the *Biblical Recorder* and renewed the race with the Robeson Association for subscriptions and renewals.

8. W. B. Edwards read the following report on Education:

REPORT ON EDUCATION

What is Education? A drawing out. It should be, then, the result of drawing out or leading out—the development of the whole person.

In our common parlance, we limit the sphere of such development to the intellect. Hence, if we include the whole being, we must say *Christian* Education.

Lewis E. Lawes, one of our prison wardens, says, "Education is as much a problem in Crime as in Ignorance. There is no inherent virtue in learning itself."

We infer from this statement that Education has as much to do with character as with learning. Tennyson recognizes the necessity for harmonious development of the whole being in a stanza of *In Memoriam*:

"Let knowledge grow from more to more
But more of reverence in us dwell;
That mind and soul, according well,
May make one music as before,
But vaster."

Education is essential in a democracy. Political philosophers of all centuries have taught, do teach, and will teach that men will do right if they have knowledge—consequently efficient state systems of Education have been evolved from such beliefs and teachings—and they are a necessary bulwark to their several states. But we believe there is needed an additional protection to our fair land.

There is more in Education than in mere knowledge. It is true that knowledge is power; and power wrongly used is dangerous. There must be in Education the content that will give the proper direction to the power. Hence the necessity for Education dominated by the ideals of Jesus Christ.

Some nations in the old country had no system of Christian Education to give a soul to the education under governmental control—all Education—primary, secondary, technical, collegiate, university, and even theological—was controlled and directed by government. Germany is an example of this. And what was the result? The cataclysm, carnage, and chaos of the World War.

I do not think that we need to go to Germany for such an example; namely, to find that things have gone awry—society is on the verge of revolution—moral standards seem to have been revised downwardly. We

listen with shameful blush on our faces to the utterance of indecent language. Not only has the mad rush for pleasure and restlessness made its inroads into our social life; but, alas, I fear it is making like inroads into our organized religious forces, as well.

The writer has observed that we lay too much stress on the cost of fine buildings, average attendance, contributions to stated objects, and conformity to standards—rather than laying stress on man's need of the redeeming love of Jesus Christ. As I just stated, we seem not only in our day schools, but Sunday Schools, as well, to be sacrificing the real spirit for *standards,* for we hear the gospel of standards preached on every hand—and if this doctrine continues, we shall again crucify the real spirit of Christ on the Cross of Standards. Again, we consider worship at our churches as means to an end; namely, that of satisfying certain religious requirements and not the real spirit of worship. It seems to me that we think more of supporting boards than we think of supporting God's work. Our appeals are made to the head and not to the heart. What can be done to correct this situation and these conditions? Not only at home, in church, and Sunday Schools, and Christian colleges? It seems to me there is but one answer—namely, uplift Jesus Christ. He stated clearly when He was on the earth that He—if He were lifted up—would draw all men unto Him. And just as powerfully should His words resound in our spiritual ears today even though removed nineteen hundred years from the time of Christ's utterance of them. This should be done all along the line. We should reëstablish and strengthen family altars in our homes and churches and Sunday Schools should lay less stress on standards and more on the real spirit of Christ and His mission in the world.

Now as to our colleges. Our schools must of necessity meet two requirements: First—*Academic:* In order to meet the demands of the state rating committee—a sort of tyranny of democracy, if you please. I wish it were possible to equip all our five schools that there should be an equality of equipment with state schools; but in order to keep them alive and virile we must keep in mind their purposes.

Second—*Christian Standards:* Every care should be taken to make the entire environment Christian. What is environment? I answer my own question. The summons of the soul to action. This can be done—in what ways?

First—By means of our religious organizations—Morning Watch, Evening Watch, B. Y. P. U., Student Volunteer and Life Service Band, and Y. W. A.—very actively patronized and supported by our students. These religious organizations are first with us, so far as real value is concerned. Again, one year of Bible is required of every student who comes to Chowan College and takes a diploma or a degree.

Second—By means of trying to make the entire personnel of the college constituency or family *Christian.* If this be done, the entire campus will be permeated by the spirit of the lowly Nazarene. And not only will this spirit be found on our campuses but it will exert itself

after college walls are left and places of influence in the world are taken.

What a responsibility rests on us as Christians! If every Sunday School in North Carolina and every one of our five Baptist colleges would keep their personnel absolutely and entirely Christian, what a power for good they would be! And through them, what could God do? Let us not limit His power—but rather let us make and keep all these agencies Christian in deed as well as in name.

Endowments are necessary but a Christian soul of an institution is vastly more necessary.

J. M. DUNCAN, *Chairman.*

Miss Cora Felton Bass sang and on motion to adopt the report it was discussed by W. B. Edwards and J. H. Matthews. J. H. Matthews offered a resolution which was amended and adopted as follows after discussion by the following: H. F. Brinson, R. L. Bolton, A. W. H. Jones, R. T. Daniel, E. C. Kolb, Mrs. O. P. Snipes, J. M. Duncan and Paul Fleetwood, the time being extended ten minutes for the discussion:

RESOLUTION

RESOLVED, that each church in the West Chowan Association be, and is hereby urgently requested to place Chowan College in its regular church budget and to contribute and remit directly to the college, during this Associational year, one-half of all amounts received by each church for any and all objects, other than for local church expenses, hospital, orphanage and specific designated contributions, for the support and maintenance of Chowan College as the standard senior college of the Chowan and West Chowan Associations.

Motion to adopt report on Education left open till afternoon session.

9. The congregation joined in singing "I need Thee every hour," and W. R. Stephens preached the annual sermon, text Revelation 2:7.

10. The Moderator announced the following committees: Finance—A. O. Kiff. Time, Place and Preacher—H. F. Brinson, A. W. H. Jones, H. W. Greene. Nominations—Richard Lloyd, K. E. Bryant, R. B. Lineberry.

11. After announcements by Clerk and Pastor, adjourned for dinner, prayer by R. L. Bolton.

First Day—Afternoon Session

12. H. F. Brinson conducted Song and Praise service. After the song "I'll go where you want me," some comment was offered on John 17:18 and W. V. Tarlton led in prayer.

13. G. G. Page spoke words of greeting from Campbell College and Dr. W. R. Cullom spoke on Christian Education. Report on Education was adopted.

14. J. M. Duncan offered the following resolution which was adopted:

A part of the following resolution was offered to the Central Association at its last session:

WHEREAS, Christian Education is an essential part of the Christian program and is indispensable to the development of Christian homes and leadership, and

WHEREAS, our Christian colleges furnish one-third of our college graduates and three-fourths of all the names in "Who's Who," and

WHEREAS, our Christian homes and churches have sent only one per cent of their young people to Christian colleges, and Christian colleges have sent back ninety per cent of the ministers and missionaries, and

WHEREAS, serious financial burdens rest upon the Baptist State Convention and some of our denominational schools, and

WHEREAS, the churches of the West Chowan Association assembled this the twenty-fifth day of October, 1932, desire to continue to support Christian Education. *Be It Therefore Resolved:*

First—That the West Chowan Association hereby pledges its loyalty to Christian Education.

Second—That the Baptist State Convention in session November 15-17, 1932, appoint a commission, which commission will make a thorough and unprejudiced survey of the academic, Christian and financial conditions of and pertaining to our denominational schools and report with recommendations to the General Board, or to the Baptist State Convention in called session within six months from November 15, 1932.

Third—That the office of the General Secretary have prepared, as early as possible, a financial statement as of 1922-1932, showing for that period the total annual receipts for all education from all sources. Such as the Coöperative Program, sales of bonds, special campaigns, etc., annual disbursements to and for each school, all liabilities assumed by the convention for each school directly and indirectly, the total amount paid out on principal and interest, financing, etc., in retiring these obligations, and the net reduction of indebtedness as of the aforesaid period.

Fourth—That a copy of this be sent to the office of the General Secretary and one to the Editor of the *Biblical Recorder.*

Respectfully submitted,

SOCIAL SERVICE

Orphanage

There is no work that has a stronger appeal to our Baptist people than that of our Orphanage.

And yet, with all our love for this institution and our appreciation of its value, and of the splendid work that is being done there by consecrated, faithful men and women, we have to be reminded over and over again, year after year, of its needs, its shortages and its growing demands.

On Saturday morning, August 20, a pall of gloom came over the Orphanage in the tragic death of the General Manager, Dr. Kesler. Dr. Kesler had been the General Manager at the Orphanage for twenty-seven years—having gone there on September 1, 1905. From an editorial in *Charity and Children,* of March 8, 1906, we quote the following:

"Rev. M. L. Kesler has sense. He also has energy. He is not afraid of work. When he is managing a gang of boys he puts in the best day's work of all. He knows what is to be done and how to do it. He can put in a stove back, repair a sewing machine, weld a trace chain, run off a corn row, coax a gasoline engine into action, manage a graded school, make the best speech of the whole bunch or write an editorial that rings like a bell. There is hardly anything that needs to be done that he cannot do considerably better than anybody about him. He is a good, safe, sensible, conservative, prudent and practical man, and our people have already found it out."

On September 15, the trustees of the Mills Home elected Professor I. G. Greer, of the faculty of the Appalachian State College, Boone, N. C., as General Manager to succeed Dr. Kesler. Mr. Greer has reached the age when one probably feels more keenly the sympathy and guidance of a "foster" father than at any other time. Mr. Greer has an enviable record as teacher of "History and Citizenship." He is a native of Watauga County. Surely we feel that the trustees have made a very wise choice in Prof. Greer, and we bespeak for him a great work at the Mills Home.

On January 1, 1931, there were 634 children in the Home. There were 62 admitted during the year, making a total of 696. Of this number 318 are boys and 378 are girls. The Mother's Aid Department aided 80 families during the year, with a total of 338 children. This department spent $19,334.61 during the year. Of this amount $17,255.39 went direct to the mothers. Three hundred and fifty-five children are enrolled in the elementary school and 136 in the high school, making a total enrollment of 491. The value of the plant is $1,132,468.76. The cost of operating the Home for the past year was $222,570.05. The per capita cost in the Mills Home was $22.14 per month; in the Kennedy Home it was $24.55. The average cost per child per year was $271.87.

If every church would make a monthly contribution to the Orphanage and a great free-will offering at Thanksgiving the doors could be

opened wider for the accommodation for the 464 who made application during the year.

Hospitals

Christ, as Prince of Preachers, commissioned His disciples to preach the glad tidings of the gospel; as Master Teacher He commanded them to teach His followers all things pertaining to His program; as the Great Physician He commanded them to heal the sick. Through the Christian centuries Baptists have been very loyal to the first two commands. Only since the ushering in of the last half century have they in any measure heeded the third command to Heal the Sick. Christ, Himself laid a worthy example for His followers to emulate in healing the sick.

Southern Baptists have twenty-nine hospitals with a valuation of over $13,000,000. We have eleven hospitals in the foreign fields. North Carolina Baptists have one hospital located at Winston-Salem.

Denominational and private hospitals care for seventy-five per cent of all the patients of this country and spend less than one-half of the money used for this care. Fortunately the Baptist Hospital belongs to that class that makes a dollar go a long way. Our hospital at Winston-Salem has been hard pressed for the past two years. Demands for help greatly increase and income from pay patients decrease with the months. Many of the smaller hospitals have been compelled to discontinue taking charity patients and that has increased the number sent to the Baptist Hospital. At the present there are thirty-five patients in the North Carolina Baptist Hospital receiving help. They represent twenty-one counties, all the way from the Atlantic to the Tennessee line. They must be cared for or many of them will die. The hospital is receiving less pay patients which makes it very difficult to help pay the expenses of the part pay and charity patients. The first four months of this year shows 1,317 less pay patients than the same period last year. Mother's Day offerings fell off around $2,500.00 over last year.

To meet these conditions, salaries have been cut, expenses curtailed, and much needed new equipment left off.

Our churches must come to the help of this great institution for healing the sick or the doors will have to be closed to so many worthy and needy patients. The hospital has been commanded to keep out of debt and compelled to take the sick by our pastors and churches. This great relief agency of the North Carolina Baptists must have the support of every church who sends one of its members to the hospital to the minimum sum of $1.50 per day. That will not be asking too much of every church sending patients and will greatly help the hospital to take care of these sick and suffering.

These are our Brothers and Sisters in Christ and it behooves every Baptist to see to it that our hospitals shall receive our whole-hearted support for their continuation.

Ministerial Relief

The Southern Baptist Convention fosters the Relief and Annuity Board, located at Dallas, Texas. This Board is only about fifteen years old, yet it has done a marvelous work. Industry and organized labor have been making provision for those who had rendered long and faithful service for many years. But only until this recent time have Southern Baptists made any provision for those servants of the Cross who had been faithful and loyal to the cause of Christ.

The work of this Board is divided into two departments: The Relief Department which aids worn out ministers and their widows and dependent children with funds derived from the Coöperative Program. The other is the Annuity Department which works somewhat like an insurance company.

Recently there has been added a service plan whereby the local church can help the minister pay the installments in the Annuity Department. By doing this every church can help those who serve it to receive some income in case of disability or help their widows in case of death.

Instead of eulogizing the Servant of the Cross at death it would be far better to make it more comfortable for him while he lives.

Temperance

"Wine is a mocker, strong drink is raging: and whosoever is deceived thereby is not wise." Never has the truth of these words been more evident than just now. And we might add, they are just as true of the friends of wine. They would mock us with modification which means nullification. And we shall be extremely unwise if we allow ourselves to be deceived by them.

The greatest reform ever undertaken by men was launched when the good people of this land set themselves to the task of ridding the country of liquor and its attendant evils. And that reform was set well on its way to success when, after a generation of patient praying, tireless toil and persistent voting, forty-six out of the forty-eight states said, "Write into the Federal Constitution the Eighteenth Amendment, prohibiting the manufacture and sale of intoxicating liquor for beverage purposes within the borders of this nation." But let us not be deceived. The fight is not finished. The friends of liquor are making a desperate stand. And let us not become confused. The friends of liquor are fighting for liquor.

Both major political parties in their national conventions laid planks of repeal and submission which in the end means the open saloon.

The only hope left is in the election of a dry Congress. Two-thirds of both houses of Congress is required to propose a constitutional amendment and a majority in each house of each state legislature to ratify such an amendment, ratification of three-fourths of all the states being required.

Every friend of prohibition in every state should vote his convictions, insofar as it is possible to do so in the coming general election.

Respectfully submitted,

REPORT ON MISSIONS

State Missions

The work of the North Carolina Baptist Convention is carried on under the direction of its General Board, with an executive secretary. Mr. M. A. Huggins as acting secretary is filling this position admirably pending the early choice of a successor to Dr. Chas. E. Maddry, who served for twelve strenuous years, resigned recently to become executive secretary of the Promotion Committee of Southern Baptists, and has

now accepted a call to the executive secretaryship of the Foreign Mission Board.

In our state work there are three departments: Missions, Education and Benevolences. This report deals briefly with the first of these.

During the past few years deep cuts have been made in our state mission program, due to large outlays for education, particularly for the plant of Meredith College, and due also to declining contributions in these years of financial panic and general instability. How drastic these cuts have been is revealed by the fact that the number of missionary pastors fell from 86 in 1930 to 47 in 1931 and still further to 42 this year. Many of these men are laboring in places of great need and some of them are receiving less than $10 a month from the state board. In this work there is now much less than in former years of competition with churches of other denominations in "over-churched" areas and a laudable effort to evangelize sections which more completely lack the gospel of Christ. This is particularly true of certain new or rapidly growing industrial communities. Still, however, among such extremely needy groups as the inmates of our state prisons and camps and our struggling, aspiring Negro neighbors, who are so near and yet so far, we are doing little or nothing. Among the Indians of Robeson and Swain counties we have a few workers.

Our Sunday School development and extension work has continued its progress under the capable leadership of Perry Morgan and his assistants, L. L. Morgan and Miss Bessie Morgan, with considerable monetary aid from the Sunday School Board at Nashville. Miss Winnie Rickett, experienced and winsome, has succeeded the highly effective Jas. A. Ivey as B. Y. P. U. Secretary. Miss Cleo Mitchell is doing most acceptable work among the students at North Carolina College for Women, Mars Hill College, and a few other schools. Rev. J. M. Page, "building evangelist," is laboring helpfully for the improvement of certain village and rural churches, especially in cases where buildings are to be erected or paid for. Intensive evangelistic work for religiously backward communities in twelve counties along or near the Atlantic coast, and persistent efforts to arouse and enlist scores of laggard churches of the hyper-Calvinist, anti-mission type in the mountains—these and other hard tasks are absorbing the energies of our state workers and of many temporary helpers.

Beginning last year and continuing this year in perhaps a more thorough-going fashion, our state forces are promoting the every-member canvass for financial support of church and denominational enterprises. Here they are tackling one of the hardest problems of our Baptist life, that of enlisting for worthy and regular giving a host of church members who have been dodging their responsibilities in this matter. The pastors generally and thousands of laymen and women are giving enthusiastic coöperation in this fundamental and pressing work.

Home Missions

In its report to the Southern Baptist Convention in May, 1932, our Home Mission Board gave a brief summary of its achievements during the eighty-seven years since it was constituted. We quote:

"During this period the Board employed 41,062 missionaries. These missionaries reported as a result of their work 785,500 baptisms. They organized 8,570 churches. These 785,500 baptisms represent one-fifth of the total present membership of Southern Baptists. These 8,570 churches organized by Home Board missionaries represent one out of every three of the total number of churches Southern Baptists now have. The Board received and expended in its work during this period $20,500,000. . . ."

In order to make large payments on its enormous indebtedness this Board has cut its normal missionary operations to the marrow. In May of last year it formally dissociated itself from a number of mountain academies, transferring the responsibility for their maintenance to local boards of trustees. A few years earlier the department of evangelism had been discontinued.

At the time of the report referred to above, or during the year covered by it, the Board had 38 workers and 122 churches and mission stations among the tens of thousands of foreign-speaking people in our southern cities. Several schools and good-will centers were being conducted in places of congested need. In 40 churches and mission stations among several tribes of Indians, almost wholly in the Southwest, there were 21 workers. Six workers among Negroes reported 404 reached by personal religious effort and 692 additions to the churches, 355 of these being by baptism after they had confessed Jesus as their Savior. Two men were working here and there among the 45,000 deaf people of the South. A Seaman's Institute in Jacksonville, Fla., and a greatly useful Baptist Rescue Mission in the moral darkness of New Orleans were being maintained. Superintendent M. N. McCall and his helpers in Cuba were pressing the work through 42 churches and 46 additional preaching stations. Here, as in other fields of the Home Mission Board, emphasis has been placed upon the distribution of Bibles and other Christian literature, with all its power to bless by the grace of God.

Thus does this great agency of Southern Baptists sow "the good seed of the Kingdom" in many places across our dearly loved South. More power to its right arm and more seed for sowing!

Foreign Missions

The following words, timely and challenging, appear in the latest annual report of our Foreign Mission Board, presented to the Southern Baptist Convention five months ago:

"The retardation of missions is not in fields abroad, but in the halting support which we here in the homeland are giving to our workers. The upheavals in all the world are jarring open still wider the doors of opportunity for mission service. There has never been a day when the doors to missions were more open than they are today."

Are we entering these open doors? Yes, the consecrated men and women who have ventured forth into all the world on our behalf and in the service of Christ our Lord have been entering doors that were open and knocking at doors that were closed. Last year 16,568 baptisms was the record—the highest number in all the eighty-seven years since Southern Baptists launched this work. Think what these baptisms mean in the way of preaching, praying, personal work, deep searching of heart, firm decision, breaking away from ancient systems of faith and custom, and loyalty in the face of a thousand difficulties!

Our foreign missions are now in thirteen countries and in all the great continents except North America and Australia. The fields are: Africa, Argentina, Brazil, Chile, China, Hungary, Italy, Japan, Jugo-Slavia, Mexico, Palestine-Syria, Roumania and Spain. We have 2,681 foreign churches; of these 1,868 have risen to self-support. In some fields the churches have been able to band themselves together in associations and conventions and even to launch home and foreign mission work of their own. Thus do the children of our loving labor grow up to manhood and service. Little less than mervelous has been the spirit of giving among these new Christians, living in such destitution as we have not seen. During last year our foreign churches "gave for the support of the work . . . $145,000 more than Southern Baptists gave for the Foreign Mission Board in 1906," only twenty-five years ago. The number of these churches in the twenty-five years has multiplied more than ten times.

Besides evangelistic and church work the missionaries are giving service of immeasurable value in producing and distributing Christian literature, in teaching, in healing, and in other forms of ministry. Last year we had 319 schools of all types, from kindergarten through college and seminary, with 20,674 students. Our foreign hospitals, standing in the midst of untold disease and pain, numbered 28 buildings, with twelve missionary doctors, 10 missionary nurses, 27 native doctors, and 128 native nurses; and 73,069 patients received treatment in the name of the Great Physician.

Let the members of all our churches understand that our unspeakably precious foreign mission work, crushed by debt and pressed to the wall by swiftly declining contributions, has come to a midnight hour. The Board's last annual report includes these words:

"The budget for this year is one-quarter of a million dollars less than the budget for last year (1931). It is $525,000.00 less than it was for the year 1930. It is about $600,000.00 less than it was five years ago. . . . We have been cutting at a frightful rate of speed. . . . We have lost a net of 127 missionaries in the last six years. . . . This is a loss of almost a quarter of the largest missionary force we have ever had afield. It is the loss of 25 a year on the average."

Since the foregoing statements were made the Board has had to recall 30 additional workers. One of our wisest men, Dr. W. O. Carver of the Seminary at Louisville, recently has expressed the anxious fear that

our foreign missions were in imminent danger of a further decline so serious as to approach collapse. May the compassionate Christ, lover of all men, give us the heart and the will to deny ourselves for the sake of his work among the teeming, pitiful millions of earth—these who go stumbling through the darkness, feeling out after God, and crying to us for the light that shines in his face.

ERNEST C. KOLB,
For the Committee on Missions.

WOMAN'S WORK

The W. M. U. of the West Chowan Association is composed of 52 Woman's Missionary Societies, 22 Young Woman's Auxiliaries, 28 Girl's Auxiliaries, 17 Royal Ambassador bands and 43 Sunbeam bands. Bertie County leads with 20 W. M. S., 10 G. A.'s, 8 R. A.'s and 18 Sunbeam bands while Northampton leads with 8 Y. W. A.'s. Bertie also claims two W. M. S. that made A1 on the standard of excellence, these being Aulander and Lewiston. We have barely held our own this year in the number of organizations and again may not reach our financial goal, yet in some ways there has been development. We have established a circulating library, the office being at Chowan College in charge of Miss Grace Parker as librarian. We are still maintaining Miss Pearl Johnson as a missionary in China. Each of the three counties still has a quarterly meeting—the summer meeting being given to Young People's work. Bertie gives two scholarships to Chowan College and Northampton and Hertford each give one. My observation is that there is a spirituality among the W. M. U. of this Association as we go to our work, singing not only with our lips but in hearts "Jesus shall reign."

MRS. R. B. LINEBERRY.

31. Historian's report by C. M. Billings, including history of Ahoskie Church by Oscar Creech was read and adopted, as follows:

HISTORICAL REPORT

During the year 1932 very few items of special interest have come to the attention of your historian. Economic conditions have not greatly improved and we doubt if the work in our churches has greatly improved over last year. Early in the summer Brother West resigned the Winton pastorate, and Rev. D. J. Robinson has recently accepted a call to that work. W. R. Stephens has resigned at Mars Hill, and Dr. W. R. Burrell has resigned the chair of Bible in Chowan College, and the churches in Murfreesboro and Conway, and has taken charge of Reed's Memorial Chapel in Asheville. Our hearts are sad because of Dr. Burrell's going. He was our best preacher and our profoundest scholar. He was loved by us all. He was our friend. We shall miss him.

Dr. A. W. H. Jones has become pastor of Robert's Chapel. Seaboard, Elam and Oak Grove are pastorless. Mars Hill is also without a pastor.

It is with a sense of deep sadness that we record the death of Deacon Kenton Phelps of Horton, which took place since our last Association. No finer Christian lived amongst us. He was loyal, consecrated and faithful to every duty, and was loved by all who knew him.

Just a few days more than a year ago the writer of these lines was happily married to Miss Mary Ellen Whitney, professor of Romance Languages in Chowan College, and two months later, while on a visit to her family in Indianapolis, Indiana, she was stricken with pneumonia and lived only a few days. In her death a brilliant star fell from our earthly view, but she will live on in the hearts of her pupils and her fellow members of the faculty of the college and her loved ones.

Aulander Church has suffered the loss of two of her fine and faithful deacons, Brethren W. D. Hoggard, age 81 years, and W. E. Chamblee, age 62. These brethren were much beloved and had honored their office in all their walks in life. They are greatly missed.

John E. Vann, deacon and a prominent and useful member of Winton Church for many years, died this year.

History of the Ahoskie Baptist Church, 1932

The years 1802 and 1803 were characterized by a great spirit of revival in the churches of this section. In less than two years Meherrin, the mother church of Ahoskie, received 160 by baptism. In August,

1803, at a session of the Bertie Union meeting at Meherrin it is said that there were four thousand people present. Lemuel Burkett preached in the grove to the overflow. As he mounted the platform "It was expected from the appearance of the clouds to rain every moment, and before he was done preaching it did so. Notwithstanding this, the numerous congregation kept together, and one thousand people were exposed to the rain without any shelter; some crying, some begging the ministers to pray for them, and some convulsed to the ground, and the greater part composedly stood and received the falling shower." While Rev. Burkett was preaching in the grove Robert Murrell was holding forth in the meeting house, and a scene similarly exciting was being enacted. (Duncan's *Brief History of Meherrin.*)

It was under such spirit of revival that the Ahoskie Church had its origin. Evidently it was during these two years of revival at Meherrin when people traveled from fifty to seventy-five miles to reach the church that the little Ahoskie meeting house was built as a branch of Meherrin.

In 1804 the Ahoskie Church was organized with the following charter members (a partial list): George, Josiah, Jalon and Bryant Holloman—four brothers, Wiley and Jesse Brown, Josiah Mitchell and wife, Thomas Holloman and wife, John S. Godwin and wife, Jesse Barnes and wife, Ryan Miller and wife, Jimmie Riddick and wife, Leslie Parker and wife, Hardee Hill and wife, William Slaughter and wife, Tom Sewell, Natahan Saunders. "The church was located on the north side of Ahoskie Swamp from which the name is derived (being Indian origin) midway between the Roanoke and Chowan rivers, in the midst of the most fertile section of eastern North Carolina. This church now has for one and a third centuries been the center of a religious and moral life, that has caused the community in which it is located to take rank among the foremost in the Association in religion and morals." (C. W. Mitchell in *Minutes of 1899.*) At the time of the organization of the church, 1804, there were only five churches in what is now the West Chowan Association: Meherrin, Sandy Run, Cashie, Colerain and Conaritsa.

The next year, October 1805, the Ahoskie Church was received into the Kehukee Association. The church was represented by Rev. Hillory Morris and Natahan Saunders and reported 67 members. The church is reporting this year 664.

This church was one of the eighteen churches that had representatives at Salem Meeting House in Pasquotank County, May 16, 17, 18, 1806, to organize the Chowan Association. The Chowan Association met with Ahoskie Church in 1833, 1867 and 1877; after the organization of the West Chowan in 1882 at Harrellsville it has met with this church in 1899, 1917, and now in 1932. It has been ninety-nine years since the Association first met with Ahoskie.

Buildings. The Ahoskie Church was organized in a little building in which services had been held as a branch of Meherrin. The lot for the building was given by Miss Nancy Cherry. Soon after the church was organized it was found that the building was too small for the con-

gregation. It was torn down and rebuilt as a barn on a farm now owned by Mrs. Bettie Mitchell about three miles from town. The building is still standing. The second building was erected by George Holloman and his brothers, Josiah, Jalon and Bryant, charter members of the church. This house was used until about 1870, when another building was erected. Henry Modlin hewed some of the sills for the house and William Henry Miller and Dick Jordan, a colored man, sawed most of the lumber with a rip saw. This building was remodeled twice. The last time was under the pastorate of M. A. Adams in 1909. It was put in its present shape as it now stands on the old site. In 1927 the church purchased from Brother J. S. Leary the present site for $5,000.00 and began building in the spring of 1928. The plan for building was "to pay as you go." So far about $50,000.00 have been expended on the building and it will require some fifteen to twenty thousand more to complete and equip it. The church moved into this building in May, 1930, and sold the old site to the Presbyterians for $6,000.00.

Pastors. The list from the organization to 1882 is not complete because the records are lost, but since 1882 the list is complete. It is probable that George Williams preached here when it was only a branch of Meherrin. Hillory Morris was the first pastor and preached from 1804 to 1829—twenty-five years, Tommie Hoggard, Alex Speight, Sr., William P. Britton (died in 1852), John Nowell, 1836-1859—twenty-three years, B. B. Williams—twice pastor, Capt. James M. C. Luke, and Harvey White. 1874—R. R. Savage—12 years, 1886—John Mitchell—2 years, 1888—H. T. Williams—2 years, 1890—Braxton Craig—6 years, 1896—J. K. Fant—2 years, 1898—R. D. Cross—3 years, 1901—L. M. Curtis—7 years, 1908—M. A. Adams—3 years, 1911—C. L. Dowell—7 years, 1918—F. T. Collins—4 years, 1922—E. J. Isenhower—3 years, 1925—Oscar Creech—to present, 8 years.

Gifts. In 1884, second year of the West Chowan Association, the total gifts of the church were $259.85—$200.00 for local expenses and $59.85 for missions, and the membership was 303. Sixteen years later, 1900, the total gifts were $353.80; fifteen years later, 1915, the total gifts were $1,985.89—local expenses $928.29 and for missions $1,007.60. This was the first year that the amount for missions was more than for local expenses. The Ahoskie Church has put into kingdom work at home since 1900 until the present $122,695.31, and into kingdom work throughout the world $56,381.21.

The Seventy-five-Million Campaign was the beginning of a new era in the matter of gifts with most of the churches. From 1919 to 1932—thirteen years—gifts for ourselves have amounted to $91,126.55 or seventy-four per cent of the total amount given by the church since 1883—forty-nine years. Gifts by the church for others for the same period have amounted to $49,321.85 or eighty-seven per cent of all given for others during these forty-nine years.

32. After special music by Mrs. Myers and Mrs. Curtis of Ahoskie, A. W. H. Jones conducted the devotional period, commenting on some verses in tenth chapter John.

It may advise the churches and recommend measures of usefulness for their adoption, but cannot bind them in any way. Yet, in view of the combined wisdom, piety and intelligence of the body, it may justly claim for itself, for its objects, and for its recommendations the very highest consideration and regard.

Article 5. The Association may dissolve connection with any church that becomes heterodox in doctrine, or disorderly in practice, or that fails to represent itself, either by messenger or letter, more than two successive sessions, without sufficient reasons, or that treats with contempt its objects and requirements, or upon application of a church for dismission.

Rights of Churches

ness to be adopted. It shall be the undisputed privilege of any church to withdraw its membership from this Association whenever it shall so elect.

Organization

Article 9. The officers of this Association shall be a Moderator, Vice-Moderator, Clerk, Treasurer and Historian, who shall be elected at each annual session, from the members of the Association, and shall continue in office until the next annual election, which election shall be the next order of business after enrollment of messengers. As soon as the new officers shall have taken their seats, the body shall be declared organized and prepared for business.

(Adopted 1889.)

Proceedings

of the

FIFTY-FIRST ANNUAL SESSION

of the

WEST CHOWAN BAPTIST ASSOCIATION

CASHIE BAPTIST CHURCH

October 24-25, 1933

FIRST DAY—MORNING SESSION

1. The West Chowan Baptist Association convened in its Fifty-First Annual Session with the Cashie Baptist Church, Windsor, N. C., on Tuesday, October 24, 1933, at 9:30 A. M.

2. E. C. Kolb, pastor, conducted a devotional service, song service led by L. S. Mizzelle. Prayer was led by Oscar Creech.

3. J. H. Matthews, Moderator, called the Association to order. Printed programs as prepared by the committee were distributed and adopted. The Clerk called the roll of churches with the list of messengers as named in the letters sent to him—only one church not represented by letter. A printed list of names of the churches and their representatives at this session will be found on another page, those absent marked by the asterick (*).

4. On motion of R. L. Bolton, J. H. Matthews was elected to succeed himself as Moderator. Herbert Jenkins, was on motion of L. Sasser, re-elected Vice-Moderator; R. B. Lineberry was on motion of E. C. Kolb elected Clerk; on motion of O. Creech, W. A. Thomas was elected Treasurer and C. M. Billings was elected Historian.

5. Representative of the Biblical Recorder had not arrived and the discussion was postponed. Committee composed of Billings, Bryant and Lineberry, appointed at last association, reported as follows:

"We, your committee appointed to investigate and report on some better adjustment of our committees and

appointees recommend the following: That nominating committees consult with the Moderator in nominations and that chairmen of committees for the three reports consult with the committee on Order of Business as to the time allowed each subject and arrange their committees accordingly. We further recommend that the chairman of each committee be in charge of his subject but allow each member of his committee asked to speak, to write his part of the report or at least know what is written thereon."

6. Report on Education was read by R. L. Bolton.

REPORT ON EDUCATION

Dr. Arnold, the great teacher of Rugby, gives the definition of education which satisfies a Christian. He says, "The three essentials in education are: First, the inculcation of religion and moral principles. Second, gentlemanly conduct. Third, the development of intellectual ability."

Baptist have their educational program. In their educational work they are putting Christ at the center. We believe in Christian Education. Without it we cannot carry on as a denomination. Without it our churches will be without a vital, intelligent, constructive pastoral leadership. Without it no strong leadership among the laymen and women of our churches. Without it no wise mothers to train the children in our homes. Without it no courageous citizenship to guide and lead during the days of confused moral issues. As Baptists, we are fully dedicated to our Christian program of education.

In it is wrapped up every expression of our church life and Kingdom work and social and economic advancement. Senator Morris Sheppard of Texas speaks wisely to us in these words: "Christianity is the fundamental hope of our civilization. Christian Education is necessary in order to establish Christian citizenship, and Christian citizenship is necessary in order to establish the principles of Christianity in law and government." "The Christian College," said Woodrow Wilson, "is a lighthouse of civilization."

Much is being carried on in the educational world which Baptists do not endorse. A so-called educational institution is a distinct injury and menace to human society when it fosters irreverance, sneers at the Bible, humanizes and materializes all life, leaving the poor, deluded youths without a church, without a Bible, and without

God. There is nothing more tragic in our educational world than a bright young man or woman whose mind and body have been disciplined and trained and yet without any lofty purpose because the religious life has been shattered under the sneers of sophomoric teachers. The purpose of Baptists in the field of education is not to produce physical buffaloes, mental bolshevists, and spiritual wrecks but disciplined minds and trained bodies which think well of Christ, His Churches, and His program for the betterment of the world. Education without Christ gets us nowhere and is no panacea. Christian education gets us somewhere.

As Baptists who make up the West Chowan Association let us in every way possible support our educational program. Our own colleges call for our students; our Christian literature and denominational papers are for the purpose of illuminating our minds on the great work of the churches; and the books published by our publishing houses are for the purpose of making us wise Kingdom builders. From the simple study courses prescribed for our junior organizations in our churches all the way to our universities and seminaries, our denomination is seeking to make intelligent Christians. Such a program calls for our undivided support.

We love all of our schools and colleges here in North Carolina and in the South. Chowan College is peculiarly near and dear to this Association. It gave light when light came from no other source. It has been shining a long time and its reflected light is to be found in hundreds of Christian homes and in the strong leadership among our women in the Association. It is still doing business at the same old stand. It has served well, it has been a faithful steward and to the Baptists of our Association it looks for students and financial support.

We close our report with these strong words from Senator Josiah W. Bailey of our own state: "Christian Education is education which finds a life motive and standard in Jesus of Nazareth. There never was a time when the ideals of Jesus were so demanded as they are now. The college truly devoted to such education has heretofore rendered an incalculable service and on its record deserves the support of all men. The college that henceforth will employ the ordinary subjects of education with the view to establishing the Christian standards and ideals will prove indispensable to human progress. We ought to build up every such institution."

R. L. BOLTON, Chairman.
RICHARD LLOYD,

"Onward Christian Soldiers," was sung.

10. The following pastors were recognized as present: C. M. Billings, R. L. Bolton, H. F. Brinston, K. E. Bryant, G. W. Burch, J. E. Copeland, Oscar Creech, E C. Kolb, G. D. Leggett, R. B. RESOLUTION

RESOLVED, that each church in the West Chowan Association be, and is hereby urgently requested to place Chowan College in its regular church budget and to contribute and remit directly to the college, during this Associational year, one-half of all amounts received by the church for any and all objects, other than for local church expenses, hospital, orphanage and specific designated contributions, for the support and maintenance of Chowan College as the standard senior college of the Chowan and West Chowan Association.

16. H. F. Brinson spoke of the advantages and needs of Southern Baptist Theological Seminary.

17. Social Service report was read . E. C. Kolb read the report on Orphanage. A. W. H. Jones Law and Order. O. Creech, Aged Ministers. Report on Hospitals was read by D. J. Robinson in the discussion Wednesday. Reports follow:

THE MILLS HOME

During all the years of their existence our homes for orphans at Thomasville and Kinston have been dear to the Baptists of West Chowan Association. They built a cottage at Mills Home shortly after the Association was organized. In proportion to means and numbers our churches contribute to these homes at least as generously as the churches of any other part of the state. Still we have certainly fallen short of our full responsibility to Christ for these little ones.

More than a year ago, I. G. Greer succeeded the lamented M. L. Kesler as general manager of Mills Home; and a most capable successor he is proving to be.

In Mills Home there are approximately 700 boys and girls. These hundreds are provided shelter, clothing, food, schooling, discipline, and an atmosphere highly conducive to Christian decision and development. The matrons, teachers, and others in intimate touch

with these boys and girls are carefully selected for their intelligence. winsomeness and quality of Christian character.

Among the most important features of the work of our Orphanages is the Mothers' Aid department. Through this department, limited financial aid is given to worthy, indigent mothers, in order that they may keep their children with them and bless them with the constant companionship of those who love them best.

The monthly contributions to the orphanages made through our Sunday Schools are the blood of life to them; so likewise is the annual Thanksgiving offering. Let us do more and more through these contributions for a cause so precious to us and to our Master.

ERNEST C. KOLB.

TEMPERANCE

There are perhaps few words that burn their way into the very souls of Americans with greater force than the words of Thomas Lawrence: "Don't give up the Ship."

But for the hardships endured, the losses sustained and conflicts engaged in by our sacrificing forefathers we would not be the recipients of the great blessings we enjoy.

For years a greater conflict than that which Lawrence was engaged in has been raging throughout our land against the Demon Rum.

State after state ejected this out-law and at last his death warrant was written into the constitution of the United States.

At that time the dry forces thought that this awful blight had been removed forever, that all was over but the shouting.

However we have learned that the Devil still goes up and down in the earth to deceive the children of men.

Consequently we now see state after state falling in line for the repeal of the 18th Amendment.

The present prospects in that particular are gloomy indeed. However, we cry aloud: "Do not give up the ship."

We may lose a battle or even a campaign, but by the help of Almighty God we will not lose the war.

We beg all friends of Temperance to see to it that this great state does not in November fall in line with the others who have voted for repeal.

We would also earnestly beg that no friend of Temperance will sulk in his tent because of the temporary victory of the wet forces. Ever be loyal to the cause. Let pulpit, platform, press and pen proclaim: "Touch not, taste not, and handle not."

AGED MINISTERS

According to Jesus, Matt. 10:9, and Paul, I Cor. 9:9-11, Southern Baptists have a distinct obligation to their ministers. During the last 15 years they have been undertaking to meet this obligation through their Relief and Annuity Board, Dallas, Texas.

1. Relief Department. During 1932 only one-third of the preachers and their widows who had just claims upon the denomination for bread and shelter were helped, and this one-third got less than 25 cents per day. They got all the churches sent and more. During this year they are not faring so well because the funds are less.

2. Annuity Department. This is a more interesting department to preachers than the other. It helps them to help themselves by preparing for old age or disability. The serious difficulty here is that so few preachers can take advantage of the Annuity Plan without the aid of the churches and very few churches are able to show any interest in this.

Our denomination has started in the right direction, but it has not gone far and has a long way to go to properly care for the preachers and their widows in old age or disability.

Respectfully submitted,

OSCAR CREECH, Committee.

REPORT ON BAPTIST HOSPITAL

For ten years the Baptist Hospital has stood like a great life-saving station for the sick of our denomination answering every call and giving life and health to thousands of those with no means. We have spent $25,000 for charity and helped 10,000. Only eternity can reveal the blessing of this ministry. It is doing the work of our Master.

It has met the needs in a marvelous way, but the unusual financial conditions have thrown a tremendous burden on our Hospital and made it impossible to meet its bills. The hospital is the refuge of thousands who have no money; but we cannot continue to meet the ever-increasing demands with a decreasing revenue. We received less than $11,000 on Mothers' Day offering to meet a $50,000 need. Shall we arise to meet this need or allow them to die in poverty and disease? It not only saves human lives but is the instrument in God's hands to save souls.

The hospital is urging the churches to co-operate in saving these people by sending a supplement to the Mothers' Day offering. It suggests that you send at least $1.50 per day for every charity patient.

Unless we meet this need and answer this call the hospital will be forced to turn a deaf ear to our sick.

Many pastors are urging their people to hear this call while others are careless. We will have 2,000 patients this year. The hospital wants your support and craves your prayers. It also begs you to send your pay patients. We must hear the cry of the sick.

18. On motion to adopt these reports, R. D. Covington, Treasurer of the Mills Home, spoke for the Orphanage, and J. C. Owen spoke on Law and Order.

19. On motion of H. F. Brinson the Association voted to discontinue appointing representatives of State, Home and Foreign Missions and the Orphanage, and also of delegates to State and Southern Baptist Conventions.

20. After announcements by Moderator, Clerk and Pastor, adjourned till 9:30 A. M. Wednesday. Prayer by H. F. Brinson.

SECOND DAY—MORNING SESSION

21. At 9:30 A. M., L. S. Mizelle led in a song service. After singing "'He is So Precious," G. W. Burch conducted a devotional, commenting on the 'precious' things mentioned in first and second Peter. Prayer was led by Dr. C. G. Powell.

22. Miss Velva Howard, of Chowan College, gave a message on the Sunday School and B. Y. P. U. plans.

23. D. J. Robinson read report on Hospitals, making comment thereon and Oscar Creech spoke on the subject of Aged Ministers.

24. After special music by Miss Spivey, of Windsor, J. M. Page spoke on the subject of Temperance and Prohibition. Report on Social Service was adopted.

25. Some one-minute reports from the churches was led by R. B. Lineberry, in the absence of J. M. Duncan, who was to conduct this service.

26. Report on various phases of missions was read by following: State Missions, G. D. Leggett; Home Mis-

sion, H. F. Brinson; Woman's Work, Mrs. Herbert Jenkins; Foreign Missions, C. M. Billings. On motion to adopt, J. M. Page discussed State Missions, H. F. Brinson, Home Missions and Dr. J. W. Kincheloe of Rocky Mount representing the General Board of the State gave an earnest appeal for Mission work. Report was adopted.

REPORT ON STATE MISSIONS

It has ever been the policy of the Board to aid not only struggling churches but also those churches in strategic centres where the local congregation is unable for a time to provide the type of ministerial service which is needed. This policy should be continued. However, due to a scarcity of funds during the past year, only about one-third as many churches have received aid as was the case three or four years ago.

For many years now State Missions, through the Sunday School and B. Y. P. U. Departments, has stimulated the growth of Sunday Schools and the improvement of the teaching staff. During a recent week there were about 5,000 people in eighty-five churches engaged in study, the purpose of which was to produce better and greater Sunday Schools. And when the story of the growth of young people's work shall be written it will read like a romance.

In recent years the Board, through its Building Evangelist, has planned and helped in the erection of scores of church houses in about every section of North Carolina, and these will remain visible monuments of a wise policy. This work is being discontinued as of October 1 of the present year. There appears hardly any need to state the reason for its discontinuance. Likewise it has been necessary to discontinue the work of stimulating co-operative and wise leadership among the about a quarter of a million Negro Baptists in the state. The Board is still helping to provide guidance for the Indians who are left among us; and at Oteen the Board has some little part in providing spiritual comfort and counsel to the sick there.

New times, however, demand new emphasis. The problem of the rural church is probably more acute today than it has ever been. Here is a vital problem to which we have hardly begun to find a solution. Keen and interested observers believe that the moral and spiritual well being of the people who live in the country is largly a problem which is committed, in the very nature of the case, to Baptist people. The resources, spiritual and financial, of our Convention should speedily be devoted to this challenging task and opportunity. The rural areas of North Carolina can become the finest

place on earth in which young people may grow physically, morally and spiritually strong. It is not such an area now. If, however, the problem is to be solved at all, trained, consecrated people must be secured and funds in great abundance must be provided.

Respectfully submitted,

GEORGE D. LEGGETT.

HOME MISSIONS

The importance of Home Missions has apparently never been fully realized by the majority of Southern Baptists. If we could fully consumate the task we would not only establish the Kingdom in the home land but there would be little need for further Foreign Mission effort, because, in the foreigners going back to their native lands, we would be sending each year a far greater number of Christians fired with a zeal for the conversion of their countrymen than the entire number of missionaries maintained on the fields.

The work has always been projected under the most difficult circumstances. For years the Home Board was the dumping ground for responsibilities that no one else wanted and in some cases the victim of local ambitions. This caused an accumulation of demands far in excess of its income with the inevitable result that it found itself hopelessly in debt even before the disastrous Carnes affair.

Since the reorganization in 1928 the Board has lived within its income, met the interest and made the gratifying reduction of more than $690,000 on the principal of its indebtedness. However, a constantly declining income has made this harder each year. If receipts can be maintained at last year's figures it will be able to pay off the entire indebtedness within ten years without further curtailment of its work. It needs and deserves a more liberal support than we have been giving it.

It is at present carrying on in the following fields of service: Schools for Mexicans in Texas and French in Louisiana, Good Will centers in Illinois and Alabama, Mission work among the foreigners, Indians, Jews, Negroes and deaf mutes and Mission work in Cuba and the Panama Canal Zone.

The following is a resume of last year's work exclusive of Panama: Number of workers, 130; Churches and stations, 758; reported conversions, 2,780 of which 1,971 were baptized.

H. F. BRINSON, for Committee.

WOMAN'S WORK

During the past year the W. M. U. of the West Chowan Association has continued its efforts to stimulate the missionary spirit and the grace of giving among the women and children of our churches.

This work has been done through our societies and our three county unions.

Our chief aims—prayer, enlistment, study, personal service, tithes and offerings and the missionary education of our young people have been emphasized.

"Present Day Problems"—Prohibition, the Home, the Youth and the Church have been well discussed at our county meetings.

Inspirational addresses by Mrs. Carter Wright, of Alabama, Dr. Jacob Gartenhaus, Miss Emma Leachman of Atlanta and others have been heard by our women and children.

Our Union still claims Miss Pearl Johnson of China as its very own missionary.

We consider our Circulating Library at Chowan College a very valuable asset because we believe knowledge insures interest. Many societies have had one or two mission study classes.

Stewardship Declamation Contests have been held and we are hoping these contests will greatly increase the number of tithers.

Four Chowan Scholarships were given last year. By giving these scholarships we feel that we are helping the college as well as the four girls who receive them.

One county union has been paying the salary of a Bible woman.

In July our W. M. U. held an Encampment at Chowan College. Many of our women and young people received the benefits to be derived from such a gathering.

In spite of discouragements and various problems many of our women have been loyal and faithful. With strong faith and determination they have declared themselves on the side of all the forces of righteousness.

As we continue to sing our hymn for the year, "Jesus Calls Us," may we hear His call as clearly as did the faithful disciples by the sea and may we continue to carry on His work, realizing that God is depending on us, for He has no other plan.

Our watchword, "Laborers together with God, launch out into the deep and let down your nets," meets the great need of today. The command is not easy. The deep signifies the unknown, a full surrender to a mighty spiritual force. Are we willing to obey the command?

If we are obedient our work will be blessed, our missionaries sustained and Christ's Kingdom extended as never before.

Respectfully submitted,
MRS. HERBERT JENKINS.

FOREIGN MISSION REPORT

Last Convention year was one of mingled lights and shadows. Amid the most fearful and acute world wide industrial revolution and economic debacle ever experienced by this generation, the Foreign Mission Board with unflinching courage and fidelity, has carried on the program of work according to instructions given by the Convention.

The Foreign Mission Board is located in Richmond, Va. Dr. Charles E. Maddry, so well known in North Carolina, is Executive Secretary and Dr. T. B. Ray is Assistant Secretary.

The most distressing feature of our Board is the unbroken diminishing receipts of the past seven years. In 1926 the gifts to foreign missions amounted to $2,722,197. Last year we received $805,578 and the budget for this year is only $605,000. This in the face of the fact that we have gained more than 2,000,000 members in the last twenty years. This constant decline in contributions has caused the closing of many schools, hospitals and preaching stations on the fields, besides leaving unfinished many houses of worship already begun. In addition to this, a great number of our missionaries who were at home for their well-earned rest had to be held in the home land for lack of funds for their return. At present we have 398 missionaries on the foreign fields—laboring fourteen countries, 878 native ordained preachers and 1,452 unordained helpers. We have 2,698 churches, 1,956 of which are self-supporting. There were 17,284 baptisms last year. The debt on the Foreign Mission Board on January 1st, 1933 was $1,115,177.17. We are paying out this year $65,000 in interest. Such facts are staggering and we are bewildered. What can be done about it? Surely the hearts of God's people seem far away from their high privilege and duty.

27. On motion of H. F. Brinson the Clerk was authorized to edit the reports, cutting out such parts as may not be necessary to print.

28. J. L. Josey, formerly of Scotland Neck was recognized. Moderator made special announcement of speaking at Aulander Sunday afternoon on the 18th Amend-

ment. Pastor Kolb announced dinner and Dr. J. W. Kincheloe returned thanks.

SECOND DAY—AFTERNOON SESSION

29. 2:00 P. M. Song Service led by O. Creech using "Near the Cross" and "Am I a Soldier of the Cross." Devotional by C. H. Trueblood using Acts 3:1-11.

30. Historian's report read by C. M. Billings:

HISTORIAN'S REPORT

Under the blessings of God we are at this gathering, celebrating the fiftieth anniversary of the organization of the West Chowan Association. By the untiring labors of faithful men and women during these fifty years this has come to be one of the greatest Associations in the Southern Baptist Convention. We give God praise for the success that has attended the labors of the past, and with faces to the front and with faith in God for His leading and guidance press forward toward greater accomplishments in the future.

While the reins of national politics have fallen into new hands since our last Association, bringing many changes and promises of a new deal and a new day, we have not yet recovered from the depression, money is still scarce and contributions for all our work continue on a steady decline.

Our churches have had their usual protracted meetings with about usual results. Pastorless churches have all called pastors. Murfreesboro and Conway have Dr. J. C. Owen. Seaboard and Elam have called Brother C. Herman Trueblood and Mars Hill has called brother A. P. Mustian from Roanoke Rapids. These brethren are all settled on their new fields and are winning golden opinions for themselves. We welcome them to our Association.

Only a few of our pastors have reported deaths of any of their official members. Woodland has lost three of its faithful and beloved deacons: R. W. Blanchard, N. W. Britton and J. P. Griffin. Jackson reports the passing of brethren M. L. Jernigan and Edwin Wright, two loyal and faithful members. Brother William H. Vann, for a long number of years a faithful deacon of Ashley's Grove passed to his reward last March. These brethren were all held in high esteem and are greatly missed by the brotherhood.

31. The Clerk read some matters of history gathered

from the minutes for the past fifty years. The Association was organized at Cashie Church, October 16th, 1883 with Dr. R. P. Thomas, Moderator and W. C. Parker, Clerk, which positions they held for 14 and 13 years respectively. In the fifty years there have been 9 Moderators and 4 Clerks. The Association asked for this history to be published, but it is rather long.

32. J. H. Matthews gave an interesting history of Cashie Church, an extract from which is published below:

CASHIE BAPTIST CHURCH

Cashie Baptist Church was organized at Windsor, North Carolina, in 1770, by Jeremiah Dargan and his wife, Anne Moore. The constitution of the church was adopted in 1771. This church was first gathered and constituted on the Separate Order, but came into the fellowship of the Regular Baptist Church after the revolution took place at the Falls of Tar River. It was named "Cashie," taken from the name of Cashie River at Windsor, where the baptismal services were conducted.

The coming of Elder Dargan to Windsor was somewhat under romantic circumstances. "The manner and means by which it was effected through the divine agency of Him, who worketh all things according to the counsel of His own will, was Sister Dargan, whose name before marriage was Anne Moore, who resided near Windsor, in Bertie County, got converted, and believed that immersion was the scriptural mode of baptism, and as there was no administrator near to administer it unto her, she traveled out into the State of South Carolina, under a sense of duty and desire to comply with it. Here she met Elder Dargan, whom she soon after married, and he moved with her into Bertie County."

"He found the people of Cashie ready to give him a hearing. At first he preached in private houses, usually at that of a Mr. Sowell, 'and was greatly persecuted by a few, who used all their influences to prevent him from preaching. But vain were their attempts; for the Baptists now were in a measure like the Israelites in Egypt, the more they afflicted them the more they multiplied'."

Elder Dargan purchased an acre of land about a mile east of Windsor, taking deed therefor in his own name which is recorded in the public Registry of Bertie County, on which he erected a commodius house for worship, about forty-two feet square. Here he called the people to worship unmolested by those who denied him the use

of their homes in which to preach. Under his ministry, says Burkitt, "many souls were awakened, got converted and joined the church." But his preaching disturbed some who had been at ease in Zion. Among some of these Dargan with his preaching and Baptist doctrines aroused violent opposition. Feeling ran high against him and the Baptists, and became the more intense as many of the best men and of the chief women not a few were converted and baptized.

In these early years of his ministry a Mrs. Dawson was converted and received for baptism by the Cashie Church. Her husband was among the persecutors and threatened that he would kill any one who should baptize his wife; under this threat the baptism was deferred for some time at the request of Mrs. Dawson. But a year later, when Rev. John Tanner, pastor of a Separate Baptist Church in Edgecombe, had come to Cashie to assist Rev. Dargan in a revival meeting, Mrs. Dawson renewed her conversion and was again received for baptism. Mr. Dargan was infirm in health at the time and Rev. John Tanner baptized Mrs. Dawson with the other candidates for baptism. In the following June, 1777, Tanner was returning to Bertie County to preach at Burkitt's Church, Bertie Meeting House at Sandy Run. Dawson having heard of the appointment, went from Windsor and waylaid Tanner at Norfleet's Ferry on Roanoke River, near Roxobel. As Tanner stepped from the boat in which he had crossed the river to Bertie side, Dawson shot him with a large horse pistol charged with buck shot, inflicting a dangerous wound in the thigh which well nigh proved fatal. Tanner was immediately taken back across the river by those accompanying him, to the home of a Mr. Williams in Scotland Neck. Dawson, repenting of his deed and becoming alarmed sent a doctor to care for the wounded man. Tanner recovered and when asked to come to Bertie to Prosecute Dawson replied, "No, I will suffer the persecution for Christ's sake." After this we hear no more of persecutions.

Elder Dargan continued pastor of the church until his death on December 25, 1786. "He was a remarkable pious Christian, and a very zealous minister of the gospel." After his death the church was without a regular pastor until July 6, 1794, when Brother Aaron Spivey was ordained to the ministry and was duly "on that day owned as our pastor."

Mrs. Dargan, the widow of Jeremiah Dargan, died September 25, 1808. She was a very faithful and active member of this church, and her name frequently appears in the minutes of the church conferences for special services rendered. She was born the 4th day of October, 1734.

During the period between the death of Elder Dargan and the ordination of Elder Spivey, Martin Ross, James Ross, Lemuel Burkitt and other visiting ministers preached at this church and ministered unto the congregation. The minutes of the conferences since April 2, 1791, have been diligently preserved. The roll of members contains every type of citizen and citizens of every business calling. The strong and influential men of Bertie County were members of Cashie. Both master and slave here worshipped their God together.

For convenience the Church was moved to its present location in Windsor in 1853, though services were occasionally had out at the old church about a mile east of Windsor for several years, in deference to the sentiments of the older members of the church. The house of worship in Windsor was not fully completed until 1854. The building then erected served the congregation until 1910 when it was removed and the present brick building was erected.

Cashie Church has sent forth many strong and influential men to preach the Gospel of our Lord Jesus Christ. Among them Abram M. Poindexter and his half brother, William Hill Jordan, were both powerful preachers. The Church has been blessed with strong and consecrated pastors from its beginning to the present time. The names of the pastors who have served this Church are as follows:

Jeremiah Dargan, 1770-1786; visiting ministers, 1786-1794; Aaron J. Spivey, 1794-1823; Reuben Lawrence, 1823-1843; David Harrell, 1843-1851; Aaron J. Spivey, 1851-1854; A. M. TRIBUTE TO REV. W. B. WAFF

(Extracts from article written by Rev. J. T. Byrum for Biblical Recorder.)

In the home-going of Rev. William Benbury Waff, aged 80 years, at Winton, N. C., January 6, 1933, North Carolina Baptists lost one of the best known, highly respected and one of the most useful ministers of the state.

Shortly after his marriage to Willie LeGrand Traynham, fifty years ago, he was ordained to the full work of the Gospel ministry. For fifty years they walked together in happy wedlock and faithful service in the Master's Kingdom.

He served at Reynoldson as pastor about 23 years, along with Great Fork church in Virginia, Gatesville, Ballard's Bridge, Cool Spring, Macedonia and others.

Then in the West Chowan Association he served as pastor Conway, Holly Grove, Meherrin, Margarettsville and Severn. Then Pittsboro and other churches in Chatham county and then ten years in Mockville, retiring a few months ago on account of his advanced age.

He was a high-toned Christian gentleman; a good preacher, rightly dividing the Word of Truth; a safe and sane leader, never lording it over God's heritage. He was a wise under shepherd leading his flocks into pastures green and beside the waters still. He sought no public display of the results of his work and never tried to make ostentatious display of his merits and worth.

His long day's work is finished. Death came to him as it should come to all—not as an enemy, but as a friend; not as a defeat, but as a victory; not as an end, but the beginning of that which is highest and best; not in the guise of a serpent, but in the form of an angel who quietly stopped his weary heart and kissed away the gloom of the dark valley and took him up in heaven's chariot to dwell with the ransomed host of God in the Father's House on high in the realm of eternal day.

Name

Article 1. This body shall be known as the North Carolina West Chowan Baptist Association.

Membership

Article 2. It shall be composed of messengers elected by the churches connected with this body and all ordained ministers who are members or pastors of said churches, together with the officers of this Association, and chairmen of all standing committees. Each church of one hundred members and under shall be entitled to two messengers, and for each additional one hundred members, an additional messenger; provided, that no church shall have more than four messengers.

Objects

Article 3. The objects shall be to devise and recommend measures for increasing the harmony, the intelligence and spiritual power of the churches, and for developing and directing their energies, their resources and their gifts, in advancing the Redeemer's Kingdom on earth.

Powers and Prerogatives

Article 4. The Association shall have no power to infringe upon the sovereignty or rights of the churches. It is neither an ecclasiastical nor legislative council, nor court of appeal. It may advise the churches and recommend measures of usefulness for their adoption, but cannot bind them in any way. Yet, in view of the combined wisdom, piety and intelligence of the body, it may justly claim for itself, for its objects and for its recommendations the very highest consideration and regard.

Article 5. The Association may dissolve connection with any church that becomes heterodox in doctrine, or disorderly in practice, or that fails to represent itself, either by messenger or letter, more than two successive sessions, without sufficient reasons, or that treats with contempt its objects and requirements, or upon application of a church for dismission.

Rights of Churches

Article 6. Each individual church shall hold and exercise all the functions of an independent church of Jesus Christ. As constituent members of this Association, the churches shall have the right to advise, when desired, in case of difficulty, and suggest plans of usefulness to be adopted. It shall be the undisputed privilege of any church to withdraw its membership from this Association whenever it shall so elect.

Duties of Churches

Article 7. It shall be the duty of the churches to appoint as mes-

sengers as far as practicable, their most capable members, to require their attendance, and to send by them a contribution to the Association fund to pay for printing the Minutes and other necessary expenses.

Article 8. It shall be the duty of each church to send an annual letter to the Association giving: (1) locality; (2) names of its pastor and clerk and their respective postoffices; (3) the Sabbaths of regular service; (4) church statistics, including the number baptized, received by letter, restored, dismissed, deceased, and expelled and aggregate membership, male and female; (5) Sabbath School Statistics; (6) amount contributed to benevolent objects and the Association fund; (7) names of messengers and alternates; (8) any other information of special importance.

Organization

Article 9. The officers of this Association shall be a Moderator, Vice-Moderator, Clerk, Treasurer and Historian, who shall be elected at each annual session, from the members of the Association, and shall continue in office until the next annual election, which election shall be the next order of business after enrollment of messengers. As soon as the new officers shall have taken their seats, the body shall be declared organized and prepared for business.

Article 10. In order to conserve time and not to interfere with the main work of the body, this Association will not consider any routine or miscellaneous business except at the close of the discussion of each general topic.

Duties of Officers

Article 11. It shall be the duty of the Moderator to open the meetings punctually at time appointed; to enforce the rules; to enforce order, and to exercise all the prerogatives of a presiding officer, according to the principles of parliamentary usage.

Article 12. It shall be the duty of the Vice-Moderator to discharge the duties of the Moderator in his absence.

Article 13. It shall be the duty of the Clerk to keep a faithful record of the proceedings of this body, and superintend the printing and distribution of same, and to keep on file the printed Minutes and other important documents belonging to the body. He may appoint an assistant when necessary. The Clerk shall receive for his services fifty dollars out of the Minute Fund.

Article 14. It shall be the duty of the Treasurer to receive and disburse the money contributed to the Minute Fund, as directed by the body, and make an annual report of the same.

Article 15. It shall be the duty of the Historian, who shall be elected at each annual meeting of the body, to prepare for publication in the Minutes an historical sketch of the church with which the As-

sociation meets, with obituaries, incidents, and other facts of the year that shall be preserved, and make report to the next Association.

Article 16. On the first day of the session there shall be appointed a Committee of Finance, Committee on Time, Place and Preacher, and a committee of one from each county to nominate representatives of boards and to nominate an Executive Committee of nine members composed of two men and one woman from each of the counties.

Article 17. This Constitution may be altered at any annual session of the body by a two-thirds vote of the members present.

RESOLUTIONS

Resolved (1) That no church shall be entitled to representation in this body unless in perfect accord with the Constitution thereof, that fact to be ascertained by a committee of five on credentials, appointed at each session of the body immediately after organization; Resolved (2) That the report of this committee shall be the property of the Association just as any other report. (Adopted 1889.)

Resolved (3) That henceforth this Association withdraw fellowship from any church that allows its members to engage in the manufacture and sale of intoxicating liquors as a beverage. (1890.)

Resolved (4) That it is the sense of this Association that selling intoxicating liquors through a dispensary is a violation of the spirit and letter of the resolution of our Constitution. (1905.)

8. No committee shall be in session during the hour of business without permission from the body.
9. All questions of order not herein provided shall be decided by Mell's Parliamentary Practice.

23. The subject of discussion for the morning was "Our Churches Meeting Their Responsibilities Through Christian Education." J. C. Owen, Chairman of Education Committee, presided.

24. The report was read and discussed by J. C. Owen. (Report will be found under head of Associational Reports.)

23. Chowan College was presented by the President, W. B. Edwards. He reported that during the year twenty-nine churches had given to the College $2,349.26. President Edwards presented J. M. Duncan and L. Sasser, who spoke for the College.

26. The resolution adopted a year ago was re-adopted and re-emphasized:

RESOLVED, That each church in the West Chowan Association be, and is hereby urgently requested to place Chowan College in its regular Church Budget and to contribute and remit directly to the college, during this Associational year, one-half of all amounts received by the church for any and all objects, other than for local church expenses, hospital, orphanage and specific designated contributions, for the support and maintenance of Chowan College as the standard senior college of the Chowan and West Chowan Associations.

27. Rev. J. M. Page, representative of United Dry Forces of North Carolina was given thirty minutes to speak on Temperance. A collection was taken for the United Dry Forces and amounted to $45.00.

28. Mrs. George N. Martin offered the following resolution which was adopted:

WHEREAS, the churches of the West Chowan Association need pastoral care and leadership in training of the membership in Christian activity and character as much as they need preaching, perhaps, more; and,

WHEREAS, in some instances several churches call the same preacher at a reduced salary, thus producing three evils, viz., First, give the preacher more work than he can do; Second, deprive the church of that pastoral leadership which is indispensable for the spiritual well-being and growth which is so necessary if the church is to perform its divine mission in the world; and, Third, this plan deprives many, good, well-trained men of the opportunity to do the work which they feel that God has called them and for which they have prepared themselves,

THEREFORE, BE IT RESOLVED:

First, That we request the churches of this Association to take

immediate steps so as to readjust its pastoral relations as to give no preacher more work than he can do reasonably, giving due time to his pastoral work as well as his preaching.

Second, That we urge the churches so to readjust their salaries as to give a sufficient support to these pastors such as will enable them to devote their undivided energies to this work.

Third, That we request the preachers to refuse calls to more churches than they can give adequate pastoral service as indicated above. This resolution contemplates the development of the membership of our churches which we all feel is so vitally needed at this time.

(Signed),

MRS. G. N. MARTIN.

29. The Moderator announced Committees to report at next session and Program Committee. (See page three)

30. H. F. Brinson offered a resolution which was adopted:

RESOLVED, That the Clerk be instructed to edit all reports to comprise not more than one-fourth page in the Minutes.

31. R. Lloyd made a motion that the West Chowan Association request the Biblical Recorder to publish the annual sermon preached yesterday by Brother C. Herman Trueblood. The motion prevailed.

32. A motion to adjourn for dinner was carried and H. F. Brinson pronounced the benediction and returned thanks.

REPORTS

Missions

STATE MISSIONS

The spirit and motive of missions, Foreign, Home, and State, are identical. It is difficult to understand why one should profess to believe in one and not in the other. The objectives, however, are slightly different. Within the State a distinction is made between Missions, Christian Education, and Benevolences.

For a hundred years the objective of State Missions has been to win the people of North Carolina to Christ and then to the fellowship which the churches provide. In more recent years, notably during the past quarter of a century, another objective has been to train and develop those who come into the churches. With these purposes dominant, State Missions now embaces seven activities: Missionary pastoral assistance, student work, Sunday School and B. Y. P. U. departments, church building, Oteen Hospital, Indians and Negroes.

K. E. BRYANT.

HOME MISSIONS

Since the Home Mission Board was organized in 1845, Missionaries working under the Home Board have reported 785,135 baptisms and have organized 8,570 churches. The Board has now, counting the missionaries and the workers in all fields and in all departments, 202 missionaries. This is half as many as Southern Baptists have on foreign fields.

The Board this year will place thirty-two new missionaries in the field. These reenforcements were made possible by the sizeable offering made by our splendid women in the Annie W. Armstrong Week of Prayer. It is hoped now that the Board can go on with its missionary program and at the same time gradually reduce and wipe out its debts. The overhead operating expense for the last Convention Year was only $10,063.49.

The Board's work is done under the following departments: Co-operative Missions, Enlistment, Evangelism, Mountain Schools, Foreigners, Indians and Negroes, Cuba, Panama, Soldiers and Seamen, Publicity, Southern Baptist Sanatorium, Church Extension, and Rescue Missions.

A. W. H. JONES.

FOREIGN MISSIONS

In the century in which we are now living, the words of our Lord given to His disciples, "Go ye therefore into all the world," do not seem to cover quite as much territory as in centuries past,

since men circle the globe in a few days and we sit in our homes and hear men speaking to us over the radio from all parts of the earth. Nevertheless, the cry from many souls for the Bread of Life comes ringing to our ears.

There are 394 missionaries now on 13 Foreign fields. And the Board has been instructed not to go beyond 400 for the next two years. During the last Convention year there were 15,969 baptisms; 2,895 by letter and 899 restored to the churches. The present total membership in all the churches in all the fields is 191,073.

North Carolina gave the past year to Foreign Missions through the Co-operative Program $33,685.38. The Lottie Moon Offering from the W. M. U. of North Carolina was $35,489.19. The total for Foreign Missions for the past year was $69,174.57.

Respectfully submitted,

K. E. BRYANT, Chairman.

WOMAN'S MISSIONARY UNION

As we review the year's work of the Woman's Missionary Union of the West Chowan Association, our hearts are filled with gratitude for the opportunities for service given us, for the faith and devotion of many of our membership and for the goodness of God who has so manifestly guided and blessed our loving service.

We have had many handicaps and problems, but our God has led us on and a great number of His children in this Association have labored faithfully and heroicly. Success and failure have gone hand in hand. Through our achievements we have rejoiced, but are humiliated at our failures. Our chief aims,—prayer, enlistment, study, personal service, tithes and offerings and the missionary education of our young people—have been emphasized.

Surely the greatest need today in our W. M. U. work is a deeper spirituality in its membership and a more willing, consecrated leadership. We call upon those who are endeavoring to lead our young people to do it whole-heartedly as with the young example speaks louder than precept. May we remember our watchword for the year, "Be strong and of good courage for Jehovah thy God is with thee."

MRS. C. C. HOGGARD, Committee.

Social Service

ORPHANAGE WORK

Our orphanage work, consisting of the Mills Home, the Kennedy Home and the Mother's Aid, are the life-saving stations maintained by North Carolina Baptists. Their sole purpose is the rescue

of lives utterly helpless within themselves and who have no haven of refuge within reach.

Though the three departments are caring for about a thousand children at present, they are falling desperately short of meeting the needs. If our churches and Sunday Schools would give through the once a month and Thanksgiving offerings as the work deserves we would soon make it possible for them to greatly reduce the pathetic waiting list, some of whom are in our own Association. Are we willing for God to save them through us?

H. F. BRINSON, For Committee.

BAPTIST HOSPITAL

For eleven years the Baptist Hospital has stood as a life-saving station of our denomination. Its corps of physicians and nurses will compare favorably with any hospital in the State.

It is meeting the needs of the people in a marvelous way, but its thousands of calls are overwhelming. It is supported by pay patients, part-pay and our Mother's Day Offerings. It is not only saving lives but souls.

The Hospital asks that all be liberal in our support, faithful in our prayers, and it will become an even greater agency for ministering to suffering humanity.

W. V. TARLTON, Committee.

AGED MINISTERS

When we consider the slim resources and in many cases, actual need among those who have given their lives in the service of our Christ and the Baptist people, these words of the great poet, Henry W. Longfellow, come again with increasing vigor to reproach us:

"We who are about to die . . .
Ye do not answer us! Ye do not hear!
We are forgotten! and in your austere
And calm indifference, ye little care
Whether we come or go, or whence or where."

The record indicts us, my friends, and we dare not close our ears to the piognancy of these words.

In an effort to meet this situation the Board maintains a Relief agency, which sets apart seven cents of every dollar received on the Co-operative Program for the relief of aged ministers and their wives, but decreasing contributions and increasing designations have cut this fund, until last year the sick and incapacitated evangels of Christ in North Carolina received from the munificience of North Carolina Baptists seventeen cents per day, slightly less than one-third of the daily allotment for the inmates of our county homes. We would

strongly urge our people to consider this thoughtfully, increase their gifts when possible and wherever compatible with the Baptist conscience, to refrain fro mdesignations that would deprive these saints science, to refrain from designations that would deprive these saints

MRS. SALLIE PARKER, Committee.

LAW AND ORDER

It looks as though we almost live in a time when vice is virtue and crime is an honor. Our fair country, once the home of the brave and the cradle of genius is now become the most lawless country on the earth.

Wade W. Ellis, former U. S. Attorney General, says, "That crime costs the U. S. the enormous sum of $13,000,000,000 each year, and that more than 12,000 people are annually murdered. The number of murders in the U. S. is fifty times the number in Great Britain, and the annual murder rate in this country has increased 350 per cent. since 1900."

It is sad but true; the American home is facing the rocks; the malaria of infidelity, atheism, skepticism, behaviourism, free-love, trial-marriage have invaded many of our schools, colleges, universities, churches and homes,—immorality and sanctity of the marriage relation ending in the divorce courts. The breaking down of the home is the most serious problem of our American civilization today.

J. M. DUNCAN, Committee.

Education

CHRISTIAN EDUCATION

The aim of true education is to place the individual in possession of trained and mastered faculties, so directed by right character as to assure the fulfillment of the Divine Will in all relationships in time and in eternity. All such education, by whomsoever supported and controlled, is essentially Christian Education. Woodrow Wilson once said: "Education is the grace of self-forgetfullness, the virtue of self-control."

Christianity has been the pioneer in the field of education from the beginning. In every modern state in all the world, state education has followed in the wake of Christian education. The danger which always threatens the Christian forces is that, having led the state into the field of general education, they undertake a wholly unjustifiable competition with the state, in the field of general education. This course is fraught with several threatening evils. Among these I name the following: departure from the Christian standards and accepting those which are not Christian; broadening the curri-

culum to the point of thinness; making claims of thoroughness which may not be justified by the facts; extracting funds for support which belong, legitimately, to the missionary program, and failure to put legitimate emphasis on the distinctly Christian education and training for which these schools were originally intended. This situation challenges and demands our immediate and most serious attention.

Respectfully submitted,

J. C. OWEN, Chairman.

HISTORIAN'S REPORT

Out of the depression into prosperity applies not only to a renewed interest in our political and secular institutions but also to the churches of this Association. Malachi 3:10, especially the latter part of it, "If I will not open the windows of heaven, and pour you out a blessing, that there shall not be room enough to receive it," has been demonstrated this year in our section of the country. The churches too, have shown a marked increase in their work. Thirty per cent. increase in Missions and Benevolences is shown by these reports to the Association.

Several churches which started building programs before the depression have taken hold with new courage to either complete or pay off their indebtedness. The Ahoskie Church has renewed their building activities and hope to complete their building without any further let up. The Margarettsville Church, which was destroyed by the storm of a year ago, is being rebuilt.

Practically all the churches have held revivals this year with substantial results. Few changes have been made during the year in pastorates. Brother G. W. Burch of the Greens Cross field has gone to Charlotte and Brother J. O. Walton from Louisville, Ky., has accepted that field of work and has already established himself there.

The Association has suffered a distinct loss in two of its pastors by death, Rev. R. B. Lineberry of Harrellsville and Rev. C. M. Billings of Woodland.

Brother Lineberry came to the West Chowan Association in January, 1906. His first pastorate was at Colerain where he lived for ten years. The first four years of this pastorate he served Christian Harbor and Ross; the next six years Colerain, Christian Harbor and Harrellsville. His next pastorate was at Winton, Mt. Tabor and Holly Springs. The last eight years he lived in Harrellsville and served that church together with Christian Harbor, Holly Grove and Hebron. Eighteen of his twenty-one years in this Association was spent with the Christian Harbor Church. He was elected Clerk of the Association in 1921 and served until his death October 6, 1934.

Brother C. M. Billings, who for several years was the Historian of the Association, recently died in Zebulon. Two faithful, loyal and consecrated men, "served their day and generation," and have passed to their reward.

Respectfully submitted,

K. E. BRYANT, Historian.

HISTORY OF POWELLSVILLE BAPTIST CHURCH

From time immemorial men have been hunting, some one thing, and some another. Many are perfectly satisfied to search for material values, and a yet smaller number are ready to stack arms with the findings of intellectual values, however, there is a much smaller, but ever increasing group who are hunting spiritual values. So it was in the year of 1909 with the people of the village of Powellsville and surrounding community. They began to seek spiritual values. They felt the need of a Missionary Baptist Church located in their midst—realizing that the greatest transforming power in any community is a Church.

On the 29th of December, 1909 at 12 o'clock midday, Elders M. A. Adams, A. T. Howell, S. B. Barnes and Jesse R. Matthews met at the school building in Powellsville and organized Powellsville Baptist Church. M. A. Adams was made chairman, A. T. Howell, Secretary. There were 35 charter members. D. C. Miller was elected church clerk. Josiah Brown and J. E. Matthews were accepted as deacons, having been deacons in the churches from which they came. A. S. Wynns, Dr. J. B. Ruffin, and D. C. Miller were elected and ordained deacons.

The first Sunday in each month was the time set for preaching services, and for some time new members were added to the church at every service. Sunday School was organized at once, with J. E. Matthews Superintendent. Jesse R. Matthews did the preaching until Rev. Charles P. Scott came in April, 1910 as the first pastor of the church. The first important business was building a house of worship. Some people said it couldn't be done, but this band of willing workers and earnest Christians went forward with their building program, and began to worship in their new church building in the fall of that year. The first revival began on the fifth of September, 1910, the pastor doing the preaching. Seven were received by baptism, two by letter and one by restoration. Through the efforts of A. T. Howell, the sum of $50.00 was contributed by several nearby churches . On the second Sunday in March, 1912, the note was burned, and in December, 1912, the note was burned that had been given for paint, making the church entirely out of debt. On the second Sunday in March, 1913, the pastor, Charles P. Scott,

preached his farewell sermon. The members reluctantly gave up their spiritual leader, who for four years had meant so much to them. We remember him as the father of Powellsville Baptist Church. Rev. H. F. Brinson was immediately called and he began work as pastor in May, 1913. He at once began to encourage the ladies to organize a Missionary Society. This was done the following October with Mrs. J. B. Ruffin President. The Church was without a pastor from October 1913, until April 1914, when Rev. H. H. Honeycutt took up the leadership.

During his administration the Every Member Canvass was adopted. In the summer of 1916, while the pastor was on his vacation, the pulpit was filled by T. C. Briggs. Brother Honeycutt tendered his resignation in October 1917, and finished his work as pastor in December after about four years of successful pastorate. ,

The next pastor, Rev. N. H. Shepperd, began his work in April, 1918. A B. Y. P. U. was organized and began work. In September, 1919, two deacons were ordained—L. H. Freeman and J. E. R. Perry. Rev. L. E. Daily came in the summer of 1920 as pastor. He worked faithfully to keep the B. Y. P. U. alive, and his assistance in the Sunday School work greatly increased the interest and growth. Feeling the urgent need of a pastor's home, the church voted to build the present parsonage in 1924. Brother Daily served the church as pastor longer than any one man heretofore. He labored faithfully for nearly nine years.

Rev. K. E. Bryant, the present pastor, took up the work in the summer of 1929, and the members soon realized that he had taken hold with a strong hand.

In December of that year the note which was given while the pastor's home was being built, was burned, making it free of debt.

Many times while the other pastors labored in this church the need of Sunday School rooms was disccussed, but no definite plans were made, however, the subject was deeply implanted on the hearts of the members. At the beginning of the year 1931 plans for building class rooms took definite shape. With a splendid co-operative spirit 15 class rooms were added to the church building. The plan for building was "pay as you go," and it was carried out.

Through these years the church has contributed regularly to missions and other objects of the Southern Baptist and State Baptist Conventions. The Sunday School gives a monthly collection, and the church takes an offering at Thanksgiving for Mills Home.

In the year of 1930, the total gifts of the church for missions and local church expenses were $2,444.46.

The W. M. U. keeps in touch with the work of the Union, and fosters four junior organizations. It has had a large part in the growth

and development of the church.

Every year during the life of this church, twenty-five years, there has been a revival, with always an ingathering of members. This church is proud of the fact that it has sent out one minister, Rev. B. Atwood Mitchell. He was ordained in July, 1933. He is now serving a group of churches in Chowan Association.

At the beginning of this year, 1934, another service a month was added, and the pastor's salary increased.

T. W. Hollomon, J. J. Taylor, J. D. Hoggard and Clyde Harrell have been accepted in the church as deacons. The church has had four clerks—D. C. Miller, M. L. Rayner, J. E. R. Perry and the present encumbent J. J. Taylor. The membership of the church is 317. The Sunday School enrollment is 230.

Art. 5. The Association may dissolve connection with any church that becomes heterodox in doctrine, or disorderly in practice, or that fails to represent itself, either by messenger or letter, more than two successive sessions, without sufficient reasons, or that treats with contempt its objects and requirements, or upon application of a church for dismission.

DIGEST OF CHURCH LETTERS

OSCAR CREECH, Clerk

Appreciation is hereby expressed to the clerks for their cooperation by sending the church letters to the clerk earlier than usual. By Saturday the 19th all letters, but seven, were received and they were received by Thursday the 24th.

I. CHURCH MEMBERSHIP

Number of baptisms—382, two less than last year.

Churches leading—Aulander 25, Republican 18, Connaritsa 17.

Ten churches report no baptisms. A part of this is accounted for by some of the churches not having revival meetings.

Total gain in membership	633
Total loss in membership	525
Net gain	108
Total present membership	14,667

Ahoskie reports the largest membership, 791, Mars Hill, 501, Aulander 493.

430 families reported taking the Biblical Recorder, which is one Recorder to 34 members.

II. SUNDAY SCHOOLS

Every church reports a Sunday School but one, Lawrence. Last year three churches reported no school.

Enrollment is a little off from last year, 204 less; reported 9468.

Average attendance is also a little off, 118 less; reported 5366.

This is a good showing in view of the Infantile Paralysis epidemic during the summer.

Five schools reported as being Standard, same as last year.

Only two Daily Vacation Bible Schools held, Ahoskie and Windsor.

III. CHURCH PROPERTY

Total value of church houses and grounds	$513,750.00
Total value of 20 pastors' homes	76,300.00
Total value of all church property	590,050.00
Total indebtedness on the property	57,461.61
The indebtedness on the churches was reduced by	12,949.00
Ahoskie reports a debt of	$14,500.00
Aulander reports a debt of	25,500.00

IV. GIFTS FOR LOCAL CHURCH WORK

The total went from $55,638.95 to $71,790.04 or a gain of $16,151.09.

The amount paid on pastors' salary does not show the real increase as many churches last year reported what was promised the

pastor rather than what was actually paid him.

Much of the gain in total receipts is accounted for in what was paid on buildings and building debts, $8,932.52.

The Minute Fund was sufficient to pay all expenses last year with a little balance. The amounts reported so far in the church letters will not quite take care of the expenses this year. Six churches have reported nothing for Minute Fund.

V. GIFTS FOR MISSIONS AND ALL BENEVOLENCES

1. Cooperative Program (No specials included).
   Four churches this year against ten last year failed to contribute anything to the Cooperative program.
   Amount contributed more this year than last—$269.70; a total of $7410.17.
2. Chowan College:
   Amount contributed $2090.44
   Amount contributed last year 1059.16
   Increase this year 1031.28
   The $2090.44 is equivalent to an endowment for the college of $40,000 to $50,000, depending upon the rate of income.
3. Specials to State, Home and Foreign Missions:
   Contributed this year $4790.56
   Contributed last year 3470.90
   Net gain 1319.66
   State missions received $264.79, Home missions $509.00, Foreign missions $547.37.
4. Special to Christian and Ministerial Education:
   A big drop from $1429.17 last year to $388.99 this year.
5. Special to Orphanage:
   Amount contributed this year $6297.76
   Amount contributed last year 5642.04
   Net gain this year 655.72
   Four churches failed to contribute to the Orphanage.
6. Totals:
   For missions and benevolences 23,266.99
   For missions and benevolences last year $20,512.73
   Net gain 2,754.26
   By whom given:
   Churches only, $9,072.84; W. M. U. Organizations, $8,976.69; Sunday Schools, $5,217.46.
7. Churches leading:
   Ahoskie, $2393.39; Cashie, $1520; Lewiston, $1225.18.
8. Greatest Increases:
   Galatia went from $48.41 last year to $187.75 or 287% increase.
   Winton went from $290.45 last year to $728.26 or 150% increase.
   Woodland went from $333.24 last year to $642.73 or 90% increase.
   Bethlehem has a 60% increase and Mount Tabor 57%.

VI. THE AUXILIARIES—BAPTIST TRAINING UNIONS AND W. M. U's:

1. The Baptist Training Union work is much on the decline in the Association.
   The drop is as follows :
   27 churches with unions last year to 23 this year, 4 less.
   65 unions last year to 50 this year, 15 less.
   1028 members last year to 895 this year, 133 less.
   One encouraging feature about this work is the increase in systematic givers, from 481 last year to 525 this year, 44 gain.
2. W. M. U. work is quite encouraging.. The organizations have gone from 169 last year to 176 this year, a gain of 7.

Members from 3218 last year to 3335 this year, a gain of 117.
Enrolled in Mission Study from 825 last year to 1235 this year, a gain of 407.
Contributions for Missions and Benevolences from $7,469.13 last year to $8976.69 this year, a gain of $1507.56 or 21½% increase.

VII. HOW OFTEN CHURCHES HAVE SERVICES:
9 every Sunday.
33 twice a month, 16 once a month:

VIII. "In MEMORIAM":
The churches report 118 members who have slipped away from us to be with Jesus.

Close—There is no way to express in figures the spiritual condition of our churches, but we believe that the letters indicate a more general interest in the Lord's work and a deepening of the Spiritual life.

15. The Order of Business was rearranged so that Secretary M. A. Huggins could speak on State Missions and Co-operative program at this time as he could not be present Wednesday.

16. J. J. Taylor, a laymen, of Powellsville, spoke on Pastoral Support. J. H. Stephenson, a layman of Pendleton, spoke a few minutes and offered the following resolution:

Resolved:
1. That the West Chowan Association in session urge our churches to seriously consider this question of pastoral support.
2. That a more liberal support be given the pastors.
3. That the support be given regularly and systematically.

Signed: J. H. STEPHENSON.

17. Moderator appointed committees:
Finance committee—A. C. Horton of Galatia Church.
Time, Place and Preacher—W. D. Barbee, J. T. Cale, F. P. Britt.

18. Pastor J. M. Duncan made announcements about dinner and E. H. Potts pronounced the benediction and returned thanks.

Tuesday Afternoon, October 29th

19. Song. "Onward Christian Soldiers." Prayer by L. A. Watts, Methodist pastor, Seaboard. Chorus from Chowan College.

20. The report on Christian Education was read by C. H. Trueblood.

REPORT ON CHRISTIAN EDUCATION

Woodrow Wilson declared that "The Christian College is a lighthouse of civilization." Another great Christian statesman has aptly said: "Christianity is the fundamental hope of our civilization; Christian Education is necessary in order to establish Christian citizenship, and Christian citizenship is neccessary in order to establish the principals of Christianity in law and government."

We are proud of our state schools; they have their mission, but they can never take the place of our denominational schools, for it is

to our denominationally-controlled institutions that we must look, in the future, for the overwhelming majority of our denominational leaders.

We freely admit that not every boy, or girl, that passes through a Baptist institution of learning, is transformed into a saint; however, our Christian colleges and schools have their faces turned toward God, and their main objective is to "Seek first the kingdom of God, and His righteousness." Surely no Baptist school or college in North Carolina fosters irreverance, sneers at the Bible, belittles the church, destroys faith, materializes life, laughs at immortality, ridicule the ministry, and repudiate the divinity of Jesus Christ. But in some quarters, in the educational world, all of these things are taking place.

Our denominational program of Christian education in North Carolina presents a threefold challenge to our Christian Patriotism:

First, there is the challenge of Gratitude. We owe a mighty big debt of gratitude to our Christian fathers who laid the foundations and builded so well, through hardship, poverty, and unholy opposition, in establishing our educational institutions.

Second, there is the challenge of our present-day needs. We have a greater need to-day for Christian leadership than ever before. Our surest way for securing trained Christian leaders is through our denominationally-controlled schools.

Third, the challenge of future posterity. If civilization is to be saved from Communism, Fascism, Paganism, Nazism, Intellectualism, Atheism, Materialism, and all other isms that blight and plague the human race, then from the standpoint of Christian Education, we should "Lengthen our cords and strengthen our stakes", for if civilization is to survive the soul-destroying philosophies of to-day, and the brutality of modern warefare to-morrow, it can do so only through the "Power of the gospel of Christ." Trained leaders in Christian schools can "Make the world safe for the next generation."

Respectfully submitted,
C. HERMAN TRUEBLOOD.

27. The Moderator named the Nominating Committee: L. M. Dixon, W. V. Tarlton and J. H. Bunn.

28. W. V. Tarlton, Associational Superintendent, read his report and spoke briefly to it.

REPORT ON SUNDAY SCHOOLS

The aim of the Sunday School is to teach. If we would fulfill that aim we must have four things, viz: a teacher, a learner, something to be taught and a place for instruction. Our association is blessed with a liberal portion of all these requirements and much fine work is being done, yet we fall far short of doing all that we should. Many of our pupils left because of the paralysis scare and some have not returned. Other thousands have never been enlisted, while many of our most capable teachers are not consecrated enough to really work at the task, nor do we fully realize the possibilities round about us.

May the new associational year be one in which we shall survey our fields, pray for ourselves and those who ought to come. Go out in a spirit of brotherliness and invite them to come, and take seriously the command of Paul to Timothy, "Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth."

If we are to grow great souls, great churches, great homes and a great nation, we must found these institutions on God's word. Then let us be up and doing that the white harvest fields may be garnered for our God and his Christ.

W. V. TARLTON, Superintendent.

29. The order of Business was rearranged to accommodate J. M. Page, who represented the United Dry Forces, to speak on "Total Abstinence." An offering was taken which amounted to $14.22. Song, "Let The Lower Lights Be Burning."

30. Missions. Mrs. Gordon Maddrey read Mrs. R. M. Maddrey's report on the W. M. U. and read her speech. Mrs. R. M. Maddrey was at home sick. The reports were given—State Missions, E. C. Kolb; Home Missions, W. V. Tarlton; Foreign Missions, J. O. Walton.

REPORT OF W. M. U. WORK

There is gratitude in the heart for every privilege of service the departing year afforded us; and it is now my happy duty to recount, briefly, the work which I have been permitted to do as your superintendent.

The number of new W. M. Societies has been disappointing, while a substantial increase is noted in the number of the Auxiliary Societies organized. Heartening, indeed, is the increased number taking Mission Study courses in both the W. M. S., Young People and Jr., organizations.

A number of new books have been added to our circulating Mission Library this year.

The women of the West Chowan find their chief joy in supporting our missionary, Miss Pearle Johnson, in China.

We are still maintaining our Scholarships at Chowan College and the W. M. U. Training School.

Organized Personal Service is ever finding avenues for helping those in need and distress, as well as taking religious programs to the unfortunates at County Homes and Prison farms in our counties.

No one can know just how far-reaching the W. M. U. work is in our Association. Little groups of women in our churches meeting monthly or bi-monthly, as the case may be, praying, teaching, visiting, comforting, are witnessing in a great way and no one knows how many souls are being saved through their untiring, faithful service. The Young People have caught the vision of Christian service and are giving unstintingly to the Kingdom within our territory.

Our financial report is not as luminous as we would like to have it, however, increased contributions are noted this year.

As we view the work, as a whole, and see the progress, we can only say—"This is the Lord's doing and it is marvelous in our eyes." The old year is like a book, tear-stained pages, sunshine and shade all 'twixt the covers gently laid. No uncut leaves, no pages unstained. We close it and lay it in God's hand, knowing He is able to help us lift "The Banner of the Cross' in all lands.

Respectfully submitted,

MRS. R. M. MADDREY, Supt.

STATE MISSIONS

Since the organization of our State Convention 105 years ago, the great objective of state missions has been to win people in North Carolina to Jesus and His churches. In recent years we have added the objective of training for Christian living. With these two general purposes, our state mission program now embraces the following eight activities:

1. Missionary Pastoral Assistance. About 130 needy churches are now aided, particularly in more destitute rural areas and new industrial communities.
2. Student Work. Churches in educational centers are assisted in ministering to students away from home.
3. Sunday School and B. T. U. Through these departments, under the lead of Perry Morgan and Miss Winnie Rickett, respectively, help is given many churches in inaugurating or improving these auxiliaries.
4. Church Building. At present several churches, three of them in educational centers, are being assisted in paying for buildings.
5. Veterans' Hospital. A good pastor, Rev. Wayne Williams, is given support for work among the sick veterans at the U. S. Govt. Hospital, Oteen, N. C.
6. Indians. Evangelistic and pastoral help is provided for the red people in two counties, Robeson and Swain.

7. Negroes. In March, 1935, a well-trained young Negro pastor was secured to work among his people, especially by conducting conferences for fellow-pastors who serve the approximately 250,000 Negro Baptists of our state.

8. General Missionaries. Rev. M. O. Alexander has been secured to assist in forming fields of churches, holding conferences and revival meetings, and maintaining helpful contacts between the State Board and the churches and associations. Three such workers are needed, one for the East, one for the Piedmont, and one for the West.

The general secretary of our State Board, M. A. Huggins, is supervising the work in an efficient and inspiring way.

E. C. KOLB.

THE HOME MISSION BOARD

The Home Mission Board takes the full Gospel Message to the people of the South, Cuba and the Canal Zone. It puts special emphasis on foreign work, Jews, Negroes and the deaf. It supports around 200 Missionaries and more than 400 mission stations and preaching places, five Good-Will centers, two Rescue Missions and a Seaman's Institute.

It owns and operates 15 schools and furnishes the property free of charge for 8 Mountain schools to their local boards. It assists in operating a Tubercular Hospital.

While contributions have steadily declined in the past few years, the debt on the board has been reduced by about $700,000 since 1928.

Dr. J. B. Lawrence is secretary of the Board. His headquarters and the offices of the board are at Atlanta, Ga.

W. V. TARLTON.

FOREIGN MISSIONS

"Come over into Macedonia and help us" is still the call of our Lord Jesus. We are thankful that people are not only hearing the call to go, but many are hearing the call to send. So we are being encouraged by the reports from our leaders at home and abroad. Debts are being paid and both old and new missionaries are being sent to the fields. On October the fifteenth thirty-three were appointed.

The Woman's Missionary Union has played a large part in making the foregoing possible. They have stepped in in a very definite way and stopped the disastrous seven years' retreat in our foreign mission work. Instead of stopping with their goal of $150,000.00 for the Lottie Moon Christmas Offering for '34, they reached $214,000.00 by May the first.

We thank our Master for the encouraging reports that are coming from our 388 workers in the regions beyond. Over 21,000 souls are reported as saved; over $370,000.00 paid into the Master's cause from Baptists in these lands.

JOHN O. WALTON.

35. K. E. Bryant, historian, read his report.

HISTORIAN'S REPORT

John, the beloved disciple of our Lord, who lived probably closer to Him than any of the other disciples, witnessed many things Jesus said and did. But when he undertook to leave to future posterity all that Jesus did, he closed his Gospel with these words: "And there are also many other things which Jesus did, the which, if they should be written every one, I suppose that even the world itself could not contain the books that should be written."

And so your historian could not if the information were avail-

able give to this Association all the things that have entered into the sum total of what those fifty eight churches have done during this associational year.

Four churches were constitituted between the years 1729 and 1789; thirty-nine were constituted between the years 1803 and 1897; while the remainder have come into existence since 1900. The oldest church, Meherrin, is 206 years old while the youngest, Elm Grove, is only three years old. According to the dates given by the churches to the association, eleven churches have passed the century mark; however, one other church, Buckhorn, had a celebration this year marking one hundred years of service. Two churches counting this one passed the century mark this year—Bethlehem and Buckhorn. Both of these churches had very appropriate exercises commemorating their one hundred years of service. It was learned that the Ross church building of many years standing had never been dedicated, and so on the fourth Sunday in May 1935, this church building was formally dedicated. They have also added to their equipment a nice piano supplanting the old organ. At Green's Cross the church has been painted, electric lights installed in the parsonage and a new piano put in. The Elm Grove church, only three years old, has already outgrown its building and an addition has been made without any indebtedness; also a Delco plant has been installed at a very considerable cost. The Ahoskie church has moved rapidly forward in its building program and plans to begin its worship in the new auditorium Thanksgiving. This is the most commodious house of worship in the association. The Bethlehem church has added not only to the life of its building but also to the beauty of it with two coats of paint.

The progress of the work in the churches has not been as marked as was anticipated on account of a general epidemic of Infantile paralysis. Some churches did not have their usual revival meetings and consequently there were fewer additions to the churches. Sunday school attendance was much less on account of the epidemic.

Five new pastors have come into our midst since our last report. They are: Rev. R. R. Jackson, who has taken up the Harrellsville work left by Bro. Lineberry's death; Rev. L. M. Dixon who has Colerain and Riverside; Rev. W. B. Harrington who has accepted the work at Siloam, Rev. W. H. Hollowell who succeeded Bro. Powers on the Republican work, and Rev. J. H. Bunn who has begun work at Murfreesboro and Conway.

The work of the churches is manned by twenty-two faithful, consecrated servants of our Lord. And the churches are responding to their leadership in a great way.

Respectfully submitted,
K. E. BRYANT, Historian.

HISTORY OF GALATIA BAPTIST CHURCH

Galatia Baptist Church was organized July 13, 1859, with the following charter members: J. C. Fleetwood, Mrs. J. C. Fleetwood, Arthur Davis, Feribee Davis, Kitchen Davis, Adelia Davis, Jessie Davis, Jane Davis, Jessie DeLoatch, Lucy Parker, Elias Lewter, Becky Hasty and Ponnel Stephenson.

Services were held in an old log school house until Bro. Arthur Davis gave the ground for a church house. They went to work and built a house of worship. This building was used until 1910 without any change, then were added two class rooms. In 1926 this was

sold and the present building erected on which there is no indebtedness.

Rev. B. B. Williams was the first pastor of this church, serving about 10 years. He was followed by the following pastors, who served from 1 to 3 years: Revs. Billy Fitzhugh, J. B. Boone, John Mitchell, Bob Savage and Billy Maggette. Rev. J. N. Hoggard served 12 or 15 years. Then Rev. Dancy Cale came and labored with us for 38 years. In 1930 our present pastor, Rev. J. M. Duncan, was called. He has now been with us 5 years.

In the 76 years since the organization of our church it has been steadily growing, though slow. From the old log school house to the present building, from 13 members to 402. Pastor's salary from $100 per year to $500, from two preaching services each month and Sunday School, we now have 3 services each month, and two Sunday schools, (the main one here at the church and a branch sunday school), B. Y. P. U., a W. M. S. and Y. W. A.

Two have gone out from this church as ministers.

36. The Social Service reports were read by D. J. Robinson. He presented Brother J. C. Hough, Kennedy Home, who spoke on the Baptist Orphanage. Lonnie Sasser made an appeal for the aged ministers. D. J. Robinson spoke on the Baptist Hospital.

REPORT ON THE BAPTIST ORPHANAGE OF N. C.

The Orphanage was once called the Thomasville Baptist Orphanage, but its name was changed by the convention in 1928 to the Mills Home. The board in its last session recommended to change it to "The Baptist Orphanage of North Carolina". The Kennedy Home which is located at Kinston is just a branch of the Orphanage and not a separate institution. The head of the Orphanage is now called the Superintendent.

The orphanage is striving not only to care for the children, but to fit them for life, by giving them training in many fields. We have there a fine herd of cows and a nice flock of chickens. The children who are large enough are assigned a certain portion of work to do each day, thus they get experience along with their book learning.

The last report shows that it cost $16.29 per month per child. Charity and Children has a circulation of around 27,000, and makes some money for the institution as well as giving very valuable training to many of the children. The price is $1.00 per year or $.60 in clubs of ten or more. If your school is not taking this paper be sure to do so.

The Orphanage receives from 50 to 100 applications per month. Therefore we have a field worker who tries to get in touch with each case, thus rendering the best possible service. We also need a field worker to keep in touch with them when they get out.

Surely we do not spend any money which is put to a better purpose than our Orphanage. Let us support it gladly.

Respectfully submitted,

D. J. ROBINSON, for Committee.

AGED MINISTERS

We try to take care of aged ministers in two ways. First we have a system called the annuity plan whereby the church pays to the annuity Board the equivalent to eight percent of the pastor's

salary and the pastor pays 2½ percent of his salary to build up a fund for disability or retirement. This plan has not worked so well because of the autonomy of the churches and the change of fields.

Then in the second place we have the relief board which has build up a fund to take care of the men who are too old to preach. This fund is very low so that the average gets only five to ten dollars per month and many cannot get that amount because the board can carry only a limited number. Let us see that we have a responsibility to these men. Many of them work for a mere existence and had no chance to build a fortune for old age if they gave the better part of their lives to the ministry, being inadequately paid, then surely the Church of Jesus Christ should not allow them to suffer for the material things of life.

Respectfully submitted,
D. J. ROBINSON, for Committee.

REPORT ON BAPTIST HOSPITAL OF NORTH CAROLINA

As you know the Baptist Hospital is located at Winston-Salem, N. C., for the purpose of healing bodies and leading men and women to the Savior. In the first half of the year 1935, 1760 patients have been treated. We are now averaging 300 patients per month and half of these cannot pay, so you see it costs a large amount of money to care for the ever increasing number of free cases from all over the State. The hospital must depend largely upon the churches and Sunday Schools to care for these cases. Surely we are doing real Christian service when we contribute to this institution. The W. M. U. of the State has sent during the first half of the year 3635 articles of linen which is very much appreciated. Mother's Day has been designated by the denomination as Hospital Day. See to it that your church puts on a well planned program on Mother's Day and make the offering as large as possible for it is in this way that we are able to carry on the Program of Jesus in relieving suffering humanity. May each of us make our offering on this special day which is so appropriately set apart.

Respectfully submitted,
D. J. ROBINSON,
Chairman of Social Service.

REPORT ON TEMPERANCE

We have lost a battle, but not an entire victory. The wets promised the world that we would have less drinking with plenty of government whiskey, but the facts do not show that to be the case. Keeley Institute at Greensboro had only seven patients before the repeal, but now they have hundreds of them. We have a fight, let us never give up; for righteousness will always win in the end.

We have now the task of educating the youth of today in the evil effects of alcohol on the human system. When once we can really convince youth that alcohol is a narcotic and not a stimulant then we will be getting far on the road towards temperance. Let us begin in the home and the school, church, and every means at our disposal to teach the evil effects of alcohol.

It is time the church was taking a decided stand against alcohol and against its members who drink and sell the stuff. If every member of the church had lived up to the teaching of the church then we would not have had repeal. Surely it is time the Church

of Jesus Christ arises to show its colors. When we do that victory is ours. May the cause of righteousness shine with a brilliant glow until the world shall know that we have been with Jesus.

Respectfully submitted,
D. J. ROBINSON,
Chairman of Social Service.

MEMORIAL

THOMAS COTTON BRITTAIN

1862 - 1936

West Chowan's Native Missionary

Born August 25, 1862, son of Noah G. and Frances Blanchard Britton of Northampton County. Professed faith in Christ as a young man and joined Potecasi Baptist church. Three convictions possessed his soul: 1. To have a conscience of sins forgiven; 2. To preach the Gospel; 3. To go to China as a missionary.

Attended school at Woodland, Wake Forest College and Southern Baptist Theological Seminary. Endorsed for the mission field in 1887 by the West Chowan Association. Appointed missionary to China in 1888 by the Foreign Mission Board at Richmond. Married Nannie Rayner. He and his wife set sail for China in November of 1888.

He served as missionary for forty-eight years, serving most of the time in Soochow and a brief period in Wusiah. About eight years ago his health failed and July 27, 1936, he went Home to Glory to receive his reward.

RESOLUTION

RESOLVED, That each church in the West Chowan Association be, and is hereby urgently requested to place Chowan College in its regular Church Budget and to contribute and remit directly to the college, during this Associational year, one-half of all amounts received by the church for any and all objects other than for local church expenses, hospital, orphanage and specifically designated contributions, for the support and maintenance of Chowan College.

RESOLUTION

To the General Board of the Baptist State Convention of North Carolina, respectful greetings:

WHEREAS, Chowan College has for more than eighty-eight years served the Baptist cause and the Kingdom of our Lord to such an extent that Northeastern North Carolina and Southeastern Virginia are distinctly Baptist territory;

WHEREAS, there is no other college near Chowan College to serve the people among whom it is located, giving Chowan College an opportunity which is almost unparalled;

WHEREAS; it has become necessary for Chowan College either

to close its doors and discontinue its work, or to improve and enlarge its equipment so as to be able to meet the needs of the youth who are ready to enter its doors as soon as it is prepared for them;

WHEREAS, the trustees of Chowan College have undertaken a program of building and expansion by which the College will be equipped for a student body of 200 to 350 and have undertaken to add such buildings immediately as will enable the College to take care of 275 students;

WHEREAS, in recent years Chowan College has been dependent upon the Chowan and West Chowan Associations for support on account of which it has been necessary for the churches in those associations to withhold and send directly to Chowan College a portion of the Cooperative Program receipts, that portion varying from 25 to 50 per cent;

WHEREAS, there are in the Chowan and West Chowan Associations 26,261 Baptists, among whom there is a high degree of loyalty and missionary zeal;

WHEREAS, the Baptists of the Chowan and West Chowan Associations earnestly desire to cooperate fully with the de-nomination and are willing to withhold any portion of the Cooperative Program receipts only as a necessary measure to save a college which is dear to them and which they believe exceedingly valuable to our denomination and to the Kingdom of our Lord, and

WHEREAS, we recognize the extreme need for Chowan College in Northeastern North Carolina

THEREFORE, BE IT RESOLVED: that we, the West Chowan Baptist Association, request the General Board of the Baptist State Convention of North Carolina to recommend to the Convention that it appropriate and pay to Chowan College each year for four years $15,000.00, provided this can be done without serious damage to our general work, and we further request that such appropriations and payments be made on the following conditions:

First, that the churches of the Chowan and West Chowan Associations send all cooperative program receipts directly to the office of the General Secretary and Treasurer of the North Carolina Baptist State Convention;

Secondly, that Chowan College raise in gifts made to the College by individuals not less than $30,000.00 during the year 1937, not less than $60,000.00 during the years 1937 and 1938, not less than $90,000.00 during the years 1937, 1938 and 1939, and not less than $120,000.00 during the years 1937, 1938, 1939, and 1940.

17. The clerk gave his digest of Church letters.

"AND THE BOOKS WERE OPENED"

OSCAR CREECH, Clerk

Fifty-one church letters came in promptly, five were late coming and two churches have not sent letters. The reports from these churches last year are used again. The church letters deserve more time and thought in making them up than they get in many cases. Every blank on the letter forms should be answered if it applies to your church. This is the most comprehensive method we have of preserving our church history.

Here is the record. Some facts revealed should cause us to lift our faces to heaven in gratitude while others should cause us to drop our heads in humiliation.

I. MEMBERSHIP

(1) Baptisms—498, 116 more than last year.
Baptisms are reported by 51 churches, none by 7 others.
Churches leading in baptisms—Ahoskie 33, Aulander 30, Buckhorn 27, Conway and Kelford 22 each.

(2) Churches reporting the largest membership—Ahoskie 750, Aulander 521, Mars Hill 506.

(3) Total gain in membership.....751
Total loss in membership.....509
Net gain.....242, 134 more than last year.

(4) Present merbership 14763

(5) The gain this year is made in view of 255 names dropped from church rolls by "erasure." It occurs from the number reported lost by "erasure" that an effort has been made to correct church rolls by the following churches: Ahoskie 62; Askewville 54; Sandy Run 50; Holly Grove 23, Mt. Tabor 13; Roberts Chapel 13; Jackson 12; Creeksville 10.

(6) The clerk asked that the present membership be divided into "resident" and "non-resident" membership. The purpose of this was to begin an effort in the West Chowan to correct church rolls.
Forty-five church clerks were thoughtful enough to give us this information. These 45 churches reported 9960 resident members and 2142 non-resident members. This shows that on an average only 83% of the members live within reach of the church, or that 17% live away from the church in other church communities. This reveals a situation that needs to corrected.

(7) Thirteen churches have weekly prayer services.
Fifty-four held revivals during the year.
Four hundred and thirty-seven reported taking the Biblical Recorder, 1 paper to 34 members.

(8) Where our Churches Are:
Thirteen are in town, 12 in villages and 33 in the country.

II. SUNDAY SCHOOLS.

(1) All churches this year are reported with Sunday schools.
Enrollment reported is 9637, 169 more than last year.
Average attendance is 56 less than last year, reported 5310.

(2) Thirty-five schools are graded.
Five are standard.
Three hundred and thirteen teachers hold diplomas.
Four hundred and thirty-four of the 498 baptisms are from Sunday schools.

(3) Three Daily Vacation Bible schools, which enrolled 275, with average attendance of 231.
(4) Contributions by Sunday Schools:

Local expenses	$ 5849.82
Missions, Etc.	5211.72
Total	$11061.54

III. CHURCH PROPERTY.

(1) All churches own their houses.
Ten are built of brick or brick veneer and one concrete, 47 of wood.
Churches will seat 22150.
(2) Value of Church houses and grounds is $533,450.00, $19,750.00 more than last year.
Value of 19 pastors' homes, $79,200.00, $2,900.00 more than last year.
Total value of all church property is $612,650.00.
(3) Indebtedness reported is $49,076.37, $8385.24 less than last year.
Insurance carried, $224,700.00, $20,000.00 more than last year.

IV. GIFTS FOR LOCAL CHURCH WORK

(1) Total report, $68,875.49, $7,085.45 less than last year, which is accounted for in amounts spent for buildings and debts.
(2) Paid on pastor's salary, $30,014.81 or $160.33 more than last year. 43.5% of local expenses goes to pastor's salary.
A country pastor receives the highest salary, $2800.00.
The lowest salary of any pastor giving full time is $965.00.
The average salary in the association for those giving full time is $1654.09.
(3) 74.5% of all our funds are given for local expenses.
(4) We are able to report again that the Minute Fund was sufficient last year to pay all expenses with a little balance. The minutes will cost a few dollars more this year, but both printers, Hertford County Herald, and Clerk are hoping to give you better minutes. Our minutes last year rated fourth in North Carolina.

V. GIFTS FOR MISSIONS, EDUCATION AND BENEVOLENCES

(1) Cooperative Program (No specials included), $7657.87, $247.70 more than last year.
Six churches contributed nothing, four last year.
(2) Chowan College, $3177.97, $1087.53 more than last year.
(3) Specials:
(1) State Missions, $1205.14, $147.86 less than last year.
(2) Home Missions, $872.14, $337.42 less than last year.
(3) Foreign Missions, $2337.57, $109.57 more than last year.
(4) Orphanage, $6226.09, $71.67 less than last year.
(5) Hospitals, $796.16, $41.41 more than last year.
(6) Old Minister's Relief, $33.35, $137.94 less than last year.
Are we not ashamed of this? Why not remember these servants of God sometime during the Christmas season?

	$20,388.38
Chowan College	3,177.97
Total	$23,566.35

18. J. O. Walton, Promotion Committee, asked for Aims of the Churches for next year, 1937.

19. J. M. Duncan called for the report on Missions, which was read by W. V. Tarlton.

REPORT ON MISSIONS FOR 1936

The fundamental purpose in Missions is the projection of the saving grace of our Lord Jesus Christ into all time and into all lands. This never changes. The disciples of Christ of every age are to go into all the world and into all the life of the world, sent by Christ as He was sent by the Father, to carry to its consummation the redemptive work of our Saviour.

The Spirit and Motive of Missions, State, Home, and Foreign are the same. We are all working at one task. Let us look at a brief summary of each division of work.

I. *State Missions*

For more than a hundred years the objective of State Missions has been to win the people of North Carolina to Christ and into the fellowship of our Churches. For around a quarter of a century we have also laid emphaisis on training those who come into the churches. State Missions serve as a service of supply for all other agencies. They are dependent on a great State Mission Program.

II. *Home Missions*

If we are to win the world to Christ the homeland must be thoroughly Christian. There is in our Southland a tremendous opportunity and responsibility resting on our shoulders. With 10,000,000 negroes, 5,000,000 foreigners, large elements of Indians, Spanish speaking people, Mexicans and French, a great door and effectual stands open in our midst.

Our work is making progress. We have 283 Missionaries, 894 Mission churches and stations, over 4000 conversions last year. The board maintains 566 Sunday Schools with 11,554 pupils .

III. *Foreign Missions*

Ninety-one years ago our fathers met in Augusta, Ga., and launched the foreign mission enterprise of Southern Baptists. Marvelous has been the growth of our work. 13,982 baptisms were reported last year.

Our debt which stood at $924,500 January 1st, 1935 has been lowered to $400,000 and plans are now being made to wipe out all of the indebtedness by the end of 1938.

Our work is being carefully planned in each of the 15 foreign countries where we operate. New recruits are going as rapidly as finances will permit and property which has been neglected will soon, we trust, be in a good state of repair.

The board pledges to live within its income and pay its debt, but in so doing will be unable to send some of our Missionaries on furlough back unless receipts rise during the next few months.

Respectfully submitted,
W. V. TARLINGTON.

20. Congregation sang "How Firm a Foundation." M. A. Huggins spoke on the great topic of Missions. He requested that the congregation sing, "Lead On, O King Eternal."

21. The W. M. U. report was read by Mrs. Herbert Jenkins:

W. M. U. REPORT

An attempt to make a report of the West Chowan W. M. U. brings a feeling of both joy and sadness. We rejoice because of the splendid work done by our faithful women and young people who have endeavored to put the advancement of God's Kingdom first. Our hearts are made sad when we think of the large number of people in our association who are still un-enlisted in the great work of Missions.

The West Chowan W. M. U. has 50 Women's Missionary societies, 30 Y. W. A's, 36 G. A's, 38 R. A's, and 48 Sunbeam bands. Several of these societies are A-1. A few of them are doing full graded A-1 work. During the year seven new societies have been organized, 1 W. M. S., 2 Y. W. A's, 3 G. A's and 1 R. A.

Each of our three county unions, the Bertie, the Hertford and the Northampton, has met quarterly, giving interesting, helpful and inspiring programs. Much of the success of our work has been due to the earnest efforts of the efficient and consecrated county presidents, to the splendid Young Peoples' Leaders and to those who have led other phases of our work.

A large number of our societies have had twoo mission study classes this year.

Our west Chowan Women and Young People are delighted to continue the support of our very own Missionary, Miss Pearl Johnson in China.

In order to advance organized personal service some of our societies have studied the Personal Service Guide by Una Roberts Lawrence.

Some new phases of our work are extension mission study for the benefit of the unenlisted women and public meetings in our churches to create a greater interest in missions.

Before the assembly our women furnished a guest room at Chowan College.

At a recent meeting of our executive committee plans were made to equip the food laboratory for the practice house of the home economics department of Chowan College.

Our scholarship at Chowan College and the W. M. U. Training School have been maintained.

We are striving to reach our financial aim for the year. Last quarter's report was nearly $500 more than that of the preceding quarter.

During the year prayer and Bible study have been emphasized, realizing that our greatest need is devoted, consecrated living.

MRS. HERBERT JENKINS.

22. R. R. Jackson, A. W. H. Jones and W. H. Hollowell were appointed a committee to nominate members of the Executive Committee and Messenger to Baptist State Convention.

23. Adjournment to meet at 10 o'clock Wednesday morning. Benediction by F. B. Handley.

24. "Wonderful Words of Life" was sung and prayer by J. R. Link. After singing "Take the Name of Jesus With You" by the congregation, C. M. Pegram led in meditation.

25. W. V. Tarlton presented the report on Sunday School Work and spoke to his report.

REPORT ON SUNDAY SCHOOLS

The business of the Sunday School is to teach God's word to every available person. It should be the desire of every Sunday School Teacher to take the pupil as he is, and so teach him from week to week that he will eventually become what God would have him be.

During the past twenty years, Southern Baptists have enrolled more people in Sunday School than all other denominations put together, and yet there are ten and one-half million prospects for our Baptist Churches. In North Carolina there are 800,000 prospects for our schools. Every Sunday there are three people at home for every one in attendance. If that situation holds in our Association, we have around 16,000 unenlisted prospects in our Association.

During the year we have tried to get a study course in every Church, and have a religious census made everywhere. Many churches responded to the study course, but only a few took the census. We now have a Sunday School in every Church, and had an increase in enrollment over last year of 174, but average attendance dropped below the year before by 56 because of the severe winter.

There are five standard schools, thirty-five graded, and 313 teachers holding diplomas. Of the 498 baptisms into our Churches, 434, or 87%, came from the Sunday Schools, thus proving that the Sunday Schools are our great recruiting grounds .

Let's plan for every Church to increase its Sunday School enrollment next year by taking a census, going after the unenlisted, and doing more than worthy teaching.

W. V. TARLTON.

26. D. J. Robinson without report spoke on the Baptist Training Union. Solo by Mrs. R. R. McCulloch. One stanza of "More About Jesus" was sung.

27. The hour for benevolences and social service arrived. The following reports were read:

NORTH CAROLINA BAPTIST ORPHANAGE

From the time that our Saviour said: "Suffer little children to come unto me for of such is the Kingdom of Heaven," there have been Christlike men and women whose hearts have gone out in sympathy and love for children, especially orphan children.

In our great state as elsewhere that Christian love has found expression in gifts that in one way or the other have rendered service to the child.

I am sure that you will agree with me when I say that one of the greatest services ever rendered to orphan children in North Carolina was when our orphanage was founded in the year of 1885.

The institution has by a wise business like policy accumulated property worth over one million dollars and has during the time of its history taken care of more than four thousand children.

"The present policy is that no child be received without careful investigation and equal interest is taken in the child when he leaves." It is said that perhaps no other orphanage in all the world is so bound up with the Sunday School as ours.

It is generally known that the chief support comes from the Baptist Sunday Schools of our state. If every Baptist Sunday School in this great Commonwealth would make monthly offerings and send them in promptly, these contributions along with the Thanksgiving offerings would meet every financial need.

Your committee would earnestly urge that the Baptists of the state give greater support to the orphanage by subscribing to the Charity and Children, by more liberal gifts and above all by their most earnest prayers.

A. W. H. JONES.

BAPTIST HOSPITAL

The ministry of healing is a work that was long neglected by North Carolina Baptists. This worthy feature of our work is still in its infancy and needs the united assistance of our entire constituency.

Though young the Hospital is growing rapidly in per day patients served. So increased are the demands upon it that the capacity of the building is in great need of enlargement and contributions for charity work need to be increased. The following statistics will give us an insight to the growing demands upon this institution. Per day patients treated have grown from 60 in 1933 to 87-90 in 1935. These patients come from every section of the State. Sixty-seven counties were represented and 3,753 patients were registered last year.

Charity work done last year amounted to more than $56,000.00. Nearly half of this amount had to be piad out of operating expenses. Therefore it seems that we must do one of two things immediately if the Hospital is to continue to live and serve. We must increase greatly our gifts to charity work in the Hospital or enlarge the plant so it can better take care of itself through increased patronage.

W. H. HOLLOWELL.

MINISTERIAL RELIEF AND ANNUITY

The work of the Relief and Annuity Board should find a warm and responsive chord in the heart of every Southern Baptist .

The task of this board is two-fold: First, to aid in providing the bare necessities of our old ministers and their widows who have grown old in the work of our Master. Such a ministry affords Southern Baptists an opportunity that is both worthy and challenging. Second, to try to safeguard our ministers of today against the necessities of tomorrow.

To this end the Board is emphasizing two plans: First, the New Individual Plan, in which the entire premium is paid by the minister. Second, the 3-3 Plan, which is an annuity created by pastor, church and Annuity Board cooperatively.

To assist in providing the present pressing necessities of our aged ministers and their widows the Board is asking that each church make a special "Fellowship Offering" once a year in connection with the observance of the Lord's Supper and that said offering be designated "Special Fellowship Offering for Ministerial Relief." Your committee recommends that such an offering be asked of each church in our association for this most worthy cause.

W. H. HOLLOWELL.

TEMPERENCE

The time has come when all those who love and fear God should rise up in the power of His might and destroy intoxicating liquors. The manufacture, sale and use of alcoholic beverages is a menace to life and morals, and is a curse upon our people. We are greatly concerned because of the growing tides of indifference to the alcoholic-beverage evil that more and more threatens to engulf the Christian conscience of state and nation. We condemn the advertising of alcoholic drinks, and especially the misleading and untrue statements which seeek to enlarge the consumption of alcohol in the name of health, by our papers and over the radio and otherwise. There can be no doubt but that drunkenness is on the increase and with this increase of drunkenness we have the increase of the loss of life from automobile accidents, and the letting down of the bars in society that permits convivial drinking on an increasingly larger scale.

It is your duty, and mine, and the duty of all who love and fear God to do all in our power to destroy the liquor business. Let us do all that we can to close the A. B. C. stores that we now have in certain counties in the State of North Carolina, and let us make our State and Nation dry in name and in fact.

RICHARD S. FOUNTAIN.

28. J. A. McMillan represented the Orphanage. In the absence of Smith Hagaman, A. W. H. Jones spoke to the report on the Baptist Hospital. W. H. Hollowell spoke to the report on aged ministers. Richard Lloyd spoke on Temperance. The following resolutions was presented by C. H. Trueblood.

RESOLUTION

WHEREAS, one of the most vital questions confronting the voters of North Carolina is the question of legalizing liquor.

AND, WHEREAS, Rev. Richard Lloyd, in a stirring address, has clearly pointed out, what the Christian's attitude should be respecting the liquor traffic,

Be it, therefore, Resolved:

1st, that, we, the members of the West Chowan Baptist Associa-

tion, heartily endorse by standing vote, the senitments expressed in Brother Lloyd's address, and

2nd, that we, furthermore, request the publication of a summary of Brother Lloyd's address in the Biblical Recorder.

3rd, that attention be called again to two resolutions by this body, one in 1890, the other in 1905:

(1) Resolved, that henceforth this Association withdraw fellowship from any church that allows its members to engage in the manufacure and sale of intoxicating liquors as a beverage. (1890.)

(2) Resolved, that it is a sense of this Association that selling intoxicating liquors through a dispensary is a violation of the spirit and letter of the resolution of our Constitution. (1905.)

(See Resolutions at end of Constitution.)

29. The Historian, K. E. Bryant, read his report.

HISTORIAN'S REPORT

The general status of the churches in the Association is improved over the previous years of the economic depression; but little progress seems to have been made along moral and spiritual lines.

Meetings of the evangelistic type have been held in most of the churches and the visible results were very gratifying. The pastors have reported more additions by baptism than last year. It is difficult to measure by the span of time the real progress of the churches, and only eternity will reveal the true results. However, from the standpoint of the pastors, the churches are in a very healthy condition.

The Ahoskie Church, host this year to the Association, has completed its commodious and beautiful auditorium with a capacity for seating about 700 people. Services have been held each Lord's day in the new auditorium since last December. From May 1930 until December 1st 1935, services were held in the basement auditorium. The main auditorium was completed and equipped at a cost of about $10,000.00. The building is not yet completed but only about $1,500.00 is needed to complete it. The church has an indebtedness on the building of $14,500.00. A fine spirit among the members has prevailed throughout the building of this handsome edifice. Brother Oscar Creech has proven himself a good leader and fine undershepherd.

The congregation of the Sandy Run Church suffered a distinct loss on Friday afternoon, July 24, when their house of worship was struck by lightning and burned. This is the second oldest church in the Association, having been organized in 1750. However, this noble band of people have set themselves to the task of building a new brick veneer church costing approximately $6,000. To help pay for this they are receiving $3,000 from the Insurance company. The church when completed will have eight Sunday School class rooms. Bro. B. L. Davis, a young minister, is pastor of this historic church.

Brother George Leggett, pastor at Lawrence, reports that at the close of a Sunday School enlargement campaign led by Miss Ann Downey, a Sunday School was organized and that following a great revival meeting in which Bro. C .H. Truebrool did the preaching, the church took on new life and has made a report to the Association.

The Conway Church has released itself from the shackles of debt; having raised the amount of $1250 and burned the note. Dr. J. H. Bunn is the pastor.

The Bethany Church has built seven Sunday School class rooms

during the year and installed a Delco lighting system, all free of indebtedness. This church now has 10 rooms.

Center Grove congregation has a new house of worship with eight large class rooms. This church raised the money while the building was in progress and did it in time to get all bills for materials discounted for cash and paid the carpenters every week. Not a cent of debt hangs over the church. Your Historian is pastor of both Bethany and Center Grove.

Some repairs have been made to the Hebron Church during the year of which Bro. R. R. Jackson is pastor.

Most of the pastors in the Association last year are still at their posts of duty. Rev. Ernest C. Kolb resigned the Cashie Church in April and accepted a call to Cherow, S. C., located in his native state. Rev. John Link of Belcross has been called to the church in Windsor and takes up his duties November fist. Rev. C. M. Pegram of Fair Bluff has accepted Ashley's Grove and Roberts Chapel. He has been on the field six months.

32. The report on Christian Education was read by J. H. Bunn.

CHRISTIAN EDUCATION

Civilization in its march around the world has recognized the importance of Christian Education. The task of educating youth today is a tremendous one. If Southern Baptists were called upon to educate all their youth today they would have to increase their schools and equip far beyond their present holdings. If the leadership of the future is to be imbued with the spirit and principles of our great denomination, provisions must be made to meet the growing demands of this age. We some times seem to forget that our schools have to be equipped with builidngs, laboratories, endowments and faculties that will command the respect of thoughtful and discerning men and women.

Our forefathers realized that if the denomination did not build to meet the needs of Christian Education, that the youth of the Land would find private or state schools ready to receive them and in many cases offer financial aid. As early as 1836 every state in the Union, except Louisana, had a denominational College or University. Religion and education are the two greatest forces in the world today. Our supreme effort should be to blend the two. The Christian school is an agency of the churches for the promotion of the Kingdom of God through educational processes. No longer does the necessity for Christian Education have to be argued anywhere. Knowledge is

power everywhere any time, but knowledge without Christ at the center of life's plan is not Christian. It has been wisely said: "that when we abandon our Christian Colleges we paralyze our religion and crucify our civilization.

JOHN H. BUNN.

Two addresses were delivered on Christian Education by C. E. Brewer of Meredith College and J. L. Memory of Wake Forest College.

33. The following resolution was offered by J. O. Walton and deferred until next year for consideration:

RESOLUTION

Inasmuch as our customary written reports are very expensive to print in the minutes;

Inasmuch as we believe they are read but little if any after being printed therein;

Inasmuch as said reports take our time from things more valuable;

Inasmuch as our own preachers should be given an opportunity to speak instead of report;

Therefore, be it resolved that we discontinue the reports as heretofore read, and that we put these men on to make inspirational addresses on the various phases of our work.

Respectfully submitted,
J. O. WALTON.

Each church of one hundred members and under shall be entitled to two messengers, and for each additional one hundred members, an additional messenger; provided, that no church shall have more than four messengers.

Article 3. The objects shall be to devise and recommend measures for increasing the harmony, the intelligence and spiritual power of the churches, and for developing and directing their energies, their resources and their gifts, in advancing the Redeemer's Kingdom on earth.

Powers and Prerogatives

Article 4. The Association shall have no power to infringe upon the sovereignty or rights of the churches. It is neither an ecclesiastical nor legislative council, nor court of appeal. It may advise the churches and recommend measures of usefulness for their adoption, but cannot bind them in any way. Yet, in view of the combined wisdom, piety and intelligence of the body, it may just claim for itself, for its objects, and for its recommendations the very highest consideration and regard.

Article 5. The Association may dissolve connection with any church that becomes heterodox in doctrine, or disorderly in practice, or that fails to represent itself, either by messenger or letter, more than two successive sessions, without sufficient reasons, or that treats with contempt its objects and requirements, upon application of a church for dismission.

Rights of Churches

Article 6. Each individual church shall hold and exercise all the functions of an independent church of Jesus Christ. As constituent members of this Association, the churches shall have the right to advise, when desired, in case of difficulty, and suggest plans of usefulness to be adopted. It shall be the undisputed privilege of any church to withdraw its membership from this Association whenever it shall so elect.

Duties of Churches

Article 7. It shall be the duty of the churches to appoint as messengers as far as practicable, their most capable members, to require their attendance, and to send by them a contribution to the Association fund to pay for printing the Minutes and other necessary expenses.

Aricle 8. It shall be the duty of each church to send an annual letter to the Association giving: (1) locality; (2) names of its pastor and clerk and their respective postoffices; (3) the Sabbaths of regular service; (4) Church statistics, including the number baptized, received by letter, restored, dismissed, deceased, expelled and aggregate membership, male and female; (5) Sabbath School statistics; (6) amount contributed to benevolent objects and the Association fund; (7) names of messengers and alternates; (8) and other information of special importance.

Article 10. In order to conserve time and not to interfere with the main work of the body, this Association will not consider any routine or miscellaneous business except at the close of the discussion of each general topic.

Duties of Officers

Article 11. It shall be the duty of the Moderator to open the meetings punctually at time appointed; to enforce the rules; to enforce order, and to exercise all the prerogatives of a presiding

officer according to the principles of parliamentary usage .

Article 12. It shall be the duty of the Vice-Moderator to discharge the duties of the Moderator in his absence.

Article 13. It shall be the duty of the Clerk to keep a faithful record of the proceedings of this body, and superintend the printing and distribution of same, and to keep on file the printed Minutes and other important documents belonging to the body. He may appoint an assistant when necessary. The Clerk shall receive for his services fifty dollars out of the Minute Fund.

Article 14. It shall be the duty of the Treasurer to receive and disburse the money contributed to the Minute Fund, as directed by the body, and make an annual report of the same.

Article 15. It shall be the duty of the Historian, who shall be elected at each annual meeting of the body, to prepare for publication in the Minutes an historical sketch of the church with which the Association meets, with obituaries, incidents, and other facts of the year that shall be preserved, and make report to the next Association.

subject, "Partnership with God."

The following officers were then elected:

Frank Hasty, Greenville, S. C., Relief and Annuity Board; M. A. Huggins, Raleigh, State Mission Board; W. R. Cullom, Wake Forest, Wake Forest College; J. L. Walker, Castalia; James Smith, Williamston.

11. Social Service report was presented by C. H. Trueblood.

SOCIAL SERVICE REPORT

"Faith without works is dead"—Social Service is "Faith at work," the gospel in action. Social Service is the "Fruits of salvation," and surely if salvation is real it will produce fruit—"By their fruits ye shall know them."

Baptists believe as strongly as ever in the fundamental doctrine of individual regeneration; we know that if the gospel ever reaches and redeems society it must do so by reaching and saving the individual. However, the individual Christian is "Saved to Serve." The mission of the gospel is both to the individual and to the social order. No real Chrstian can be indifferent concerning social injustice, political wrongs, and civic unrighteousness.

In the words of another, let us ask: "Shall we rescue individual sinners, or shall we strike at the evil forces that make sinners? Shall we pick up individual drunkards from the gutter, or fight to destroy the liquor traffic that manufactures drunkards? Shall we strive to restore the wounded in war, or shall we work to abolish the hellish war system? Shall we pick up the wounded by Jericho's road, or shall we formulate plans for catching the thieves that infest the Jericho road of human society? The obvious answer to all these questions is that we should do both. There is no real choice between an individual gospel and a social gospel; if it is to be a whole gospel, it must include a whole society, individually and collectively.

But Social Service does not end with deeds of charity. There are great festering sores of evil that are afflicting the human race; it is the inescapable duty of the individual Christian, and of the church, to give ceaseless battle to all social evils and "spiritual wickedness in high places."

Some of these great festering sores are:

"The secularization of the Sabbath is a matter of grave concern; indirectly it is of great social importance.

We feel that there is a noticeable improvement in race relations. We should heartily condemn mob action, especially that which involves lynching.

The changing conditions taking place in our present-day society, if not definitely checked, will eventually result in lowering our moral ideals to an "all time low."

We view with horror and righteous indignation the savage type of war that Japan is making upon China. The ruthless bombing of helpless women and children and the reckless destruction of millions of dollars worth of property is worse than barbarism; it is wholesale murder and national brigandage.

No consideration of social service is adequate without special attention to the liquor question; for there is no phase of our social life that is not affected one way or another by this monster demon of rum.

———o———

12. Cale Burgess, Raleigh, representing the United Dry Forces of North Carolina, delivered an address on Temperance. After remarks by J. H. Matthews an offering was taken which amounted to $110.50.

13. Report on Ministerial Relief was presented by W. D. Barbee.

REPORT ON MINISTERIAL RELIEF

Ministerial Relief, as never before, should find a responsive

chord in the Christian's heart. We, as a people, are now giving more attention to all sorts of relief and security than in any previous period of time. The Government is doing more relief work today than was ever dreamed of by religious bodies the world over. The humanitarian spirit of brotherly love and responsibility is really taking hold of the minds and consciences of men and women. We are really becoming Relief Conscious. I think it is well and Christian that we are.

By reflecting over the past, we find that our Christian denomination, though doing very well, has failed, to a large extent, to do justice to the great need of ministerial help. Our ministers no longer have time nor the urge to work, save, and invest money, that they may be comfortably taken care of when old and retired. And the tendency now is to only supplant the faithful pastor of 55 to 60 years of age, with a younger and possibly more active man. No longer does the average church want a pastor of many years of age and experience for its leader. The tendency of the time in which we are living is toward youth. In all walks of life, this is true. Hence the greater necessity for a more vigorous and business-like method of meeting this crisis.

I suggest: (1) Close cooperation with the Annuity and Relief Board for the ministers of the churches; (2) a constant, continual appeal be made to the churches, especially to the business and social leaders and laymen; (3) a definite trend towards higher ministers' salaries, commensurate with their work and position in life and reasonably comparable to salaries of leaders in business and government.

With a rejuvenated consciousness of the great need for ministers relief, a recognition of what our govermental and industrial institutions are now doing and a genuine willingness on the part of church members to share their lives and living with their religious leaders, who are in dire need today, I believe our Christian churches will meet the challenge and make adequate provision for those who have served us faithfully but deserve our every consideration.

W. D. BARBEE.

—o—

14. B. Frank Hasty, Greenville, S. C., of the Relief and Annuity Board, Dallas, Texas, addressed the Association.

15. The program was re-arranged so that J. C. Hough, Kennedy Home, could speak at this time as he could not be present on Wednesday.

16. Two committees were appointed by the Moderator:

Finance—John Britt, Colerain.

Time, Place and Preacher—W. V. Tarlton, S. A. Adams, Mrs. A. H. Martin.

17. After announcements W. V. Tarlton pronounced the benediction and gave thanks for the food. Dinner was served on the ground.

TUESDAY AFTERNOON SESSION

18. "Come We That Love The Lord" and "Simply Trusting Jesus" were sung. Guy C. Moore offered prayer.

19. The Clerk reported that the North Carolina Baptist Orphanage requested that the Association elect a representative to represent them all through the year in the bounds of the Association. John R. Link was elected.

20. The Clerk submitted the following changes to the Constitution, which were adopted:

Art. 16. On the first day of the session there shall be appointed a Committee of Finance and a Committee on Time, Place and Preacher for the next session.

TO ADD ARTICLE 17, as follows:

Art. 17. The Executive Committee of the Association shall be composed of ten members, the five officers of the Association—Moderator, Vice-Moderator, Clerk, Treasurer and Historian—and the heads of the five departments of work—president of Woman's Missionary Union, superintendent of the Sunday School Association, president of the Baptist Training Union, Leader of Promotion and Orphanage Representative. It shall be the duty of this committee to transact whatever business may require attention between sessions of the Association.

21. Reports on State and Foreign Missions were prepared by J. R. Link and report on Home Missions by K. E. Bryant. After the reading of the reports "We'll Work Till Jesus Comes" was sung.

STATE MISSION REPORT

Back in 1826 the old Chowan Association had a vision of State Mission work which led to the organization of our State Convention in 1830. This convention had as its sole objective "to direct the missionary activities and efforts of our people." This Mission Board has continued, with only slight interruption during the civil war, for 107 years, and has rendered a noble mssionary service; but there still remains within our State a challenge large enough to enlist all genuine missionary Baptists.

At present the State Mission Board has a most consecrated and farsighted group of leaders. These leaders stand ready and anxious to help us. It will be profitable to all for us to know and to keep in immediate contact with the following: M. A. Huggins, general Secretary; M. O. Alexander and J. C. Pipes, general missionaries; W. Perry Crouch, secretary of Christian Education; L. L. Morgan, secretary of S. S. work; Nathan C. Brooks, Secretary of B. T. U.; R. T. Vann, Secretary of Benevolences; J. S. Farmer, editor of our state paper; and Mrs. Roger P. Marshall, manager of the book store. All of these may be reached at the Recorder Building, Raleigh, N. C.

The Rev. M. O. Alexander is to spend this year in our eastern section. We have a great opportunity to help in the State Mission work through him.

All mission contributions should be sent to Mr. M. A. Huggins, Recorder Building, Raleigh, N. C. as soon as they are collected or at least once every month.

Respectfully submitted,
JOHN R. LINK.

FOREIGN MISSION REPORT

Foreign missions face a great crisis today. We must keep messengers among peoples mad with war. This calls for immediate action on our part to send the messages of love and peace .Prayer, interest, and money are needed now if we would save our missionary possibilities and accomplishments in these countries.

Our Pressing Need

It is imperative that we lay aside the weight of debt in order to do the great missionary work ahead of us. The Southern Baptist Convention has adopted the plan of the 100,000 Club to pay off this debt. Every penny paid into the club goes to this object. The

expenses of the club are paid out of another fund. For further information write Mr. J. E. Dillard, 161 8th Ave. N., Nashville, Tenn. The call is for every church and every member to join this club.

Respectfully submitted,
JOHN R. LINK.

HOME MISSIONS REPORT

The hope of the world lies in the uplifted Christ. Social adjustments do not heal the ills of the human race. There is no substitute for the Gospel.

The task of Home Missions is to lift Christ up and make Him Lord in the life of the homeland. Each generation in the homeland must be evangelized. Each person must be evangelized.

A triumphant missionary program in our own county is necessary if we would push our conquest for Christ in lands afar. A Christianity which does not conquer at home will not be able to conquer abroad. We cannot give what we do not have.

The Home Mission Board is lifting up Christ in the homeland among the Indians, the foreigners, the Negroes, the underprivileged in the cities and congested industrial sections, and in Cuba and Panama. The Board has 327 missionaries working in 850 mission stations. During the past convention year the Board has placed in the field 35 new missionaries. This enlargement of the work was made possible by the receipts from tht Bottoms Trust and unsolicited funds. Thirty-nine new mission stations were opened during last year, making a total of churches and stations to 640. The membership of the churches is 11,755. Three new churches were organized in Cuba, where the Board has 72 workers.

The Board has added a new department, that of Evangelism, with Dr. Roland Q. Leavell as superintendent.

The Board is operating on a cash basis. For the past 3 1-2 years no money has been borrowed for current work. The budget for the year was $150,000 for mission work and overhead; $203,825 for interest and principal on the debt. The receipts for the year were $443,455, which was $46,291 more than the previous year. During the past year $108,313 was paid on the debt.

Respectfully submitted,
K. E. BRYANT.

22. J. O. Walton explained the work of Promotion that had been done. M. A. Huggins spoke on Missions and the Work of Promotion. He explained about the "Church Revivals" to be held in the Association from November 29-December 5, 1937.

WEDNESDAY MORNING, 27TH

24. After singing "Savior, Like A Shepherd Lead Us" and "Stand Up For Jesus" W. H. Hollowell led in prayer. John R. Link led in Meditation and Mrs. Link sang "When I Survey The Wondrous Cross."

25. L. M. Dixon read the report on the Orphanage.

OUR ORPHANAGE

For more than nineteen hundred years orphans have been looked after and cared for, in a small way, by the followers of Jesus Christ. But not until about 1885 did North Carolina Baptists begin to realize the necessity of building a home where orphans could be cared for and taught the fundamentals of good citizenship and the Christ-like life. Since that time our Orphanage has cared for about 3300 boys and girls in the Home and helped many others through Mothers' Aid. Last year we were able to care for in Mills Home, Kennedy Home, and through Mothers' Aid (or otherwise), 843. But the distressing part is that on December 31, 1936 there were 550 children on the waiting list.

These children should present such a challenge to North Carolina Baptists that no member of any Baptist Church could be satisfied until every church has set apart one Sunday in each month as "Orpahnage Day" in the Sunday School. Therefore, we would urge every member of every church and Sunday School to make a special offering once each month, and on Thanksgiving Day for the support of orphan children under the care of those whom we have chosen to train them up in the way they should go.

Respectfully submitted,
L. M. DIXON.

27. The report on "Our Colleges" was read by C. M. Pegram. W. R. Cullom, Wake Forest, delivered an address on "The Kind of Education Needed Today."

J. L. Carrick spoke on Chowan College.

"To The Work" was then sung.

REPORT ON CHRISTIAN EDUCATION

To have strong people we must have a well-instructed people. This has been fully realized in all ages of the world. Even the leaders of ancient Israel knew this and made provisions for the teaching of the people.

It's well for a land to have its strong, unassailable fortresses, its well-garrisoned towns, its frontier of streams, mountains of precipitious rock. But the strength of a nation does not reside in such defense as these; it lies in the intelligence, the vigor, the courage, the patriotism, of its people. All natural munitions will fail to keep out the enemy when the people are corrupted and enfeebled.

A free, brave, godly nation will be respected and preserved, and such a nation will be found when there is true knowledge and broad intelligence. Nothing enduring can be built out of ignorance. Ignorance means folly, indulgence in the lower pleasures, feebleness, decline. Knowledge is power, all power needs to be rightly guided; misguided, it is the source of the greatest evil, everything working toward an evil end is a force that is simply terrible. The world can suffer no sadder infliction than a man or a community possessed of the power of highly cultivated intelligence but unregulated by righteous principles, abandoning itself to unworthy impulses.

It's therefore important that the people shall be instructed in the truth, led in the ways of holiness and heavenly wisdom. It is right here that the Christian school becomes a vital power. It seeks to give a young man or woman not a chest of tools simply, but a spiritual power that shall enable them to use that chest of tools to the best possible advantage. The sound basis of true character is the education that rests upon Christian truth. Our Colleges have enrolled—Wake Forest 995, Meredith 528, Chowan 113, Mars Hill 615, Campbell 426. They are doing a great work for the kingdom. We need your prayers and support (enrollment based on 1936 report to state convention.)

B. T. U. REPORT

The B. T. U. of West Chowan has had a very good year in many respects. We had a very fine convention last spring, which met at Colerain, during the winter we had a banquet for all the officers, leaders and pastors which we closed with a fine address. Three hundred and fifty eight of our members have taken a study course during the year which is very pleasing. We have perfected the organization in many respects; so that now we lack only one point in being able to reach the standard for an association. We were well represented at Statesville for the association officers training.

It is with much regret that I have to report a loss in membership of 122. An associational rally was held at Winton fourth Sunday night with the largest attendance of its kind I have witnessed since I have been in the association. The spirit of the meeting was fine. There are eighteen churches with at least one B. Y. P. U., only eleven with the full B. T. U., only three adult unions.

34. Songs, "Draw Me Nearer" and "Standing on The Promises." Prayer by C. M. Pegram.

35. W. V. Tarlton read his report on Sunday School work and then spoke to the report.

REPORT ON SUNDAY SCHOOLS

The aim of the Sunday School is four fold: viz.:

1.—To teach God's word to saved and unsaved alike.

2.—To recruit new soldiers of the cross.

3.—To train and develop potential leaders.

4.—To enable every church to have "full-time" service.

During the year we have lost in our enrollment, dropped slightly in our gifts to the orphanage, but have gained slightly in our other gifts. There have been more study courses than usual, but there are still many churches that have not had a study course for years and who do not know what a religious census is.

Since at least 85 per cent of our Baptists come from our Sunday Schools, let us resolve to enlist more in our Sunday Schools

and strive to make those who are enrolled better members.

We grow strong by exercise. Let's resolve to exercise our minds, our bodies, our tongues to a greater degree on behalf of our unreached neighbors. It will not only strengthen us spiritually but will also be a means of winning others to discipleship.

Respectfully submitted,
W. V. TARLTON.

36. A. P. Mustian read and discussed his report on the Baptist Hospital.

HOSPITAL REPORT

The year closing June 30, 1937 was the greatest in the history of the 14 years of ministry of the Baptist Hospital located at Winston-Salem—greatest in number of patients admitted, in number of churches contributing to its support and greatest in amount contributed.

About 5,000 patients applied for treatment during the year. Of this number 1,000 could not be admitted for want of room. The hospital never turns away a patient as long as there is an empty bed.

The Nurses' Home is now being enlarged—the capacity doubled—also plans are underway to enlarge the hospital.

During the year 1,000 mothers were returned to their 3,000 children; 4,000 patients returned home to 20,000 fathers and mothers, brothers and sisters; and 200,000 interested kinsmen and friends.

The hospital has a staff of 5 internes, 66 doctors, 55 nurses. The hospital and doctors are rendering a vast amount of free service to sick and distressed humanity—not less than $160,000 for the year—these patients coming from practically every section of the state.

The hospital depends very largely on the Mother's Day offering for providing treatment to those who cannot pay. This offering last May was a little more than $20,000.00. Hospital linen, such as sheets, pillow cases, towels, etc., has been donated in increased quantities this year by Woman's Missionary Union and other church organization.

As a Christian Institution, this hospital always endeavors to minister to, not only the suffering body, but to the distressed mind and spirit as well.

Respectfully submitted,
A. P. MUSTIAN.

37. Historian's report:

HISTORIAN'S REPORT

This part of North Carolina pioneered in the organization

of Missionary Baptist churches. From the records available there are fifteen churches which have passed the century mark. They are Ahoskie, 1804; Bethlehem, 1835; Buckhorn, 1835; Capeharts, 1824; Cashie, 1770; Colerain, 1780; Connaritsa, 1790; Holly Grove, 1804; Meherrin, 1729; Mt. Carmel, 1821; Pleasant Grove, 1837, the only one celebrating her one hundredth anniversary this year; Potecasi, 1833; Republican, 1803; Ross, 1804; Sandy Run, 1750.

According to the "History of Chowan Association," Republican church was not organized until 1834, thirty-one years after the date given in the Minutes.

According to reports of the pastors at their regular meeting at Chowan College in October there is no outstanding achievement wrought during the year. The revival season has closed with results which eternity alone will reveal.

For the material side Brother Richard Lloyd of Jackson reports that on Sunday, March 7, 1937, the last of the mortgage notes against the church there was cancelled and burned. The final payment was $1,100.00. The church is now free of debt. In addition some $400.00 was spent remodeling the parsonage.

Brother A. P. Mustian, pastor of the Brantley's Grove church, says that electric lights have been installed there.

The Mount Tabor church, under the leadership of its pastor, W. V. Tarlton, has built a new front to the church and thereby made three new class rooms. Also the church has been painted. The Rich Square church under the same leadership has built eleven new rooms of brick veneer construction. The Riverside church has installed a Delco plant.

Roberts Chapel church paid off a debt of $3,000.00 and dedicated the house of worship on the first Sunday in August. The dedicatory sermon was preached by Rev. R. D. Stephenson, a former member of the church. A carpet for the church was bought at a cost of $485 by the ladies of the church.

Ashleys Grove built a vestibule to the building and painted the building at a cost of $300.

Brother Geo. D. Leggett, pastor at Lawrence, says they have put a new top on the church at a cost of $150.00; a new carpet at $40.00.

The following report from Brother John R. Link of Windsor says the Cashie church has made its greatest progress in its increase in active church membership, having received 59 during the year; 43 of which came by baptism. The training work among the young people has grown considerably. Both the church building and the parsonage have been repaired during the year.

The Center Grove church of which the Historian is pastor has painted the interior of the church and installed a Delco light system.

Three new pastors have come into our midst: Revs. John R.

Link, Windsor; Guy C. Moore, Lewiston and Kelford; R. H. Moore, Severn and Margarettsville.

Respectfully submitted,
K. E. BRYANT.

1. Brief History of Colerain Baptist Church by L. M. Dixon, pastor.

BRIEF HISTORY OF COLERAIN CHURCH

Much of this is copied from a former copy which was given in this church some years ago by two former pastors—Brethren Elbert Y. Poole and R. B. Lineberry.

"Under the persecution of the established church of England, through Wm. Berkley and others of Virginia, Baptists early in the eighteenth century crossed the Virginia line from under Berkley's dominion and settled Northeastern N. C. Shiloh of the Chowan Association is the oldest church of the Baptist faith in North Carolina. In the West Chowan Association, Meherrin was founded in 1729, Sandy Run in 1750, Cashie in 1770, and Colerain in 1780.

"Elder Jeremiah Dargan seems to have started the Colerain Church, first known as WICCACON. Miss Annie Moore of Cashie neighborhood, was converted and, desiring Baptism according to the Baptist mode, went to South Carolina to find some one to baptise her. While there she met Elder Jeremiah Dargan. They soon married and moved to Bertie County near Windsor. He was a remarkable man as a Christian and as a minister of the Gospel, wonderfully blessed of the Lord in his work. Elder Burkitt says he planted the church at Cashie and was also a means of establishing the church at Wiccacon. This seems to have been prior to 1780, as Joshua Freeman was converted and joined there 1777, but Wiccacon was probably an arm of Cashie. This Wiccacon church was located about four miles northwest of Colerain. The records of the church have not been preserved.

"About the year 1829 this church was worshipping in what was called Colerain Meeting House, located just outside of Colerain on the site of the present Colored Baptist Church. There land was bought and a new house built and dedicated in 1849. Rev. Abram Jones, of Edenton, preached the dedicatory sermon. In 1883 land was procured at the present location and a house of worship was built, which was dedicated in 1892. Elder C. W. Scarborough preached the sermon. The cornerstone of the present building was laid 1908 and the house was completed, paid for, and dedicated in June 1911. The sermon on this occasion was preached by Elder M. P. Davis, a former pastor, through whose leadership the house was planned and built.

"Since the death of Elder Jeremiah Dargan, this church, as

best as can be gathered, has been served by the following pastors: Elders Welsh, Hendry, William Newborn, Jas. Bass, Reuben Lawrence, James Nowell, Jeremiah Cale, Samuel Harrell, James Belk, 1832-36, John Nowell 1836-58, W. W. Kone 1858-61, A. McDowell August 1861-62, John Mitchell 1862-67, B. B. Williams 1867-77, T. W. Babb 1877-90, C. P. Bogart July to November 1890, C. N. Donaldson Dec. 1890-92, S. F. Bristoe 1892-1901, W. P. Jordan 1901-1903, J. W. Rose 1903-1905, S. B. Barnes 1905, M. P. Davis 1906 to April 1910, F. A. Clark April to November 1910, J. O. Alderman 1911-1913, R. B. Linebery 1913 to May 1923, T. E. Walters from May 1923 to Jan. 1924, R. S. Monds 1924 to April 1925, Elbert Young Poole from April 1925 to Aug. 1931, R. L. Bolton from Sept. 1931 to Nov. 1934, L. M. Dixon Dec. 1st, 1934.

"Two preachers of eminence have gone out from this church: John Nowell and B. B. Williams."

"The Association met at Wiccacon in 1786 and 1802. No records were attainable of Associations at Colerain Meeting House."

"The West Chowan met in this place 1893, 1918," and again on this date of Oct. 26 and 27, 1937.

In 1913 some of the members realized the advantage and necessity of having and providing for the pastor to live in the midst of his people, so the church appointed a committee to investigate buying a lot or a house and lot for the home of the pastor. The committee recommended the purchase of the present pastor's home, which was bought for the nominal sum of $2,000.00. The money was borrowed and paid back by the church in one year's time.

In May 1925 Brother E. L. Middleton, Sunday School worker of the Baptist State Convention, came to Colerain and drew plans for a modern, up-to-date departmental Sunday School plant. These plans were accepted by the Church, a building committee appointed, and by the end of the year the plant was completed and ready for use. This was the first modern Sunday School building to be erected in the West Chowan Association.

Along with this was installed a modern steam-heating plant. All of which cost approximately $12,500.00. Then with the coming of the electric power line, the church installed fixtures and wired the building, and at this time has service every Sunday night in addition to the first and third Sunday mornings.

In June 1935 the church installed water works in pastor's home at a cost of $500. During this year of 1937 the church has replaced the old windows with new memorial windows in the auditorium, scraped, varnished, and waxed the floors, laid new carpet, and painted the building both inside and outside. The church has also painted and made some necessary improvements in the pastor's home. All this at an expenditure of about $3,000.00, the greater part of which

was paid when the work was completed.

Some of the members, with the pastor, are hoping in the near future that the church, as a whole, may see and feel the need of having worship service every Sunday morning. May the Lord hasten the day! The church is well able, and many want it.

L. M. DIXON.

2. This brief history of the Bertie Union Meeting was ordered published in the Minutes as it covers the same territory as the Association and is older even than the Chowan Association which was organized in 1806. The Union Meeting is to pay $5.00 for the cost of printing.

HISTORY OF THE BERTIE UNION MEETING

The existence of Union Meetings in eastern and northeastern North Carolina antedates the organization of the Chowan Baptist Association on May 16th, 1806. As early as 1802 four of these organizations are mentioned in the History of the Kehukee Association. Two of these were in the limits of the Chowan Association.

One of these meetings lay on the west side of the Chowan river and was called the Bertie Union Meeting. It was composed of the following churches: Bertie (now Sandy Run), Connaritsa, Cashie (Windsor), Wiccacon (now Colerain) and Meherrin in Hertford county). In addition there seems to have been churches of other denominations, especially Methodist churches. According to first hand information from Brother J. H. Evans, now living at 80 years of age, the Robert's Chapel church was originally a community church. At a meeting of the Bertie Union in session with that church the Rev. W. P. Britton, Jr., discussed the mode of baptism so convincingly that that church became a Missionary Baptist church. Some time after then the Jackson Baptist church entertained the Bertie Union Meeting at which time a debate on the following query was discussed: "Resolved: That different denominations are helpful to churchanity but hurtful to Christianity." Two of the speakers were Revs. Braxton Craig, pastor of the Ahoskie Baptist church, and J. C. Powell of the Lewiston and Sandy Run churches. So sharply was the line drawn that after this meeting the Methodists withdrew from the Bertie Union Meeting and never took any more part in it.

These Union Meetings in earlier years were attended with great spiritual blessings, resulting in the conversion of many souls. The meetings have always been well attended. Sometimes as many as four thousand people have been in attendance at one of these meetings.

Sometime about 1880 or earlier perhaps, the territory of the

Bertie Union Meeting was enlarged to take in all the Baptist churches of Bertie, Hertford and Northampton counties, which is the present territory of the West Chowan Baptist Association.

In 1812, the Bethel Baptist church in Perquimans county requested in her letter to the annual meeting of the Chowan Association that all the Union Meetings be under the direction of the Association. This request was, very properly, referred to the churches, and no response was given. And all through the years, up until this good year of 1937, the name of this Union Meeting has not been changed, nor is it responsible to the West Chowan Association for its acts and deliberations. Its officers, comprising a Moderator, Vice Moderator, Secretary, Treasurer, are elected by the Union in session.

In early days the Union convened for three days, on each fifth Sunday and Friday and Saturday preceding. For several years the meeting has been confined to one day only—Friday before each fifth Sunday. The Union meets alternately with Bertie, Hertford and Northampton county churches.

One of the things carried on by the Union in earlier years was colportage work. The Rev. S. B. Barnes was chosen as the first colporter at a salary of twenty five dollars a month and he pay his own expenses. After a short time he gave up the work, and Brother J. H. Evans, a layman, took over the work and after thirty five days traveling over the three counties disposed of what books and pamphlets were on hand and then quit.

For many years after the Missionary Sermon on Sunday, an offering was taken for missions, and was equally divided between Foreign and Home Missions and Christian Education.

The following quotation from "History of the Chowan Baptist Association," compiled by the Rev. James A. Delke in 1880 explains the continued existence of the Bertie Union Meeting: "One advantage to the churches arising from these meetings is, that many of them, either in consequence of inaccessibility from so large a territory as the Association, or inability to incur the expense of entertaining so large a number of delegates, can, with the assistance of their neighbors, accommodate the smaller number of delegates to these bodies. Visitors seldom, if ever, suffer for want of attention."

The reason for the continuance of this meeting now (1937) probably would be, general meetings held oftener than the annual association to keep before the churches topics of general denominational information.

Occupying the time for one of these quarterly Union Meetings is the West Chowan Baptist Sunday School Association, meeting usually in April to discuss the S. S. work of the Association.

Delegates are no longer appointed to the Union Meeting. Only those who attend are asked to stand and be counted as the roll of

the churches is called.

At least five churches in Northampton county came into being as a result of these Union Meetings. The Pastors' and Deacons' Conference was organized through the Union. But after a few years the deacons did not attend, and so now there is held a monthly meeting of the pastors of the Association at Chowan College. This probably is the oldest Pastors' Conference in North Carolina with continued meetings.

P. S. This "History" was requested by the Bertie Union Meeting in session with the Riverside church and to be printed in the Minutes of the Association.

K. E. BRYANT, Historian.

38. A resolution was offered to request the Biblical Recorder to publish the annual sermon preached by J. H. Bunn.

39. The Finance Committee, John Britt, made report:

Received from Clerk	$ 84.00
Received from Messengers	108.00
Total	$192.00

40. Richard Lloyd offered the following resolution:

Resolved, That we meeting in this fifty-fifth session of the West Chowan Association do hereby appreciatively express our thanks to the pastor, members and friends of the Colerain Baptist church for their more than gracious abundant courtesies and hospitality.

41. Inasmuch as J. O. Walton is a member of the State Promotion Committee he was elected as the chairman of the Work of Promotion in the Association.

42. A motion by Richard Lloyd that all officers elected at this session be re-elected for another year, to the close of the next session.

43. Song, "Blest Be The Tie That Binds." Benediction by W. H. Hollowell. Thus closed the fifty-fifth session of the West Chowan Association.

Article 10. In order to conserve time and not to interfere with the main work of the body ,this Association will not consider any routine or miscellaneous business except at the close of the discussion of each general topic.

Duties of Officers

Article 11. It shall be the duty of the Moderator to open the meetings punctually at time appointed; to enforce the rules; to enforce order, and to exercise all the prerogatives of a presiding officer according to the principles of parliamentary usage.

Article 12. It shall be the duty of the Vice-Moderator to discharge the duties of the Moderator in his absence.

Article 13. It shall be the duty of the Clerk to keep a faithful record of the proceedings of this body, and superintend the printing and distribution of same, and to keep on file the printed Minutes and other important documents belonging to the body. He may appoint an assistant when necessary. The Clerk shall receive for his services fifty dollars out of the Minute Fund.

Article 14. It shall be the duty of the Treasurer to receive and disburse the money contributed to the Minute Fund, as directed by the body, and make an annual report of the same.

Article 15. It shall be the duty of the Historian, who shall be elected at each annual meeting of the body, to prepare for publication in the Minutes an historical sketch of the church with which the Association meets, with obituaries, incidents, and other facts of the year that shall be preserved, and make report to the next Association.

FIFTY-SIXTH ANNUAL SESSION

of the

held with

CONWAY BAPTIST CHURCH

Northampton County

October 25-26, 1938

———o———

TUESDAY MORNING, 25th

Theme: "Let your light—shine before men."—Matt. 5:16.

1. The West Chowan Baptist Association convened in its fifty-sixth annual session with Conway Baptist Church, Conway, Northampton County, on Tuesday, October 25, 1938, at 9:45 a.m. and was called to order by W. D. Barbee, Moderator. Song: "Draw Me Nearer" and the opening prayer by J. M. Duncan. Song "Majestic Sweetness Sits Enthroned."

2. The Order of Business as prepared by the committee was presented.

3. The Biblical Recorder as usual was the first subject on the program and was represented by R. F. Terrell, field representative of the Recorder. He expressed the feeling of the whole body when he said that we feel keenly a great loss in the home-going of Rev. J. S. Farmer, who on many occasions had represented the Biblical Recorder at the Association. The Recorder was presented in a beautiful way as an agent of light.

4. Song: "Come We That Love The Lord." The annual sermon was preached by L. M. Dixon of Colerain. He used as a

basis for his message Matt. 5:14-16. Song: "Let The Lower Lights Be Burning."

5. Two new pastors with their wives were recognized: M. R. Brown, pastor of Cashie (Windsor); H. W. Baucom, Jr., pastor Rich Square and Woodland.

Visiting pastors were recognized:—F. P. Davis, Courtland, Va., I. S. Harrell, South Mills, F. B. Handley, Boykins, Va., Bob Stephenson, Franklin, Va., K. D. Stukenbrok, Catawba County, B. G. Earley, Neuse Association, Mrs. T. C. Britton, missionary to China.

Representatives of boards and institutions were recognized: R. F. Terrell, Biblical Recorder; M. A. Huggins, Baptist State Mission Board; C. E. Brewer, Meredith College; John Arch McMillan, Baptist Orphanage.

6. The Moderator appointed as an enrolling committee R. R. Jackson, D. J. Robinson, Richard Lloyd and R. H. Moore. This committee reported 57 of the 58 churches represented the first day and the other church was represented the second day.

7. The reports of missions were read as follows:

State—Guy C. Moore; Aged Ministers—Lonnie Sasser; Home—W. H. Hollowell; Foreign—H. W. Baucom, Jr. read the report prepared by Leon P. Spencer. In the absence of J. O. Walton no report was given of promotion work.

State Mission Report

The main object of State Missions is the winning of the lost to Christ and to bring all the material resources of our Baptist people under the sway of Christian influence, and to lead them to dedicate themselves to the Kingdom of God. To do this we must employ all the men and means possible to plant the Cross of Christ in every community, pointing the lost to the way of eternal life and establishing in faith those rescued from the power of Satan, making it possible for them to "grow in grace and in the knowledge of God."

To carry out the functions of State Missions we are engaged in the following activities—missionary pastoral assistance, teaching and training, church building, preaching to the Indians in Robeson county, aiding the Negro Baptist in helping them to keep two workers

on the field, providing student secretaries in the colleges, ministering to the sick in hospitals and sanatoriums, and supporting two missionaries in the state. All these agencies are dependent on a great State Mission program. We have a great opportunity to help in the Kingdom Work through them.

Respectfully submitted,
GUY C. MOORE.

Report On Aged Ministers

The Relief and Annuity Board of the Southern Baptist Convention has just completed its twentieth year of service. This Board should find a larger place in the hearts of our people than has been accorded it hitherto. It has rendered a great service, but it is capable of rendering a still greater service. The benefits paid by this Board during the first twenty years were $3,235,150.42. Our people should make the work of this Board a matter of earnest study and prayer and give to it their most hearty cooperation.

The Care of Our Aged and Infirm Preachers and Widows

Our Board continually faces the great task laid upon it by the Southern Baptist Convention and by the various States of providing food, clothing and shelter for thousands of ministers who have grown old in the service of Christ and for the widows of ministers who have gone to their Heavenly reward. The time has not come and will not come for many years when there will not be the necessity for aiding these servants of the Lord, and the amounts that we are paying them ought by all means to be increased for they are pitifully small.

Fellowship Offerings

The Relief and Annuity Board is continuing to ask that the churches take at least one FELLOWSHIP OFFERING in connection with the observance of the Lord's Supper each year and send it through the state secretary-treasurer marked "Special Fellowship Offering for Ministerial Relief".

Annuities For Our Preachers Who Retire In Future Years

Many churches and pastors in the Southern Baptist Convention have taken the long look and entered into cooperation with the Relief and Annuity Board looking to the building up of an annuity on which the minister and his family may live after he retires from active service. Retirement may be as early as 65 or may be deferred to a later date, according to circumstances. Churches having ministers who are provided for through an annuity plan are more likely to

continue them in service after they are 65 than if they are not so provided.

It will be well for our churches to make diligent inquiry into this plan and, of course, our preachers should also give it their earnest consideration.

Respectfully submitted,
LONNIE SASSER.

Report On Home Missions

The need of the Home Mission Board in the life and work of Southern Baptists is revealed in the fact that here in the homeland are 22,000,000 souls out of Christ. The need of the Home Board is made more evident in the fact that included in this great host of people yet unsaved the more than 5,000,000 people of other nationalities and languages of both foreign and native birth. This latter group presents both a problem and a demand that can be met only through some organized agency. We must face this demand or lose our identity as a Christian race.

The need which we are only scantily touching is merely a beginning of the great and demanding work of the Home Mission Board. There are the challenging fields of Rescue Missions, Good-Will Centers, the 11,000,000 Negroes, the Indians, the Jews, the work in Panama and in Cuba with its 2,500,000 people, Mountain Missions, Mission Schools, etc.

Our Home Board though laboring under the disadvantage of a heavy debt is heroically marching on toward the consummation of its task. In its ministry of love it has the care of 327 missionaries working in 850 mission stations, administering to the needs of the needy, preaching the gospel of Christ Jesus, teaching and healing.

There is just one urgent request your committee would like to make—namely, that you make the Home Mission Board and its work an object of your daily prayers, and we shall not need to be overly concerned as to its success.

Respectfully submitted,
W. H. HOLLOWELL.

Foreign Mission Report

Survival of the Foreign Mission Board for 93 years through turbulent as well as prosperous times, serves to prove the true value of such an organization. Statistics compiled for the year 1937 should be sufficient evidence that a liberal dividend has been earned on each dollar contributed for this cause. Eighty-eight percent of all contributions reached the foreign fields which number 16 countries during the year 1937. Since the meeting five years ago in Washing-

ton the Board has reduced its debt $771,510 and now the remaining debt stands at the comparatively low figure of $316,000. The Board has lived within its income and has not borrowed any money for the past five years.

It is impossible to estimate the damage done to property in China and other countries in a state of war, but the losses have been terrific. In Shanghai alone the damage is estimated to approximate one quarter million dollars and in addition the missionaries have lost or had destroyed personal effects amounting to thousands of dollars.

America was born out of a burning desire to enjoy civil liberty and the right of all men to worship freely, without fear of church or state. Can we continue to call ourselves the "Good neighbor" and forget to contribute our part toward perpetuating the work of an organization which is nearing its century mark of service to people who know not God?

Respectfully submitted,
LEON P. SPENCER.

Song: "Send The Light." M. A. Huggins, State Secretary of Missions, was given a warm welcome to the association. Our Secretary was at his best in his address.

8. At the request of R. F. Terrell the Moderator appointed D. J. Robinson to write a report of the association for the Recorder.

9. J. M. Duncan spoke on The Proposed Southern Baptist Revival. He pictured some serious problems facing the South and therefore need for a revival. The Moderator appointed two committees:—Finance, B. D. Stephenson; Time, Place and Preacher, C. G. Powell, J. L. Carrick and J. H. Evans. After announcements the benediction was given by M. R. Brown. The session adjourned until two o'clock.

TUESDAY AFTERNOON SESSION, 25th

10. Two songs: "Rescue The Perishing" and "Toiling On." Prayer by R. F. Terrell. Song: "In The Harvest Fields."

11. The Moderator took the chair and Richard Lloyd read his report on Social Service. He recommended that hereafter this subject be called "Civic Righteousness" as other subjects on the program really come under the head of Social Service.

He then spoke to his report and forcefully pointed out some sinful practices that christian people should not only not engage in but help to stamp out. Song: "My Soul Be On Thy Guard."

Social Service Report

At the outset, your committee would suggest that this phase of our work at the next association be known as "The Report of the Committee on Civic Righteousness", inasmuch as social service as it is now understood is covered by separate reports as on "The Hospital" and "The Orphanage."

Of course, we bring to your attention once more the things prevalent among us, in our own communities, that are anti-social and detrimental to the best interests of all citizens.

We list some of them: lawlessness, crime, gambling—from punch boards to "cash night" at the movies, drunkenness and selling of booze, legally and otherwise, the erasing of the Lord's Day as a day of quiet worship and service by the secularizing of it with baseball games, movie shows, motor boat racing and other ways.

We notice, with joy, that the reaction against the booze business is gaining ground—that already 14 counties in Virginia are prohibiting the sale of wines and beer on Sundays.

It may be that the county commissioners of Bertie, Hertford and Northampton could be persuaded to adopt this same restriction.

It is obvious that none of those things that disturb and desecrate the Lord's Day in the bounds of our association would be profitable if the Christian people would refrain from patronizing them on Sunday. There are not enough non-Christian people in our territory, if they all paid admissions, to make any movie or baseball game a financial success on the Lord's Day.

This might be well considered by the Christian people of our three counties.

Respectfully submitted,
R. LLOYD.

12. Mrs. Sallie Parker read her report on Our Colleges. J. L. Carrick, president of Chowan College, gave an encouraging report of the work at the college. Charles E. Brewer, president of Meredith College, spoke on Christian Education to the delight of the body. He reported that Meredith was having as good year as last and that was the best year in the history of the college.

Our Colleges

"Madame thou errest: I say, there is no darkness but ignorance." These are the words of Shakespeare in his Twelfth Night. The church has long realized the wisdom of this premise of the bard of Stratford, but she also senses a deeper truth that there can be ignorance of soul as well as ignorance of mind. The Psalmist gives us the key when he records, "The entrance of thy words giveth light, it giveth understanding to the simple." With this in mind our denomination has established Christian colleges as lighthouses, to send forth cultural and spiritual beams that shall flood the minds and souls of our youth and make them as cities set upon hills whose light cannot be hid."

The late Dr. W. L. Poteat said to a graduating class at Wake Forest College, "Young gentlemen, I hope that your intellect and your faith may keep on good terms and walk through life in closest friendship. They will need each other. There will come times when faith will turn to intellect and say, 'I thank you for the light you bring to me about the facts of the material universe.' And there will be times when intellect will turn to faith and say. 'I need you now. I am in the presence of the spiritual and supernatural. I can't walk alone here. You must help me, and I thank you for the light that you bring to the spiritual and the supernatural." This is the true function of a Christian college and there is increasing evidence that all are striving and succeeding in this high endeavor.

At a recent conference in Ridgecrest, there was much discussion of the attitude of a certain professor in one of the Baptist schools of another state. At the height of the discussion, someone from that state arose and said, "It may interest you to know that he has already been removed."

Our colleges are filling a deep and pressing need of this modern civilization. On every hand there comes information of increased enrollments and more splendid types of work. They must live and more abundantly. The task is not simple. It calls for the everlasting teamwork of every soul. Their light cannot shine into the darkened places of life if we put shades at their windows by our indifference and criticisms. They must have the

Money of your hands,
Children of your homes,
Prayers of your hearts.

Granted these they shall indeed become 'A light to lighten the Gentiles,' and the glory of the people called Baptists.

MRS. SALLIE PARKER.

13. The Moderator made the following appointments to report next year. Benevolences: Aged Ministers—A. P. Mustian; Hospital—R. S. Fountain; Orphanage—C. H. Trueblood. Biblical Recorder and Other Baptist Publications: D. J. Robinson, Oscar Creech. Civic Righteousness: H. W. Baucom, Jr. Education: Chowan College—J. L. Carrick; Our Colleges—R. H. Moore. Missions: Foreign—M. R. Brown; Home—W. B. Harrington; State—L. M. Dixon. After announcements Lonnie Sasser led the closing prayer and the session closed until ten o'clock Wednesday morning.

14. A young peoples' meeting was held Tuesday night. H. W. Baucom, Jr., spoke in an interesting and helpful way to the young people. J. H. Bunn, pastor, presided.

WEDNESDAY MORNING, 26th

15. Three hymns were sung: All Hail The Power of Jesus' Name," "Blessed Assurance", "My Hope Is Built." Prayer by K. D. Stukenbrok, a former pastor of Conway. A period of meditation was led by R. H. Moore using the Scripture "Let your light — shine."

16. The Moderator called the body to order and announced that Smith Hagaman from the Baptist Hospital could not be present and had asked John Arch McMillan, Orphanage representative, to represent also the Hospital. In view of this the Moderator asked that the report on the Hospital be read just after the Orphanage report. J. H. Bunn then read the report on the Orphanage and G. D. Leggett the report on the Hospital. John Arch McMillan, Thomasville, represented the two institutions. He moved the hearts of the people in interest for our adopted children. K. D. Stukenbrok made remarks on the Hospital.

Our Orphanage

When our Lord was in the world in the flesh he had great compassion upon little children. James, the brother of Our Lord, gathered

up the thread of Jesus' teaching, and in a golden nugget gave to us these words: "Pure religion and undefiled before God is this, to visit the fatherless and the widows in their affliction, and to keep himself unspotted from the world."

It was not until 53 years ago that North Carolina Baptists realized the necessity of a Home for her unfortunate children. Since that time she has mothered and trained about 4,000 children, and sent them out in the world to be better citizens. The past year our Orphanage cared for in the Kennedy Home, the Mills Home, and in Mother's Aid more than 900 children. And even with that the situation is distressing; for more than half that number are seeking entrance.

We can not sit idly by with this great challenge pressing down upon us. May we resolve to make more of Orphanage Day in our Sunday Schools ,and then to plan for a great offering on Thanksgiving Day to meet the crying needs, of these our fellow christian's children.

We have in Dr. I. G. Greer one of the finest christian leaders in all the land. We can not afford to disappoint him and the great cause he represents.

JOHN H. BUNN.

Hospital Report

Since the fall of man there has been disease and pain. When Jesus came he gave us an example of healing. "Heal the sick" was his command to his disciples. Baptists of North Carolina are trying to carry out that command. We have a hospital at Winston-Salem known as the Baptist Hospital. That does not mean that only Baptists are treated there but people of all denominations and those who are not members of any church.

There have been 41,303 patients treated; out of that number 14,579 professed no faith whatever, but of this number 8,265 were babies or children under ten years of age.

Patients are being turned away every day for the lack of room. There is now a plan for enlargement so the hospital can serve God and humanity better. This enlargement is needed for larger service to suffering humanity. Seeking its facilities in Christ's name your support is earnestly requested.

Respectfully submitted,
G. D. LEGGETT.

18. A paper on the W. M. U. work was read by Mrs. J. L. Carrick, president of the West Chowan W. M. U. She presented Mrs. Sallie Parker who pled for our lights to shine in mission-

ary interest. She called for all to stand who would try to do more for the missionary cause. While a majority stood Oscar Creech led in prayer. Mrs. T. C. Britton of Wake Forest, who with her husband went out from this association to China fifty years ago, was recognized and given several minutes to speak. She made an earnest appeal for China.

19. D. J. Robinson, West Chowan B. T. U. president, made report on his work. He reported much gain during the past year but appealed for greater support by the adults. A recommendation was made that every church appoint a B. T. U. director whether or not there are unions in the church. The benediction and thanks for the food were given by Richard Lloyd. The session closed until two o'clock.

WEDNESDAY AFTERNOON, 26th

20. Songs: "Draw Me Nearer" and "Let The Lower Lights Be Burning." B. G. Earley of the Neuse Association led in prayer.

21. The Moderator called the Association to order and R. R. Jackson, Superintendent of West Chowan Sunday School Association, spoke on the Sunday School work in the Association. He reported a drop in enrollment and attendance last year.

22. Historian made his report.

Historian's Report

The task of compiling the facts of 58 separate organizations without the facts is indeed a difficult problem. Surely the reports from the Pastors are correct as far as they go, but then many things are left unsaid. To compile in one brief report all the history the churches have made during the past 12 months would be something of what Solomon said, "of making many books there is no end; and much study is a weariness of the flesh."

There are 58 churches in the Association with 14,988 members served by 20 resident and 3 non-resident pastors.

The revival meetings were held largely with this idea in mind, "A Greater Spiritual Awakening". The verbal reports of the pastors in their first monthly conference of the fall at Chowan College seemed to show that there was a greater awakening in the churches.

The note of Evangelism was also sounded in the meetings and as a result many made profession of faith in Christ and united with the various churches.

From the material point of view a great deal of progress has been made during the year. Brother Guy Moore, pastor of the Kelford and Lewiston churches reports, that the Kelford church has put a new roof on, painted the church and and remodeled the belfry at a total cost of $783.40. At Lewiston a new church building of brick veneer with 14 separate classrooms is nearing completion. A total of $7,284.13 has been expended on their building.

The Ahoskie church leads the Association in several ways, and this in particular: A new Hammond organ has been installed. Brother J. O. Walton reports new fixtures, high powered lights and 4 new Sunday School rooms added at the Green's Cross church. Also the parsonage there has been made more attractive by the addition of paint.

Brother B. L. Davis says their greatest achievement at Sandy Run and Pleasant Grove was in the addition of many new converts as a result of the revival meetings. The Sandy Run church, a rather new brick structure, has recently planted shrubbery around the building.

The Meherrin church, oldest in the Association has put on a new appearance by painting auditorium and other inside work, according to its pastor, Rev. J. M. Duncan. He also reports that the outside of the Galatia Church has received new paint.

From Brother Richard Lloyd comes this report: Jackson church has renovated the parsonage, inside and out, during the year and all the bills for the work are paid. The Mt. Carmel Church under the same leadership has reroofed the church, painted the outside and built new steps at a total cost of $450. All bills are paid.

The new pastor, Rev. Millard R. Brown, of the Cashie Church states that the work under his administration has started off fine. A revival meeting in which Dr. E. H. Potts of Elizabeth City did the preaching has brought a renewed interest in the church life.

The St. John's Church has been painted and the Brantley's Grove Church had repair work done under the leadership of the pastor, Rev. A. P. Mustian.

The pastor of the Severn Church, Bro. R. H. Moore, is laying a good foundation which ought to withstand many storms. A concrete floor has been put in the basement of the church. Suitable furniture including a piano has been put in the basement for the Intermediate department of the Sunday School. A new baptistry was also built under the pulpit and was christened by 8 boys and girls as the first to be baptized in it. A concrete walk was also laid from the steps to the sidewalk.

On the field of the historian there has also been signs of activity.

The Bethany Church painted inside and out, installed high powered lights, and put in a Stieff piano. The Center Grove Church added new paint to the outside of the building. A new front has been added to the Powellsville church; the auditorium painted and new carpet laid.

The Association has lost from last year's roster of pastors, Revs. W. V. Tarlton and John R. Link, and has gained Revs. H. W. Baucom, Jr., and Millard R. Brown in their stead.

K. E. BRYANT, Historian.

23. After the Historian read his report he presented a suggestion from the Pastor's Conference about writing the history of the Association for the first fifty years, and let the history include a brief history of each church.

Richard Lloyd offered the following resolution:

RESOLVED, That the Moderator, Clerk, Historian, J. H. Evans and D. J. Robinson be a committee to investigate the possibility of having the history written and published and the probable cost and to report at the next session.

24. B. D. Stephenson, the finance committee, made report that $204.40 had been received.

25. Treasurer made his report for 1937:

Treasurer's Report

1937	RECEIPTS	
Oct. 27	Received from Finance Committee	$192.80
Dec. 28	Received after the Association	47.95
	Total	$240.75

Dec. 11	Paid Record Publishing Co. for 1000 minutes	$174.80
Dec. 31	Paid Oscar Creech, clerk	50.00
Feb. 19, 1938	Paid Oscar Creech, expenses	14.14
		$238.94

W. A. THOMAS, Treas.

26. Committee on Time, Place and Preacher submitted the following report:

Time—Tuesday and Wednesday, October 24-25, 1939.

Place—Chowan College. It was recommended that for 1939 each person carry his lunch or pay the college 35c for his lunch.

Preacher—R. R. Jackson; alternate—D. J. Robinson.

Signed—J. H. EVANS, L. M. DIXON, GUY C. MOORE.

Note—The last two members of the committee were appointed the second day in the absence of two who were appointed the first day of the meeting.

26. The following resolution was read for information and notice given that it would be presented for a vote next year.

Whereas, the question of entertaining our association has become quite a problem because of the large number of people attending it; whereas, several churches desirous of having the association meet with them, cannot do so, because of the probable cost;

Be it resolved, That the church or churches having the association meet with them shall be requested to make a nominal charge of 30c for each dinner served; that no board representative, local pastors or visitors be exempt.

Respectfully submitted,
RICHARD LLOYD.

—o—

27. Resolution of thanks:

Be it resolved, That we, meeting in the fifty-sixth annual session of the West Chowan Association, do hereby appreciatively and sincerely express our thanks to the pastor, members and friends of the Conway Baptist church for their gracious and abundant courtesies and hospitality.

Respectfully submitted,
RICHARD LLOYD.
